COUNCIL TRANSMITTAL: REQUEST FOR AUTHORITY TO ISSUE A SUPPLEMENTAL TAX-EXEMPT MULTIFAMILY CONDUIT REVENUE NOTE IN THE AMOUNT UP TO \$2,845,000 AND A SUPPLEMENTAL TAXABLE MULTIFAMILY CONDUIT REVENUE NOTE IN THE AMOUNT UP TO \$5,464,324; AND TO EXECUTE RELATED FINANCING DOCUMENTS FOR SANTA MONICA AND VERMONT APARTMENTS, A SUPPORTIVE AND AFFORDABLE HOUSING PROJECT

SUMMARY

The General Manager of the Los Angeles Housing Department (“LAHD”) respectfully requests authority to issue a supplemental tax-exempt multifamily conduit note (the “Supplemental Tax-Exempt Governmental Note”) in the amount not to exceed \$2,845,000 and a supplemental taxable multifamily conduit note (the “Supplemental Taxable Governmental Note” and together with the Supplemental Tax-Exempt Governmental Note, the “Supplemental Governmental Notes”) in the amount not to exceed \$5,464,324 for the Santa Monica and Vermont Apartments (“Project”). The Project consists of 187 residential units located at 1021 North Vermont Avenue (formerly known as 4718 W. Santa Monica Boulevard), Los Angeles, CA 90029, in Council District 13. The Project is being developed by LTSC Community Development Corporation (“LTSC”), with a total per-unit development cost of \$654,708 and a per-unit HHH subsidy of \$128,342. The California Debt Limit Allocation Committee (“CDLAC”) designated February 20, 2024 as the supplemental bond/note issuance deadline date. The Project has experienced unprecedented construction period interest rate increases in addition to construction cost increases. The \$2,845,000 supplemental tax-exempt note and up to \$5,464,324 supplemental taxable note proceeds are needed to ensure that the Project is completed on time.

RECOMMENDATIONS

- I. That the City Council, subject to the approval of the Mayor:
 - A. ADOPT the Resolution, provided as Attachment A to this report, approving and authorizing the issuance

of up to \$2,845,000 in tax-exempt multifamily conduit revenue note and up to \$5,464,344 in taxable multifamily conduit revenue note for the development of the Project; and,

- B. AUTHORIZE the General Manager of LAHD, or designee, to negotiate and execute the relevant financing documents for the Project, subject to the approval of the City Attorney as to form.

BACKGROUND

Project Summary

The Project is a mixed use development with two buildings, Building A and Building B. The Project is located at 1021 North Vermont Avenue, in Council District 13. The Project has a combination of Supportive Housing (“SH”) units, affordable housing units, and commercial space located within the East Hollywood Metro Transit Center. The project was designed in conjunction with the Los Angeles County Metropolitan Transportation Authority (“LACMTA”), and in conformance with the City of Los Angeles’s Station Neighborhood Area Plan (“SNAP”). The Project has received a HHH funding award of \$24,000,000 (C.F. No. 17-0090-S8 and 17-0090-S15).

The Project consists of a total of 170,000 square feet, with both buildings having six floors, five of which will be residential floors. The Project area is zoned C2-1D (Commercial Zone). Construction is a combination of Type IA and Type IIIA construction, with the basement and ground floor concrete podium Type IA construction, and floors two to six Type IIIA wood frame construction. The project will have one level of subterranean parking with 69 vehicle parking spaces, 41 for commercial use and 23 for resident and staff use; and 94 long-term, and 14 short-term bicycle parking spaces. The Project will also have approximately 20,000 sf. of commercial and community space, including a federally qualified health center, community rooms and outdoor resident spaces such as private courtyards, gardens, barbecue areas, a community art gallery and public dining terrace open to the Metro Station Public Plaza. The Project will include urban greening components, comprehensive transit infrastructure improvements such as bus shelters, first/last mile bicycle improvements, and improved streetscape in front of the project.

The Project will have a total of 187 supportive and affordable housing units dispersed between the two buildings. Project plans include 57 studio units (approx. 445 sf), 81 one-bedroom units (approx. 633 sf), 44 two-bedroom units, 2 of which are manager’s units (approx. 888 sf), and 5 three bedroom units (approx. 1,396 sf). Specifically, Building A will contain approximately 87,015 sf of residential floor area, and include 38 studio units, 66 one-bedroom units, 29 two-bedroom units, one of which is reserved as the manager’s unit, and 5 three-bedroom units. Building B will contain approximately 30,400 sf of residential floor area, and include 19 studio units, 15 one-bedroom units, and 15 two-bedroom units, one of which is reserved as the manager’s unit. Residents will have access to elevators, laundry rooms (in each building), and every residential unit will have a private balcony. Units will be equipped with energy efficient fixtures and appliances, and all of the units will come fully furnished.

Supportive services will be provided by Housing Works, who will have designated office space and staff on-site and will be available to provide assistive services to all residents. The target population of the SH units are individuals and/or families experiencing homelessness and chronic homelessness, including those with mental illness; the target population for the affordable units are very low income individuals and/or families.

Financing History

On January 27, 2021, LAHD executed an inducement letter in the amount not to exceed \$73,000,000. The letter evidenced the official intent of the City of Los Angeles (“City”) to issue its bonds or notes for the development. The letter was executed pursuant to previous authority granted to LAHD by the City Council and Mayor (C.F. No. 04-2646). Per the Tax Equity and Fiscal Responsibility Act of 1982 (“TEFRA”) requirements, on March 26, 2021, a TEFRA Resolution was approved by the City Council and the Mayor and further approved on January 25, 2022 (C.F. No. 21-0241). The TEFRA Resolution summarized that a public hearing was publicized, took place, and the hearing minutes were provided to the City Council and the Mayor. A copy of the inducement letter and evidence that the TEFRA requirements have been met and were included as part of the original bond application.

On May 18, 2021, on behalf of SMV Housing L.P. (“Borrower”), LAHD submitted a bond application to CDLAC requesting a \$56,000,000 private activity bond volume cap allocation which was awarded on August 11, 2021. On January 25, 2022, the City Council and the Mayor approved the Project for a tax-exempt note issuance (the “Original Tax-Exempt Governmental Note”) in an amount not to exceed \$56,000,000 and a taxable note issuance (the “Original Taxable Governmental Note” and together with the Original Tax-Exempt Governmental Note, the “Original Governmental Notes”) (C.F. No. 21-0241). On February 23, 2022, the Project closed its construction loan financing and the Original Governmental Notes were issued. Since the closing of the Original Governmental Notes, the Project experienced significant construction cost increases and unprecedented rise in interest rates directly impacting the Projects’ construction loan interest rate. These increases in turn have caused a significant gap to the original Project budget resulting in the need to seek additional funding.

On August 4, 2023, on behalf of the Borrower, LAHD submitted a supplemental bond application to CDLAC requesting \$2,845,000 in supplemental award of private activity bond volume cap allocation, which is 5.1% of the original \$56,000,000 allocation. CDLAC approved the supplemental volume cap application and awarded the allocation on August 23, 2023. This allocation is a portion of the 2022 State Ceiling on Qualified Private Activity Bonds. With the supplemental award, the total allocated private activity volume cap amount is \$58,845,000. No additional inducement or TEFRA is required for the proposed Supplemental Governmental Notes per consultation with Bond Counsel.

The proposed issuance of the Supplemental Governmental Notes has been requested to address the uncontrollable and unforeseeable project cost increases primarily due to construction loan interest rate increases. When SMV Housing, LP closed on the construction loan and began Project construction in March of 2022, the construction loan interest rate was 2.7%. However, as of mid- 2023, the construction loan interest rate had increased to 7.5%, an increase of over 5%. The Project budget interest reserve at construction closing was funded at \$6.4 million, and did not anticipate an unprecedented increase to loan rates during the time between construction loan close and permanent conversion, thus was inadequately funded. The parties now anticipate needing an interest reserve of \$12.9 million versus the original \$6.4 million in order to complete construction of the Project. To temporarily enable the Project to continue with construction, Bank of America, N.A., a national banking association, the construction lender and Tax Credit Investor (“BofA” or “Funding Lender”) approved the reallocation of budget funds among several line items, freeing up sufficient funds to cover the loan interest overrun for a short period of

time. However, this adjustment and other small adjustments are not enough to sustain the Project through to permanent conversion. More critically however, the Project will fall below and fail the low-income housing tax credit (“LIHTC”) 50% test threshold jeopardizing the Project’s tax credits if additional tax-exempt funding is not procured. The proposed revised budget including the Supplemental Governmental Notes is \$122,430,409, increasing the original construction closing budget of \$118,899,584 by \$3,530,825. BofA is also providing the construction loan for the Supplemental Governmental Notes.

Affordability Restrictions

Pursuant to the City of Los Angeles’ Affordable Housing Bond Policies & Procedures (“AHBPP”) for Private Activity Bonds for Multifamily Rental Properties, approved September 24, 2019, the Project must provide long-term affordable housing in the City of Los Angeles. Therefore, in connection with the issuance of the Original Tax-Exempt Governmental Note a Regulatory Agreement and Declaration of Restrictive Covenants (“Bond Regulatory Agreement”) was executed and recorded on February 24, 2022, instrument No. 20220215619 in the official records of the Los Angeles County Recorder’s Office. The Bond Regulatory Agreement includes affordability restrictions throughout a term ending no sooner than the later of: 1) 15 years after the date on which 50% of the dwelling units are first occupied; 2) the date such Original Tax-Exempt Governmental Note is paid in full; or, 3) the date on which any Section 8 assistance terminates, if applicable. In addition to the above, the Bond Regulatory Agreement includes a CDLAC Resolution, which requires that the Project’s affordable housing units remain affordable for 55 years. In connection with the issuance of the Supplemental Tax-Exempt Governmental Note, the Bond Regulatory Agreement will be amended and restated by an Amended and Restated Regulatory Agreement and Declaration of Restrictive Covenants, the form of which is attached hereto, which will include the above restrictions.

Additionally, on August 11, 2021, the Project was awarded an allocation of 4% Low Income Housing Tax Credit from the California Tax Credit Allocation Committee (“CTCAC”). On December 3, 2021, the City Council and Mayor approved this Project for Proposition HHH Permanent Supportive Housing Loan Program funding (“HHH”, see C.F. No. 17-0090-S8 & 17-0090-S15); City Loan Contract Number C-139926). As a condition of the HHH award, the project will have affordability restrictions for a term of 55 years. Per CDLAC, affordability

restrictions mean that for at least 55 years at least 40% of the units have to be rented at or below 60% of the area median income. Please see Table 4, below, for the specific affordability restrictions.

Of the 187 total units, 185 of the units will be targeted toward households at or below 50% of the Area Median Income (“AMI”); 94 units will be reserved for persons/households experiencing homelessness (47 units), and chronic homelessness (47 units). The homeless/chronically homeless households will be referred through the Los Angeles County Coordinated Entry System (“CES”). Table 4, below, provides a summary of the project unit mix, pursuant to the CDLAC Resolution.

Financial Structure

The City, as Issuer, previously made a tax-exempt loan to the Borrower in the maximum principal amount of \$56,000,000 (the “Original Tax-Exempt Borrower Loan”) funded with proceeds of the Original Tax-Exempt Governmental Note and a taxable loan to the Borrower in the maximum principal amount of \$12,853,767 (the “Original Taxable Borrower Loan” and together with the Original Tax-Exempt Borrower Loan, the “Original Borrower Loans”) funded with the proceeds of the Original Taxable Governmental Note. Funding Lender the City, will now make an additional tax-exempt loan to the Borrower in an amount not to exceed \$2,845,000 (the “Supplemental Tax-Exempt Borrower Loan”) funded with the proceeds of the Supplemental Tax-Exempt

Governmental Note, resulting in a total tax-exempt note issuance not to exceed \$58,845,000. Additionally, the City will now make an additional taxable loan to the Borrower in an amount not to exceed \$5,464,344 (the “Supplemental Taxable Borrower Loan” and together with the Supplemental Tax-Exempt Borrower Loan, the “Supplemental Borrower Loans”) funded with the proceeds of the Supplemental Taxable Governmental Note, resulting in a total taxable note issuance not to exceed \$18,318,111. Although the Supplemental Taxable Borrower Loan is authorized up to \$5,464,344, the expected final amount of the Supplemental Taxable Governmental Note is expected to be \$1,046,792 based on the projections available at the time of this transmittal. The Supplemental Governmental Notes will be unenhanced and unrated but will be subject to the City’s AHBPP. The Funding Lender will fund the purchase price of the Supplemental Governmental Notes. The Funding Lender will fund an additional tax-exempt loan (the “Supplemental Tax-Exempt Funding Loan”) and an additional taxable loan (the “Supplemental Taxable Funding Loan” and together with the Supplemental Tax-Exempt Loan, the “Supplemental Funding Loans”) to the Issuer, and the Issuer will issue the Supplemental Governmental Notes to the Funding Lender. The proceeds of the Supplemental Governmental Notes will be used by the Issuer to make the Supplemental Borrower Loans pursuant to the terms of the Project Loan Agreement among the Issuer, Funding Lender, and Borrower.

