Dear City leadership:

The Neighborhood Council Sustainability Alliance representatives voted in support of two building decarbonization motions:

1) [Council File 21-1463](#) (Koretz, Krekorian, and Raman), which promotes equitable building decarbonization, and 2) [Council File 22-0151](#) (Harris-Dawson, Koretz, Martinez, O'Farrell, and Raman), which is for new buildings. We are excited to be moving forward on this very important issue.

Thank you,

Comments for Public Posting: I strongly favor implementation of this motion. In order combat catastrophic climate change, we absolutely must reduce greenhouse gas emissions, and buildings generate a significant percentage of those emissions. Putting in place a mandate that all new construction be zero-carbon emissions is crucial.
