RECOMMENDATION

That the Council, subject to the approval of the Mayor, authorize the General Manager of the Department of Animal Services, or designee, to execute the First Amendment to Contract No. 143523 between the Animal Services Department and Value Vet, Inc. dba Shelter Veterinary, to operate the West Los Angeles Animal Services Center spay and neuter clinic from July 1, 2024 through June 30, 2025, for an amount not to exceed \$350,000.

SUMMARY

The Animal Services Department (Department) requests authority to execute the First Amendment to Contract No. 143523 with Value Vet, Inc. dba Shelter Veterinary, to operate the West Los Angeles Animal Services Center spay and neuter clinic. The First Amendment will extend the term of the agreement from July 1, 2024 through June 20, 2025, and for an amount not to exceed \$350,000.

On February 19, 2020, the Department released a Request for Qualifications (RFQ) to solicit Statements of Qualifications for the on-call spay/neuter services list, which includes on-site spay/neuter clinic operations, mobile spay/neuter clinic operations, and spay/neuter support services. On September 22, 2020, the Board of Animal Services Commissioners (Board) approved the Department's pre-qualified lists by spay/neuter service category based on the responses received. The Board

authorized the Department to release a Task Order Solicitation (TOS) to the pre-qualified list as new contracts became available, and the Mayor's Office approved the release of the TOS for the West Los Angeles Animal Services Center on March 15, 2021. The Department completed the TOS process on April 5, 2021 and selected Value Vet, Inc. for the service contract.

Under the proposed agreement, the Department will allow the Contractor the use of its on-site clinic facilities to perform spay and neuter surgeries on dogs, cats, and rabbits. The Contractor is required to participate in all Department spay and neuter programs including: Pre-release, Post-release, and Pre-Adoption spay and neuter programs for animals within City shelters and the Discount and Free Sterilization Voucher programs, which includes the Citywide Cat Program for services to Los Angeles residents. The Contractor is required to ensure that sterilization surgeries of animals provided by the Department are prioritized over all other surgeries performed at the Clinic and that an adequate portion of its daily surgery schedule is reserved for Department-provided animals.

The Department will reimburse for eligible services rendered based on the rates outlined in Table 1. Surgery Reimbursement Rates. The Contractor shall also provide a discount equal to five-percent of the City-approved fees for spay and neuter surgeries performed on animals provided from the Department under the Pre-Release, Post-Release, and Pre-Adoption programs, as provided in Table 2. Surgery Discount Rates.

Table 1. Surgery Reimbursement Rates

Spay/Neuter Type	Reimbursement Rate
Discount Coupon for Cats	\$30.00
Discount Coupon for Dogs & Rabbits	\$50.00
Free Certificate for Cats	\$70.00

Rabbits	\$125.00	\$118.75

The Agreement further outlines the average minimum estimated daily number of surgeries to be performed by the Contractor as provided below in Table 3. Minimum Daily Surgeries. The total number of surgeries performed on a given day varies widely depending on demand from new adoptions and from the public.

Table 3. Minimum Daily Surgeries

Animal	Average Daily Minimum
Dogs	10
Cats (female)	5
Cats (male)	Unlimited

Funding for this contract is provided through the Animal Sterilization Trust Fund, which is funded through the City budget process, as well as through licensing fees, adoption fees, and donations. The Fund is administered by the General Manager of the Department of Animal Services in accordance with Los Angeles Administrative Code Section 5.199. Eligible expenditures from the Fund include providing animal sterilization services to residents of the City of Los Angeles who meet applicable program eligibility requirements.

Prior to the execution of the initial agreement, a Charter Section 1022 Determination was completed by the Personnel Department and the City Administrative Officer, which found that there are City employees that do have the expertise to perform this work; however, since the work assignment exceeds staffing availability, it is more practicable to provide these services through a contract service provider.

In accordance with the Los Angeles Administrative Code Section 10.5(b)(2), Council approval of the proposed amendment is required as the term exceeds three years and the annual expenditure under this agreement exceeds the established contract exemption limit of \$187,496 for 2023-24. To the best of our knowledge, the Contractor has complied with all standard provisions for City contracts. The Agreement has been reviewed and approved by the City Attorney as to form.

FISCAL IMPACT STATEMENT

Approval of the recommendation in this report will have no additional impact on the General Fund. All spay and neuter service costs are funded through the Animal Sterilization Trust Fund and sufficient funding for this purpose is available therein.

FINANCIAL POLICIES STATEMENT

The recommendation stated in this report is in compliance with the City's Financial Policies in that budgeted funds are used for intended purposes, and ongoing revenues are used for ongoing expenditures.

- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;

PSC-4. Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-8. Suspension

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC-9. Termination

A. Termination for Convenience

CITY may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
 - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
 - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
 - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
- 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
- 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
- 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-11. Contractor's Personnel

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

PSC-14. Claims for Labor and Materials

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding

performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

PSC-17. Bonds

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

At **CITY’S** sole discretion, **CITY** and its authorized agents shall have the right to lead or participate in the investigation. **CONTRACTOR** shall cooperate fully with **CITY**, its agents and law enforcement.

By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.
- 3. Primary Coverage.** CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.
- 4. Modification of Coverage.** The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.
- 5. Failure to Procure Insurance.** All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. THE FOREGOING PERMISSION is given upon and subject to the following provisions and conditions:

ARTICLE 1. BASIC LICENSE PROVISIONS

1.1. **Capacity of CITY as Owner.** Except where clearly and expressly provided otherwise in this License, the capacity of the City of Los Angeles in this License shall be as the property owner only, and all obligations or restrictions, if any, imposed by this License on CITY shall be limited to that capacity and shall not relate to or otherwise affect any activity of the City of Los Angeles in its governmental capacity, including, but not limited to, enacting laws, inspecting structures, reviewing and issuing permits, and all other legislative, administrative, or enforcement functions of the City of Los Angeles pursuant to federal, state, or local law. Nothing in this Section or this License shall be construed as abrogating or limiting any immunities or exemptions which the City of Los Angeles is entitled under the law.

1.2. **Execution Date.** The defined term "**Execution Date**" shall mean the date the Office of the City Clerk of Los Angeles attests this LICENSE.

1.3. **Title to PREMISES.** LICENSEE hereby acknowledges that title to the Premises vests with CITY, and agrees never to assail or resist the same, and further agrees that LICENSEE's use and occupancy of the Premises shall be restricted to the purposes of this License and the permission given under this License.

1.4. **No Interest in Real Property.** LICENSEE hereby acknowledges that this agreement is a license only and does not constitute a lease of or any interest in real property.

1.5. **Acknowledgment of Taxable Interest.** No fee interest in real property is hereby conveyed; however, by executing this LICENSE and accepting the benefits thereof, a property interest may be created known as a "possessory interest" and such property interest will be subject to property taxation. taxes, if any, levied upon such interest. LICENSEE acknowledges that the notice required under California Revenue and Taxation Code section 107.6 has been provided. Any other use shall be prohibited, except by the prior written consent of GSD and DEPARTMENT.

2.2. **Hours of Business; Continuous Operation.** Hours of business shall be specified in the PERSONAL SERVICES AGREEMENT.

In no event shall LICENSEE have any extension right if then in default under this LICENSE (with any applicable cure period having expired).

3.3. **Holdover.** If LICENSEE remains in possession of the PREMISES beyond the authorized TERM without GSD's and DEPARTMENT's written consent, LICENSEE shall be deemed to be a licensee at sufferance.

6.4. **Rights Reserved by GSD**. Without limiting any rights GSD may otherwise have under this License, GSD specifically reserves the right from time to time, subject to its use of reasonable efforts to minimize interference with LICENSEE's use and occupancy of the Premises and without compensation to LICENSEE for inconvenience or otherwise:

- (a) To install, use, maintain, repair, replace and relocate pipes, ducts, conduits, wires, fixtures and appurtenant meters and equipment for service to the Premises and/or other parts of the Building, in which case GSD shall have responsibility for the disturbance, if any, of asbestos resulting therefrom; and

Charges for all telecommunications supplied to the Premises shall be paid by LICENSEE.

7.2. **Air Systems.** GSD shall provide, operate, repair and maintain a heating, cooling, and control system ("HVAC") serving the Premises.

ARTICLE 8. COMPLIANCE WITH ALL LAWS AND REGULATIONS

8.1. **Compliance with Statutes and Regulations.** LICENSEE warrants and certifies that in the performance of this License, it shall comply with all applicable statutes, rules, regulations and orders of the United States, the State of California, and the County and the City of Los Angeles, including laws and regulations pertaining to building, labor, wages, hours, and other conditions of employment. LICENSEE must comply with all new or revised laws, regulations and/or procedures that apply to the performance of this License.

8.2. **Americans with Disabilities Act.** LICENSEE shall construct all improvements and operate upon the Premises in a manner which is in compliance with the Americans With Disabilities Act of 1990 (42 U.S.C. § 12101, et seq.) and any and all other applicable federal, state, and local laws regarding accessibility for persons with disabilities (collectively "the ADA").