The Borrower will execute promissory notes (“Borrower Supplemental Notes”) as evidence of the Supplemental Borrower Loans. The Issuer will assign the Borrower Supplemental Notes evidencing the Supplemental Borrower Loans to U.S. Bank Trust Company, National Association (“Fiscal Agent”) as security for the Supplemental Governmental Notes. Among its various functions, the Fiscal Agent will receive from the Funding Lender the proceeds from the sale of the Supplemental Governmental Notes and release such funds to the Borrower for the Project construction. The Supplemental Borrower Loans will be paid monthly as an interest only loan, will mature on May 23, 2025 and shall accrue interest on the outstanding principal balance at a variable interest rate of 1 Month Secured Overnight Financing Rate (“SOFR”) plus a credit spread adjustment of 10 basis points (0.10%) and spread of 220 basis points (2.20%).

At conversion to permanent financing, a portion of the Original Governmental Notes and the entire unpaid principal balance of the Supplemental Governmental Notes will be paid off from permanent financing sources, including investor equity. The remaining balance of the Original Tax-Exempt Governmental Note, currently estimated at \$21,950,000, and the remaining balance of the Original Taxable Governmental Lender Note, currently estimated at \$2,670,000, will each convert to the permanent phase and will continue to be held by the Funding Lender. The original permanent loan will have a 40-year amortization, due in a 16-year term period at the fixed interest rate of 4.18% that was locked at construction closing. The Supplemental Tranche B taxable permanent loan will be priced separately and remain under a separate rate.

In addition to the proceeds of the Original Governmental Notes and the Supplemental Governmental Notes, the financing structure includes committed financing or loans from the Proposition HHH Permanent Supportive Housing Loan Program (“HHH”, see C.F. No. 17-0090-S8), the California Department of Housing and Community Development (“HCD”) Affordable Housing and Sustainable Communities Program (“AHSC”) in the amount of \$20,000,000, HCD Infill Infrastructure Grant Program (“IIG”) in the amount of \$6,366,216, \$10,000,000 from HCD Transit-Oriented Development Housing Program (“TOD”), 4% federal tax credit equity from the Tax Credit Investor. In addition, the Project was awarded Housing Authority of the City of Los Angeles (“HACLA”) Project-Based Voucher (“PBV”) rental subsidy for 94 Supportive Housing units.

LAHD requires that the Funding Lender meet the City's Responsible Banking Ordinance #182138 reporting requirements. At closing, bond counsel will provide the required legal opinions as to the tax exempt status of the interest on the Supplemental Tax-Exempt Governmental Note, under federal and state law. The legal and financing documents will include language that establishes the Supplemental Governmental Notes structure as limited obligations and strictly payable from Project revenues. The Project financing complies with both the City's AHBPP and Financial Policies. Additionally, the legal and financing documents will require the Borrower to provide annual statements and information as requested by LAHD.

LAHD's Bond Team for the financing of the Project is as follows:

Bond Issuer Municipal Advisor:	CSG Advisors, Inc. 315 W. 5 th Street, Suite 302 Los Angeles, CA 90013
Bond Issuer Counsel:	Los Angeles City Attorney 200 N. Spring Street, 21st Floor Los Angeles, CA 90012
Bond Counsel:	Kutak Rock LLP 777 S. Figueroa Street, Suite 4550 Los Angeles, CA 90017

FISCAL IMPACT

There is no fiscal impact to the General Fund as a result of the issuance of the Supplemental Governmental Notes. The City is a conduit issuer and will not incur liability for repayment of the Supplemental Governmental Notes. The Supplemental Governmental Notes are limited obligations, payable strictly from revenue derived from the Project. The City will not be obligated to make payments on the Supplemental Governmental Notes.

(g) Subject to Section 2.11 hereof, on or before the date fixed for payment, money shall be deposited with the Fiscal Agent to pay, and the Fiscal Agent is hereby authorized and directed to apply such money to the payment of, the Funding Loan, together with accrued interest thereon to the date of payment.

(h) In no event shall the aggregate of all amounts constituting interest hereunder and charged or collected pursuant to the terms of this Funding Loan Agreement exceed the Maximum Interest Rate. In the event that a court of competent jurisdiction shall, in a final, non-appealable determination, determine that the Funding Lender has charged or received interest hereunder in excess of the highest applicable rate, the Funding Lender shall apply, in its sole discretion, and set off such excess interest received by the Funding Lender against other obligations due or to become due under the Financing Documents and such rate shall automatically be reduced to the Maximum Interest Rate.

In no event will a payment be due and payable on the Funding Loan or the Governmental Notes except to the extent such amount is due and payable under the Project Loan Agreement and the Project Notes. In the event of any conflict as to the payment terms of the Governmental Notes and the Project Notes, the terms of the Project Notes shall control and the terms of the Governmental Notes shall be deemed amended thereby, provided that no such amendment shall increase the obligations of the Governmental Lender under the Funding Loan or the Governmental Notes except to the extent payable solely from the Pledged Security. Further, no such amendment shall cause the Governmental Lender's obligations hereunder and under the Governmental Notes to be other than limited obligations as set forth in Section 2.03 below.

Section 2.02. Pledged Security. To secure the payment of the principal of, premium, if any, and interest on the Funding Loan according to its tenor and effect, and the performance and observance by the Governmental Lender of all the covenants expressed or implied herein and in the Governmental Notes, and the payment and performance of all amounts and obligations under the Construction Disbursement Agreement, the Governmental Lender does hereby grant, bargain, sell, convey, pledge and assign a security interest, unto the Fiscal Agent, and its successors in such capacity and its and their assigns in and to the following, excepting, however, in each case, the Unassigned Rights (said property being herein referred to as the "**Pledged Security**") for the benefit of the Funding Lender:

(a) All right, title and interest of the Governmental Lender in and to all Revenues;

(b) All right, title and interest of the Governmental Lender in and to the Project Loan Agreement, the Project Notes, the Security Instrument and the other Project Loan Documents (other than the Unassigned Rights), including all extensions and renewals of the terms thereof, if any, including, but without limiting the generality of the foregoing, the present and continuing right to receive, receipt for, collect or make claim for any of the money, income, revenues, issues, profits and other amounts payable or receivable thereunder (including all casualty insurance benefits or condemnation awards), whether payable under the above referenced documents or otherwise, to bring actions and proceedings thereunder or for the enforcement thereof, and to do any and all things which the Governmental Lender or any other Person is or may become entitled to do under said documents; and

(c) Except for funds, money or securities in the Cost of Issuance Fund, the Administration Fund and the Rebate Fund, all funds, money and securities and any and all other rights and interests in property whether tangible or intangible from time to time

hereafter by delivery or by writing of any kind, conveyed, mortgaged, pledged, assigned or transferred as and for additional security hereunder for the Funding Loan by the Governmental Lender or by anyone on its behalf or with its written consent to the Fiscal Agent, which is hereby authorized to receive any and all such property at any and all times and to hold and apply the same subject to the terms hereof.

The pledge and assignment of and the security interest granted in the Pledged Security pursuant to this Section 2.02 for the payment of the principal of, Prepayment Premium, if any, and interest on the Governmental Notes, in accordance with their respective terms and provisions, and for the payment of all other amounts due hereunder, shall attach and be valid and binding from and after the Delivery Date. The Pledged Security so pledged and then or thereafter received by the Fiscal Agent shall immediately be subject to the lien of such pledge and security interest without any physical delivery or recording thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior claims of any and all parties having claims of any kind in tort, contract or otherwise against the Governmental Lender irrespective of whether such parties have notice thereof. The Fiscal Agent on behalf of the Funding Lender shall have, in connection with the security interest granted hereunder, all rights and remedies available to a secured party under the Uniform Commercial Code as enacted in the State.

The foregoing notwithstanding, if the Governmental Lender or its successors or assigns shall pay or cause to be paid to the Funding Lender in full the principal, interest and premium, if any, to become due with respect to the Funding Loan at the times and in the manner provided in Article IX hereof, and if the Governmental Lender shall keep, perform and observe, or cause to be kept, performed and observed, all of its covenants, warranties and agreements contained herein, then these presents and the estate and rights hereby granted shall, at the option of the Governmental Lender, cease, terminate and be void, and thereupon the Fiscal Agent shall cancel and discharge the lien of this Funding Loan Agreement and execute and deliver to the Governmental Lender such instruments in writing as shall be requisite to satisfy the lien hereof, and, subject to the provisions of Sections 4.11 and 4.12 hereof and Article IX hereof, reconvey to the Governmental Lender the estate hereby conveyed, and assign and deliver to the Governmental Lender any property at the time subject to the lien of this Funding Loan Agreement which may then be in its possession, except for the Rebate Fund and cash held by the Fiscal Agent for the payment of interest on and principal of the Governmental Notes; otherwise this Funding Loan Agreement to be and shall remain in full force and effect.

Section 2.03. Limited Obligations.

(a) **Source of Payment of Funding Loan and Other Obligations.** THE GOVERNMENTAL NOTES ARE NOT OBLIGATIONS, EITHER GENERAL OR SPECIAL, AND DO NOT CONSTITUTE A PLEDGE OF THE GENERAL CREDIT OR TAXING POWER, OF THE CITY OF LOS ANGELES (THE "CITY"), THE STATE OF CALIFORNIA (THE "STATE") OR ANY POLITICAL SUBDIVISION THEREOF, BUT ARE PAYABLE SOLELY FROM THE PROJECT REVENUES AND PROPERTY PLEDGED THEREFOR IN THIS FUNDING LOAN AGREEMENT AND NOT FROM ANY OTHER REVENUES, FUNDS OR ASSETS OF THE CITY. NEITHER THE CITY, THE STATE NOR ANY SUCH POLITICAL SUBDIVISION THEREOF SHALL BE LIABLE

THEREON. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE NOR ANY POLITICAL CORPORATION OR SUBDIVISION OR AGENCY THEREOF NOR THE FAITH AND CREDIT OF THE CITY IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE GOVERNMENTAL NOTES OR OTHER COSTS INCIDENT THERETO. THE GOVERNMENTAL NOTES ARE NOT A DEBT OF THE UNITED STATES OF AMERICA.

(b) **Limitation of Liability to Revenues.** Notwithstanding anything contained in this Funding Loan Agreement, the Governmental Lender shall not be required to advance any moneys derived from the proceeds of taxes collected by the Governmental Lender, the State of California or by any political subdivision thereof or from any source of income of any of the foregoing other than the Pledged Security for any of the purposes mentioned in this Funding Loan Agreement, whether for the payment of the principal of or interest on the Governmental Notes or for any other purpose of this Funding Loan Agreement.

(c) **Exempt from Individual Liability.** No recourse under or upon any obligation, covenant, warranty or agreement contained in this Funding Loan Agreement or in the Governmental Notes, or under any judgment obtained against the Governmental Lender, or the enforcement of any assessment, or any legal or equitable proceedings by virtue of any constitution or statute or otherwise, or under any circumstances under or independent of this Funding Loan Agreement, shall be had against the Mayor, the City Council or any of the members, officers, agents or employees of the Governmental Lender, past, present or future, either directly or through the Governmental Lender or otherwise, for the payment for or to the Governmental Lender or any receiver of the Governmental Lender, or for or to the owner of the Governmental Notes, or otherwise, of any sum that may be due and unpaid by the Governmental Lender upon the Governmental Notes. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of the Mayor, the City Council or any such member, officer, agent or employee, past, present or future, of the Governmental Lender, as such, by reason of any act of omission on his or her part or otherwise, for the payment for or to the owner of the Governmental Notes or otherwise of any sum that may remain due and unpaid upon the Governmental Notes secured by this Funding Loan Agreement or any of them is, by the acceptance of the Governmental Notes, expressly waived and released as a condition of and in consideration for the execution of this Funding Loan Agreement and the issuance of the Governmental Notes.

