Comments for Public Posting: My family and I have been residents of Reseda Ranch for the past 5 years and we love calling our neighborhood Reseda Ranch. We love how our neighborhood goes from a city living when school is in on the weekdays and a horse riding city on the weekends. By allowing these apartments to be built we will be robbed from our lives and our name Reseda Ranch. We are asking that this project will not be allowed anywhere in our little town of Reseda Ranch. Allowing this project to move forward in our community will be saying to the Reseda Ranch community, money talks you can all take a walk.
