

MOTION

GOVERNMENT OPERATIONS

The Los Angeles Philharmonic (LA Phil) is an American orchestra based in the City of Los Angeles. In addition to performing shows at the Walt Disney Concert Hall and Hollywood Bowl, this organization provides resources to enable and support those interested in pursuing music. LA Phil works with community partners to provide free instruments, intensive music instruction, academic support, and leadership training in various communities of Los Angeles.

While performing at the Hollywood Bowl, LA Phil will need a location to shuttle visitors to and from the show. The City-owned parking lot located at the Sylmar/San Fernando Metrolink station would be adequate space for LA Phil to use for their free shuttle services. In accordance with Los Angeles City Charter Section 371(e)(10) and Administrative Code Section 10.15(a)(10), the use of competitive bidding would be undesirable and impractical for this contract.

I THEREFORE MOVE that the City Council instruct the Department of General Services, with the assistance of the City Attorney and City Administrative Office, to negotiate a new non-profit lease with the Los Angeles Philharmonic (LA Phil) for the use of the City-owned parking lot located at the Sylmar/San Fernando Metrolink station as part of LA Phil's free shuttle service to help residents of the San Fernando Valley access the Hollywood Bowl as a cultural destination.

I FURTHER MOVE the the Council find, pursuant to Charter Section 371(e)(10) and Administrative Code Section 10.15(a)(10), that the use of competitive bidding would be undesirable and impractical for this contract, inasmuch as the LA Phil and its free shuttle service are unique and competitive bidding for this lease would be impractical.
