**WHEREAS**, the adoption of this ordinance follows a public hearing, as provided for in Section 36535 of the Act,

#### THE PEOPLE OF THE CITY OF LOS ANGELES

##### DO ORDAIN AS FOLLOWS:

Sec.1. FINDINGS. The City Council hereby finds and declares that:

A. At the public hearing held before the City Council March 22, 2023, in the John Ferraro Council Chamber in Room 340 at City Hall, 200 North Spring Street, Los Angeles, California 90012, the City Council heard and considered all written and verbal protests regarding the confirmation of the annual report and levying of special assessments.

B. There was no majority protest, as defined by Section 36525 of the Act, by the owners of businesses in the District to be assessed.

C. A special assessment for the District for fiscal year 2023 is hereby authorized to be levied upon businesses located within the boundaries of the District.

D. Having evaluated the improvements and activities to be provided in the District by the levy of the assessment, as described below in Section 5 of this ordinance and further described in the District annual report, this Council thus determines that these improvements and activities confer benefit on the businesses located within the District.

E. Businesses in the District established by Ordinance No.175399 and by this ordinance shall be subject to any amendments to the Act.

Sec.2. ANNUAL ASSESSMENT. The City Council has authorized, by its adoption of this ordinance, the levy of a special assessment on all businesses in the District, in the amounts and according to the classifications set forth in the annual report prepared by the District's Advisory Board and filed with the City Clerk. The subject annual report for fiscal year 2023

has been reviewed and approved by the Office of the City Clerk.

Sec.3. DISTRICT BOUNDARIES. The Little Tokyo Business Improvement District's boundaries for its 2023 operating year remain unchanged from the Business Improvement District's 2022 operating year to include a portion of Garey Street and are generally described as Temple Street on the north; 3rd Street on the south; Garey, Vignes, Hewitt, and Alameda streets on the east; and Los Angeles, and San Pedro streets on the west. A full description of the boundaries and a map are included in the Annual Report on file with the City Clerk.

Sec.4. METHOD AND BASIS OF LEVYING THE SPECIAL ASSESSMENT. For fiscal year 2023, the assessment methodology for the District is based on types of businesses and non-profit organizations. A full description of the assessment methodology is included in the Annual Report on file with the City Clerk.

Sec.5. USE OF REVENUE. The improvements and activities to be provided in the District will be funded by the levy of the special assessment. The revenue from the levy of the special assessment within the District shall not be used to provide improvements or activities outside of the District, or for any purposes other than the purposes specified in Ordinance No. 187750. The improvements and activities to be provided in the District include, but are not limited to: Safety Ambassador Program, Street/Sidewalk Maintenance Program, Marketing and Promotional Program, and Administrative Program and other activities as identified in Sections 36510 and 36513 of the Act.

Sec.6. ADVISORY BOARD. A. The City Council has appointed an Advisory Board pursuant to the Act, in order to make recommendations to the City Council on the expenditure of revenues derived from the levy of assessments, on proposed improvements and activities, and on the method or the basis for levying assessments.

B. The Advisory Board shall cause to be prepared a report for each fiscal year for which assessments are to be levied. The report shall be filed with the City Clerk and shall comply with all requirements of Section 36533 of the Act.

Sec.7. CHANGES TO THE ANNUAL REPORT BY THE CITY COUNCIL. During the course or upon the conclusion of the public hearing required to levy the special assessment for the subject fiscal year, the City Council may order changes on any of the matters provided in the annual report, including changes in the proposed assessments, the proposed improvements and activities to be funded with the revenues derived from the levy of the special assessment, and the proposed boundaries of the District and any benefit zones within the District. The City Council shall not change the boundaries of the District to include any territory that will not, in its judgment, benefit from the improvements or activities.
