1.0 UNION RECOGNITION AND GENERAL PROVISIONS

ARTICLE 1.1 RECOGNITION

The City of Los Angeles ("City") hereby recognizes the United Firefighters of Los Angeles City, Local 112, IAFF, AFL-CIO-CLC, ("UFLAC" or "Union") as the exclusive representative of employees in the Firefighters and Fire Captains Unit ("Unit") for which the Union was certified as majority representative by the Employee Relations Board on November 13, 1972.

The term "employee" or "employees," as used herein, shall refer only to employees in the classifications listed in Appendix A as well as such classes as may be added hereafter by the City's Employee Relations Board.

ARTICLE 1.2 IMPLEMENTATION OF MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MOU") constitutes a joint recommendation of the City Administrative Officer ("CAO"), as the authorized management representative of the City Council, and the Union. It shall not be binding in whole or in part on the parties unless and until:

1. The Union has notified the CAO in writing that it has approved this MOU in its entirety.
2. The City Council has approved this MOU in the manner required by law.
3. The administrative heads of those departments, offices, or bureaus represented herein have approved this MOU in the manner required by law.

Where resolutions, ordinances or amendments to applicable codes are required, those Articles of this MOU which require such resolutions, ordinances or amendments will become operative on the effective date of the resolution, ordinance or amendment unless otherwise specified.

ARTICLE 1.3 PARTIES TO MEMORANDUM OF UNDERSTANDING

This MOU is entered into by the City Administrative Officer ("CAO") as the authorized management representative of the City of Los Angeles as designated under Los Angeles Administrative Code ("LAAC") section 4.870.a.(1) and the authorized management representatives of the Los Angeles Fire Department ("Department"), and authorized representatives of UFLAC.

ARTICLE 1.4 PROVISIONS OF LAW AND SEPARABILITY

- A. The Union, the Department, and the CAO mutually understand and agree that this MOU is subject to all applicable Federal and State Laws, City ordinances and

regulations, the Charter of the City of Los Angeles, and any applicable rules and regulations enacted by the City's Civil Service Commission, ERB, or similar independent commissions or boards of the City. If any part or provision of this MOU is in conflict or inconsistent with such applicable provisions of Federal, State, or local laws or regulations, or is otherwise held to be invalid or unenforceable by any court of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law or regulation and the remainder of this MOU shall not be affected thereby.

- B. If any term or provisions of this MOU is found to be unlawful, the Union, the CAO and Management shall meet and confer as soon as possible thereafter regarding any revisions or amendments thereto.

ARTICLE 1.5 NON-DISCRIMINATION

The Union and Management mutually reaffirm their respective policies of non-discrimination in the treatment of any employee because of age (40 and above), ancestry, color, disability (physical and mental, including HIV and AIDS), gender identity and/or expression, genetic information, LGBTQ+ identity, marital status, medical condition (genetic characteristics, cancer or a record or history of cancer), military or veteran status, national or ethnic origin, race, religion or creed (includes religious dress and grooming practices), sex or gender (includes pregnancy, childbirth, breastfeeding, and/or related medical conditions), reproductive health decision making, sexual orientation, political activities or political affiliation, or any other characteristic protected under applicable federal, state or local laws, or retaliation for having filed a discrimination complaint, for participating in a discrimination investigation or for opposing discrimination

ARTICLE 1.6 TERM

The term of this MOU shall commence on the date when the terms and conditions of its effectiveness, as set forth in Article 1.2, Implementation of Memorandum of Understanding, are fully met, but in no event shall said MOU become operative prior to 12:01 a.m. on June 30, 2024. This MOU shall expire and otherwise be fully terminated at 11:59 p.m. on June 30, 2028, except where specifically noted.

Notwithstanding the above, the provisions of this MOU shall remain in effect until a successor MOU is implemented or impasse proceedings are completed.

ARTICLE 1.7 CALENDAR FOR SUCCESSOR MEMORANDUM OF UNDERSTANDING

A written request to commence meet and confer sessions for a successor MOU shall be submitted by the requesting party starting no earlier than October of the year prior to when the MOU expires, pursuant to the expiration date listed in Article 1.6, Term. Meet and confer sessions shall begin by mutual agreement of both parties.

ARTICLE 1.8 UNIT MEMBERSHIP LIST

Management will provide the Union in writing and on an electronic medium, within thirty (30) calendar days from the effective date of this MOU and each thirty (30) calendar days thereafter, an accurate and updated alphabetized list of employee names subject to this MOU, their employee number, class title, home address, work, home and cell phone numbers, personal email address, work location and assignment. Once the bargaining unit members' personal information is provided to the Union, the Union will assume responsibility to properly secure it. The Union shall indemnify and hold harmless the City for any claims made by a bargaining Unit member for the loss, alleged improper use, or unauthorized release of their personal information by UFLAC.

ARTICLE 1.9 PAYROLL DEDUCTIONS AND DUES

- A. Payroll deductions as may be properly requested and lawfully permitted will be deducted from each employee's paycheck by the Controller biweekly, in twenty-four (24) increments annually from the salary of each employee in the unit where the Union has provided in writing to the Controller a list or individual notice of those individuals from whom Union-related deduction(s) should be lawfully taken. This list or notice shall constitute certification by the Union that the Union has and will maintain an authorization signed by the individual employee or employees from whose salary or wages the deductions are to be taken. Any amendment may be made by the Union in a complete list or individually.
- B. Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees hereunder shall be made to the Union by the City Controller within thirty (30) work days after the conclusion of the payroll period in which said dues and/or deductions were deducted. For each pay period, the City Controller shall provide the Union with an electronic report itemizing each deduction for each employee.
- C. Notwithstanding any provisions of LAAC Section 4.203 to the contrary, during the term of this MOU, payroll deductions requested by employees in this Unit for the purpose of becoming a member and/or to obtain benefits offered by any qualified organization other than the Union will not be accepted by the Controller. For the purpose of this provision, qualified organization means any organization of employees whose responsibility or goal is to represent employees in the City's meet and confer process.
- D. A fee of nine cents (\$.09) per deduction may be assessed by the City Controller for the processing of each payroll deduction taken. The City Controller will deduct the aggregate amount of said fees on a biweekly basis. Such fee shall not be applicable to health benefits provided by UFLAC or the Los Angeles Firemen's Relief Association or to dental, life insurance and long-term disability insurance benefits provided by UFLAC.

Except for errors caused by the City, the Union agrees to indemnify and hold harmless

the City for any loss or damages arising from the operation of this Article.

ARTICLE 1.10 ACTIONS BY THE EMPLOYEE RELATIONS BOARD

It is mutually understood that should any action(s) by the Employee Relations Board prior to the expiration of this MOU result in any significant changes to the composition of this Unit, the parties to this MOU will meet as soon as possible thereafter to consider any revisions or amendments hereto that may be required to ensure that the interests of newly acquired employees of this representation unit are protected.

ARTICLE 1.11 MANUAL OF OPERATIONS, RULES AND REGULATIONS, BULLETINS AND OTHER RULES AND CONDITIONS OF EMPLOYMENT

The Department shall maintain up-to-date versions of the Manual of Operations, the Rules and Regulations, bulletins and other rules and conditions of employment on the Department portal.

At least three (3) business days prior to the effective date of any changes to the Manual of Operations, the Rules and Regulations, bulletins, or other rules affecting personnel practices or other conditions of employment, the Department shall provide the Union with electronic notification of the change(s). The Department shall make the notice to a UFLAC email address dedicated for this purpose. The President of the Union or their designee shall provide an electronic acknowledgement of receipt of the notice.

