Comments for Public Posting: Why is it that with all of the money for the homeless nobody but the governor not the mayor the city council nobody is housing me I've had trauma from the shelters I've had my job my car everything taken from me and now you can't house me as the reason for my issues at the shelters is that they are housing based on Nepotism. So that they are able to sell their drugs (Mexican gang bangers) using the homeless at all of the San Fernando shelters I'm black and I've been called biggers everyday I am harassed because if you're not part of the solution you're part of the problem don't believe me look at the roster for all the SF shelters not just that it's all fraud Mr. Marquess Harris and Eunisses Hernandez Mayor Bass they all have their hands in even the police department. I WANT HOUSING AT THE VALLEY HAVEN WHERE I AM SAFE IVE BEEN ASSAULTED BY STRANGULATION AND KICKED BY SHELTER STAFF HAD MY BELONGINGS STOLEN AND MY ID SSN ALL OF IT STOLEN With cameras and no answers I pay taxes still. And I have to be forced to sell my body because the mayor city council no one wants to house me somewhere safe I call everyday. Why can I not live harm free And all the people pretending to be homeless but have cars why