8.3. **Hazardous Materials.** As used in this License the defined term "Hazardous Materials" shall mean any hazardous or toxic substances, biohazards, medical wastes, or other materials or wastes that are or become regulated by the United States, the State of California, or any local government authority having jurisdiction over the Premises. Without limiting any of the obligations described above, LICENSEE shall not use or permit the Premises or any part thereof to be used to generate, manufacture, refine, treat, store, handle, transport or dispose of, transfer, produce or process Hazardous Materials without GSD's prior written consent, which may be denied at GSD's sole discretion, and then, in any of the foregoing cases, only in compliance with all laws and regulations with respect to Hazardous Materials (the "Environmental Regulations") (including, without limitation, the Comprehensive Environmental Response, Compensation, and Liability Act, as amended (42 U.S.C. § 9601, et seq.) (together with the regulations promulgated thereunder, "CERCLA"), the Resource Conservation and Recovery Act, as amended (42 U.S.C. § 6901, et seq.) Upon the occurrence of any such release or threat of release of Hazardous Materials, LICENSEE shall promptly notify GSD and DEPARTMENT, and thereafter commence and perform, without cost to GSD, all investigations, studies, sampling and testing, and all remedial, removal and other actions necessary to clean up and remove all Hazardous Materials so released, on, from or beneath the Premises or other property, in strict compliance with all Environmental Regulations. Nothing in this License shall prohibit LICENSEE from the transportation to and from, and the use, storage, maintenance, and handling within, the Premises of substances customarily used in connection with the services provided under the Personal Services Agreement, provided: 1) such substances shall be used and maintained only in such quantities as are reasonably necessary for the permitted use of the Premises set forth in Article 2.1 of this License, strictly in accordance with applicable laws and the manufacturers' instructions therefor; 2) such substances shall not be disposed of, released, or discharged at the Premises, and shall be transported to and from the Premises in compliance with all applicable laws, and as GSD shall reasonably require; 3) if any applicable law or GSD's trash removal contractor requires that any such substances be disposed of separately from ordinary trash, LICENSEE shall make arrangements for such disposal directly with a qualified and licensed disposal company at a lawful disposal site and shall ensure that disposal occurs frequently enough to prevent unnecessary storage of such substances in the Premises; and 4) any remaining such substances shall be completely, properly, and lawfully removed from the Premises upon expiration or earlier termination of this License.

8.4. **Hazardous Materials Notification.** California Health and Safety Code section 25359.7(a) requires any owner of nonresidential real property who knows, or has reasonable cause to believe, that any release of Hazardous Material has come to be located on or beneath that real property, prior to the lease or

rental of that real property or when the presence of such release is actually known, to give written notice of that condition to the lessee or renter. California Health and Safety Code Section 25359.7(b) requires any licensee of real property who knows, or has reasonable cause to believe, that any release of Hazardous Material has come to be located on or beneath that real property to give written notice of such condition to the owners. GSD and LICENSEE shall comply with the requirements of Section 25359.7 and any successor statute thereto and with all other statutes, laws, ordinances, rules, regulations and orders of governmental authorities with respect to Hazardous Materials.

8.5 **Safety Deficiencies and/or Violations.** LICENSEE shall correct safety deficiencies and violations of safety practices immediately, or notify DEPARTMENT of said safety deficiencies and/or violations.

ARTICLE 9. RENOVATIONS AND ALTERATIONS

9.1. **Renovations and Alterations.** Any renovation or alteration which is made to the Premises or the Building by LICENSEE shall be at its own cost and expense and the construction shall in accordance with plans and specifications approved prior to such renovation or alteration by GSD and DEPARTMENT. GSD may deny permission for any renovation or alteration without stating any cause, unless such renovation or alteration is required by a governmental authority having jurisdiction therefore, in which case permission shall not be unreasonably withheld. All renovations, alterations and improvements of any kind, excepting LICENSEE's personal property and trade fixtures, shall immediately become part of the Premises and shall be owned by GSD. If a renovation or alteration to the PREMISES or the PREMISES building is required to ensure that LICENSEE's operations are compliant with federal, state, or local laws or regulations, GSD and DEPARTMENT shall, in good faith, negotiate with LICENSEE to determine a mutually-acceptable and mutually feasible course of action.

9.2. **"As Built" Drawings.** LICENSEE shall submit to GSD and DEPARTMENT reproducible "as built" drawings of all improvements approved pursuant to this LICENSE and constructed on the Premises.

