Comments for Public Posting: Dear Council Member, My name is Bridget Ore, and I am a tenant in District 13 writing in on Agenda Item 11. Please vote yes on the motion to end renovations in LA allowed under the Just Cause Ordinance and amend it to include an urgency clause. Hundreds of families have been displaced due to renovation work. We have a great solution that already exists in Los Angeles: the Tenant Habitability Plan, which allows rent-stabilized tenants to be relocated during construction work with the ability to return to their homes when complete. Extend this program to all renters in LA. This is really urgent—there are seniors and families in our community who will be served their third substantial remodel eviction at the end of November if this doesn't pass with an urgency clause. No one should lose their home because their landlord wants to renovate. Thank you.
