The decision maker must decide if the facts presented in the record support the findings (i.e., criteria for approval) established in the LAMC. On a separate sheet, provide a detailed justification/explanation of how the proposed project conforms with the following:

1. The project will enhance the built environment in the surrounding neighborhood or will perform a function or provide a service that is essential or beneficial to the community, city, or region.

1. The proposed use will not adversely affect the welfare of the pertinent community.

- 
- 
3. The proposed use will not detrimentally affect nearby residentially zoned communities in the area of the City involved, after giving consideration to the distance of the proposed use from residential buildings, churches, schools, hospitals, public playgrounds and other similar uses, and other establishments dispensing, for sale or other consideration, alcoholic beverages, including beer and wine.

### **FINDINGS FOR APPROVAL OF CONDITIONAL USE PERMIT – ALCOHOL (CUB)**

#### **1. Findings – General Conditional Use**

(a) Provide a beneficial service. A substantial component of the Target store is its market section. The approximately 9,000 sq. ft. market section offers a full-range of grocery products, including fresh meats and produce, along with a variety of dry goods. The ability to purchase alcoholic beverages with other grocery items will offer customers a more complete shopping experience and will provide a convenience to Target's customers by eliminating the need for an additional shopping trip. To further enhance the shopping experience, Target will offer occasional on-site instructional tastings to educate customers about the qualities and characteristics of various alcoholic beverage products.

(b) Compatible with adjacent properties and neighborhood. The Target store is located on a 16.5 acre shopping center site with multiple retail tenants and surface parking. The proposed use is compatible with the adjacent properties and businesses, and will not adversely affect or degrade the surrounding neighborhood.

(c) Conforms with purpose and intent of General, Community and Specific Plans. The proposed use is consistent with the broad objectives of the General Plan and the goals of the Chatsworth – Porter Ranch Community Plan to promote economic well-being and public convenience by having commercial centers that serve as focal points for shopping and other community services. The site is not in a Specific Plan area.

#### **2. Supplemental Findings - Alcohol**

(a) Approval will not adversely affect the welfare of the community. Target provides a broad range of everyday essentials to meet the needs of local residents. The addition of alcoholic beverage sales to Target's grocery offerings will not change the character of the existing retail use. The hours of operation, types of vehicular traffic, number of people involved (both as employees and as customers), outdoor activities and other operational aspects of the store will be unchanged. Alcoholic beverage sales will be a small component of Target's overall retail use. Target also has policies and protocols to ensure that alcohol sales are handled in a responsible matter and to deter crime, loitering and other undesirable activity. The incidental sale of alcoholic beverages, therefore, will not adversely affect the surrounding community.

(b) No undue concentration of off-sale establishments. Although there are 2 off-sale licenses allocated for the census tract and 5 existing, all of the existing licensed establishments are small convenience stores that do not offer the same full service shopping experience as Target. Because Target will offer a wide variety of everyday essentials in one location, the use will provide a benefit and convenience to the community and will not create an undue concentration of licenses

(c) Approval will not detrimentally affect nearby residents. The Target store is surrounded by retail and commercial uses on all sides, except to the west, which is residential. The residential area is separated from the Target store by the shopping center parking lot and Corbin Avenue, a

busy four-lane thoroughfare, and therefore will not be impacted Target's operations. Furthermore, Target is a well-respected national retailer that understands and takes seriously the responsibilities that come with selling alcoholic beverages, and will conduct its operations with due regard for the well-being and quiet enjoyment of nearby residents.