9.3. **Removal of Personal Property.** Trade fixtures, equipment, furnishings and other personal property installed or placed on the Premises at the cost of LICENSEE shall be property of LICENSEE unless otherwise specified in this License or in the Personal Services Agreement. If, within seven (7) days of the termination of this License, LICENSEE fails to remove any of such property, DEPARTMENT may, at DEPARTMENT's option, retain all or any of such property, and title thereto shall thereupon vest in DEPARTMENT; or DEPARTMENT may remove from the Premises and dispose of in any manner all or any of such property without any responsibility to LICENSEE for damage or destruction to said property. In the latter event, LICENSEE shall pay to GSD upon demand the actual expense of such removal and disposition and the cost of repair of any and all damages to the Premises resulting from or caused by such removal.

9.4. **Claims/ Nonresponsibility and Work Commencement Notices.** Nothing contained in this License shall constitute any consent or request by GSD, express or implied, for the performance of any labor or services or the furnishing of any materials or other property with respect to the Premises and/or any or all improvements thereon or any part thereof, or as giving LICENSEE any right, power, or authority to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in such fashion as would permit the making of any claim against CITY. GSD shall have the right at all times to post and keep posted on the Premises any notices permitted or required by law, or which GSD shall deem proper for the protection of CITY and the Premises, and any other party having an interest therein, from mechanics' and materialmen's liens, and LICENSEE shall give to GSD at least ten (10) business days prior written notice of the expected date of commencement of and work relating to alterations or additions to the PREMISES.

ARTICLE 10. INSURANCE AND INDEMNIFICATION

10.1. **Insurance.** LICENSEE, at LICENSEE's own cost and expense, shall, prior to any possession or other use of the Premises, secure from an insurance company or companies licensed in the State of California and maintain during the entire Term and any extension or holdover of this License, the insurance coverage for the Premises not less than the amounts and types listed on Form Gen 146/IR attached as Exhibit C hereto., and as follows:

Evidence of such insurance shall be on an Insurance Industry General Liability Certificate (such as an ACORD certificate) and should provide coverage for premises and operations, contractual, personal injury, independent contractors, products/completed operations and fire legal liability. Proof of current insurance must be submitted to CITY prior to LICENSEE's possession of the Premises, and upon written request of the CITY. The City of Los Angeles, its boards, officers, agents and employees, shall be named as additional insured on an Additional Insured Endorsement to all General Liability insurance required herein. LICENSEE shall furnish CITY with evidence of insurance showing the extent of such insurance. Should a casualty occur, the proceeds of the policy or policies of fire and extended coverage insurance shall be used to restore the Premises and the fixtures and inventory providing that the Clinic remains open to public use or will be opened to public use. Such policy or policies of insurance shall include the City of Los Angeles as Loss Payee as its interests may appear.

10.1.2. **Improvements or Alterations Insurance.** Before any improvements, alterations, or construction work of any kind are performed by LICENSEE, LICENSEE shall obtain and maintain, at LICENSEE's expense, liability and worker's compensation insurance adequate to fully protect CITY as well as LICENSEE from and against any and all liability for death of or injury to any person or for loss or damage to property caused in or about or by reason of LICENSEE's construction. In addition, LICENSEE shall carry "Builder's All Risk" insurance in an amount reasonably approved by CITY covering the construction of such Alterations.

Evidence of such insurance shall be on an Insurance Industry General Liability Certificate (such as an ACORD certificate).

10.1.4. **LICENSEE'S PROPERTY.** CITY will insure LICENSEE'S EQUIPMENT, stored goods, other personal property, fixtures, or licensee improvements, nor such personal property owned by LICENSEE's sublicensees or assignees, if any, or invitees. CITY shall not be required to repair any injury or damage to any personal property or trade fixtures installed in the Premises by LICENSEE caused by fire or other casualty, or to replace any such personal property or trade fixtures. LICENSEE may, at LICENSEE's sole option and expense, obtain physical damage insurance covering LICENSEE's equipment, stored goods, other personal property, fixtures or licensee improvements or obtain business interruption insurance.

10.1.5. **Notice Of Reduction In Insurance.** All insurance policies required under this License shall expressly provide that such insurance shall not be canceled or materially reduced in coverage or limits except after thirty (30) days written notice by receipted delivery has been given to City Administrative Officer, Risk Management, City Hall East, Room 1240, 200 North Main Street, Los Angeles, California 90012.