Nothing in this Article affects management's obligation to meet and confer with the Union on wages, hours, and other terms and conditions of employment as required by the Employee Relations Ordinance including those changes subject to impact bargaining only.

The Department shall issue a notice on the Department Intranet to alert employees when negotiated changes are made.

The Department shall remove the hard copy Manual of Operations, Rules and Regulations, bulletins and other rules and conditions of employment from each work location and shall provide each work location access to the current Manual of Operations, Rules and Regulations, bulletins and other rules and conditions of employment in electronic form.

ARTICLE 1.12 BULLETIN BOARDS

The Department will provide a bulletin board or dedicated space for posting official UFLAC business at each Department facility. All official communications from UFLAC shall be posted in the space provided. UFLAC shall cause a removal date to be placed on all posted material. If a notice is believed to be inappropriate for placement in the

workplace, the Employee Relations Officer shall resolve all conflicts. The Department will also provide a link on the Department's Intranet to UFLAC's website.

ARTICLE 1.13 SURVEYS

Any survey received by the Department which requests input of employees must be forwarded to the Employee Relations Officer ("ERO") for evaluation and approval. If the ERO disapproves of the survey, no further action is required. If the ERO believes that the survey complies with Department policy, they shall discuss further processing of the survey with UFLAC prior to its dissemination.

ARTICLE 1.14 DEFINITION OF "BUSINESS DAY"

The term "business day" as used in this MOU shall mean Monday through Friday, excluding Saturdays, Sundays, and City Holidays as defined in LAAC 4.119.

ARTICLE 1.15 FULL UNDERSTANDING

- A. The Union and Management acknowledge that during the meet and confer process, each had the unlimited right and the opportunity to make demands and proposals on any subject within the scope of representation and that this MOU constitutes the full and entire understanding of the parties regarding all such demands and proposals. The parties mutually understand that agreements contained in any expired MOU are hereby superseded or terminated.
- B. The Association, the Department, and Management mutually understand and agree that any changes mutually agreed to shall not be binding upon the parties unless and until they have been implemented in accordance with implementation provisions of this MOU.
- C. The parties mutually agree that this MOU may not be opened at any time during its terms for any reason, except by mutual written consent of the parties.

ARTICLE 1.16 OBLIGATION TO SUPPORT

The parties agree that when they reach a full tentative agreement and prior to the implementation of the successor MOU, during the period of time it is being considered by the Mayor, Council, Council Committees, and heads of those departments represented herein for action, neither the Union, the Department nor the City, nor their authorized representatives, will appear before the Mayor, the Council, Council Committees, or said departmental heads, nor will the parties meet with the Mayor, members of the Council, or said department heads individually to advocate any addition or deletion to the terms and conditions of this MOU. However, this Article shall not preclude the parties from appearing before the Mayor, the Council, Council Committees or department heads, nor from meeting with individual members of the Council or department heads, to advocate or urge adoption and approval of this MOU.

ARTICLE 1.17 CITY MANAGEMENT RIGHTS

- A. Responsibility for management of the City and direction of its work force is vested in City officials and department heads whose powers and duties are specified by law. In order to fulfill this responsibility, the Mayor of the City of Los Angeles, the City Council, the Department, and the City have the exclusive right to: determine the mission of its constituent departments, offices, and boards; set standards of services to be offered to the public; exercise control and discretion over the City's organization and operations; select, promote, transfer, assign and/or discipline employees for cause; relieve City employees from duty due to lack of work or other legitimate reasons; determine the methods, means, and personnel by which the City's operations are to be conducted; take all necessary actions to maintain uninterrupted service to the community; and, execute its mission in emergencies. However, the exercise of these rights by the City must be in conformance with the Meyers-Miliias-Brown Act, LA City Employee Relations Ordinance, the terms of this MOU and any other agreement between the parties.
- B. Nothing contained in this Article shall be deemed to amend the Articles in Section 2.0, Grievances.

ARTICLE 1.18 CITY-UNION RELATIONSHIP

- A. Continuity of Service to the Public

The City of Los Angeles is engaged in public services requiring continuous operations that are necessary to maintain the health and safety of all citizens, including constant staffing. The obligation to maintain these public services is imposed upon the City and the Union during the term of this MOU.

- B. Mutual Pledge of Accord

1. Inherent in the relationship between the City and its employees is the obligation of the City to deal justly and fairly with its employees and of the employees to cooperate with their fellow employees and the City in the performance of its public service obligation.
2. The purpose of this MOU is to promote and ensure harmonious relations, cooperation, and understanding between the City and the employees represented by the Union and to establish and maintain proper standards of wages, hours, and other terms and conditions of employment.

- C. No Strike—No Lockout

1. In consideration of the mutual desire of the Union, the Department, and the City to promote and ensure harmonious relations and in consideration of

continuity of service to the public and the Mutual Pledge of Accord, the City stipulates that there shall be no lockout, or the equivalent, of members of the Union, and the Union and its members stipulate that there shall be no strike by the members during the term of this MOU. Should such a strike or action by Union members occur, the Union shall immediately instruct its members to return to work. The curtailing of operations by the City in whole or part for operational or economic reasons shall not be construed as a lockout.

2. The provisions of this paragraph shall not detract in any way from any restrictions imposed by law on strikes and other types of work stoppages by public employees.

2.0 PERSONNEL AND GRIEVANCE MATTERS

ARTICLE 2.1 GRIEVANCE PROCEDURE

Section I – Definition

A grievance is defined as any dispute concerning the interpretation or application of this MOU, the Manual of Operations, departmental rules and regulations, bulletins, personnel practices, other rules, conditions of employment, or working conditions. See Grievance Procedure LOA. The following items are not grievable:

1. An impasse in meeting and conferring upon the terms of a proposed MOU.
2. Probationary employee terminations.

A grievant is defined as an employee or the Union when the grievance affects a class or group of employees.

Section II – Responsibilities and Rights

1. Nothing in this grievance procedure shall be construed to apply to matters for which an administrative remedy is provided under Section 1060 of the City Charter. Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair employee relations practice under the jurisdiction of the Employee Relations Board, the employee may elect to pursue the matter under either the grievance procedure herein provided, or by action before the Employee Relations Board. The employee's election of either procedure shall constitute a binding election of the remedy chosen and a waiver of the alternative remedy.
2. No grievant shall lose their right to process their grievance because of Management imposed limitations in scheduling meetings.

3. The grievant has the responsibility to discuss their grievance informally with their immediate supervisor. The immediate supervisor will, upon a specific request of a grievant, discuss the grievance with them at a mutually satisfactory time. The grievant may be represented by a representative of their choice in the informal discussion with their immediate supervisor and in all formal review levels.
4. The steps and time limits between steps of the grievance procedure provided herein may be extended or waived only by mutual agreement.
5. The Department shall notify the Union in writing of any formal grievance filed by an employee and shall schedule the grievance meeting at a date and time that is mutually convenient to the Department, the Union and the grievant within the prescribed time limits. The Union shall have the right to be present in each formal review level. The Union will be notified of the filing and resolution of all formal grievances.
6. Settlements, withdrawals, or other resolutions of grievances shall be non-precedent setting unless mutually agreed upon in writing by the Union and the Department.
7. Grievance documents may be served by electronic mail or personal service.

