Comments for Public Posting: File 20-1482 VACATION REQUEST - VAC- E1401386 - Council File No. 20-1482 Maltman Avenue Between Crestmont Avenue and Effie Street From the Vacation application: 5.c. "That the petitioner complies with the requirements of the Department of City Planning letter to the Bureau of Engineering Dated December 13, 2021 in particular related to reserving a sidewalk easement, to maintain a sidewalk within the area to be vacated, to the satisfaction of the Department of City Planning and Engineering. An approval letter from the Department of City Planning and Engineering will be required." ---- The above text states that the City will maintain a sidewalk between Effie and Crestmont if this Vacation is improved. I use the right-of-way many times a week to access Sunset. To lose access to the walkway would be disappointing. Therefore, if the City honors the agreement to manage and maintain the walkway, similar to the public right-of-way stairs throughout Silver Lake, I see no issue with allowing the Vacation.