10.1.6. **Default.** If insurance is canceled, lapsed, or reduced below minimums required in this Article, CITY may consider this License to be in default and may terminate it. Termination shall occur at the expiration of a three (3) day notice given in accordance with the provisions of the Code of Civil Procedure section 1162. At the termination of three (3) days or sooner, the LICENSEE shall

vacate the Premises and the LICENSEE shall have no right to possess or control the Premises or the operations conducted therein. If the LICENSEE does not vacate, CITY may utilize any and all court proceedings to obtain a right to possession.

10.1.7. **Adjustment of Insurance Levels.** CITY may, from time to time during the Term or any extension or holdover of this License, applying generally accepted risk management principles, change the amounts and types of insurance required hereunder upon giving LICENSEE ninety (90) days prior written notice.

10.2. **Waiver of Subrogation.** Each party hereto agrees to waive its rights of recovery against the other for any physical damage it may sustain to the extent that such damage is covered by valid and collectible property insurance. Each party will notify its respective insurers of such agreement. Further, each party agrees to waive in advance its insurer's rights of subrogation to the extent that its insurance policies so permit.

10.3. **Indemnification.** Except for the active negligence or willful misconduct of CITY, LICENSEE undertakes and agrees to defend, indemnify, and hold harmless CITY and any and all of CITY's boards, commissions, officers, agents, employees, assigns, and successors in interest and at the option of the CITY, defend by counsel satisfactory to the CITY, from and against all suits and causes of action, claims, losses, demands, and expenses, including, but not limited to, attorneys' fees and cost of litigation, damage or liability of any nature whatsoever, for death or injury to any person, including LICENSEE's employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of the acts, errors, omissions, or willful misconduct on the part of LICENSEE, sublicensees, assignees, contractors, subcontractors or invitees of LICENSEE, arising out of or relating to: (1) the use of the Braude Retail Mall and its facilities, (2) any repairs or alterations which LICENSEE may make upon the Premises, or (3) this Lease. LICENSEE's obligation to indemnify CITY and save CITY harmless shall include the retention and payment of reasonable legal counsel and investigative services and the payment of all other reasonable costs, expenses and liabilities from the first notice that any claim or demand is to be made in or has been made. ARTICLE 11. SECURITY DEPOSIT

11.1. **Security Deposit.** LICENSEE shall maintain on deposit with GSD throughout the Term of this LICENSE a deposit in cash as security for the performance of LICENSEE's obligations under this License ("Security Deposit"). Initially, the amount of the Security Deposit shall be Three Thousand Dollars (\$3,000). CITY shall hold the Security Deposit, and GSD and DEPARTMENT shall have the right at any time to apply part or all of the Security Deposit to repair damages to the Premises resulting from LICENSEE's occupancy, to clean the Premises upon termination of this License, and any expense, loss, or damage that GSD may suffer because of LICENSEE's default under this License. LICENSEE shall be obligated to maintain the Security Deposit at its full amount, and GSD, upon sixty (60) days prior written notice, may require LICENSEE to deposit an additional amount where events reasonably require an increase in the amount of the Security Deposit. Upon termination of this License, GSD may utilize all or part of the Security Deposit to restore the Premises to its original condition, less normal wear and tear. Neither the Security Deposit nor its application by GSD shall be a bar or defense to any action in unlawful detainer or to any action which CITY may at any time commence for a breach of any of the covenants or conditions of this License. CITY's obligation with respect to the security deposit are those of a debtor and not a trustee. CITY can maintain the security deposit separate and apart from DEPARTMENT's general funds or can commingle the security deposit with DEPARTMENT's general fund or other funds. DEPARTMENT shall not pay LICENSEE interest on the security deposit.

11.2. **Return of Security Deposit.** GSD shall retain any portion of the Security Deposit which may properly be utilized by GSD for the purposes described in this Article and shall return the balance of the Security Deposit to LICENSEE upon termination of this License by reason of (1) damage or destruction of

the Premises, or (2) default on the part of GSD, or upon the any other termination of this License, within two (2) weeks after the date GSD receives possession of the Premises (unless the Security Deposit will reasonably be used to repair damages to the Premises caused by LICENSEE or to clean the Premises, in which case the return shall be within thirty (30) days after the date GSD receives possession of the Premises.)

ARTICLE 12. ASSIGNMENT AND SUBLICENSING

12.1. **Assignment Prohibited.** This License and permission herein given is personal to the LICENSEE and is not assignable or transferable.

ARTICLE 13. DAMAGE OR DESTRUCTION

13.1. **Total Destruction.** This License shall automatically terminate if the Building is totally destroyed.

