Comments for Public Posting: Dear Councilmembers: I am writing to express my support for the modernization of our Convention Center. Please schedule this for committee ASAP. Investing in the modernization of our Convention Center is a crucial step towards ensuring our city remains competitive, vibrant, and economically thriving. Our Convention Center plays a pivotal role in attracting visitors, hosting events, and promoting local businesses. I can see and feel the difference in Downtown when there is a convention going on – the streets, sidewalks, bars and restaurants are alive with people and activity. A modernized convention center could be a catalyst to revitalize DTLA. Our Convention Center also stands in stark contrast compared to other cities. On top of the clear economic benefits, updating our Convention Center would allow us to host more large-scale events solidifying our city as a premier destination. I urge you to prioritize this project and allocate the necessary resources to ensure its successful completion.
Sincerely, Janet Frost CD 9 Resident