Anything in this Funding Loan Agreement to the contrary notwithstanding, it is expressly understood by the parties to this Funding Loan Agreement that (i) the Governmental Lender may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Governmental Lender by the Fiscal Agent, the Servicer, the Funding Lender, the Borrower or the owner of the Governmental Notes as to the existence of any fact or state of affairs, (ii) the Governmental Lender shall not be under any obligation under this Funding Loan Agreement to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Fiscal Agent or by the Servicer, and (iii) none

of the provisions of this Funding Loan Agreement shall require the Governmental Lender to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Funding Loan Agreement, unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action.

No covenant, stipulation, obligation or agreement of the Governmental Lender contained in this Funding Loan Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of the Governmental Lender or the Mayor or City Council in other than that person's official capacity. No member, officer, agent or employee of the Governmental Lender shall be individually or personally liable for the payment of the principal or redemption price of or interest on the Governmental Notes or be subject to any personal liability or accountability by reason of the issuance of the Governmental Notes.

It is recognized that notwithstanding any other provision of this Funding Loan Agreement, neither the Borrower, the Fiscal Agent, the Funding Lender nor any owner of the Governmental Notes shall look to the Governmental Lender for damages suffered by the Borrower, the Fiscal Agent, the Funding Lender or such owner the Governmental Notes as a result of the failure of the Governmental Lender to perform any covenant, undertaking or obligation under this Funding Loan Agreement, the Project Loan Agreement, the Governmental Notes or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Governmental Lender in any of such documents, or for any other reason. Although this Funding Loan Agreement recognizes that such documents shall not give rise to any pecuniary liability of the Governmental Lender, nothing contained in this Funding Loan Agreement shall be construed to preclude in any way any action or proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the Governmental Lender) in any court or before any governmental body, agency or instrumentality or otherwise against the Governmental Lender or any of its officers or employees to enforce the provisions of any of such documents which the Governmental Lender is obligated to perform and the performance of which the Governmental Lender has not assigned to the Fiscal Agent or any other person provided, however, that as a condition precedent to the Governmental Lender proceeding pursuant to this Section 2.03, the Governmental Lender shall have received satisfactory indemnification.

Notwithstanding any other provision of this Funding Loan Agreement to the contrary:

THE GOVERNMENTAL NOTES ARE ISSUED PURSUANT TO THE LAW AND IN ACCORDANCE WITH THE ACT AND ARE LIMITED OBLIGATIONS OF THE GOVERNMENTAL LENDER. NEITHER THE CITY COUNCIL OF THE GOVERNMENTAL LENDER NOR ANY OFFICIAL OR EMPLOYEE OF THE GOVERNMENTAL LENDER NOR ANY PERSON EXECUTING THE GOVERNMENTAL NOTES SHALL BE LIABLE PERSONALLY ON THE GOVERNMENTAL NOTES OR SUBJECT TO ANY PERSONAL LIABILITY OR ACCOUNTABILITY BY REASON OF ITS ISSUANCE. THE GOVERNMENTAL

NOTES AND THE INTEREST THEREON ARE LIMITED OBLIGATIONS OF THE GOVERNMENTAL LENDER, PAYABLE SOLELY FROM THE PLEDGED SECURITY AND ANY OTHER REVENUES, FUNDS AND ASSETS PLEDGED UNDER THIS FUNDING LOAN AGREEMENT AND NOT FROM ANY OTHER REVENUES, FUNDS OR ASSETS OF THE GOVERNMENTAL LENDER. NEITHER THE GOVERNMENTAL LENDER, THE STATE NOR ANY OTHER POLITICAL CORPORATION OR SUBDIVISION OR AGENCY THEREOF SHALL BE OBLIGATED TO PAY THE PRINCIPAL OF THE GOVERNMENTAL NOTES OR THE INTEREST THEREON OR OTHER COSTS INCIDENTAL THERETO EXCEPT FROM THE MONEY PLEDGED THEREFOR. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE NOR ANY POLITICAL CORPORATION OR SUBDIVISION OR AGENCY THEREOF NOR THE FAITH AND CREDIT OF THE GOVERNMENTAL LENDER IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE GOVERNMENTAL NOTES OR OTHER COSTS INCIDENTAL THERETO. THE GOVERNMENTAL NOTES ARE NOT A DEBT OF THE UNITED STATES OF AMERICA.

Section 2.04. *Funding Loan Agreement Constitutes Contract.* In consideration of the origination and funding of the Funding Loan by the Funding Lender, the provisions of this Funding Loan Agreement shall be part of the contract of the Governmental Lender with the Funding Lender and any successors or assigns thereof in such capacity from time to time.

Section 2.05. *Form and Execution.* The Governmental Notes shall be in substantially the form attached as Exhibit A-1 with respect to the Tax-Exempt Governmental Note and Exhibit A-2 with respect to the Taxable Governmental Note and shall be delivered to the holder thereof in physical form and not as a book-entry bond. The Governmental Notes shall be executed on behalf of the Governmental Lender by the manual or facsimile signature of the Mayor of the Governmental Lender, and attested by the manual or facsimile signature of the City Treasurer of the Governmental Lender or such other officer or official of the Governmental Lender who, in accordance with the laws of the State, the bylaws or other governing documents of the Governmental Lender, or practice or custom, regularly attests or certifies official acts and records of the Governmental Lender, and includes any assistant or deputy officer to the principal officer or officers exercising such responsibilities and sealed with an impression or a facsimile of the seal of the Governmental Lender. Any facsimile signatures shall have the same force and effect as if said officers had manually signed the Governmental Notes. Any reproduction of the official seal of the Governmental Lender on the Governmental Notes shall have the same force and effect as if the official seal of the Governmental Lender had been impressed on the Governmental Notes. In case any officer of the Governmental Lender whose manual or facsimile signature shall appear on the Governmental Notes shall cease to be such officer before the delivery thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery, and also the Governmental Notes may bear the facsimile signatures of, or may be signed by, such persons at the actual time of the execution thereof shall be the proper officers to sign the Governmental Notes although at the date of such Governmental Notes such persons may not have been such officers.

Section 2.06. *Authentication.* The Governmental Notes shall not be valid or obligatory for any purpose or entitled to any security or benefit under this Funding Loan Agreement unless a

certificate of authentication on the Governmental Notes, substantially in the form set forth in Exhibit A-1 and Exhibit A-2, respectively, shall have been duly manually executed by an Authorized Officer of the Fiscal Agent; and such executed certificate of authentication upon the Governmental Notes shall be conclusive evidence that the Governmental Notes have been duly executed, registered, authenticated and delivered under this Funding Loan Agreement.

Section 2.07. *Mutilated, Lost, Stolen or Destroyed Governmental Note.* In the event a Governmental Note is mutilated, lost, stolen or destroyed, the Governmental Lender shall execute and the Fiscal Agent shall authenticate a new Governmental Note substantially in the forms set forth in Exhibit A-1 and Exhibit A-2, as applicable, in exchange and substitution for and upon cancellation of the mutilated Governmental Note or in lieu of and in substitution for such lost, stolen or destroyed Governmental Note, upon payment by the Funding Lender of any applicable tax or governmental charge and the reasonable expenses and charges of the Governmental Lender and the Fiscal Agent in connection therewith, and in the case where a Governmental Note is lost, stolen or destroyed, the filing with the Fiscal Agent of evidence satisfactory to it that the Governmental Note was lost, stolen or destroyed, and of the ownership thereof, and furnishing the Governmental Lender and the Fiscal Agent with indemnity satisfactory to each of them. In the event where a Governmental Note shall have matured, instead of delivering a new Governmental Note the Fiscal Agent may pay the same without surrender thereof.

Section 2.08. *Registration; Transfer of Funding Loan; Transferee Representations Letter.* The following shall apply to all transfers of the Governmental Notes after the initial delivery of the Governmental Notes:

(a) The Governmental Notes, in the forms attached hereto as Exhibit A-1 and Exhibit A-2, shall be physically certificated instruments and shall not be held in a book-entry system unless approved in advance in writing by the Governmental Lender in its sole discretion. The Funding Loan shall be transferable only in whole upon the registration books of the Fiscal Agent. The Fiscal Agent shall maintain books or other records showing the name and date of registration, address and employer identification number of the registered owner of the Funding Loan, as evidenced by the Governmental Notes, and any transfers of the Funding Loan, as evidenced by the Governmental Notes, as provided herein, which books, with respect to the Funding Loan, shall be maintained by the Fiscal Agent for such purpose consistent with the registration requirements of the Code applicable to tax-exempt obligations and which shall be open to inspection by the Governmental Lender. The Funding Loan, as evidenced by the Governmental Notes, shall initially be registered to the Funding Lender.

(b) The Funding Lender shall have the right to sell, assign or otherwise transfer in whole its interest in the Funding Loan and the Governmental Notes or to grant a participation interest in the Funding Loan in a percentage of not less than 25% (or at least \$250,000, whichever is greater) of the outstanding principal amount of the Funding Loan, provided that the Funding Loan may be transferred, or any participation interest therein granted, only to the following entities (each, a "Qualified Transferee") which is not an Ineligible Purchaser and that delivers a letter to the Fiscal Agent substantially in the form attached hereto as Exhibit E setting forth certain representations with respect to such Qualified Transferee (the "Transferee Representations Letter"): (i) an institutional

“accredited investor” as that term is defined in Rule 501 of Regulation D under the Securities Act (an “Accredited Investor”), (ii) a “qualified institutional buyer” as that term is defined under Rule 144A of the Securities Act (“QIB”), (iii) a trust or custodial arrangement established by the Funding Lender or its affiliates, which the transferor represents in writing to the Fiscal Agent that all of the beneficial owners of such trust or custodial arrangement are QIBs, (iv) an entity that is a QIB and a commercial bank having capital and surplus of \$5,000,000,000, (v) a government sponsored enterprise (such as Fannie Mae or Freddie Mac), which is also a QIB or an Accredited Investor, or (vi) a trustee in connection with a securitization of the Funding Loan which is itself a QIB or an Accredited Investor. Notwithstanding the preceding sentence, no Transferee Representations Letter shall be required for the Funding Lender Representative to (i) transfer the Funding Loan to any affiliate or other party related to the Funding Lender that is a Qualified Transferee or (ii) sell or transfer the Funding Loan to a special purpose entity, a trust or a custodial or similar pooling arrangement in which the transferor represents in writing to the Fiscal Agent that (x) the owners or beneficial owners thereof that are Qualified Transferees or (y) in circumstances where secondary market credit enhancement is provided for such securitized interests resulting in a rating thereof of at least “A” or better from a Rating Agency; provided that in such instance the controlling interest in the residual interest of such trust or pooling arrangement shall be a single QIB and such trust or arrangement shall be controlled by the Funding Lender or an affiliate thereof. In the case of a transfer of the Governmental Notes and the Funding Loan, subject to the foregoing transfer restrictions, the transferor shall provide to the Governmental Lender written notice of such proposed transfer not less than 10 calendar days prior to such proposed transfer, during which time the Governmental Lender shall determine whether the proposed transferee is an Ineligible Purchaser. If the Governmental Lender fails to deliver written notice to the Fiscal Agent of such determination within 10 calendar days of receipt of notice of proposed transfer, the Fiscal Agent shall conclude that such transferee is not an Ineligible Purchaser and the Fiscal Agent shall record such sale, assignment or transfer on its books or other records maintained for the registration of transfer of the Governmental Notes and Funding Loan. Notwithstanding any sale or other transfer of any participation interests in the Funding Loan, the Governmental Lender and the Fiscal Agent shall be entitled to consider the Funding Lender (or the Funding Lender Representative, as applicable) as the sole holder of such interests for purposes of exercising any right or discharging any obligation of the Funding Lender, or the giving or receiving of any notice, waiver, consent or similar action in respect of the Funding Lender.

(c) No service charges shall be made for any sale, assignment or other transfer for all or any portion of the Funding Loan or the Governmental Notes, provided, however, that the Governmental Lender may require payment of a sum sufficient to cover any tax or other governmental or regulatory charge that may be imposed in connection with any such sale, assignment or transfer. In absence of any other arrangement, such amounts shall be paid by (or reimbursed to the Governmental Lender or the Fiscal Agent, as the case may be) the purchaser, assignee or transferee thereof.

(d) If the transferee is a “Commercial Bank” as defined in the Responsible Banking Ordinance, such transferee shall deliver to the Governmental Lender an executed Responsible Banking Ordinance Certificate in the form of Exhibit G hereto.