13.2. **Partial Destruction of Premises.** If the Premises and/or the Building are damaged by any casualty and, in GSD's opinion, the Premises (exclusive of any improvements made to the Premises by LICENSEE) can be restored to their pre-existing condition within sixty (60) days after the date of the damage or destruction, GSD may promptly and with due diligence repair any damage to the Premises (exclusive of any improvements to the Premises made by LICENSEE, which may be repaired by LICENSEE at LICENSEE's sole expense) and this License shall continue in full force and effect. If the Premises and/or the Building cannot reasonably be expected to be restored to their pre-existing condition within sixty (60) days after the date of the damage or destruction, or if GSD shall elect not to rebuild or restore the Premises and/or Building, either party may terminate this License upon fifteen (15) days prior written notice to the other party. Nothing in this Article shall be construed to require GSD to rebuild or restore the Premises or the Building.

13.3. **Waiver.** The provisions contained in this LICENSE shall supersede any contrary laws now or hereafter in effect relating to damage or destruction, and GSD and LICENSEE hereby waive the provisions of California Civil Code sections 1932(2) [termination where greater part of thing hired perishes] and 1933(4) [automatic termination upon destruction of thing hired].

13.4. **Termination.** If either party terminates this License as permitted by this Article 13, then this License shall end effective the date specified in the termination notice.

ARTICLE 14. DEFAULT AND TERMINATION

14.1. **Default.** In the event that LICENSEE is in default of consideration provided for herein or in default of the performance of any other of the provisions and conditions provided to be kept and performed by LICENSEE or has abandoned the Premises as defined in California Civil Code section 1951.3, DEPARTMENT and GSD may terminate this LICENSE in accordance with the provisions of the Personal Services Agreement and LICENSEE shall immediately quit the Premises and turn over to GSD any improvements installed by LICENSEE which will become GSD's property, unless GSD, notifies LICENSEE that all or a portion of such improvements shall be removed, in which case LICENSEE shall remove within thirty (30) days after termination all or such portion of such improvements at LICENSEE's sole expense and shall repair any damage caused or remaining after such removal.

14.2. **Default of Service Agreement (Cross-default).** Termination of this License shall cause the Personal Services Agreement to be terminated immediately and concurrently, and termination of the Personal Services Agreement shall cause this License to be terminated immediately and concurrently.

14.3. **Surrender of Premises.** The voluntary or other surrender of this License by LICENSEE, or a mutual cancellation thereof, shall not work a merger, and shall, at the option of GSD, operate as an assignment to it of any or all sub-Licenses or sub-tenancies. No act or thing done by CITY or any agent or

employee of CITY during the Term shall be deemed to constitute an acceptance by GSD of a surrender of the Premises unless such intent is specifically acknowledged in a writing signed by GSD. The delivery of keys to the Premises to GSD or any agent or employee of GSD shall not constitute a surrender of the Premises or effect a termination of this License, whether or not the keys are thereafter retained by GSD, and notwithstanding such delivery, LICENSEE shall be entitled to the return of such keys at any reasonable time upon request until this License shall have been properly terminated.

14.4. **Condition of Surrendered Premises.** Upon the expiration or termination of this License, LICENSEE shall peaceably surrender the Premises and all alterations and additions thereto, broom-clean, in good order, repair and condition, reasonable wear and tear excepted. All alterations and improvements of any kind shall be part of the Premises and shall remain upon the Premises upon any termination of this License, except those alterations and improvements which DEPARTMENT, in its sole and absolute discretion, shall require LICENSEE to remove upon any such termination, which alterations and improvements shall be removed by LICENSEE within thirty (30) days after termination and all damage to Premises caused by such removal shall be repaired by LICENSEE. Upon such expiration or termination, LICENSEE shall, without expense to GSD or DEPARTMENT, remove or cause to be removed from the Premises all debris and rubbish, and such items of furniture, equipment, freestanding cabinet work, and other articles of personal property owned by LICENSEE or installed or placed by LICENSEE at its expense in the Premises, and such similar articles of any other persons claiming under LICENSEE, as GSD may, in its sole discretion, require to be removed, and LICENSEE shall repair at its own expense all damage to the Premises and Building resulting from such removal.

14.5. **Cumulative Remedies/Waiver.** The specific remedies to which CITY and LICENSEE may resort under the provisions of this License are cumulative and not intended to be exclusive of any other remedies afforded by laws. The waiver of the performance of any covenant, provision, or condition of this by CITY or LICENSEE shall not be construed as a waiver of any subsequent breach of the same covenant, provision or condition.

ARTICLE 15. MANDATORY CITY REQUIREMENTS

15.1. **Standard Provisions for City Contracts.** Incorporated by reference into this LICENSE is the "Standard Provisions for City Contracts" ("Standard Provisions"). Throughout the License Term, LICENSEE shall comply with the Standard Provisions and applicable City Ordinances, and any amendments thereto.

