

## Communication from Public

**Name:**

**Date Submitted:** 09/25/2024 07:49 AM

**Council File No:** 17-0676-S2

**Comments for Public Posting:** I am neutral on this proposal for protecting historic buildings, and I strongly oppose efforts to use permanent bollards rather than the current plastic bollards on protected bike lanes. As a bicyclist, I support the status quo regarding this issue.