Section III – Procedure

Notwithstanding Section 4.865 of the Los Angeles Administrative Code (“LAAC”), the grievance procedure shall be as follows:

Step 1 - Informal Discussion

The grievant shall discuss their grievance with their immediate supervisor on an informal basis in an effort to resolve the grievance. Said grievance shall be considered waived if not so presented to the immediate supervisor within fifteen (15) calendar days following the day during which the event upon which the grievance is based occurred or the day that the grievant reasonably should have had knowledge of the event.

The immediate supervisor shall notify the grievant and process the appropriate documentation within fifteen (15) calendar days following their meeting with the grievant. A copy of the written decision and statement of facts shall be provided to the Union President and to the designated Union representative, if one has been designated. Failure of the immediate supervisor (or in their absence, the next supervisor in the Chain of Command) to respond within such time limit shall entitle the grievant to process their grievance at the next step.

Step 2 - Chief Officers' Level of Review

If the grievance is not settled at Step 1 (Informal Discussion), the grievant may serve written notice of the grievance on a form provided by the Department (F-226B or a form deemed to be the equivalent by the Department). Forms shall be delivered to the lowest ranking Chief Officer in the employee's chain of command for routing to appropriate persons. It shall be the responsibility of that Chief Officer to date and indicate the time of receipt of all forms.

All forms shall contain clear and concise statements of pertinent information, with no attempt to expand or conceal facts.

This form must be completed and served on said Chief Officer within fifteen (15) calendar days of the receipt of the grievance response at Step 1. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.

If such written notice is served, the designated Chief Officer shall meet with the grievant and their representative, if any, within fifteen (15) calendar days from the date of service. Following the meeting, the designated Chief Officer will discuss the merits of the grievance with their Chief Officer and a joint written decision and statement of the facts (Form-226C or a form deemed to be the equivalent by the Department) on behalf of both Chief Officers shall be rendered and provided to the grievant within fifteen (15) calendar days of the meeting with the grievant. A copy of the written decision and statement of facts shall be provided to the Union President and to the designated Union representative, if one has been designated. Failure of Management to respond within such time limit shall entitle the grievant to process their grievance at the next level of review.

Step 3 - Fire Chief's Level of Review

If the grievance is not settled at Step 2 (Chief Officers' Review), the grievant may, within fifteen (15) calendar days following (a) receipt of the written response at Step 2 or (b) the last day of the response period provided for in Step 2, serve a written appeal on Form F-226B (or a form deemed to be the equivalent by the Department) to the Employee Relations Officer, who shall forward it to the Fire Chief or designee. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance. If such written notice is served, the Fire Chief or designee shall meet with the grievant, and their representative, if any, within fifteen (15) business days from the date of service. A written decision and statement of facts (Form-226C or a form deemed to be the equivalent by the Department) shall be rendered and provided to the grievant within fifteen (15) business days from the date of the grievance meeting. A copy of the written decision and statement of facts shall be provided to the Union President and to the designated Union representative, if one has been designated. Failure of Management to respond within such time limit shall entitle the grievant to process their grievance to the next level.

Step 4 - Mediation (optional)

If the grievance is not settled at Step 3 (Fire Chief's Review), the grievant and Union may request mediation by letter to the Employee Relations Officer. This step is optional. Either the Union or the Department may waive mediation and proceed directly to arbitration. Within fifteen (15) calendar days of receipt of a request for mediation, the Employee Relations Officer shall either return the request without action or request that the Employee Relations Board appoint a mediator. The Employee Relations Board shall attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, the Union and the Department may jointly agree to a mediator selected by the Executive Director of the Employee Relations Board. The fees of such mediator shall be shared equally by the Union and the Department.

The role of the mediator should be to assist the parties in settling the grievance in a mutually satisfactory fashion. The mediation procedure shall be informal. Court reporters shall not be allowed, the rules of evidence shall not apply, and no record shall be made. The mediator shall determine whether witnesses are necessary in the conduct of the proceedings.

If settlement is possible, the mediator may be requested to provide the parties with an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. Upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, along with a brief statement of the reasons for the opinion. Such opinion as well as anything said by parties during mediation shall not be used during any subsequent arbitration. Notwithstanding the above, and Section 4.865 of the Employee Relations Ordinance, the parties may, upon mutual agreement, agree to accept the opinion of the mediator as binding, in lieu of arbitration.

Step 5 - Arbitration

If the written decision at Step 3 or mediation does not settle the grievance, the grievant and the Union jointly may file a written request for arbitration with the Employee Relations Board with a copy to the Fire Chief or their designee. The request for arbitration must be filed with the Employee Relations Board within fifteen (15) calendar days following the date of receipt of the Step 3 grievance response or completion of the mediation process. Failure of the grievant and the Union to jointly serve such written request within said period shall constitute a waiver of the grievance.

If such notice is served, the Union and the Department shall meet for the purpose of selecting an arbitrator from a list of seven arbitrators furnished by the Employee Relations Board, within seven (7) calendar days following receipt of said list.

- a. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures specified by the Employee Relations Board, unless the Union and the Department hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the Union and the Department, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the Union and the Department during such arbitration, will be the responsibility of the party incurring same.
- b. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties.
- c. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

Section IV – Procedure Following a Board of Rights

If a member wishes to appeal a decision made by the Board of Rights (“Board”), notwithstanding LAAC Section 4.865, a grievance filed following a decision by a Board shall be submitted directly to Step 3 (Fire Chief’s Level) within fifteen (15) calendar days following the decision of the Board of Rights. If the written decision at Step 3 or mediation does not settle the grievance, the grievance may be submitted for arbitration. The request for arbitration must be filed with the Employee Relations Board within fifteen (15) calendar days following the date of receipt of the Step 3 grievance response or completion of the mediation process. Failure of the grievant to process the grievance or serve such written request for arbitration within the prescribed time periods shall constitute waiver of the grievance.

A grievance appealing the decision of a Board of Rights shall not stay or delay implementation of the Board’s decision.

The fees and expenses of the arbitrator shall be shared equally by the parties, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the party incurring same. The decision of an arbitrator resulting from any arbitration hereunder shall be binding upon the parties.

Section V – Procedure for Grievances Affecting a Class or Group of Employees

The Union may file a grievance affecting a class or group of employees. In these cases, at least one affected member of the class or group of employees shall be named as a grievant.

The Union shall file the grievance in writing with the Fire Chief, or designee, within fifteen (15) business days following the day during which the event upon which the grievance is based occurred or the day the Union reasonably should have had knowledge of the event.

The Fire Chief, or designee, shall provide written notification to the Employee Relations Division of the CAO of the receipt of the grievance. The Fire Chief, or designee, shall meet with the Union within fifteen (15) business days of receipt of the grievance. The Fire Chief, or designee, shall prepare a written response within fifteen (15) business days of the meeting.

If the written decision from the Fire Chief, or designee, does not settle the grievance, the agreed upon procedure as set forth under Step 5 of Section III of this Article shall apply.

Section VI – Procedure for Expedited Arbitration

By mutual agreement, the parties may submit any grievance which has reached the arbitration level to expedited arbitration. The selection of the arbitrator shall be conditioned on the arbitrator's ability to schedule the arbitration within sixty (60) calendar days and submit a written ruling to the parties within forty-eight (48) hours from the close of the hearing. There shall be no transcript of the hearing. If the arbitrator who is selected by the parties is unable to agree to comply with these conditions, the parties shall select another arbitrator from a new list of seven arbitrators provided by the Employee Relations Board. This procedure shall be repeated until an arbitrator agrees to comply with the conditions.

