**Comments for Public Posting:** As a home owner in el Sereno I am 100% opposed to Ysabel Jurado's proposal to force a rezone of the CalTrans properties in our neighborhood that will most likely bring in apartment complexes, unchecked homeless encampments, and a significant change to the very fabric of this neighborhood. Home owners voiced their concerns prior to her taking office and she is not representing their opinions. There is not enough clarity with her plans, and the neighborhood already made their voices heard in 2024. This should not move another step and should be struck down immediately.

**Comments for Public Posting:** Our neighborhood is filled with single family homes and parking is already a HUGE issue. Rezoning would only make a bad situation worse. We strongly object to rezoning.
