MOTION

TO CITY CLERK FOR PLACEMENT ON NEXT
REGULAR COUNCIL AGENDA TO BE POSTED

#62

Los Angeles' urban canopy is a precious resource that requires extensive regular maintenance to prevent accidents caused by dead or damaged limbs, remove obstructions to the public right of way, ensure the visibility of essential signage, and helps ensure streetlights can illuminate to their fullest ability. Unfortunately, the amount of maintenance required often outpaces Urban Forestry's budget and capacity. Additional funding is necessary to meet the tree trimming needs in Council District 14.

I THEREFORE MOVE that \$250,000 from the CD14 Real Property Trust Fund No. 696 be transferred / appropriated to the Bureau of Street Services Fund No. 100-86, Account No. 001090 (Overtime) for additional street tree care and maintenance services in Council District 14 in Fiscal Year 24-25.

I FURTHER MOVE that the Bureau of Street Services be authorized to make any technical corrections or clarifications to the above fund transfer instructions in order to effectuate the intent of this Motion.