ARTICLE 2.2 GRIEVANCE REPRESENTATION

The Union may designate a reasonable number of grievance representatives and will provide the Department with a current list of such representatives.

The Department recognizes the right of each employee to represent themselves, or to be represented by a representative of their choice in the presenting of a grievance in the informal discussion with their immediate supervisor and in all review levels.

The grievant and their representative may have a reasonable amount of paid time off for this purpose. However, said representative will receive paid time off only if they are a member of the same Union as the grievant and have been designated as a grievance representative.

Time spent on grievances outside of regular work hours of the employee or their representative shall not be counted as work time for any purpose. Whenever a grievance is to be presented during the work hours of the grievant and/or their representative, only that amount of time necessary to bring about a prompt disposition of the grievance will be allowed.

ARTICLE 2.3 PERSONNEL FOLDERS

A. Adverse Comments/Performance Evaluations

1. No adverse comments shall be entered into an employee's personnel folder unless the employee has been given a copy and the employee has signed an acknowledgement that they have read the comment. However, if the employee refuses to sign it, the comment shall be entered in the employee's personnel folder and shall state that the employee refused to sign it.
2. An employee may file a response to any adverse comment or performance evaluation entered in their personnel folder within thirty (30) calendar days. The written response shall be attached to and shall accompany the adverse comment.
3. The term "personnel folder" shall be defined pursuant to the Firefighters Procedural Bill of Rights, California Government Code Sections 3255 through 3256.5.
4. The parties agree that any disputes over the definition of the term "personnel folder" under the Firefighters Procedural Bill of Rights, California Government Code Sections 3255 through 3256.5, shall not be subject to the grievance process.

B. Review of Personnel Folder

1. An employee, without loss of pay, shall be entitled to review the contents of their Department personnel folder, upon request, during hours when the Department's Personnel Office is normally open for business. Such review shall not interfere with the normal business of the Department.
2. An employee may designate a representative to review their Department personnel folder, under the conditions outlined above, by signing a Designation and Release From Liability Form that will be provided by the Department.
3. If, after examination of their official Department personnel folder, an employee believes that any portion of the material is mistakenly or unlawfully placed in the folder, the employee may request that the mistaken or unlawful portion be corrected or deleted. The request must be in writing. Any request made pursuant to this provision shall include a statement by the employee describing the corrections or deletions from the personnel folder requested and the reasons supporting those corrections or deletions. A statement submitted pursuant to this provision shall become part of the personnel folder. The Department shall notify the employee of its decision within thirty (30) calendar days of receipt of the request.

C. Obtaining Copies of Documents in Personnel Folder

1. An employee shall be provided a copy of documents, free of charge, before such documents are forwarded for inclusion in their Department personnel folder.
2. An employee may make a request to the Department's Personnel Office for copies of documents in their official Department personnel folder. The Personnel Office shall provide copies to the employee while the employee is present in the Personnel Office. However, if the Personnel Office is unable to do so, the Personnel Office shall provide the copies to the employee within a reasonable time period based on the workload of the Personnel Office at the time of the request. The employee shall pay the copying charges.

D. Notification to Employee

If the Department receives an outside request for disclosure of records from an employee's official Department personnel folder, the Department shall provide the employee notice of the request within three (3) business days of the Department's receipt of the request.

ARTICLE 2.4 INVESTIGATION NOTIFICATION

Section I – Notice of Investigation

The Department shall immediately notify an employee who is the subject of an investigation or a witness in an investigation in confidential written form and shall inform the employee of the nature of the investigation, unless the Fire Chief has determined that the charge is of such a nature and seriousness that it warrants placing the employee under investigation without such notification being made. It is intended that instances of investigation without notification will not become common practice.

Section II – Right to Representation

Prior to conducting any investigatory interview with an employee, the Department shall inform the employee of their right to representation. It is the employee's responsibility to secure the attendance of their chosen representative at the interview. If they are unable to do so, the employee should select another representative so that the interview may proceed.

The investigatory interview shall be conducted at a date and time that is mutually convenient to the Department, the Union, and the employee within twenty-one (21) calendar days from the date the Department electronically transmits the PSD Interview Notification to the employee and the Union via Department email. The Notification shall

include at least three **proposed** dates for the interview. There shall be no telephonic contact between the Department investigator and the employee during this twenty-one (21) day period unless the employee notifies the Department that they will not be represented by the Union at the interview. Any extension of the twenty-one (21) day period must be agreed to in writing by the representatives for the Department and the Union. Whenever practicable, investigatory interviews shall be conducted during the employee's normal work hours without loss of pay.

In the event the Department determines that the matter is "time sensitive" and an investigatory interview of an employee is necessary, the employee shall be provided ninety (90) minutes to secure a representative. The Department may extend that ninety (90) minute period to secure a representative at its discretion, balancing its need for the interview. If the employee is unable to obtain representation of their choice within ninety (90) minutes and the employee chooses to be represented by UFLAC, the Department shall detail the on duty employee designated by UFLAC as the On Call UFLAC Representative. At the request of the employee, the Department may detail an available representative of the employee's choice to provide representation to the employee. For the purposes of this paragraph, the term "time sensitive" includes, but is not limited to, significant traffic accidents, in-custody deaths, wrongful deaths, firefighter fatalities, or serious injuries and incidents where there is a high likelihood of litigation.

Section III – Search and Seizure Procedures

Any locker, desk or other locked storage place used exclusively by an employee shall not be searched without the presence or consent of the employee, except that:

Employees hired as Firefighters during the term of this MOU shall be required to remain non-smokers throughout their employment as an employee of the Fire Department.

A non-smoker shall not smoke or use any tobacco product either on or off-duty while employed.

An affidavit signed on a periodic basis by the employee shall be used to verify continued non-smoking status.

3.0 TIME OFF

ARTICLE 3.1 HOLIDAYS

- A. An employee shall receive fourteen (14) days off in lieu of holidays each calendar year. These days off will be scheduled in accordance with existing practice. Deductions will be made for members who have not been on the payroll for the full fiscal year, in accordance with existing policy.

Note: For calendar year 2010 only, four holidays were moved to a separate bank immediately upon implementation of the MOU in accordance with Article 1.2. These days are frozen and may not be used by the employee. These banked days will be cashed out by the City at the employee's straight time rate as soon as budgetarily feasible; however, the precise manner and date of payback will be determined by the City in consultation with the Union. If the banked days are not paid out or returned prior to the date an employee separates from City service, the days shall be paid out at separation at the employee's straight time rate in effect on the date of separation.

- B. Employees regularly assigned to a 4/10 work schedule shall receive, in addition to the above, an additional one-half day holiday Christmas Eve (a.m.), and an additional one-half day holiday New Year's Eve (a.m.).

full pay, and an employee, upon the completion of thirty (30) years of service in the aggregate, shall be entitled to twenty-five (25) work days annually with full pay. On January 1 of each year, vacation time accrued during the previous year shall be credited to an employee.

- B. An employee shall be permitted to defer up to the equivalent of two years of vacation, thereby accumulating unused vacation time to total not more than the equivalent of three years of vacation credit commensurate with their years of service.
- C. The following provisions shall apply for the purpose of computing years of service in the aggregate in determining eligibility for vacation accrual:
 - 1. An employee shall be deemed to have been in the service of the Department during any period of military service performed by the employee if the employee was entitled to reinstatement as an employee of the Department after such military service and was, in fact, so reinstated.
 - 2. Service of an employee prior to service retirement shall be counted if the employee is reactivated pursuant to any Charter Section providing for return to active duty of a retired employee.

