

ENERGY AND ENVIRONMENT COMMITTEE REPORT relative to the Watts Civic Center Serenity Greenway as proposed in the Measure W - Safe, Clean Water Program, and project schedule, budget and funding status, and any potential impediments related to project completion.

Recommendation for Council action, pursuant to Motion (McOsker - Yaroslavsky):

INSTRUCT the Bureau of Sanitation to report on the status of the Watts Civic Center Serenity Greenway as previously proposed in the Measure W - Safe, Clean Water Program. To better inform the proponents in developing a successful project with meaningful community input, the report should produce a project schedule, the budget and funding status, and any potential impediments related to project completion. This report should also include an overview of the current Measure W projects, and their related schedules and budgets, that the City is working on in Council District 15.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

Summary:

On October 27, 2023, your Committee considered Motion (McOsker - Yaroslavsky) relative to the Watts Civic Center Serenity Greenway as proposed in the Measure W - Safe, Clean Water Program, and project schedule, budget and funding status, and any potential impediments related to project completion. The Motion attached to the Council file includes some background on the matter.

After providing an opportunity for public comment, the Committee moved to approve the recommendation reflected above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

ENERGY AND ENVIRONMENT COMMITTEE