(e) The Fiscal Agent shall not authenticate or register a Governmental Note unless the conditions of this Section 2.08 have been satisfied and, to the extent required herein, the Fiscal Agent has received the written consent of the Governmental Lender to such transfer.

Section 2.09. *Funding Loan Closing Conditions; Delivery of Governmental Notes.*

(g) a customary approving opinion of Bond Counsel, including but not limited to an opinion to the effect that the interest on the Tax-Exempt Governmental Note, under laws in effect on the date of such opinion, is excluded from gross income for federal income tax purposes and, where applicable, for State income tax purposes;

No amount shall be charged against the Project Loan Fund except as expressly provided in this Section 2.10 and Section 4.02 hereof.
- (b) The proceeds of the Funding Loan shall be delivered by the Funding Lender to the Fiscal Agent on behalf of the Governmental Lender in installments on a draw-down basis as provided for in Section 2.01(b) hereof. Upon receipt, the Fiscal Agent shall deposit such proceeds to the credit of (i) the Tax-Exempt Subaccount of the Project Account of the Project Loan Fund with respect to proceeds of the Tax-Exempt Governmental Note and (ii) the Taxable Subaccount of the Project Account of the Project Loan Fund with respect to proceeds of the Taxable Governmental Note. Amounts in the Project Loan Fund shall be disbursed as provided in subparagraph (d) below, subject to the conditions set forth in Section 3.01 of the Project Loan Agreement. Upon the disbursement of all amounts in the Project Loan Fund, the Fiscal Agent shall close the Project Loan Fund. Following the initial advance on the Delivery Date, as between the Tax-Exempt Governmental Note and the Taxable Governmental Note, advances of the Funding Loan shall be made in the following order: (i) first, the portion of the Tax-Exempt Funding Loan evidenced by the Tax-Exempt Governmental Note will be advanced until the entire principal balance of the Tax-Exempt Governmental Note is outstanding, and (ii) second, the Taxable Funding Loan evidenced by the Taxable Governmental Note will be advanced.

The Fiscal Agent shall also deposit in the Borrower Equity

Account any additional amounts delivered from time to time to the Fiscal Agent and directed by the Borrower or Servicer to be deposited therein, excluding any proceeds of the Loans, including, but not limited to, any amounts transferred from the Title Company following the Delivery Date. Amounts deposited in the Borrower Equity Account in the Project Loan Fund shall be disbursed upon the approval of the Servicer in accordance with the terms of the Construction Disbursement Agreement.

(d) Upon the making of the initial deposits described above in this Section 2.10, the Governmental Lender shall originate the Project Loan pursuant to the Project Loan Agreement and the Fiscal Agent shall make the initial disbursements of amounts in the Project Loan Fund to the Borrower or otherwise as provided in Section 4.02 hereof.

Section 2.11. *Direct Loan Payments to Funding Lender; Servicer Disbursement of Fees.*

(a) Notwithstanding any provision in this Funding Loan Agreement to the contrary, during any period that a Servicer is engaged with respect to the Loans, the Governmental Lender and the Fiscal Agent agree that all payments of principal of, Prepayment Premium, if any, and interest on the Funding Loan, all fees due hereunder and under the Project Loan Agreement and the Governmental Lender Annual Administration Fee, shall be paid by the Borrower to the Servicer provided, however, (i) the Fiscal Agent may make the debt service and fee payments out of the Project Loan Fund as required under Section 4.02 hereof and (ii) the Funding Lender may fund draws on the Funding Loan directly to the Funding Lender, at the times, in the amounts and in payment of interest due on the Project Notes, without requisition or approval from any other person, and such draws shall be deemed to be Funding Loan draws to fund corresponding draws on the Project Loan to the Borrower, and receipt by the Funding Lender thereof shall be deemed to be receipt of such payments of interest on the Project Loan by the Borrower to satisfy corresponding payments of interest on the Funding Loan. The Funding Lender shall promptly notify the Fiscal Agent and the Servicer in writing of the date and amount of any Funding Loan draws made directly to the Funding Lender for the payment of interest on the Project Notes as aforesaid. The Servicer shall remit all payments collected from the Borrower of principal of, Prepayment Premium, if any, and interest on the Funding Loan, together with other amounts due to the Funding Lender, directly to the Funding Lender (without payment through the Fiscal Agent) per the instructions of the Funding Lender Representative. The Servicer shall be entitled to retain its servicing fee (if any) collected from the Borrower and shall remit the Governmental Lender Annual Administration Fee to the Governmental Lender and shall remit the Ordinary Fiscal Agent's Fees and Expenses to the Fiscal Agent, together with any other amounts due to the Governmental Lender and the Fiscal Agent collected by the Servicer from the Borrower, in each case in accordance with their respective instructions. Any payment made in accordance with the provisions of this Section shall be accompanied by sufficient information to identify the source and proper application of such payment. The Servicer shall promptly notify the Fiscal Agent, the Funding Lender Representative and the Governmental Lender in writing of any failure of the Borrower to make any payment of principal of, Prepayment Premium, if any, and interest on the Funding Loan when due or to pay any fees due hereunder or under the Project Loan Agreement, and the Fiscal Agent and the Governmental Lender shall not be deemed to have any notice of such failure unless it has received such notice in writing.

(b) If a Governmental Note is sold or transferred as provided in Section 2.08, the Funding Lender Representative shall notify the Fiscal Agent and the Borrower in writing of the name and address of the transferee.

(c) So long as payments of principal of, Prepayment Premium, if any, and interest on the Governmental Notes and all fees due hereunder and under the Project Loan Agreement are being made to the Servicer in accordance with this Section 2.11 and no Event of Default has occurred of which the Fiscal Agent has been given, or been deemed to have, notice thereof pursuant to this Funding Loan Agreement, the Fiscal Agent shall have no obligations to collect loan payments with respect to the Funding Loan, nor shall it be obligated to collect loan payments or fee payments pursuant to the Project Loan Agreement, except at the express written direction of the Funding Lender Representative; provided, however, the Fiscal Agent may make debt service and fee payments out of the Project Loan Fund pursuant to Section 4.02 hereof. Notwithstanding the foregoing, the Funding Lender Representative may elect to have the Fiscal Agent collect and remit loan payments and fee payments hereunder and under the Project Loan Agreement upon written notice of such election to the Fiscal Agent, the Borrower and the Governmental Lender.

ARTICLE III

(i) in whole or in part, upon the occurrence of a mandatory prepayment of the Tax-Exempt Project Loan pursuant to the Tax-Exempt Project Note and receipt by the Fiscal Agent of a written direction by the Funding Lender Representative that the Tax-Exempt Funding Loan shall be subject to mandatory payment as a result thereof; or

(ii) in part, on the Interest Payment Date that is next following the completion of the construction of the Project, to the extent amounts remaining in the Tax-Exempt Subaccount of the Project Account of the Project Loan Fund are transferred to the Loan Prepayment Fund pursuant to Section 4.02(e) hereof.

(c) **Taxable Funding Loan Mandatory Prepayment.** The Taxable Funding Loan, together with accrued interest thereon, and together with Prepayment Premium (to

the extent payable under the Taxable Project Note), is subject to mandatory prepayment on any Business Day, in whole or in part as indicated below, at the earliest practicable date upon the occurrence of any of the following:

(i) in whole or in part, upon the occurrence of a mandatory prepayment of the Taxable Project Loan pursuant to the Taxable Project Note and receipt by the Fiscal Agent of a written direction by the Funding Lender Representative that the Taxable Funding Loan shall be subject to mandatory payment as a result thereof; or

Section 3.02. Notice of Prepayment. Notice of the intended prepayment of the Funding Loan shall be given by the Fiscal Agent by first class mail, postage prepaid or by overnight delivery service, to the Funding Lender. All such prepayment notices shall be given not less than 10 days (not less than 30 days in the case of optional prepayment) nor more than 60 days prior to the date fixed for prepayment. Notices of prepayment shall state (i) the prepayment date, (ii) the prepayment amount, and (iii) the place or places where amounts due upon such prepayment will be payable.

Notice of such prepayment shall also be sent by first class mail, postage prepaid, or by overnight delivery service, to the Servicer, not later than the time of mailing of notices required by the first paragraph above, and in any event no later than simultaneously with the mailing of notices required by the first paragraph above; provided, that neither failure to receive such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the prepayment of the Funding Loan.

Notwithstanding the foregoing, in the event the Servicer, not the Fiscal Agent, is collecting and remitting loan payments hereunder, the Fiscal Agent shall have no obligation to send prepayment notices pursuant to this Section 3.02.

Section 3.03. Recycling Transactions. Notwithstanding any provision of this Funding Loan Agreement or the Tax-Exempt Governmental Note to the contrary, the Governmental Lender shall be permitted to direct Tax-Exempt Project Note prepayments to be transferred to a custodian or trustee selected by the Governmental Lender, in lieu of application to prepay a like portion of the Tax-Exempt Governmental Note, so long as the Governmental Lender simultaneously causes other funds to be applied to prepay such portion of the Tax-Exempt Governmental Note. The preceding provisions shall apply only for purposes of preserving or “recycling” private activity bond volume cap in accordance with Section 146(i)(6) of the Code.

ARTICLE IV

REVENUES AND FUNDS

Section 4.01. *Pledge of Revenues and Assets; Establishment of Funds.* The pledge and assignment of and the security interest granted in the Pledged Security pursuant to Section 2.02 hereof shall attach, be perfected and be valid and binding from and after the time of the closing of the Funding Loan and delivery of the Governmental Notes by the Fiscal Agent or by any Person authorized by the Fiscal Agent to deliver the Governmental Notes. The Pledged Security so pledged and then or thereafter received by the Fiscal Agent shall immediately be subject to the lien of such pledge and security interest without any physical delivery thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the Governmental Lender irrespective of whether such parties have notice thereof.

In addition to the Project Loan Fund established pursuant to Section 2.10 hereof, the Fiscal Agent shall establish, maintain and hold in trust the following funds and accounts, each of which is hereby established and each of which shall be disbursed and applied only as herein authorized:

- (a) Revenue Fund;
- (b) Loan Payment Fund;
- (c) Loan Prepayment Fund;
- (d) Administration Fund;
- (e) Cost of Issuance Fund; and
- (f) Rebate Fund.

The funds and accounts established pursuant to Section 2.10 and this Section 4.01 shall be maintained in the corporate trust department of the Fiscal Agent as segregated trust accounts, separate and identifiable from all other funds held by the Fiscal Agent. The Fiscal Agent shall, at the written direction of an Authorized Officer of the Governmental Lender, and may, in its discretion, establish such additional accounts within any fund, and subaccounts within any of the accounts, as the Governmental Lender or the Fiscal Agent may deem necessary or useful for the purpose of identifying more precisely the sources of payments into and disbursements from that fund and its accounts, or for the purpose of complying with the requirements of the Code relating to arbitrage, but the establishment of any such account or subaccount shall not alter or modify any of the requirements of this Funding Loan Agreement with respect to a deposit or use of money in the funds established hereunder, or result in commingling of funds not permitted hereunder.

All money required to be deposited with or paid to the Fiscal Agent for the account of any of the funds or accounts created by this Funding Loan Agreement shall be held by the Fiscal Agent for the benefit of the Funding Lender, and except for money held in the Costs of Issuance Fund, the Administration Fund or the Rebate Fund, shall, while held by the Fiscal Agent, constitute part of the Pledged Security and be subject to the lien hereof.

Section 4.02. *Project Loan Fund.*

(a) **Deposit.** The Fiscal Agent shall deposit the proceeds of the Funding Loan into the applicable subaccount of the Project Account (comprised of a “**Tax-Exempt Subaccount**” and a “**Taxable Subaccount**”) of the Project Loan Fund upon receipt of each advance thereof as provided in Section 2.10(b) hereof. The Fiscal Agent shall deposit the Borrower Equity Deposit into the Borrower Equity Account of the Project Loan Fund, as well as any additional amounts delivered from time to time to the Fiscal Agent and directed by the Borrower or Servicer to be deposited therein (excluding any proceeds of the Governmental Notes), as provided in Section 2.10(c) hereof.

(b) **Disbursements.** Amounts on deposit in the Project Loan Fund shall be disbursed from time to time by the Fiscal Agent for the purpose of: (i) paying interest on the Funding Loan and the Fee Component, in each case when due and (ii) paying Costs of the Project. In addition, amounts in the Project Loan Fund shall be transferred to the Loan Prepayment Fund, the Rebate Fund and the Borrower at the times and in the manner provided in subsection (e) of this Section 4.02.