The election by an employee to receive such cash payment shall be subject to the availability of budgeted funds of the Department.
- E. Employees called into active military service (other than temporary military leave) shall continue to accrue vacation during their military service, subject to the same maximum accrual requirements as other employees. In order to avoid reaching a maximum accrual during an extended leave, an employee may request cash payment of accrued but unused vacation time as of the date of the commencement of their military leave. The request may be for all accrued time or a portion of their accrued time. The request for cash payment must be made prior to the employee's first day of leave of absence and verified by military orders or other evidence of call-up into the armed forces of the United States.

ARTICLE 3.3 SICK LEAVE

- A. Employees entering City service shall accrue one (1) day of sick leave and one (1) additional day at the end of each subsequent month worked until the pay

- C. Sick leave may be used for the following purposes which include illness, injury, diagnosis, care, or treatment of a health condition, or preventive care, of an employee.
- D. Employees who become separated from the service by reason of retirement or death will be compensated for any remaining balance of unused accumulated 100% sick leave at the date of separation. Such compensation will be paid to the individual or their estate by cash payment at 100% of the employee's salary rate current at the date of separation, except however, accumulated 100% sick leave hours shall be computed on a Platoon Duty basis for employees in ranks for which a Platoon Duty rate has been established.
- E. Employees shall be allowed to accumulate a maximum of one hundred thirty-six (136) work days of 100% sick leave. Payment for any unused 100% sick leave will be made for hours in excess of one hundred thirty-six (136) work days. The amount of payment will be by cash payment at 100% of the employee's salary rate current at the date of payment. Such payment for any unused sick leave that exceeds one hundred thirty-six (136) work days shall be computed on a Platoon Duty basis for employees in ranks for which a Platoon Duty rate has been established. Employees regularly assigned to a 4/10 work schedule may be allowed to use 100% sick leave not to exceed an aggregate of ninety-six (96) hours in any one calendar year for the purpose of securing preventive medical treatment.
- F. Employees shall use all accrued sick leave with full pay (100%) prior to using sick leave at partial pay (75% then 50%).

ARTICLE 3.4 FAMILY ILLNESS

Each employee shall be entitled to the following family illness leave provisions:

- F. Any employee claiming a domestic partner for purposes of this Article shall complete a confidential affidavit to be filed in the Employee Benefits Office, Personnel Department, which shall be signed by the City employee and the domestic partner, declaring the existence of a domestic partnership with a named domestic partner. Said leave shall be taken on assigned work days using the number of hours the employee is usually scheduled to work on those days. Employees shall be allowed to take consecutive or non-consecutive days off. Employees may use unpaid leave, accrued unused sick leave, accrued unused vacation time, or accrued compensatory time off, or any combination thereof for their reproductive loss leave. In the event of an employee experiencing multiple reproductive loss events exceeding four events within a 12-month period, the amount of aggregate time off granted shall not exceed twenty (20) days within a 12-month period.

A. Full Time UFLAC Board Members

1. UFLAC may designate up to five (5) UFLAC board members to take full time off with pay equal to the total amount the employee is earning at the time the leave begins to conduct Union business. The parties acknowledge that full time UFLAC board members so assigned are exempt from Fair Labor Standards Act overtime provisions due to the executive and administrative nature of their assignment; however, full time UFLAC board members on release under this Article shall be compensated for overtime pursuant to Article 6.2., subsection II. (Overtime Compensation for Employees Regularly Assigned to a Special Duty Work Schedule). UFLAC board members so designated shall be assigned to a Special Duty schedule and shall not be required to perform any other duties for the Department.
2. UFLAC shall be credited with 100 hours per pay period for each, but no more than two, full-time release position(s) that are left unfilled. For example, in pay period 1 of FY2024-25, if two of the five full-time positions are unfilled, then the City shall credit UFLAC with 200 hours of paid time off. UFLAC shall be allowed to accumulate the time off during the term of this MOU. Upon the expiration of this MOU, any unused time shall be forfeited.

by UFLAC. Time off under this subsection must be approved by the President of UFLAC or their designee.

B. As-Needed Board Members and Other Employees

In addition to the above, other UFLAC members shall be allowed to take time off with pay, in hourly increments, to conduct Union business. UFLAC acknowledges that any such work is not to be considered hours of work for the City. Such time off may not exceed an aggregate total of 5,000 hours annually. UFLAC will select and provide a rank for rank replacement, to the extent possible, for all Platoon Duty members and members assigned to a Special Duty work schedule (e.g., 4/10, 3/12, 5/40, etc.) on emergency resources (e.g., TEMS, APRU, EMS Supervisor, etc.), taking such time off outside of Scheduled Overtime Duty (SOD) procedures. UFLAC shall pay the City the straight time salary rate of the employee.

Permission for time off must be arranged at least 72 hours in advance; however, time off may be granted without this advance notice under circumstances which could not be anticipated, subject to the approval of the Fire Chief.

The failure of the City to receive reimbursement as stated above, within 45 days of the due date, shall result in the immediate cessation of obligations under this Article and the immediate reassignment of the board members to regular duties for their class and pay level. At the time such payment is received, the obligations under this Article will become fully operative.

The release time described in this Article represents all release time allowed for this Unit with the exception of time off taken pursuant to provisions of State or City law or under other provisions of the MOU.

as a UFLAC board member, with the exception that such release shall not count as one of the five (5) board members authorized in Article 3.9 A.1. of this MOU. Such employee shall be assigned to the Fire Chief's Office for timekeeping purposes and will be paid on an 80-hour per pay period basis. A court of competent jurisdiction is defined as a court within the county in which the employee resides or, if outside the county of residence, the place of appearance must be within one hundred fifty (150) miles from the county of the employee's residence.

If an employee is subpoenaed by a court of competent jurisdiction outside of the location limits noted in the paragraph above, they shall be eligible to receive compensation under this Article if the court appearance is the result of the employee's actions as a licensed paramedic or EMT within the scope of practice as defined by the licensing/certifying authority for the Department.

Licensed paramedics shall attend continuing education courses on an on- or off-duty basis. Employees who successfully renew their State license and Los Angeles County accreditation shall be paid an amount equivalent to the minimum required hours of continuing education as established by the State of California for all hours where attendance was off duty. Employees will also be paid for any off-duty time required to attend any additional training which shall be required by Los Angeles County to maintain accreditation.

Compensation will be made in a lump sum payment at the employee's current straight time rate in effect as of the effective date of the renewal for which the continuing education will be credited. Such time off with pay may include travel time. ARTICLE 6.3 COURT TIME

The following provisions will apply for compensation for court appearances outside of the regular work hours of employees:

A. Basic Compensation

An employee shall report to Court or remain on call, as directed by the subpoena. When a subpoena includes a statement that the concerned employee has been placed "on call," the off-duty employee must not report to the designated court, unless directed to do so by the concerned court liaison personnel or court official. Additionally, an on-call employee must not request from the court liaison or court official to be placed on "be there" status. If the original subpoena is for "be there" court but subsequently changes to "on-call" court, the concerned employee shall abide by these same provisions, they shall not request for the status to be changed back to "be there" and shall not report to the designated court unless directed to do so.

