

PUBLIC WORKS COMMITTEE REPORT relative to an update on the use of micro-trenching and other trenchless utility installations across the City.

Recommendation for Council action, pursuant to Motion (Lee – Padilla):

INSTRUCT the Bureau of Engineering to report with an update on the use of micro-trenching and other trenchless utility installations across the City and to include recommendations if any code or policy changes are needed for the implementation and development of new utility installation standards.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted

### SUMMARY

At the meeting held on January 24, 2024, your Public Works Committee considered a Motion (Lee – Padilla) relative to an update on the use of micro-trenching and other trenchless utility installations across the City.

After an opportunity for public comment was held, the Committee moved to approve the recommendation contained in the Motion, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

PUBLIC WORKS COMMITTEE
