TRANSMITTAL

TO Council	DATE 06-04-24	COUNCIL FILE NO. -
FROM Municipal Facilities Committee	COUNCIL DISTRICT 14	

At its meeting held on May 30, 2024, the Municipal Facilities Committee approved the attached Department of General Services (GSD) report, which is hereby transmitted for Council consideration. Adoption of the report recommendation would authorize GSD to negotiate and execute a license agreement with 350 South Figueroa, LLC, at 350 South Figueroa Street for up to 350 supplemental employee parking spaces for five departments that moved out of the Garland Building. The term for the license agreement is 12 months. The landlord is responsible for the repairs, maintenance, and security costs. This license agreement is a contingency plan that will be executed in the event that the parking agreement with the Gas Company Tower is terminated.

Fiscal Impact: There is no anticipated General Fund Impact. The cost of the license agreement for up to 350 parking spaces, including the one-time card activation fee, totals up to \$782,250. The Los Angeles Housing Department and the Economic Workforce Development Department will pay their respective portion of the monthly parking costs based on usage. General Funded departments will be funded through the Citywide Leasing Account.

REQUEST AUTHORITY TO NEGOTIATE AND EXECUTE A LICENSE AGREEMENT WITH 350 SOUTH FIGUEROA, LLC FOR EMPLOYEE PARKING AT WORLD TRADE CENTER AT 350 SOUTH FIGUEROA STREET

The Department of General Services (GSD) requests authority to negotiate and execute a license agreement between the City and 350 South Figueroa, LLC for up to 350 parking spaces at the World Trade Center (WTC) parking garage to provide supplemental off-site employee parking for five City departments that relocated from 1200 West 7th Street (Garland) to temporary co-working office space at 444 South Flower Street (Industrious).

BACKGROUND

On November 28, 2023, City Council adopted a motion (C.F. 23-1307) to authorize GSD to negotiate and execute a license agreement with Industrious LA 444 South Flower Street, LLC for temporary co-working office space for five City departments moving out of the Garland Building. Although over 1,200 employees moved out of the Garland office space, approximately 507 employees moved into Industrious while the majority of staff from Los Angeles Housing Department (LAHD) staff transitioned to a 100% telecommute/telework schedule in the interim.

The license agreement with Industrious for temporary co-working office space included 175 on-site employee parking spaces with the parking garage operator CVFI-444 S. Flower, LP. However, 175 on-site parking spaces is insufficient to accommodate employee parking needs. In order to provide sufficient employee parking, GSD negotiated and executed a separate parking license agreement with Gregg Williams/Maguire Properties-555 W. Fifth, LLC (Gas Company Tower) for off-site parking spaces at the World Trade Center parking garage to provide 175 additional spaces (with the option to increase up to 601) to supplement the limited 175 on-site parking at Industrious. The Gas Company Tower continues to be under consideration as a long-term lease option for the five City departments at Industrious. However, in the event either the licensee or licensor terminates negotiations for the Gas Company Tower lease for long-term office space,

then the parking license agreement is terminable by either party on thirty (30) days' prior written notice. Therefore, GSD requests authority to negotiate and execute a parking license agreement with 350 South Figueroa, LLC for a maximum of 350 unreserved parking spaces at the same WTC parking garage as a contingency plan in the event that the parking agreement with Gas Company Tower is terminated. Additionally, there may be a need for parking to support LAHD and the Office of Finance (OOF) at a nearby potential leased location for temporary office space (lease approval being requested under separate report). This agreement will not be executed unless the Gas Company Tower parking agreement is terminated.

TERMS AND CONDITIONS

The proposed license agreement is for 12 months (month-to-month thereafter) to be executed upon termination of the parking agreement with Gregg Williams/Maguire Properties-555 W. Fifth, LLC or when additional parking is needed for LAHD and OOF. Licensee has the right to rent up to 300 unreserved parking stalls with an option to add 50 more spaces, with 30 days' prior notice, for a maximum of 350 unreserved stalls. The monthly rate is \$185 per stall, which includes the Parking Occupancy Tax, plus a \$15 one-time card activation fee per card.

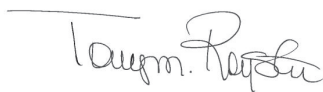

Up to 350 Spaces - 12 Months	Up to \$777,000
One-Time Card Activation Fee	Up to \$5,250
Grand Total	Up to \$782,250

FISCAL IMPACT

GSD will work with the Office of the City Administrative Officer (CAO) and coordinate with the Special Funded departments, LAHD and the Economic Workforce Development Department, to calculate their respective portion of the monthly parking costs based on actual usage to be determined. The remaining amount for the general funded departments will be funded through the Citywide Leasing Account.

RECOMMENDATION

That the Los Angeles City Council, subject to the approval of the Mayor, authorize the Department of General Services to negotiate and execute a license agreement with 350 South Figueroa, LLC for the property located at 350 South Figueroa Street to provide additional off-site employee parking to supplement limited on-site employee parking at the Industrious temporary co-working office space under the terms and conditions as substantially outlined in this report.