If the employee is on call, it is the employee's responsibility to notify the person designated by the employee's commanding officer of how the employee can be reached. The employee does not need to remain at home, but must be reachable by telephone, answering machine, or answering service. If the telephone number provided by the employee is an answering machine/service, or if the telephone is answered by a person other than the employee, contact with such person, device, machine or service shall constitute notification to the employee.

1. If the employee reports to court or is called into court while on call, the employee shall receive a minimum of four (4) hours compensation at 1½ times the regular rate of pay and time and one-half pay thereafter for each additional hour of actual attendance at court.

Note: An employee shall not receive court on-call compensation and court appearance compensation for the same time period.

2. If an employee remains on call and is not required to report to court, the employee shall receive three (3) hours of compensation at 1½ times the regular rate of compensation. Unless notified that their designated on call is terminated, on call hours shall be from 0800 hours to 1600 hours. Such time shall be considered uncontrolled standby time and therefore not hours worked. Payment for such time shall be included when calculating the regular rate of pay for overtime purposes. Overtime for on-call court cannot be used more than once on the same court day, regardless of the number of subpoenas for which an employee is on call or the number of different times during the day that an employee is placed on call.

B. Exception to the Four (4) Hour Minimum for Court Appearances

Notwithstanding the above provisions, the four (4) hour minimum will not apply in the following situations:

1. Court appearances or on-call status commencing four (4) hours or less before the employee's assigned shift.
2. Court appearances commencing four (4) hours or less after the employee's assigned shift.
3. Court appearances or on-call status that begins during an employee's assigned shift and terminate after the assigned shift.

Compensation for the three (3) conditions listed above will be as follows:

Condition - Amount of Compensation

- B.1. Compensation for the actual time between the commencement of the court appearance or on-call status and the beginning of the employee's assigned shift.
- B.2. Compensation for the actual time between the end of the employee's assigned shift and the termination of the court appearance.
- B.3. Compensation for the actual time between the end of the employee's assigned shift and the termination of the court appearance or on-call status.

C. Compensation for Appearances

Whenever an employee is required to appear before a Board of Rights or State or local Administrative Board, or arbitration outside of their regular work hours, such employee shall receive compensation at 1½ times the regular rate of pay for a minimum of four (4) hours and for each additional hour of actual attendance before the Board.

ARTICLE 6.4 OFF-DUTY SAFETY WATCHES

In accordance with Section 7(p)(l) of the FLSA, off-duty safety watches are not hours worked for the City. Payments made by the City to its employees for the convenience of independent employers do not affect the rate of pay for purposes of computing overtime worked for the City.

Safety watches shall be paid at 1½ times the rates of compensation in the appropriate Appendix for each hour worked except, however, an employee who reports for a scheduled safety watch shall receive a minimum payment of four (4) hours at such rate. No employee's work hours shall be reduced if the employee performs an off-duty safety watch on a day that they are scheduled to work unless the employee arrives late to or leaves early from work because of the safety watch, and then the employee's work hours shall only be reduced by the time that the employee arrives late or leaves early.

An employee who is scheduled for an off-duty safety watch and is notified of the cancellation of the safety watch prior to reporting for duty but less than four (4) hours prior to the commencement of the safety watch shall receive two (2) hours of pay at 1½ times the rates of compensation in the appropriate Appendix.

ARTICLE 6.5 SHOW-UP PAY

Whenever an employee reports to duty either from home or another work location for overtime duty that has been canceled, they shall receive a minimum payment of four (4) hours of straight time compensation, unless previously notified of the cancellation. (Cancellation phone calls should normally be at least four (4) hours in advance and not normally be made between 2230 and 0630 hours).

Payment under this Article shall not be counted as hours worked nor affect the regular rate of pay.

Appendix D-1 June 27, 2027

ARTICLE 8.5 LONGEVITY PAY

- A. Any Firefighter III (2112-3) shall be eligible for longevity pay based upon the aggregate number of years of service as a sworn employee of the Department. Service of one or more years as a Paramedic (2307) employed by the Department immediately prior to employment as a Firefighter shall be included in the calculation of years of service for the purpose of determining eligibility for longevity pay. Longevity pay is subject to the conditions under this article.
- B. Upon the certification to the Controller by the Department that an employee has completed the prescribed number of aggregate years of service as a sworn employee of the Department, the employee shall receive the following premium pay:
 - 1. Upon completion of ten years and until the completion of 15 years of aggregate service, an employee shall receive premium pay of 2.75% of the salary of a Firefighter III at Step 6.
 - 2. Upon completion of 15 years and until the completion of 20 years of aggregate service, an employee shall receive additional premium pay of 5.5% of the salary of a Firefighter III at Step 6.
 - 3. Upon completion of 20 years of aggregate service, an employee shall receive premium pay of 8.25% of the salary of a Firefighter III at Step 6.
- C. Longevity pay shall be pension based and paid on a biweekly basis.
- D. A Firefighter will be allowed to continue to receive longevity pay for a period of six (6) months following an initial notice of unsatisfactory service. If during the six-month period, the Firefighter does not achieve a satisfactory standard of service, the Fire Chief shall certify to the City Controller that the employee's service is unsatisfactory and the payment of longevity pay for the employee will cease until

such time as the Fire Chief again certifies that the employee has achieved a satisfactory standard of service.

- E. All longevity payments herein provided shall be effective at the beginning of the pay period following a member's completion of the prescribed number of years of aggregate service.

ARTICLE 8.6 EDUCATION INCENTIVE

A. 1% - Associate's Degree or Certificate

1. Employees receiving a 1% educational incentive prior to July 1, 2007, will continue to receive the incentive.
2. Employees who were not receiving an educational incentive prior to July 1, 2007, will be eligible to receive the 1% educational incentive upon presentation of an Associate's (AA or AS) Degree from a recognized educational institution or presentation of a certificate of completion in one of the following categories:
 - Completion of the requisite course work and receipt of a California State Fire Marshal Certification for "Plans Examiner" or "Fire Officer."
 - Completion of the requisite course work and practical experience per NWCG, CWGG or NFPA and receipt of a "Red Card" certification as an Incident Command System "Unit Leader" or "Section Chief."
 - Valid paramedic license and local accreditation (upon completion of probation only).

Note: Loss of a paramedic license or local accreditation, causing the employee to be unable to provide paramedic service (excluding employees off long-term due to illness/injury), shall immediately terminate the 1% education bonus until such time as the employee's license and/or local accreditation are restored. Employees off long-term due to illness/injury shall obtain certification within six months of the return to duty date. Failure to obtain certification within six months will result in the loss of the education incentive.

B. 3% - Bachelor's Degree

1. Employees receiving a 3% educational incentive prior to July 1, 2007, will continue to receive the incentive.
2. Employees who were not receiving an educational incentive prior to July 1, 2007, will be eligible to receive the 3% educational incentive upon

presentation of a Bachelor of Arts (BA) or Bachelor of Sciences (BS) degree from a recognized educational institution.

The effective date of the bonus shall be the beginning of the subsequent payroll period following proof of the degree or certification being submitted to the Department by the employee.

Note: The 1% or 3% educational incentive shall be calculated on regular base pay (as listed in Appendices A-1 through D-2) **plus** any Special or Hazard Pay listed in Article 8.3 I.C., I.D., II.A., II.B., II.C., II.D., II.E., II.F., II.G., III.A., only.

