

PUBLIC WORKS COMMITTEE REPORT relative to developing specifications, requirements, and solicit proposals for vendors for the branding, etching, and/or labeling of copper wire that is used in Bureau of Street Lighting (BSL) systems.

Recommendations for Council action, pursuant to Motion (de León, Park – Blumenfield):

1. INSTRUCT the BSL to develop specifications for the branding, etching, and/or labeling of copper wire that is used in BSL systems.
2. INSTRUCT the BSL, in coordination with the Bureau of Engineering, to require that any contractor installing or replacing copper wire in city street lighting systems use wire that is branded, etched, and/or labeled consistent with the aforementioned technical specifications developed by the BSL.
3. INSTRUCT the BSL to issue a Request for Qualifications to solicit proposals for vendors to brand, etch, and/or label copper wire to be installed by the BSL.
