SUBJECT:

Final Map of Tract No. 53664.

RECOMMENDATIONS:

FISCAL IMPACT STATEMENT:

The subdivider has paid a fee of \$9,064 for the processing of this final tract map pursuant to Section 19.02(A)(2) of the Municipal Code. No additional City funds are needed.

TRANSMITTALS:

1. Map of Tract No. 53664.
2. Unnumbered file for Tract No. 53664.
3. Subdivision Improvement Agreement and Contract with security documents.

DISCUSSION:

The tentative map of Tract No. 53664 was conditionally approved by the Deputy Advisory Agency on August 28, 2015, for a maximum six (6) lots.

The Deputy Advisory Agency certified that Mitigated Negative Declaration ENV-2013-2361-MND reflects the independent judgment of the lead agency, determined that this project would not have a significant effect upon the environment if the identified impacts are mitigated to a less than significant level, and have incorporated said mitigations onto the project's Conditions of Approval.

The conditions of approval for the tract map have been fulfilled including payment of the Recreation and Parks Fee. Transmitted Subdivision Improvement Agreement and Contract with security documents guarantee construction of the required public improvements.

Pursuant to California Government Code Section 66458, Council shall, at its next regular meeting after it receives the map, approve the map if it conforms to all the conditions of approval of the tentative map. If the map does not conform, Council shall disapprove the map. If Council does not approve or disapprove the map within the prescribed time, or any authorized extension thereof, and the map conforms to all requirements and rulings, it shall be deemed approved, and the clerk of the legislative body shall certify or state its approval thereon. Upon approval by the Council, the final map will be transmitted to the County Engineer for filing with the County Recorder.

The expiration date of the tentative map approval was August 28, 2024. The subdivider has made a timely filing of the final map prior to the expiration date.