(c) **Transfers and Requisitions.** If the Fiscal Agent is so instructed in writing by the Funding Lender, the Fiscal Agent shall transfer amounts from the Borrower Equity Account of the Project Loan Fund to the Administration Fund to pay to the appropriate party its accrued fees that are included in the Fee Component that are due and payable as set forth herein or upon receipt of an invoice, without any need for a Requisition or other written direction. If the Fiscal Agent is so instructed in writing by the Funding Lender, the Fiscal Agent shall transfer amounts in the Borrower Equity Account of the Project Loan Fund to the Loan Payment Fund to pay interest on the Funding Loan without any need for a Requisition or other written direction. The Fiscal Agent shall make other disbursements from the respective accounts of the Project Loan Fund for purposes described in subsection (b)(ii) of this Section 4.02 only upon the receipt of Requisitions signed by an Authorized Officer of the Borrower and countersigned by an Authorized Officer of the Servicer (signifying the consent to the Requisition by the Servicer) and acknowledged by the Governmental Lender. The Governmental Lender agrees that if the Governmental Lender has not acknowledged in writing any disbursement from the Project Loan Fund within five Business Days of receipt of a request for acknowledgment of such disbursement, the Governmental Lender shall be deemed to have acknowledged such disbursement. The Fiscal Agent shall have no right or duty to determine whether any requested disbursement from the Project Loan Fund complies with the terms, conditions and provisions of the Construction Disbursement Agreement. The countersignature of the Authorized Officer of the Servicer on a Requisition shall be deemed a certification and, insofar as the Fiscal Agent and the Governmental Lender are concerned, constitute conclusive evidence, that all of the terms, conditions and requirements of the Construction Disbursement Agreement applicable to such disbursement have been fully satisfied or waived. The Fiscal Agent shall, immediately upon each receipt of a completed Requisition signed by an Authorized Officer of the Borrower and countersigned by an Authorized Officer of the Servicer and acknowledged by the Governmental Lender, initiate procedures with the provider of a Qualified Investment to make withdrawals as necessary to fund the Requisition.

Notwithstanding anything to the contrary contained herein, no signature of an Authorized Officer of the Borrower shall be required (i) during any period in which a default has occurred and is then continuing under the Loans or any Financing Document (notice of which default has been given in writing by the Funding Lender Representative or the Servicer to the Fiscal Agent and the Governmental Lender, and the Fiscal Agent shall be entitled to conclusively rely on any such written notice as to the occurrence and continuation of such a default) or (ii) to apply funds received from the Funding Lender which the Funding Lender has designated to the Fiscal Agent to make interest payments then due on the Project Loan.

(d) **Payment of Requisitions.** If a Requisition signed by an Authorized Officer of the Borrower and countersigned by an Authorized Officer of the Servicer or (as permitted hereunder) solely by an Authorized Officer of the Servicer and acknowledged by the Governmental Lender, is received by the Fiscal Agent, the requested disbursement shall be paid by the Fiscal Agent as soon as practicable, but in no event later than three Business Days following receipt thereof by the Fiscal Agent. Upon final disbursement of all amounts on deposit in the Project Loan Fund, including all interest accrued therein, the Fiscal Agent shall close the Project Loan Fund.

(e) **Project Loan Fund Transfers.** Immediately prior to any mandatory prepayment of the Funding Loan pursuant to Section 3.01(b)(i) or 3.01(c)(i) hereof, any amount then remaining in the Project Loan Fund shall, at the written direction of the Funding Lender Representative, be transferred to the Loan Prepayment Fund to pay amounts due on the Funding Loan, if any. In addition, any amount remaining in the Project Account of the Project Loan Fund following completion of the construction of the Project in accordance with the Construction Disbursement Agreement, evidenced by an instrument signed by the Funding Lender Representative or the Servicer, shall be transferred to the Loan Prepayment Fund and used to prepay the Funding Loan in accordance with Section 3.01(b)(ii) and Section 3.01(c)(ii) hereof, unless the Fiscal Agent receives an opinion of Bond Counsel (which shall also be addressed to the Funding Lender Representative) to the effect that a use of such money for other than prepayment of the Funding Loan will not adversely affect the tax exempt status of the Tax-Exempt Governmental Note; provided, that any amounts in the Project Account of the Project Loan Fund in excess of the amount needed to fund the related prepayment of the Funding Loan shall be transferred to the Rebate Fund to the extent required by the Tax Certificate. In the event there are funds remaining in the Borrower Equity Account following completion of the construction of the Project in accordance with the Construction Disbursement Agreement and the Maturity Date has occurred, and provided no default by the Borrower exists under this Funding Loan Agreement or any Project Loan Document, such funds shall be paid by the Fiscal Agent to the Borrower at the written direction of the Funding Lender Representative or the Servicer and the Borrower Equity Account shall be closed.

(f) **Investments.** Amounts on deposit in the Project Loan Fund shall be invested as provided in Section 4.08 hereof. All Investment Income on amounts on deposit in the Project Loan Fund shall be retained in and credited to and become a part of the amounts on deposit in the Project Loan Fund, and shall constitute part of any transfers required by subsection (b) or (e) of this Section 4.02.

Section 4.03. *Application of Revenues.*

(a) All Revenues received by the Fiscal Agent shall be deposited by the Fiscal Agent, promptly upon receipt thereof, to the Revenue Fund, except (i) the proceeds of the Funding Loan received by the Fiscal Agent pursuant to Section 2.01(b), which shall be applied in accordance with the provisions of Section 2.10 hereof; (ii) as otherwise specifically provided in subsection (c) of this Section 4.03 with respect to certain deposits into the Loan Prepayment Fund; (iii) with respect to Investment Income to the extent required under the terms hereof to be retained in the funds and accounts to which they are attributable; and (iv) with respect to amounts required to be transferred between funds and accounts as provided in this Article IV.

(b) Subject to Section 2.11 hereof, on each Interest Payment Date or any other date on which payment of principal of or interest on the Funding Loan becomes due and payable, the Fiscal Agent, out of money in the Revenue Fund, shall credit the following amounts to the following funds, but in the order and within the limitations hereinafter indicated with respect thereto, as follows:

FIRST: to the Loan Payment Fund, an amount equal to the principal of and interest due on the Funding Loan on such date; and

SECOND: to the Loan Prepayment Fund, an amount equal to the principal and interest due on the Funding Loan on such date with respect to a mandatory prepayment of all or a portion of the Funding Loan pursuant to Section 3.01(b) or 3.01(c) hereof (other than any extraordinary mandatory prepayment as described in Section 4.03(c)(i) or (iii) below).

(c) Promptly upon receipt, the Fiscal Agent shall deposit directly to the Loan Prepayment Fund (i) Net Proceeds representing casualty insurance proceeds or condemnation awards paid as a prepayment of the Project Loan, such amount to be applied to provide for the extraordinary mandatory prepayment of all or a portion of the Funding Loan pursuant to Section 3.01(b)(i) or 3.01(c)(i) hereof; (ii) funds paid to the Fiscal Agent to be applied to the optional prepayment of all or a portion of the Funding Loan pursuant to Section 3.01(a); and (iii) amounts transferred to the Loan Prepayment Fund from the Project Loan Fund pursuant to Section 4.02(e) hereof.

(d) Subject to Section 2.11 hereof, should the amount in the Loan Payment Fund be insufficient to pay the amount due on the Funding Loan on any given Interest Payment Date, the Fiscal Agent shall credit to the Loan Payment Fund the amount of such deficiency by charging the following funds and accounts in the following order of priority: (1) the Revenue Fund; and (2) the Loan Prepayment Fund, except no such charge to the Loan Prepayment Fund shall be made from money to be used to effect a prepayment for which notice of prepayment has been provided for hereunder. In the event of a deficiency, such amounts shall be applied to each Governmental Note pro rata.

Section 4.04. *Application of Loan Payment Fund.* Subject to Section 2.11 hereof, the Fiscal Agent shall charge the Loan Payment Fund, on each Interest Payment Date, an amount equal

to the unpaid interest and principal due on the Funding Loan on such Interest Payment Date as provided in Section 4.03(a) and (b), and shall cause the same to be applied to the payment of such interest and principal when due. Any money remaining in the Loan Payment Fund on any Interest Payment Date after application as provided in the preceding sentence may, to the extent there shall exist any deficiency in the Loan Prepayment Fund to prepay the Funding Loan if called for prepayment on such Interest Payment Date, be transferred to the Loan Prepayment Fund to be applied for such purpose.

Any Investment Income on amounts on deposit in the Loan Payment Fund shall be deposited by the Fiscal Agent upon receipt thereof in the Revenue Fund.

No amount shall be charged against the Loan Payment Fund except as expressly provided in this Article IV.

Section 4.05. *Application of Loan Prepayment Fund.* Any money credited to the Loan Prepayment Fund shall be applied as set forth in Sections 4.03(b) and 4.03(c) hereof; provided, however, that to the extent any money credited to the Loan Prepayment Fund is in excess of the amount necessary to effect the prepayments described in Sections 4.03(b) and 4.03(c) hereof it shall be applied to make up any deficiency in the Loan Payment Fund on any Interest Payment Date, to the extent money then available in accordance with Section 4.03(d) hereof in the Revenue Fund is insufficient to make up such deficiency; provided that no money to be used to effect a prepayment for which a conditional notice of prepayment, the conditions of which have been satisfied, or an unconditional notice of prepayment has been provided shall be so transferred to the Loan Payment Fund.

On or before each Interest Payment Date, any Investment Income on amounts on deposit in the Loan Prepayment Fund shall be credited by the Fiscal Agent to the Revenue Fund.

No amount shall be charged against the Loan Prepayment Fund except as expressly provided in this Article IV.

Section 4.06. *Administration Fund.* Subject to Section 2.11 hereof, the Fiscal Agent shall deposit into the Administration Fund, promptly upon receipt thereof, all amounts received from the Servicer (or the Borrower if no Servicer exists for the Loans) designated for deposit into such fund, together with amounts transferred by the Fiscal Agent from the Project Loan Fund for deposit to the Administration Fund pursuant to Section 4.02. Amounts in the Administration Fund shall be withdrawn or maintained, as appropriate, by the Fiscal Agent and used **FIRST**, to pay to the Fiscal Agent when due the Ordinary Fiscal Agent's Fees and Expenses; **SECOND**, to pay to the Governmental Lender when due the Governmental Lender Annual Administration Fee; **THIRD**, to pay when due the reasonable fees and expenses of a Rebate Analyst in connection with the computations relating to arbitrage rebate required under this Funding Loan Agreement and the Project Loan Agreement, upon receipt of an invoice from the Rebate Analyst; **FOURTH**, to pay to the Fiscal Agent any Extraordinary Fiscal Agent's Fees and Expenses due and payable from time to time, as set forth in an invoice submitted to the Borrower and the Servicer; **FIFTH**, to pay to the Governmental Lender any extraordinary expenses it may incur in connection with the Loans or this Funding Loan Agreement from time to time, as set forth in an invoice submitted to the Fiscal Agent and the Servicer; **SIXTH**, to pay to the Funding Lender Representative any unpaid

amounts due under the Construction Disbursement Agreement, as certified in writing by the Funding Lender Representative to the Fiscal Agent; **SEVENTH**, to make up any deficiency in the Loan Prepayment Fund on any prepayment date of the Funding Loan, to the extent money then available in accordance with Section 4.03(d) hereof in the Loan Prepayment Fund is insufficient to prepay the Funding Loan scheduled for prepayment on such prepayment date; and **EIGHTH**, to transfer any remaining balance after application as aforesaid to the Revenue Fund.

In the event that the amounts on deposit in the Administration Fund are not equal to the amounts payable from the Administration Fund as provided in the preceding paragraph on any date on which such amounts are due and payable, the Fiscal Agent shall give notice to the Borrower and the Servicer of such deficiency and of the amount of such deficiency and request payment within two Business Days to the Fiscal Agent of the amount of such deficiency. Upon payment by the Borrower or the Servicer of such deficiency, the amounts for which such deficiency was requested shall be paid by the Fiscal Agent.

Written notice of any insufficiency, which results in the Governmental Lender not receiving the Governmental Lender Annual Administration Fee on the applicable due date, shall be provided by the Fiscal Agent to the Governmental Lender (with a copy to the Borrower and the Funding Lender) within ten days of the respective due date.