ARTICLE 8.7 ACTING PAY ASSIGNMENTS

Absence at Higher Level Position (Employees Regularly Assigned to a 4/10 Work Schedule Only)

Whenever the Department assigns an employee to perform the full range of duties of a higher level position due to the temporary absence of the higher level incumbent, such employee shall become eligible for additional compensation upon completion of a qualifying period of ten (10) consecutive work days in such assignment at their regular rate of compensation. The Department shall not divide or alternate the assignment of higher level duties during the qualifying period for the purpose of avoiding additional pay. Such additional compensation, as described in this Article, shall begin on the eleventh (11th) consecutive work day in such assignment.

Approved leave time off taken during a qualifying period shall extend the qualifying period by the length of absence. All other absences shall constitute a disqualifying break in the qualifying period requirement, necessitating the initiation and completion of a new qualifying period.

Each subsequent acting assignment following the employee's return to their regular assignment, shall require completion of a new qualifying period, except when the Department reassigns the same employee to the same acting assignment due to the absence of the regular incumbent within the same fiscal year. In such cases, the employee shall become eligible for such compensation on the first day of the reassignment.

Vacant Higher Level Position

Whenever the Department assigns an employee on a temporary basis to perform the full range of duties of a vacant higher level position, such employee shall become eligible for additional compensation on the first day of said assignment. In the event that said assignment exceeds thirty (30) consecutive calendar days, the Department shall initiate action to appoint a qualified employee to said position.

Compensation

An employee qualifying for additional compensation as stated above shall receive salary at 5.5% above the appropriate step rate of the salary range prescribed for their class, for each day on duty (present for 50% or more of the work day) in an acting assignment. However, the maximum pay rate for such duty shall be limited to the top step of the salary range that has been established as compensation for the higher level position to which the employee has been assigned.

The selection and/or de-selection of employees to serve in an “acting” capacity shall be final and conclusive and shall not be subject to the grievance procedure herein.

ARTICLE 8.8 EFFECTIVE DATE OF PAY INCREASES OR DECREASES

When anniversary dates for step raises and other pay increases under Section 8 of this MOU, except Longevity and Education fall within a payroll period, the pay increase shall be effective at the beginning of the payroll period within which the date falls. When hazard, special pay or assignment pay is decreased within a payroll period, the decrease shall be effective at the beginning of the following payroll period.

9.0 HEALTH AND SAFETY

ARTICLE 9.1 MANDATORY INCIDENT REVIEWS

The Department shall conduct a timely and thorough incident review any time there is a serious injury, near-miss, or death of an employee at work. The term “serious injury” is defined as an injury requiring hospital admission (for other than observation), loss of a body part, or a serious, permanent disfigurement. The term “near-miss” is defined as an event that occurs in the work environment and reasonably could have, but did not, result in a death or serious injury due to good fortune and/or proper operation of safety devices or equipment.

The Department and UFLAC have agreed that the group of individuals who conduct the incident reviews shall be referred to as the Serious Incident Review Team (SIRT).

A Union representative designated by UFLAC shall be immediately incorporated as a full member of the SIRT. The Union representative shall be detailed to the SIRT until the review and report have been completed with no loss of compensation.

The Department and UFLAC agree to prescribe to a “Just Culture” where employees are encouraged to report honest mistakes in order for the SIRT to determine what happened. The SIRT will produce an unbiased, factual report based on the collection of evidence and interview of witnesses, to ultimately prevent a similar occurrence from happening in the future.

ARTICLE 9.2 PERSONAL EXPOSURE REPORTING

Tracking exposure is an important part of employee wellness, fitness, and longevity. The Department and UFLAC shall enroll employees annually in the Personal Exposure Recording (PER) system provided by the California Professional Firefighters (CPF).

Annual funding for the program shall be drawn from the Department's California Firefighter Joint Apprenticeship Committee (CFF-JAC) account as the first and only obligatory expenditure. If there are not sufficient funds in the CFF-JAC account to make the annual payment, the Department and UFLAC shall meet and confer on how to maintain the program.

All other CFF-JAC expenditures shall be agreed upon by the Department and UFLAC in writing and shall be made in accordance with current and long standing CFF-JAC procedures.

ARTICLE 9.3 WELLNESS

- A. The City, Department and UFLAC recognize that through early detection and treatment, injuries and illnesses can be reduced with a corresponding reduction in costs to the City. Therefore, the City, Department and UFLAC agree to establish a cooperative work group to discuss, maintain, and manage a Wellness Program. The cooperative work group shall include an equal number of representatives from the City, Department and UFLAC chosen by the respective parties.
- B. At a minimum, the Wellness Program shall include the following provisions:
 - 1. Participation in the Wellness Program, or any part of the Wellness Program, shall be optional for employees.
 - 2. Medical Examinations:
 - a. The medical examination portion of the Wellness Program shall continue in accordance with the Amendment to the Letter of Understanding on Wellness executed by the City on January 13, 2015, and by UFLAC on January 14, 2015.
 - b. For HMO and Kaiser health plans, the City shall pay 100% of the cost for comprehensive annual medical examinations. For all other health plans, the City shall pay any costs not covered by an employee's health insurance up to \$750 for comprehensive annual medical examinations.
 - c. The results of the medical examinations shall be confidential. The only information provided to the City shall be non-identifiable summaries of medical and fitness data.

- d. The Department has the discretion to detail on-duty employees for up to four (4) hours if the employee cannot schedule the Annual Examination during off-duty hours. Such details shall not adversely affect Department staffing.
- e. In order to encourage more employees to complete the Annual Fitness-for-Life Medical Examination ("Annual Examination"), an employee who completes the Annual Examination shall receive the pensionable premium as described below. The Annual Examination shall be performed at a facility ("Approved Provider") mutually agreed to by UFLAC, the City and Management. An employee shall receive the premium pay commencing on the first day of the full pay period after they complete the Annual Examination. Premium pay shall be in accordance with section 3, below.
- f. To qualify for the premium pay, employees must complete the Annual Examination and submit qualifying documentation on Department approved forms, unless the information is made available on Human Capital.
- g. To requalify after the initial qualification, employees must requalify during the following fiscal year prior to June 30, and every fiscal year thereafter by June 30.
- h. Employees who are on leave due to an injury during the time period to qualify after the initial year, may take the Annual Examination within ninety (90) days after they return from leave.
- i. Employees who qualified for the Wellness bonus as of June 30, 2024, shall retain the qualification for the 2024-2025 fiscal year (ending June 30, 2025).

C. Requirements to Qualify for Wellness Premium

- 1. One-half (0.5) Percent Premium. Effective June 28, 2026, Premium will increase to 2%.

APPENDIX E

It is the intent of the parties that the provisions and administration of this Article be in compliance with the Family and Medical Leave Act (FMLA) of 1993, the California Family Rights Act (CFRA) of 1993, and the Pregnancy Disability Leave (PDL) provisions of the California Fair Employment and Housing Act (FEHA). The following family leave provisions shall be operative during the term of the MOU:

A. Authorization for Leave

Up to four (4) months (nine pay periods) of family or medical leave shall be provided for the purpose of childbirth, adoption or foster care of a child, or serious health condition of a qualified person as defined in D.3 of this Appendix, upon the request of the employee or designation by Management in accordance with applicable Federal or State law, notwithstanding any other provisions of this MOU or the (LAAC) to the contrary.

An employee may take leave under the provisions of this Article if the employee has a serious health condition that makes them unable to perform the functions of the employee's position.