15.2. **Ordinance Language Governs.** In the event of a discrepancy between this License or Exhibit B and the applicable ordinance language, as amended, the language of the ordinance shall govern.

ARTICLE 16. MISCELLANEOUS PROVISIONS

16.1. **Adult Supervision.** LICENSEE will maintain or cause to be available adult supervision adequate to supervise and control visitors to the Premises.

16.2. **Amendment of License.** No amendment, modification, supplement or mutual termination of any provision of this License shall in any event be effective unless the same shall be in writing and signed by GSD, DEPARTMENT, and LICENSEE.

16.3. **Approval for Displays/Signage.** LICENSEE is authorized to display routine posted information (such as "Open/Closed" signs, bulletins, dog/cat posters within the CLINIC, posted hours, etc.). All posted information and signage for LICENSEE shall be at LICENSEE's sole cost and expense, and shall be subject to LICENSEE's mandatory removal should DEPARTMENT and GSD, at their sole discretion, instruct LICENSEE to do so. No permanent sign (or sign requiring physical alteration of the PREMISES building's exterior surfaces of any sort) shall be placed on the outside of the PREMISES building without first having been submitted to DEPARTMENT for review, and without GSD's prior written approval. Such signage, if approved by GSD, shall not be inconsistent with exterior signs for similar businesses on similar buildings.

16.4. **Binding Effect.** The covenants and conditions herein contained, subject to the provisions as to assignment, apply to and bind the heirs, successors, executors, administrators and assigns of the parties hereto.

16.5. **Captions, Table of Contents, and Index.** The titles or captions of all Articles, Sections, or Paragraphs, as well as the Table of Contents and the Index contained herein, are for convenience and reference only, are not intended to define or limit the scope of any provisions of this License, and shall have no effect on the interpretation of any provision of this License.

16.6. **CITY's Right of Entry.** At all reasonable times, GSD's or DEPARTMENT's authorized representatives may enter and inspect the Premises for purposes of ensuring compliance with the provisions of this License, to make changes and alterations, for purposes of entry to equipment access panels, or for any other reasonable lawful purpose. During the final six months of the Term of this License, GSD or DEPARTMENT may exhibit the Premises. During the final month of the Term of this License, GSD or DEPARTMENT may display thereon appropriate notices relating to leasing of the Premises in such manner as not to unreasonably interfere with LICENSEE's business.

16.7. **Conflict of Laws and Venue.** This License shall be governed by and interpreted in accordance with the law of the State of California. Venue in any action arising out of this License will be proper only in the County of Los Angeles, State of California.

16.8. **Consent/Duty to Act Reasonably.** Except where otherwise expressly qualified and except for matters which will have an adverse effect on the (a) structural integrity of the Building, (b) the Building Systems (Section 16.3, page 12), or (c) which could affect the exterior appearance of the Building, whereupon in each such case LICENSEE's duty is to act in good faith and in compliance with the License, any time the consent of LICENSEE or GSD is required, such consent shall not be unreasonably withheld, conditioned, or delayed. Whenever the License grants LICENSEE or GSD the right to take action, exercise discretion, establish rules and regulations or make allocations or other determinations, LICENSEE and GSD shall act reasonably and in good faith and take no action which might result in the frustration of the reasonable expectations of a sophisticated licensor and sophisticated licensee concerning the benefits to be enjoyed under the License.

16.9. **Corporate Resolution.** If LICENSEE is a corporation and the signators for LICENSEE are not two officers of the corporation as specified in California Civil Code Section 313, then prior to or contemporaneous with the execution of this License, LICENSEE shall provide to GSD a current copy of its corporate resolution depicting the names, titles and legal signatures of the officer or officers of the corporation authorized to execute legal documents, including this License, on behalf of LICENSEE. Within thirty (30) days after LICENSEE's receipt of GSD's written request, LICENSEE shall provide to GSD an updated corporate resolution depicting such names and legal signatures.

16.10. **Covenants and Agreements.** The failure of LICENSEE or GSD to insist in any instance on the strict keeping, observance or performance of any covenant or agreement contained in the License, or the exercise of any election contained in the License shall not be construed as a waiver or relinquishment for the future of such covenant or agreement, but the same shall continue and remain in full force and effect.

16.11. **Days.** Unless specified otherwise herein, all references in this License to less than ten (10) days shall mean business days; otherwise, "days" shall mean calendar days unless specifically modified herein to be "business" or "working" days. All references to "notice" shall mean written notice given in compliance with Article 4. All references, if any, to "month" or "months" shall be deemed to include the actual number of days in such actual month or months.