On or before each Interest Payment Date, any Investment Income on amounts on deposit in the Administration Fund not needed to pay the foregoing amounts shall be credited by the Fiscal Agent to the Revenue Fund.

No amount shall be charged against the Administration Fund except as expressly provided in this Article IV.

Section 4.07. *[Reserved]*.

Section 4.08. *Investment of Funds.* The money held by the Fiscal Agent shall constitute trust funds for the purposes hereof. Any money attributable to each of the funds and accounts hereunder shall be, except as otherwise expressly provided herein, invested by the Fiscal Agent, at the written direction of the Borrower (or, in the case of the Rebate Fund, as provided in Section 5.07(b)), in Qualified Investments which mature or shall be subject to prepayment or withdrawal at par without penalty on or prior to the earlier of (i) six months from the date of investment and (ii) the date such money is needed; provided, that if the Fiscal Agent shall have entered into any investment agreement requiring investment of money in any fund or account hereunder in accordance with such investment agreement and if such investment agreement constitutes a Qualified Investment, such money shall be invested in accordance with such requirements. In the absence of written direction from the Borrower, the Fiscal Agent shall hold all such moneys uninvested. Such investments may be made through the investment or securities department of the Fiscal Agent. The Fiscal Agent may purchase from or sell to itself or an affiliate, as principal or agent, securities herein authorized. The Fiscal Agent shall be entitled to assume, absent receipt by the Fiscal Agent of written notice to the contrary, that any investment which at the time of purchase is a Qualified Investment remains a Qualified Investment thereafter.

Qualified Investments representing an investment of money attributable to any fund or account shall be deemed at all times to be a part of said fund or account, and, except as otherwise may be provided expressly in other Sections hereof, the interest thereon and any profit arising on the sale thereof shall be credited to the Revenue Fund, and any loss resulting on the sale thereof shall be charged against the Revenue Fund. Such investments shall be sold at the best price obtainable (at least par) whenever it shall be necessary so to do in order to provide money to make any transfer, withdrawal, payment or disbursement from said fund or account. In the case of any required transfer of money to another such fund or account, such investments may be transferred to that fund or account in lieu of the required money if permitted hereby as an investment of money in that fund or account. The Fiscal Agent shall not be liable or responsible for any loss resulting from any investment made in accordance herewith. The parties acknowledge that the Fiscal Agent is not providing investment supervision, recommendations, or advice.

The Governmental Lender acknowledges that to the extent that regulations of the Comptroller of the Currency or other applicable regulatory agency grant the Governmental Lender the right to receive brokerage confirmations of the security transactions as they occur, to the extent permitted by law, the Governmental Lender specifically waives compliance with 12 C.F.R. 12 and hereby notifies the Fiscal Agent hereunder, that no brokerage confirmations need be sent relating to the security transactions as they occur.

In computing for any purpose hereunder the amount in any fund or account on any date, obligations so purchased shall be valued at Fair Market Value.

Except as otherwise provided in the following paragraph of this Section, the Governmental Lender and the Borrower (by their execution of the Project Loan Agreement) each covenant that all investments of amounts deposited in any fund or account created by or pursuant to this Funding Loan Agreement, or otherwise containing "gross proceeds" (within the meaning of Section 148 of the Code) of the Tax-Exempt Funding Loan or the Tax-Exempt Governmental Note shall be acquired, disposed of, and valued (as of the date that valuation is required by this Funding Loan Agreement or the Code) at Fair Market Value.

The Governmental Lender and the Borrower (by their execution of the Project Loan Agreement) each covenant that investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code and (unless valuation is undertaken at least annually) investments in any reserve fund shall be valued at their present value (within the meaning of Section 148 of the Code).

Section 4.09. *[Reserved]*.

Section 4.10. *Accounting Records.* The Fiscal Agent shall maintain accurate books and records for all funds and accounts established hereunder.

Section 4.11. *Amounts Remaining in Funds.* After full payment of the Funding Loan (or provision for payment thereof having been made in accordance with Section 9.01 hereof) and full payment of the fees, charges and expenses of the Governmental Lender, the Fiscal Agent, the Rebate Analyst, the Funding Lender, the Funding Lender Representative, and the Servicer and other amounts required to be paid hereunder or under any Project Loan Document, including, but

not limited to, the Construction Disbursement Agreement (as certified in writing to the Fiscal Agent by the Governmental Lender with respect to amounts due to the Governmental Lender and by the Funding Lender Representative or the Servicer on its behalf with respect to amounts owed under the Construction Disbursement Agreement and by the Rebate Analyst with respect to amounts due to the Rebate Analyst), any amounts remaining in any fund or account hereunder other than the Rebate Fund shall be paid to the Borrower.

Section 4.12. *Rebate Fund; Compliance with Tax Certificate.* The Rebate Fund shall be established by the Fiscal Agent and held and applied as provided in this Section 4.12. On any date on which any amounts are required by applicable federal tax law to be rebated to the federal government, amounts shall be deposited into the Rebate Fund by the Borrower for such purpose. All money at any time deposited in the Rebate Fund shall be held by the Fiscal Agent in trust, to the extent required to satisfy the rebate requirement (as set forth in the Tax Certificate) and as calculated by the Rebate Analyst, for payment to the government of the United States of America, and neither the Governmental Lender, the Borrower nor the Funding Lender shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section 4.12 and by the Tax Certificate. The Fiscal Agent shall conclusively be deemed to have complied with such provisions if it follows the written instructions of the Governmental Lender, Bond Counsel or the Rebate Analyst, including supplying all necessary information in the manner set forth in the Tax Certificate, and shall not be required to take any actions under the Tax Certificate in the absence of written instructions from the Governmental Lender, Bond Counsel or the Rebate Analyst.

Within 55 days of the end of each fifth Rebate Year, the Borrower shall cause the Rebate Analyst to calculate the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Treasury Regulations (taking into account any exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in the Tax Certificate (e.g., the temporary investments exceptions of Section 148(f)(4)(B) and (C) of the Code)), for this purpose treating the last day of the applicable Rebate Year as a (computation) date, within the meaning of Section 1.148-1(b) of the Treasury Regulations (the “Rebatable Arbitrage”). Pursuant to Section 2.04 of the Project Loan Agreement, the Borrower shall cause the Rebate Analyst to provide such calculations to the Fiscal Agent and the Governmental Lender. In the event that the Borrower fails to provide such information to the Fiscal Agent and the Governmental Lender within 55 days of the end of each fifth Rebate Year, the Fiscal Agent, at the expense of the Borrower, shall select the Rebate Analyst, with the prior written approval of the Governmental Lender, and shall cause the Rebate Analyst to calculate the amount of Rebatable Arbitrage as required herein.

Within 55 days of the end of each fifth Rebate Year, upon the written direction of the Governmental Lender, Bond Counsel or the Rebate Analyst, an amount shall be deposited to the Rebate Fund by the Fiscal Agent from amounts provided by the Borrower, if and to the extent required so that the balance in the Rebate Fund shall equal the amount of Rebatable Arbitrage so calculated in accordance with the preceding paragraph.

The Fiscal Agent shall pay, as directed by the Governmental Lender, Bond Counsel or the Rebate Analyst, to the United States Department of the Treasury, out of amounts in the Rebate Fund:

(a) Not later than 60 days after the end of (A) the fifth Rebate Year, and (B) each applicable fifth Rebate Year thereafter, an amount equal to at least 90% of the Rebatable Arbitrage calculated as of the end of such Rebate Year; and

(b) Not later than 60 days after the payment in whole of the Tax-Exempt Funding Loan, an amount equal to 100% of the Rebatable Arbitrage calculated as of the end of such applicable Rebate Year, and any income attributable to the Rebatable Arbitrage, computed in accordance with Section 148(f) of the Code.

Each payment required to be made under this Section shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 (or such other address provided in such direction), on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, which shall be prepared by the Rebate Analyst and provided to the Fiscal Agent.

Notwithstanding any provision of this Funding Loan Agreement to the contrary, the obligation to remit payment of the Rebatable Arbitrage to the United States of America and to comply with all other requirements of Sections 2.04 and 4.03 of the Project Loan Agreement and this Section 4.12, and the requirements of the Tax Certificate shall survive the defeasance or payment in full of the Tax-Exempt Funding Loan.

Any funds remaining in the Rebate Fund after payment in full of the Tax-Exempt Funding Loan and payment and satisfaction of any Rebatable Arbitrage, or provision made therefor satisfactory to the Fiscal Agent, shall be withdrawn and remitted to the Borrower.

The Fiscal Agent shall obtain and keep such records of the computations made pursuant to this Section 4.12 as are required under Section 148(f) of the Code to the extent furnished to the Fiscal Agent. The Borrower shall or shall cause the Rebate Analyst to provide to the Governmental Lender and the Fiscal Agent copies of all rebate computations made pursuant to this Section 4.12. The Fiscal Agent shall keep and make available to the Borrower and the Governmental Lender, until six years after the date on which no portion of the Tax-Exempt Governmental Note is outstanding, such records concerning the investments of the gross proceeds of the Tax-Exempt Funding Loan and the investments of earnings from those investments made by the Fiscal Agent as may be requested by the Borrower in order to enable the Borrower to cause the Rebate Analyst to make the aforesaid computations as are required under Section 148(f) of the Code.

Notwithstanding the foregoing, the computations and payments of Rebatable Arbitrage need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on an opinion of Bond Counsel, substantially to the effect that such failure will not, in and of itself, adversely affect any exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Governmental Note, a copy of which shall be provided to the Fiscal Agent and the Funding Lender Representative, at the expense of the Borrower.

In the event of any conflict between the requirements hereof and those of the Tax Certificate, the Tax Certificate shall control.

Section 4.13. *Cost of Issuance Fund.* The Fiscal Agent shall use money on deposit to the credit of the Cost of Issuance Fund to pay the Costs of Issuance on the Delivery Date or as soon

as practicable thereafter as follows: (a) in accordance with a Requisition in the form of Exhibit D to be given to the Fiscal Agent by the Borrower, along with appropriate invoices for such expenses; provided that no requisition shall be required for the payment of Costs of Issuance set forth in the closing memorandum delivered to the Fiscal Agent on the Delivery Date, (b) to pay the California Debt and Investment Advisory Commission (“CDIAC”) the CDIAC fee of up to \$[____] upon receipt of an invoice therefor (c) to pay the initial acceptance and legal fee of the Fiscal Agent, and (d) to pay the Fiscal Agent the initial payment of its Ordinary Fiscal Agent’s Fees and Expenses. Investment Income on amounts on deposit in the Cost of Issuance Fund shall be retained in such fund. Amounts remaining on deposit in the Cost of Issuance Fund six months after the Delivery Date shall be transferred to the Borrower. Upon such final disbursement, the Fiscal Agent shall close the Cost of Issuance Fund.

Section 4.14. *Reports from the Fiscal Agent.* The Fiscal Agent shall, on or before the 15th day of each month, file with the Funding Lender Representative, the Servicer, the Governmental Lender (at its written request) and the Borrower a statement setting forth in respect of the preceding calendar month:

- (a) the amount withdrawn or transferred by it, and the amount deposited within or on account of each fund and account held by it under the provisions of this Funding Loan Agreement, including the amount of Investment Income on each fund and account;
- (b) the amount on deposit with it at the end of such month to the credit of each fund and account;
- (c) a brief description of all obligations held by it as an investment of money in each such fund and account; and
- (d) any other information which the Funding Lender Representative or the Governmental Lender may reasonably request and to which the Fiscal Agent has access in the ordinary course of its operations.

Upon the written request of the Funding Lender, the Fiscal Agent, at the cost of the Borrower, shall provide a copy of such statement to Funding Lender. All records and files pertaining to the Pledged Security shall be open at all reasonable times to the inspection of the Governmental Lender and the Funding Lender Representative or the Servicer and their agents and representatives upon reasonable prior notice during normal business hours.

ARTICLE V

GENERAL COVENANTS AND REPRESENTATIONS

Section 5.01. *Payment of Principal and Interest.* The Governmental Lender covenants that it will promptly pay or cause to be paid, but only from the sources identified herein, sufficient amounts to provide for the payment of the principal of, premium, if any, and interest on the Funding Loan at the place, on the dates and in the manner provided herein and in the Governmental Notes, according to the true intent and meaning thereof.

Section 5.02. *Performance of Covenants.* The Governmental Lender covenants that it will faithfully perform at all times any and all of its covenants, undertakings, stipulations and provisions contained in this Funding Loan Agreement, in the Governmental Notes and in all proceedings pertaining thereto.

