

MOTION

BB

52A

I MOVE, regarding the matter of the COMMUNICATION FROM THE CITY ATTORNEY and ORDINANCE FIRST CONSIDERATION relative to adding Chapter 19 to Division 19 of the Los Angeles Administrative Code (LAAC) to prohibit City resources, including property and personnel, from being utilized for immigration enforcement or for cooperation with federal immigration agents, Item 52 on today's Council Agenda (C.F. 23-0243), that the City Attorney be requested to AMEND the draft ordinance as follows:

- 1) Add "Immigration Enforcement" as a defined term to match the definition in California Government Code Section 7284.4(f); and use this defined term as the basis for the limitations on the use of City resources imposed throughout Sec. 19.191;
- 2) Require all City employees to treat City data and information that can be used to distinguish or trace a person's Citizenship or Immigration Status, either on its own or when combined with other information, as confidential information to the extent permitted by law, and require employees to handle, maintain, and secure such information according to City policy;
- 3) Clarify that nothing in the ordinance is intended to prohibit or otherwise restrict the City from complying with a valid warrant issued by a federal or state judge, or other order evidencing a judicial determination of probable cause;
- 4) Amend Sec. 19.191, Subsection (b), to read as follows: (b). Investigate, cite, arrest, hold, transfer, or detain any person for the purpose of Immigration Enforcement;
- 5) Amend Sec. 19.191, Subsection (e), to delete the phrase "absent informed, written consent from the person in custody."

I FURTHER MOVE that Item 52 on today's City Council agenda (C.F. 23-0243), be amended as follows:

That the City Council direct the Chief Legislative Analyst (CLA), with the assistance of any other City departments, as needed, to report back within 60 days with recommendations for reviewing compliance with this ordinance on an ongoing basis, including:

- A means of ensuring that all City departments, including the proprietary departments (the Department of Airports, the Harbor Department, and the Los Angeles Department of Water and Power), and the Los Angeles Police Department, can be compelled to adopt this same ordinance or a similar ordinance containing all the same provisions;
- A means of ensuring that all City departments, including the proprietary departments and the Los Angeles Police Department, are held to one uniform set of compliance standards such as educating and training staff about the ordinance, identifying violations, and addressing incidents of violations of the ordinance. These recommendations should include any resources and/or staffing needed to effectuate these responsibilities.
