Honorable Members:

This Office has prepared and now transmits for your consideration the enclosed revised draft ordinance, approved as to form and legality, that responds to City Council's instruction dated April 19, 2024, and a requested correction by the Department of Building and Safety (DBS).

On March 21, 2025, this Office transmitted a draft ordinance approved as to form and legality in response to City Council's instruction from April 19, 2024, that would amend Chapter IX of the Los Angeles Municipal Code (LAMC) to correct technical and clerical errors and omissions found in Ordinance No. 187719. Ordinance 187719 amended Chapter IX of the Los Angeles Municipal Code (LAMC) in order to update the City's Building Code.

Subsequently, DBS requested a correction to the March 21, 2025, draft ordinance in the form of an amendment to LAMC Subsection 98.0501(a) that is responsive to the instruction from City Council on April 19, 2024.

The enclosed revised draft ordinance incorporates the request from DBS.

The discussion and analysis in this Office's March 21, 2025, report (R25-0131) related to the California Environmental Quality Act (CEQA) Determination, Charter, and Health and Safety Code, remain applicable to the enclosed revised draft ordinance.
