Comments for Public Posting: On behalf of UNITE HERE Local 11, we urge the City to grant the Appeal due to the Project's potential impacts on land use consistency, coastal policies, and CEQA. In short, the project approvals would allow the improper conversion of a structure that provided long-term residences, subject to the City's RSO laws, into a hotel use. This is significant because it results in the loss of long-term housing, which is needed Citywide and especially in the Coastal zone. Please grant the Appeal.
