Comments for Public Posting: My neighbors have turned their single family home ant 806 N Stanley Ave into an Airbnb Hotel. They no longer live in the area and are absentee homeowners. They are in violation of Home Planning & Sharing by not living on the property and it is available for short term rental on many sites until 2025. Please do lot grant them an extended home sharing permit and please revoke any existing permits. We pay 50 k a year in property taxes and live in a neighborhood zoned for single family homes not hotels!

Comments for Public Posting: We love our neighborhood and our home which is in an area zoned for single family homes. However, our next door neighbors have turned their home that they do not live in into an Airbnb hotel. This property is a nuisance with constant noise, parties, up to 12 guests parking on the street and this is creating a quality of life issue for us. We pay over 50k a year in property taxes and the city has turned thru backs on families like ours who want to have a normal peaceful home. Please revoke the permit for 896 N Stanley ave and return peace to our lives! Registration number: HSR23-000326 Property Link <https://www.airbnb.com/wishlists/v/1373682744?viralityEntryPoint=49&s=76>