Section 5.03. *Instruments of Further Assurance.* The Governmental Lender covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such supplements hereto, and such further acts, instruments and transfers as may be reasonably required for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Fiscal Agent all and singular its interest in the property herein described and the revenues, receipts and other amounts pledged hereby to the payment of the principal of, premium, if any, and interest on the Funding Loan. Any and all interest in property hereafter acquired which is of any kind or nature herein provided to be and become subject to the lien hereof shall and without any further conveyance, assignment or act on the part of the Governmental Lender, the Funding Lender or the Fiscal Agent, become and be subject to the lien of this Funding Loan Agreement as fully and completely as though specifically described herein, but nothing in this sentence contained shall be deemed to modify or change the obligations of the Governmental Lender under this Section 5.03. The Governmental Lender covenants and agrees that, except as herein otherwise expressly provided, it has not and will not sell, convey, mortgage, encumber or otherwise dispose of any part of its interest in the Pledged Security or the revenues or receipts therefrom.

Section 5.04. *Inspection of Project Books.* The Governmental Lender covenants and agrees that all books and documents in its possession relating to the Project shall, upon reasonable prior notice, during normal business hours, be open to inspection and copying by such accountants or other agents as the Fiscal Agent or the Funding Lender Representative may from time to time reasonably designate; provided that the Fiscal Agent shall have no duty to so designate.

Section 5.05. *No Modification of Security; Additional Indebtedness.* The Governmental Lender covenants to and for the benefit of the Funding Lender that it will not, without the prior written consent of the Funding Lender Representative, take any of the following actions:

- (a) alter, modify or cancel, or agree to consent to alter, modify or cancel any agreement to which the Governmental Lender is a party, or which has been assigned to the Governmental Lender, and which relates to or affects the security for the Loans or the payment of any amount owed under the Financing Documents; or
- (b) create or suffer to be created any lien upon the Pledged Security or any part thereof other than the lien created hereby and by the Security Instrument.

Section 5.06. *Damage, Destruction or Condemnation.* Net Proceeds resulting from casualty to or condemnation of the Project shall be applied as provided in the Construction Disbursement Agreement and, to the extent consistent therewith, Section 3.01(b)(i) hereof.

Section 5.07. Tax Covenants.

(a) **Governmental Lender's Covenants.** The Governmental Lender covenants to and for the benefit of the Funding Lender that it will:

(i) neither make or use nor cause to be made or used any investment or other use of the proceeds of the Tax-Exempt Funding Loan or the money and investments held in the funds and accounts in any manner which would cause the Tax-Exempt Governmental Note to be an “arbitrage bond” under Section 148 of the Code and the Regulations issued under Section 148 of the Code (the “**Regulations**”) or which would otherwise cause the interest payable on the Tax-Exempt Governmental Note to be includable in gross income of the Funding Lender for federal income tax purposes;

(ii) enforce or cause to be enforced all obligations of the Borrower under the Tax Regulatory Agreement in accordance with its terms and seek to cause the Borrower to correct any violation of the Tax Regulatory Agreement within a reasonable period after it first receives written notice of any such violation;

(iii) not knowingly take or cause to be taken any other action or actions, or fail to take any action or actions, if the same would cause the interest payable on the Tax-Exempt Governmental Note to be includable in gross income for federal income tax purposes;

(iv) whenever and so often as requested by the Funding Lender, do and perform all acts and things permitted by law and necessary in order to assure that interest paid by the Governmental Lender on the Tax-Exempt Governmental Note will be excluded from the gross income of the holder of the Tax-Exempt Governmental Note for federal income tax purposes, except in the event where the Funding Lender is a “substantial user” of the facilities financed with the Loans or a “related person” within the meaning of the Code; and

(v) not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Tax-Exempt Governmental Note to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations.

In furtherance of the covenants in this Section 5.07, the Governmental Lender and the Borrower shall execute, deliver and comply with the provisions of the Tax Certificate, which is by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full, and by its acceptance of this Funding Loan Agreement the Fiscal Agent acknowledges receipt of the Tax Certificate and acknowledges its incorporation into this Funding Loan Agreement by this reference and agrees to comply with the terms specifically applicable to it.

The covenants of the Governmental Lender in this Section 5.07(a) are made solely in reliance on the representations and covenants of the Borrower set forth in the Project

Loan Agreement, the Tax Certificate and the Tax Regulatory Agreement and a default by the Borrower with respect thereto shall not be considered a default of the Governmental Lender. The covenants of the Governmental Lender in this Section 5.07(a) are limited to those actions within its control, and further limited to the extent that the costs and expenses of taking such actions are borne by the Borrower or a third party.

(b) **Fiscal Agent's Covenants.** The Fiscal Agent agrees that it will invest funds held under this Funding Loan Agreement in accordance with the covenants and terms of this Funding Loan Agreement and the Tax Certificate (this covenant shall extend through the term of the Tax-Exempt Funding Loan, to all funds and accounts created under this Funding Loan Agreement and all money on deposit to the credit of any such fund or account). The Fiscal Agent covenants to and for the benefit of the Funding Lender that, notwithstanding any other provisions of this Funding Loan Agreement or of any other Financing Document, it will not knowingly make or cause to be made any investment or other use of the money in the funds or accounts created hereunder which would cause the Tax-Exempt Governmental Note to be classified as an "arbitrage bond" within the meaning of Sections 103(b) and 148 of the Code or would cause the interest on the Tax-Exempt Governmental Note to be includable in gross income for federal income tax purposes; provided that the Fiscal Agent shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows the written directions of the Borrower, the Governmental Lender, the Funding Lender Representative, Bond Counsel or the Rebate Analyst. This covenant shall extend, throughout the term of the Funding Loan, to all funds created under this Funding Loan Agreement and all money on deposit to the credit of any such fund. Pursuant to this covenant, with respect to the investments of the funds and accounts under this Funding Loan Agreement, the Fiscal Agent obligates itself to comply throughout the term of the Tax-Exempt Funding Loan with the requirements of Sections 103(b) and 148 of the Code; provided that the Fiscal Agent shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows the written directions of the Borrower, the Governmental Lender, Bond Counsel or the Rebate Analyst. The Fiscal Agent further covenants that should the Governmental Lender or the Borrower file with the Fiscal Agent (it being understood that neither the Governmental Lender nor the Borrower has an obligation to so file), or should the Fiscal Agent receive, an opinion of Bond Counsel to the effect that any proposed investment or other use of proceeds of the Tax-Exempt Funding Loan would cause the Tax-Exempt Governmental Note to become an "arbitrage bond," then the Fiscal Agent will comply with any written instructions of the Governmental Lender, the Borrower, the Funding Lender Representative or Bond Counsel regarding such investment (which shall, in any event, be a Qualified Investment) or use so as to prevent the Tax-Exempt Governmental Note from becoming an "arbitrage bond," and the Fiscal Agent will bear no liability to the Governmental Lender, the Borrower, the Funding Lender or the Funding Lender Representative for investments made in accordance with such instructions.

In the event of any conflict between this Section 5.07 and the requirements of the Tax Certificate, the parties hereto agree that the Tax Certificate shall control.

Section 5.08. Representations and Warranties of the Governmental Lender. The Governmental Lender hereby represents and warrants as follows:

(a) The Governmental Lender is a municipal corporation and charter city, organized and existing under the laws of the State.

(b) The Governmental Lender has all necessary power and authority to execute and deliver the Governmental Notes and to execute and deliver this Funding Loan Agreement, the Project Loan Agreement and the other Financing Documents to which it is a party, and to perform its duties and discharge its obligations hereunder and thereunder.

(c) The revenues and assets pledged for the repayment of the Funding Loan are and will be free and clear of any pledge, lien or encumbrance prior to, or equal with, the pledge created by this Funding Loan Agreement, and all action on the part of the Governmental Lender to that end has been duly and validly taken.

(d) The Financing Documents to which the Governmental Lender is a party have been validly authorized, executed and delivered by the Governmental Lender and, assuming due authorization, execution and delivery by the other parties thereto, constitute valid and binding obligations of the Governmental Lender, enforceable against the Governmental Lender in accordance with their respective terms, except as enforceability may be limited by bankruptcy, insolvency, moratorium or other laws affecting creditors' rights generally and the application of equitable principles.

THE GOVERNMENTAL LENDER MAKES NO REPRESENTATION, COVENANT OR AGREEMENT AS TO THE FINANCIAL POSITION OR BUSINESS CONDITION OF THE BORROWER OR THE PROJECT AND DOES NOT REPRESENT OR WARRANT AS TO ANY STATEMENTS, MATERIALS, REPRESENTATIONS OR CERTIFICATIONS FURNISHED BY THE BORROWER IN CONNECTION WITH THE FUNDING LOAN OR THE PROJECT LOAN, OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY THEREOF.

ARTICLE VI

DEFAULTS UNDER PROJECT LOAN DOCUMENTS

Section 6.01. Default Under Project Loan Agreement; Acceleration. No Event of Default under the Project Loan Agreement shall constitute a default or event of default with respect to this Funding Loan Agreement or the Governmental Notes. The Governmental Lender's, the Fiscal Agent's and the Funding Lender's remedies with respect to a default under the Project Loan Documents shall be as set forth under the Project Loan Documents. The Funding Lender may, upon the acceleration of the Borrower's obligations under the Project Loan Documents, and with prior written notice to the Governmental Lender, accelerate, or direct the Fiscal Agent to accelerate, the maturity of the Project Notes and apply any funds available hereunder for such purpose as provided herein (after paying the fees and expenses of the Fiscal Agent and the Governmental Lender). The Governmental Notes shall be deemed paid upon transfer, to or at the

direction of the Funding Lender, of the Project Loan Documents and all Pledged Security therefor free and clear of the lien of this Funding Loan Agreement.

The Governmental Lender shall cooperate with the Funding Lender and the Fiscal Agent in exercising rights and remedies under the Financing Documents and the Project Loan Documents, but only upon being satisfactorily indemnified by the Borrower for any fees or expenses relating thereto as provided in the Project Loan Agreement and the Tax Regulatory Agreement.

Section 6.02. Actions Under Borrower Loan Documents. Whether or not an Event of Default has occurred under any Project Loan Document, the Funding Lender, in its sole discretion, or the Fiscal Agent at the direction of the Funding Lender, shall have the sole right to waive or forebear from enforcing any term, condition, covenant or agreement in the Project Loan Documents applicable to the Borrower or any breach thereof, other than a covenant that would adversely impact the tax exempt status of the interest on the Tax-Exempt Governmental Note and provided that the Funding Lender shall have no right to waive and the Governmental Lender may seek specific performance by the Borrower to enforce the Unassigned Rights. With respect to any of its Unassigned Rights, the Governmental Lender may exercise such rights as permitted by Section 18 of the Tax Regulatory Agreement in connection with a default thereunder.

ARTICLE VII

Section 7.01. Appointment of Fiscal Agent; Acceptance. The Governmental Lender hereby appoints U.S. Bank Trust Company, National Association, as Fiscal Agent hereunder. Section 7.02. Standard of Care. The Fiscal Agent shall perform such duties and only such duties as are specifically set forth in this Funding Loan Agreement.

(a) the duties and obligations of the Fiscal Agent shall be determined solely by the express provisions of this Funding Loan Agreement, no implied covenants or obligations shall be read into this Funding Loan Agreement against the Fiscal Agent, and the Fiscal Agent shall not be liable except with regard to the performance of such duties and obligations as are specifically set forth in this Funding Loan Agreement; and

(b) in the absence of bad faith on the part of the Fiscal Agent, the Fiscal Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Fiscal Agent by the Person or Persons authorized to furnish the same;

(d) in no event shall the Fiscal Agent be responsible or liable for special, indirect, punitive, incidental or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Fiscal Agent has been advised of the likelihood of such loss or damage and regardless of the form of action;

(e) the Fiscal Agent shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the written direction of the Funding Lender Representative relating to the time, method and place of conducting any proceeding for any remedy available to the Fiscal Agent, or exercising any duty or power conferred upon the Fiscal Agent under this Funding Loan Agreement;

(f) neither the Fiscal Agent nor any of its directors, officers, employees, agents or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the Governmental Lender, the Funding Lender, the Borrower, or any of their directors, members, officers, agents, affiliates or employees, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Fiscal Agent may assume performance by all such persons of their respective obligations. The Fiscal Agent shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other person; and

(g) the Fiscal Agent shall not be responsible or liable for any failure or delay in the performance of its obligations under this Funding Loan Agreement arising out of or caused, directly or indirectly, by circumstances beyond its control, including without limitation, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; quarantine restrictions; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility.

