The City Council hereby reaffirms that the proposed District will begin July 1, 2025 and will continue for nine (9) years six (6) months and end on December 31, 2034. The proposed District’s total assessment for nine years and six months is estimated to be \$366,200,000. The

proposed District's total annual assessment for the first six months is estimated to be \$25,100,000.

The annual assessment rate will be 2% of Gross Short Term Room Rental Revenue for Transient stays of less than 31 days for Lodging Businesses as defined herein. The assessment rate may increase to a maximum of three percent (3%) of gross room rental revenue within the 9 year 6 month term; the increase in any year shall not exceed one-half of one percent (0.5%) of gross room rental revenue. Sec. 9. COLLECTION OF ASSESSMENTS. The City Council reaffirms that the City Clerk, or its designee, will collect the assessment from the lodging businesses. The assessment is imposed solely upon, and is the sole obligation of, the assessed lodging businesses. The City Council hereby declares that to the extent possible, after the effective date of an ordinance forming the District, each Lodging Business may, at its discretion, pass the assessment to the transients. The amount of assessment, if passed to the transient, shall be separately stated from the amount of the Gross Room Rental Revenue charged and each transient shall receive a receipt for payment from the Lodging Business. The assessment shall be disclosed as the "LATMD assessment."

Each Lodging Business shall, on or before the 25th day of each calendar month, make a statement to the City of Los Angeles of the total Gross Room Rental Revenue charged and received, and the amount of District assessment collected for Transient stays during the preceding calendar month.

At the time the statement is filed, the full amount of the District assessment shall be remitted to the City of Los Angeles.

All delinquent payments for assessments levied pursuant to this part shall be charged interest and penalties in accordance with California Streets and Highways Code Section 36631 and with the approved Management District Plan for the Los Angeles Tourism Marketing District as follows:

1. Collection. The City of Los Angeles will be responsible for collecting any delinquent assessments, including penalties and interest, and forwarding them to the owners' association. The District shall reimburse the City for any costs associated with collecting unpaid assessments. If unpaid assessments are collected in conjunction with other delinquencies, the District shall reimburse the City of Los Angeles for only that portion of the cost of collection attributable to the delinquent District assessment.

2. Original Delinquency. Any business which fails to remit the District assessment within the time required shall pay a penalty of 5% of the amount of the unpaid assessment in addition to the amount of the assessment.

3. Continued Delinquency. Any business which fails to remit any delinquent assessment on or before the last day of:

(i) The first month in which the assessment first became delinquent, shall pay a second penalty of 5% of the amount of the assessment in addition to the amount of the assessment and the 5% penalty first imposed;

(ii) The second month in which the assessment first became delinquent shall pay a third penalty of 5% of the amount of the assessment in addition to the amount of the assessment and the 10% in accumulated penalties previously imposed;

(iii) The third month in which the assessment first became delinquent shall pay a fourth penalty of 5% of the amount of the assessment in addition to the amount of the assessment and the 15% in accumulated penalties previously imposed.

(iv) The fourth month in which the assessment first became delinquent shall pay a fifth penalty of 20% of the amount of the assessment in addition to the amount of the assessment and the 20% in accumulated penalties previously imposed.

4. If the City determines that the nonpayment of any assessment due is due to fraud, a penalty of twenty-five percent (25%) of the amount of the assessment shall be added, in addition to the penalties stated above.

5. In addition to the penalties imposed, any business which fails to pay any assessment required to be paid shall pay interest on the amount of the assessment, exclusive of any penalty, from the date on which the assessment first became delinquent until the date it is paid, during each calendar year at the rate per month, or fraction of the month, determined by dividing by 12 the sum of the average Federal short-term rate during the months of July, August and September of the previous calendar year plus three percentage points. Unless the monthly rate is evenly divisible by one-tenth of a percentage point, it shall be rounded up to the next highest one-tenth of a percentage point.

6. For collection purposes only, every penalty imposed and the interest that is accrued under the provisions of this section shall become a part of the assessment required to be paid.

Sec. 10. AUDITING. The City of Los Angeles hereby reaffirms that the City be allowed to review the financial records of the owners' association and the lodging businesses as necessary. The City Council finds that the City Clerk, or its designee, may audit the records of the lodging businesses as necessary to ensure accurate

collection of the assessments.

A contract shall be entered into between the City and the owners' association. The contract will document the accounting processes including collections, allocations, and reporting required to be submitted to the City of Los Angeles. The District will be responsible for any costs associated with audits.

The owners' association shall engage an independent certified public accountant to review the association's annual financial statement. The owners' association shall submit an annual report to the City Clerk.

Sec. 11. PERIOD TO REQUEST DISESTABLISHMENT. There shall be a 30-day period in each year of the District's operation during which lodging business owners may request disestablishment of the District. The first period shall begin one year after the effective date of this ordinance and shall continue for 30 days. The next 30-day period shall begin two years after the effective date of this ordinance and continue for 30 days. For each successive year of the District's operation, the 30-day period shall begin on the anniversary of the effective date of this ordinance and continue for 30 days.

Sec 12. SPECIAL FUND ESTABLISHMENT. The revenue from the assessment shall be collected and placed in the Special Trust Fund to be established and to be known as the Los Angeles Tourism Marketing District Fund (Fund). All interest and other earnings attributable to assessments, contributions and other revenue deposited in the Special Fund shall be credited to the Fund.

Sec. 13. AMENDMENT TO ENABLING STATUTE. The lodging businesses within the District established by this Ordinance shall be subject to any amendments to the Property and Business Improvement District Law of 1994 (Division 18, Part 7, Streets and Highways Code, State of California).