Leave under the provisions of this Article shall be limited to four (4) months (nine pay periods [720 hours]) during a twelve (12) month period, regardless of the number of incidents. A twelve (12) month period shall be measured forward from the first day of leave for each individual taking a leave. The next twelve (12) month period will begin the first day of leave taken under the provisions of this Article after completion of the previous twelve (12) month period.

Exceptions: Under the provisions of this Article, a pregnant employee may be eligible for up to four (4) months (nine pay periods [720 hours]) for childbirth disability and up to an additional four (4) months (nine pay periods [720 hours]) for the purpose of bonding. C. Eligibility

1. The provisions of this Article shall apply to employees who have been employed by the City for at least twelve (12) months and who have worked at least 1,250 hours during the twelve (12) months immediately preceding the beginning of the leave.

Exception: In accordance with PDL under the California FEHA, on the first day of employment with the City, pregnant employees are eligible for up to four (4) months (nine pay periods [720 hours]) of leave if disabled due to pregnancy.

2. Parents (including those who are domestic partners) who both work for the City may each individually take leave under the provisions of this Article at the same time to care for a new child by birth or adoption, or foster care of a child, or to care for a sick parent. Each employee must notify their employing department at the time the leave is requested of the name and department of the second family member who is requesting leave for the same incident. Such notification must include the starting and ending dates of the time period for which each employee is requesting leave.

The time limitations described above do not apply to leave taken by one spouse or one domestic partner to care for the other who is seriously ill, or to care for a child with a serious health condition.

D. Conditions

1. Pregnancy - A leave for a pregnant employee shall start at the beginning of the period of disability that a health care provider certifies as necessary. Leave for the non-disability portion of childbirth ("bonding") may be taken before or after delivery.

In accordance with the PDL under the California FEHA, employees who are disabled due to pregnancy, childbirth, or related medical conditions are eligible for up to four (4) months (nine pay periods [720 hours]) of leave per pregnancy with medical certification certifying the employee is unable to work due to a pregnancy-related condition. PDL may be taken before or after the birth of a child, and must be concluded within one year of the child's birth. The first 12 workweeks of leave under the PDL shall run concurrently with FMLA leave but not CFRA leave.

Employees (each parent individually) are also eligible for family leave ("bonding") under the CFRA, which shall be limited to four months (nine pay periods [720 hours]) and must be concluded within one year of the child's birth. Whereas bonding leave for the pregnant employee may be taken before or after delivery, bonding leave for the non-pregnant employee shall be taken on or after the anticipated delivery or placement date of the child

except as may be necessary under Subsection D.2 of this Article. (The administration of such leave shall be in accordance with Subsection C.2 of this Appendix). Leave under the CFRA does not run concurrently with the PDL law but consecutively.

2. Adoption - The start of a family leave for adoption or foster care of a child shall begin on a date reasonably close to the date the child is placed in the custody of the employee. Leave may also be granted prior to placement for adoption or foster care of a child if an absence from work is required (i.e., counseling, court appearance, consultation with an attorney, physical examination, etc.).
3. Family Illness/Injury -The start of a family leave for a serious health condition of a qualified person shall begin on the date requested by the employee or, if none is requested, on a day designated by Management. Qualified person includes the following with a serious health condition; the employee's child, spouse, parent (including parent-in-law), grandparent, grandchild, sibling, "designated person", domestic partner, other dependent residing in the employee's household, and the following relatives of the employee's domestic partner: child, grandchild, mother, father.
4. Employee's Own Illness/Injury - The start of a personal medical leave for the employee's own serious health condition shall begin on the date requested by the employee or, if none is requested, on a day designated by Management. Serious health conditions occurring during the course and scope of employment activities shall not apply to this Section.
5. Military-related leave
 - a. due to a qualifying exigency as defined by FMLA/CFRA related to the covered active duty or call to covered active duty of an employee's spouse, registered domestic partner, child, or parent (including a parent-in-law) or
 - b. to care for a covered service member with a serious injury or illness.
6. A serious health condition is defined as an illness, injury, impairment, or physical or mental condition that involves:
 - a. Any period of incapacity or treatment connected with inpatient care in a hospital, hospice or residential medical care facility; or
 - b. Any period of incapacity requiring an absence of greater than three (3) calendar days involving continuing treatment by or under the supervision of a health care provider; or

- c. Any period of incapacity (or treatment resulting there from) due to a chronic or serious health condition; or
 - d. Any period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective; or
 - e. Any absences to receive multiple treatments (including any period of recovery there from) by, or on referral by, a health care provider for 1) restorative surgery after an accident or other injury, or 2) a condition that likely would result in incapacity of more than three (3) consecutive days if left untreated; or
 - f. Any period of incapacity due to pregnancy or for prenatal care.
7. All leave granted under this Article shall normally be for a continuous period of time for each incident. However, an employee may be permitted to take intermittent leave or work on a reduced schedule to take care of a qualified person with a serious health condition, for their own serious health condition when it is medically necessary, to care for a covered service member with a serious injury or illness if the employer agrees for the birth of a healthy child or placement of a healthy child for adoption or foster care, or the leave is due to a qualifying exigency under subsection D.5.a. Employees needing intermittent leave or leave on a reduced schedule must attempt to schedule their leave so as not to disrupt the Department's operations. Management may require the employee to transfer temporarily to an available alternative position (with equivalent pay and benefits) for which the employee is qualified and that accommodates recurring periods of leave better than the employee's regular position.

In accordance with the CFRA, leave for the birth, adoption or foster care placement of a child of an employee ("bonding" leave) does not have to be taken in one continuous period of time. Under CFRA, the minimum duration of "bonding" leave is two (2) weeks, and on any two (2) occasions an employee is entitled to such "bonding" leave for a time period of not less than one (1) day but less than two (2) weeks' duration. Any other form of intermittent leave, or work on a reduced schedule, for the purpose of "bonding" leave shall only be permitted at the discretion of Management. "Bonding" leave must be concluded within one (1) year of the birth or placement of the child.

8. If any employee requires another leave for a separate incident under the provisions of this Article during the same twelve (12) month period, a new request must be submitted.

9. Management has the right to request and verify certification of a serious health condition by a health care provider for a leave under the provisions of this Article. Management shall allow employees at least fifteen (15) calendar days to obtain the medical certification.
10. A personal leave of absence beyond the four (4) month (nine pay period [720 hours]) leave provided in this Article may be requested, subject to the approval of the appointing authority and, if required, the Personnel Department, as provided under other City leave provisions.

E. Notice Requirements

1. Employee

When an employee requests family or medical leave, they must state the reason for the requested leave (e.g., childbirth, to care for a qualified person with a serious health condition, etc.). When the necessity for a leave is foreseeable, the employee must provide at least thirty (30) calendar days' notice. However, if the leave must begin in less than thirty (30) calendar days, the employee must provide as much advance notice as is practicable.

2. Management

In response to an employee's request for family or medical leave, Management shall indicate whether or not the employee is eligible for such leave, if such leave will be counted against the employee's annual family or medical leave entitlement, and any requirement for the employee to furnish medical certification. Management shall also notify an employee if it designates leave, paid or unpaid, taken by an employee as family or medical leave-qualifying, regardless of whether or not the employee initiates a request to take family or medical leave.

F. Applicable Time Off

Employees who are granted family leave in accordance with this Article shall take time off in the following order:

1. Childbirth (Mother)
