Comments for Public Posting: From what I understand, it is absolutely essential to push forward this initiative for a vote by Councilmembers, rather than postponing any longer or passing along to a committee. Replacing armed officers with DOT personnel would save the lives and dignity of the Black and Brown community. Story after story has shown the injustice that unnecessarily occurs between armed police and Black and Brown drivers. I request that this motion is voted on as soon as possible. Thank you.

Comments for Public Posting: The City Council needs to take action on this motion NOW!! Every day Black and Brown people are pulled over by the police....in 7 months, the City Council hasn't acted which is 210 days that have created the opportunity for Black and Brown people to get harassed or worse!! Please act!!! Today. Thank you.
