Ventura/Cahuenga Boulevard Corridor Specific Plan
Review Board**

**The Ventura/Cahuenga Boulevard Corridor Specific Plan
Review Board believes motion 17-1071-S1 is too vague
and must not include "among other things."**

**All six (6) communities within the Specific Plan Area must
be equally represented with 2 appointees from each of the
six (6) communities: Cahuenga Pass, Studio City, Sherman
Oaks, Encino, Tarzana and Woodland Hills plus one (1)
mayoral appointee.**

**We request the language "to update and modify the
language of the Specific Plan to reflect recently adopted
ordinances" be deleted because it is too broad. The
motion must only include the new Processes and
Procedures Ordinance.**