16.12. **Exhibits - Incorporation in License.** All exhibits referred to are attached to this License and incorporated by reference as though fully set forth in the body of the License.

16.13. **Force Majeure.** Except as otherwise provided in this License, whenever a day is established in this License on which, or a period of time, including a reasonable period of time, is designated

within which, either party is required to do or complete any act, matter or thing, the time for the doing or completion thereof shall be extended by a period of time equal to the number of days on or during which such party is prevented from, or is unreasonably interfered with, the doing or completion of such act, matter or thing because of wars, insurrections, rebellions, civil disorder, declaration of national emergencies, acts of God, or other causes beyond such party's reasonable control (financial inability excepted) ("Force Majeure"); provided, however, that nothing contained in this Section 16.13 shall excuse LICENSEE from the prompt payment of any Rent or other charge required of LICENSEE hereunder. Neither party shall be liable for and in particular, LICENSEE shall not be entitled to, any abatement or reduction of Rent or right to terminate by reason of, any such delays or failures or other inability to provide services or access under this License due to Force Majeure.

16.14. No Partnership or Joint Venture. Nothing contained in this License shall be deemed or construed to create the relationship of principal and agent or of partnership or of joint venture or of any association between GSD and LICENSEE. Neither the method of computation of Rent nor any other provision contained in this License, nor any acts of the parties hereto, shall be deemed to create any relationship between GSD and LICENSEE other than the relationship of Lessor and LICENSEE.

16.15. No Relocation Assistance. LICENSEE acknowledges that it is not entitled to relocation assistance or any other benefits under the California Relocation Assistance Act (Government Code section 7260, et seq.), the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C.A. § 4601, et seq.), or any other provisions of law upon termination of this License. LICENSEE therefore waives any claim to such assistance or benefits.

16.16. Parking Privileges. LICENSEE is not guaranteed any parking spaces for their use at the Clinic. Specific parking privileges may be negotiated with the individual DEPARTMENT Animal Care Center with which the Clinic is associated. Any additional parking required by code and/or for permits for LICENSEE's business operation is LICENSEE's expense and responsibility.

16.17. Partial Invalidity. If any provision or condition contained in this License shall to any extent be invalid or unenforceable, the remainder of this License, or the application of such provision or condition to persons or circumstances other than those with respect to which it is invalid or unenforceable, shall not be affected thereby, and each and every other provision and condition of this License shall be valid and enforceable to the fullest extent possible permitted by law.

16.18. Prior Agreement/Amendments. This License contains all of the agreements of the parties hereto with respect to any matter covered or mentioned in this License, and no prior agreement or understanding, oral or written, express or implied, pertaining to any such matter shall be effective for any purpose. This License cannot be altered, changed, modified or added to, except as approved in writing by the City Council of City of Los Angeles and signed by the General Manager of the Department of General Services and by LICENSEE, or their successors in interest. The parties acknowledge that all prior agreements, representations and negotiations are deemed superseded by the execution of this License to the extent they are not incorporated herein.

16.19. Quiet Enjoyment. Upon performance by LICENSEE of the covenants, provisions, covenants, and conditions of this License, LICENSEE shall peaceably and quietly hold and enjoy the Premises for the Term of this License without hindrance or interruption by CITY, or any other person or persons lawfully or equitably claiming by, though, or under CITY, subject, nevertheless, to the provisions and conditions of this License.

16.20. Receivership or Bankruptcy. In the event the LICENSEE shall be adjudicated bankrupt or become involved in any proceedings under the bankruptcy laws of the United States, or if the license created hereby, or any improvements constructed pursuant to this License, shall be transferred by operation of law, including but not limited to, enforcement of a judgment, the trustee in bankruptcy, the assignee or judgment purchaser shall be bound by all provisions of this License, including but not limited to the provision that operation of the Premises be for the purposes stated in Article 5.1.

16.21. Severability. If any provision of this License or the application thereof to any person or

circumstance shall to any extent be invalid or unenforceable, the remainder of this License, or the application of such term or provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each term and provision of this License shall be valid and be enforced to the fullest extent permitted by law. This License shall be governed by and construed under the laws of the State of California.

16.22. Successors in Interest. Subject to the provisions hereof relative to assignment, this License shall be binding upon and inure to the benefit of the heirs, executors, administrators, transferees, successors and assigns of the respective parties hereto.

16.23. Time. Time is of the essence with respect to the performance of every provision of this License in which time or performance is a factor.
