Summary:

On March 1, 2023, your Committee considered a December 29, 2023 City Clerk report relative to the East Hollywood (Property-Based) BID FY 2023 Annual Planning Report. According to the City Clerk, the East Hollywood BID was established on June 8, 2021 by and through the City Council's adoption of Ordinance No. 187073 which confirmed the assessments to be levied upon properties within the District, as described in the District's Management District Plan. Council established the BID pursuant to State Law.

State Law requires that the District's owners' association shall cause to be prepared, for City Council's consideration, an Annual Planning Report for each fiscal year for which assessments are to be levied and collected to pay for the costs of the planned District improvements and activities. The Annual Planning Report shall be filed with the City Clerk and shall refer to the district by name, specify the fiscal year to which the report applies, and, with respect to that fiscal year, shall contain all of the following: any proposed changes in the boundaries of the district or in any benefit zones within the district; the improvements and activities to be provided for that fiscal year; an estimate of the cost of providing the improvements

and activities for that fiscal year; the method and basis of levying the assessment in sufficient detail to allow each real property owner to estimate the amount of the assessment to be levied against his or her property for that fiscal year; the amount of any surplus or deficit revenues to be carried over from a previous fiscal year; and the amount of an contributions to be made from sources other than assessments levied.

The Annual Planning Report, which was approved by the BID's Board at its meeting on October 18, 2022, complies with the requirements of the State Law and reports that programs will continue, as outlined in the Management District Plan adopted by the BID property owners. Council may approve the Annual Planning Report as filed by the BID's owners' association or may modify any particulars contained in the Annual Planning Report, in accordance with State Law, and approve it as modified. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations in the City Clerk report. This matter is now forwarded to the Council for its consideration.
