RE: Temporary Closure of 121st St Between Figueroa and Hoover

Dear Mr. Allen:

With respect to the proposed temporary street closure of 121st St and Figueroa St, as the Councilmember for the Fifteenth District, I am satisfied with the community input to have this closure stand as is. I would like the closure request to move forward, and that consent will be impliedly or explicitly given if and when Council approves the closure.

I appreciate your prompt attention to this matter. If you have any questions or need any additional information, please contact my Field Deputy, Caitlin Muldoon at 310.732.4515, or Caitlin.Muldoon@lacity.org.

Sincerely,

JOE BUSCAINO
Councilmember, 15th District
