**RE: BizFed Support – AI Fresco Dining Ordinance - Council file number: 20-1074-S4**

Chair Harris-Dawson and Committee Members:

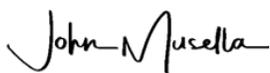

We are contacting you on behalf of BizFed, the Los Angeles County Business Federation. We are an alliance of over 240 business organizations who represent over 420,000 employers in Los Angeles County. We are writing to express our **support** for the AI Fresco Dining Ordinance.

BizFed and our hospitality members played an integral part in the development of this ordinance. We are grateful for the sincere engagement of the Planning Commission to work collaboratively with the business community to find an AI Fresco Dining Ordinance that works for all. This program was pivotal in supporting restaurants and the local community through the COVID-19 pandemic and its continuation is equally as important as they recover and thrive.

While we are encouraged by the progress of this ordinance, **we still have concerns with the removal of the ambient music outdoors.** Ambient music is important to the overall guest experience of restaurants, and this could have far more of a negative impact than the planning commission intended. However, we still support moving forward with the ordinance as is – understanding that discussions to find a compromise for the use of ambient music will continue.

Thank you for your efforts and consideration of our letter. If you have any questions, please contact sarah.wiltfong@bizfed.org.

Sincerely,

John Musella
