Comments for Public Posting: Absolutely No to Project HomeKey at 18606 Normandie Avenue, Gardena 90248! The crimes (drug dealing, prostitution, break-ins, etc.) that occurred while it was a motel was bad enough. 186th St. Elementary School is less than 2 blocks away. We are a working class neighborhood with a generous mix of retirees and new families with school age children. Here's a better idea: All the politicians that voted yes on this project can submit their addresses so a project homekey site can be located and placed within 2 blocks of their residences instead. I think our neighborhood would like that idea much better. Stop "making rules for thee but not for me." This is a terrible idea.
