INTRADEPARTMENTAL CORRESPONDENCE

July 19, 2024
4.6

TO: The Honorable Board of Police Commissioners

FROM: Chief of Police

SUBJECT: REQUEST FOR PAYMENT OF REWARD OFFER DR NO. 1912-25175

RECOMMENDED ACTIONS

1. That the Board of Police Commissioners (Board) REVIEW and APPROVE the attached application of Special Reward Payment.
2. That the Board TRANSMIT to the Mayor and City Council the Application for Special Reward Payment for review and approval.

DISCUSSION

On April 15, 2015, the City Council amended the Los Angeles Administrative Code and created a Hit-and-Run Reward Program Trust. This reward program was created to encourage community members to provide information leading to the identification, apprehension, and conviction, or resolution through civil compromise, of suspects who fail to stop and render aid at a traffic collision.

It is requested that the Board approve and transmit to the City Council the recommendation to approve this reward to be paid to the Claimant in the amount of \$50,000. The claimant provided information that was vital in assisting with a fatal hit-and-run case DR No. 1912-25175.

The claimant positively identified the suspect as the hit-and-run driver, who was convicted to 11 years in state prison. Attached are the applications for the reward.

On October 20, 2019, the suspect was driving northbound on McKinley Avenue when he ran a stop sign at a high rate of speed and struck the victim's vehicle, which was traveling westbound on 76th Street. After the crash, the suspect exited his vehicle and fled the scene on foot without rendering aid to the victims, in violation of the law. A passenger in the suspect's vehicle sustained serious fractures and the driver of the vehicle the suspect collided with sustained fatal injuries.

The claimant observed the suspect exit his vehicle after the crash and attempted to flee on foot by blending in the crowd. The claimant got in his own vehicle and pursued the suspect who was observed several blocks from the crash site. The claimant flagged down a California Highway Patrol (CHP) officer and identified the suspect as the fleeing driver. The suspect was transported back to the scene by CHP where he was detained by officers with the Los Angeles Police Department

South Traffic Division. The suspect was transported to University of Southern California Medical Center by Los Angeles Fire Department where he was treated for injuries sustained from the crash.

On October 21, 2019, Detective III Ryan Moreno, Serial No. 32013, South Traffic Division, obtained the suspect's statement where he admitted to driving recklessly resulting in a collision that caused fatal injuries to the driver of the other vehicle involved and severe fractures to his passenger. The suspect also admitted to fleeing the scene of the crash without stopping to render aid. The suspect was arrested and booked at 77th Jail for 187(a)PC- Murder (Booking #5779505).

On October 23, 2019, the Los Angeles District Attorney's office filed one count 187(a) PC-Murder (Court Case No. BA482119).

On March 23, 2021, the suspect was sentenced to eleven years in state prison.

It is the opinion of the investigating detective and the district attorney assigned to this case that the information provided by the claimant was vital in the arrest and conviction of the suspect, making the claimant eligible to receive the reward payment.

If you have any questions regarding this correspondence, please contact Commander Craig Valenzuela, Serial No. 33440, Traffic Group, at (213) 486-0680.

Respectfully,

DOMINIC H. CHOI
