

AD HOC COMMITTEE FOR LA RECOVERY REPORT relative to requesting the Los Angeles Department of Water and Power (LADWP) to report on existing protocols and procedures for LADWP infrastructure and what contingencies are in place for our water conveyance systems in emergency situations.

Recommendation for Council action, pursuant to Motion (Nazarian – Yaroslavsky):

REQUEST the LADWP to report to Council on its existing protocols and procedures for LADWP infrastructure, particularly reservoir maintenance, how these measures can be made adaptable to account for extreme weather events and the longer-term impact of increasing climate change, such as the Santa Ana winds that blow yearly; and what contingencies are in place for our water conveyance systems in emergency situations.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: Yes

For: North Westwood Neighborhood Council

(Energy and Environment Committee waived consideration of the above matter)

SUMMARY

At the meeting held on February 6, 2025, your Ad Hoc Committee for LA Recovery considered a Motion (Nazarian – Yaroslavsky) relative to requesting the Los Angeles Department of Water and Power (LADWP) to report on existing protocols and procedures for LADWP infrastructure and what contingencies are in place for our water conveyance systems in emergency situations.

After an opportunity for public comment was held, the Committee moved to approve the recommendation contained in the Motion, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

AD HOC COMMITTEE FOR LA RECOVERY