Section 7.03. *Reliance Upon Documents.* Except as otherwise provided in Section 7.01 hereof:

(a) the Fiscal Agent may rely upon the authenticity or truth of the statements and the correctness of the opinions expressed in, and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, notarial seal, stamp, acknowledgment, verification, request, consent, order, bond, or other paper or document of the proper party or parties, including any Electronic Notice as permitted hereunder or under the Project Loan Agreement;

Governmental Lender (unless other evidence in respect thereof be herein specifically prescribed), and any resolution of the Governmental Lender may be evidenced to the Fiscal Agent by a copy of such resolution duly certified by an Authorized Officer of the Governmental Lender;

(c) any notice, request, certificate, statement, requisition, direction, election, order or demand of the Borrower mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Borrower by any Authorized Officer of the Borrower (unless other evidence in respect thereof be herein specifically prescribed), and any resolution or certification of the Borrower may be evidenced to the Fiscal Agent by a copy of such resolution duly certified by a secretary or other authorized representative of the Borrower;

(d) any notice, request, certificate, statement, requisition, direction, election, order or demand of the Servicer mentioned herein shall be sufficiently evidenced by an instrument signed in the name of the Servicer by an Authorized Officer of the Servicer (unless other evidence in respect thereof be herein specifically prescribed);

(e) any notice, request, direction, election, order or demand of the Funding Lender Representative mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Funding Lender Representative by any Authorized Officer of the Funding Lender Representative (unless other evidence in respect thereof be herein specifically prescribed);

(f) [Intentionally Omitted];

(g) [Intentionally Omitted];

(h) in the administration of the trusts of this Funding Loan Agreement, the Fiscal Agent may execute any of the trusts or powers hereby granted directly or through its agents, receivers or attorneys, and the Fiscal Agent may consult with counsel (who may be counsel for the Governmental Lender, the Servicer or the Funding Lender Representative), and the Fiscal Agent shall not be responsible for any acts or omissions of any such agent or attorney appointed with due care by it hereunder, and the opinion or advice of such counsel shall be full and complete authorization and protection in respect of any action taken or permitted by it hereunder in good faith and in accordance with the opinion of such counsel;

(i) whenever in the administration of the trusts of this Funding Loan Agreement, the Fiscal Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or permitting any action hereunder, the Fiscal Agent may request, rely and act in accordance with officer's certificates, upon the advice and opinion of counsel of its choice concerning all matters hereof and such matters (unless other evidence in respect thereof be herein specifically prescribed), may, in the absence of negligence or willful misconduct on the part of the Fiscal Agent, be deemed to be conclusively proved and established by a certificate of an officer or authorized agent of the Governmental Lender or the Borrower and such certificate shall, in the absence of bad faith

on the part of the Fiscal Agent, be full warrant to the Fiscal Agent for any action taken or permitted by it under the provisions of this Funding Loan Agreement, and the Fiscal Agent shall not be responsible for any loss or damage resulting from any action or inaction taken in respect of said certificates, advice and/or opinions. In its discretion the Fiscal Agent may in lieu thereof accept other evidence of such matter or may require such further or additional evidence as it may deem reasonable;

(j) the recitals herein and in the Governmental Notes (except the Fiscal Agent's certificate of authentication thereon) shall not be considered as made by or imposing any obligation or liability upon the Fiscal Agent. The Fiscal Agent makes no representations as to the value or condition of the Pledged Security or any part thereof, or as to the title of the Governmental Lender or the Borrower to the Pledged Security, or as to the security of this Funding Loan Agreement, or of the Governmental Notes issued hereunder, and the Fiscal Agent shall incur no liability or responsibility in respect of any of such matters;

(k) the Fiscal Agent shall not be personally liable for debts contracted or liability for damages incurred in the management or operation of the Pledged Security except for its own willful misconduct or negligence; and every provision of this Funding Loan Agreement relating to the conduct or affecting the liability of or affording protection to the Fiscal Agent shall be subject to the provisions of this Section 7.03(k);

(l) the Fiscal Agent shall not be required to ascertain or inquire as to the performance or observance of any of the covenants or agreements (except to the extent they obligate the Fiscal Agent) herein or in any contracts or securities assigned or conveyed to or pledged with the Fiscal Agent hereunder, except with respect to any Event of Default. The Fiscal Agent shall not be required to take notice or be deemed to have notice or actual knowledge of any default or Event of Default (except payment defaults under the Project Loan Agreement to the extent the Fiscal Agent is collecting such Project Loan Payments hereunder) unless the Fiscal Agent shall receive from the Governmental Lender or the Funding Lender Representative written notice stating that a default or Event of Default has occurred and specifying the same, and in the absence of such notice the Fiscal Agent may conclusively assume that there is no such default. Every provision contained in this Funding Loan Agreement or related instruments or in any such contract or security wherein the duty of the Fiscal Agent depends on the occurrence and continuance of such default shall be subject to the provisions of this Section 7.03(l);

(m) the Fiscal Agent shall be under no duty to confirm or verify any financial or other statements or reports or certificates furnished pursuant to any provisions hereof, except to the extent such statement or reports are furnished by or under the direction of the Fiscal Agent, and shall be under no other duty in respect of the same except to retain the same in its files and permit the inspection of the same at reasonable times by the Funding Lender;

(n) the Fiscal Agent shall be under no obligation to exercise those rights or powers vested in it by this Funding Loan Agreement, other than such rights and powers which it shall be obliged to exercise in the ordinary course of acting as Fiscal Agent under the terms and provisions of this Funding Loan Agreement and as required by law, at the

request or direction of the Funding Lender Representative, unless the Funding Lender Representative shall have offered to the Fiscal Agent reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in the compliance with such request or direction; and

(o) All notices, approvals, consents, requests and any communications to the Fiscal Agent hereunder must be in writing in English and must be in the form of a document that is signed manually or by way of an electronic signature (including electronic images of handwritten signatures and digital signatures provided by DocuSign, Orbit, Adobe Sign or any other electronic signature provider acceptable to the Fiscal Agent). Electronic signatures believed by the Fiscal Agent to comply with the ESIGN Act of 2000 or other applicable law shall be deemed original signatures for all purposes. If the parties choose to use electronic signatures to sign documents delivered to the Fiscal Agent, such parties agree to assume all risks arising out of its use of electronic signatures, including without limitation, the risk of the Fiscal Agent acting on an unauthorized document and the risk of interception or misuse by third parties. Notwithstanding the foregoing, the Fiscal Agent may in any instance and in its sole discretion require that an original document bearing a manual signature be delivered to the Fiscal Agent in lieu of, or in addition to, any document signed via electronic signature.

The permissive rights of the Fiscal Agent to do things enumerated in this Funding Loan Agreement shall not be construed as a duty, and, with respect to such permissive rights, the Fiscal Agent shall not be answerable for other than its negligence or willful misconduct. None of the provisions contained in this Funding Loan Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

The Fiscal Agent is authorized and directed to execute in its capacity as Fiscal Agent, the Project Loan Agreement, the Tax Regulatory Agreement and the Subordination Agreement and shall have no responsibility or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the delivery of the Governmental Notes. The Fiscal Agent disclaims any responsibility for compliance with any state or federal securities laws in connection with the Governmental Notes. Except as otherwise specifically provided therein, in acting or omitting to act pursuant to the Project Loan Agreement, the Tax Regulatory Agreement or any other documents executed in connection herewith, the Fiscal Agent shall be entitled to all of the rights, immunities and indemnities accorded to it under this Funding Loan Agreement, including but not limited to this Article VII.

The Fiscal Agent or any of its affiliates may act as advisor or sponsor with respect to any Qualified Investments.

The Fiscal Agent agrees to accept and act upon Electronic Notice of written instructions and/or directions pursuant to this Funding Loan Agreement.

Any resolution, certification, notice, request, direction, election, order or demand delivered to the Fiscal Agent pursuant to this Section 7.03 shall remain in effect until the Fiscal Agent

receives written notice to the contrary from the party that delivered such instrument accompanied by revised information for such party.

The Fiscal Agent shall have no responsibility for the value of any collateral or with respect to the perfection or priority of any security interest in any collateral except as otherwise provided in Section 7.17 hereof.

Section 7.04. *Use of Proceeds.* The Fiscal Agent shall not be accountable for the use or application of the Governmental Notes authenticated or delivered hereunder or of the proceeds of the Funding Loan except as provided herein.

Section 7.05. *[Reserved]*.

Section 7.06. *Trust Imposed.* All money received by the Fiscal Agent shall, until used or applied as herein provided, be held in trust for the purposes for which it was received.

Section 7.07. *Compensation of Fiscal Agent.* The Fiscal Agent shall be entitled to its Ordinary Fiscal Agent's Fees and Expenses in connection with the services rendered by it in the execution of the trusts hereby created and in the exercise and performance of any of the powers and duties of the Fiscal Agent hereunder or under any Financing Document to the extent money is available therefor, in accordance with Section 4.06 hereof, exclusive of Extraordinary Services. The Fiscal Agent shall be entitled to Extraordinary Fiscal Agent's Fees and Expenses in connection with any Extraordinary Services performed consistent with the duties hereunder or under any of the Financing Documents; provided the Fiscal Agent shall not incur any Extraordinary Fiscal Agent's Fees and Expenses without the consent of the Funding Lender Representative. If any property, other than cash, shall at any time be held by the Fiscal Agent subject to this Funding Loan Agreement, or any supplement hereto, as security for the Funding Loan, the Fiscal Agent, if and to the extent authorized by a receivership, bankruptcy, or other court of competent jurisdiction or by the instrument subjecting such property to the provisions of this Funding Loan Agreement as such security for the Funding Loan, shall be entitled to make advances for the purpose of preserving such property or of discharging tax liens or other liens or encumbrances thereon. Payment to the Fiscal Agent for its services and reimbursement to the Fiscal Agent for its expenses, disbursements, liabilities and advances, shall be limited to the sources described in the Project Loan Agreement and in Sections 4.06 and 4.11. The Governmental Lender shall have no liability for Fiscal Agent's fees, costs or expenses. Subject to the provisions of Section 7.09 hereof, the Fiscal Agent agrees that it shall continue to perform its duties hereunder and under the Financing Documents even in the event that money designated for payment of its fees shall be insufficient for such purposes or in the event that the Borrower fails to pay the Ordinary Fiscal Agent's Fees and Expenses or, if applicable, the Extraordinary Fiscal Agent's Fees and Expenses as required by the Project Loan Agreement.

The Borrower shall indemnify and hold harmless the Fiscal Agent and its officers, directors, officials, employees, agents, receivers, attorneys, accountants, advisors, consultants and servants, past, present or future, from and against (a) any and all claims by or on behalf of any person arising from any cause whatsoever in connection with this Funding Loan Agreement or transactions contemplated hereby, the Project, or the delivery of the Governmental Notes or the Loans; (b) any and all claims arising from any act or omission of the Borrower or any of its agents,

contractors, servants, employees or licensees in connection with the Project, or the delivery of the Governmental Notes or the Loans; and (c) all costs, counsel fees, expenses or liabilities incurred in connection with any such claim or proceeding brought thereon; except that the Borrower shall not be required to indemnify any person for damages caused by the gross negligence, willful misconduct or unlawful acts of such person or which arise from events occurring after the Borrower ceases to own the Project. In the event that any action or proceeding is brought or claim made against the Fiscal Agent, or any of its officers, directors, officials, employees, agents, receivers, attorneys, accountants, advisors, consultants or servants, with respect to which indemnity may be sought hereunder, the Borrower, upon written notice thereof from the indemnified party, shall assume the investigation and defense thereof, including the employment of counsel and the payment of all expenses. The indemnified party shall have the right to approve a settlement to which it is a party and to employ separate counsel in any such action or proceedings and to participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel. The provisions of this Section 7.06 shall survive the termination of this Funding Loan Agreement or the earlier resignation or removal of the Fiscal Agent.

Section 7.08. Qualifications of Fiscal Agent. There shall at all times be a Fiscal Agent hereunder which shall be a trust company, state banking corporation or a national banking association with the authority to accept trusts in the State and approved in writing by the Governmental Lender. Any successor Fiscal Agent shall have a combined capital and surplus of at least \$50,000,000 in its most recent published annual report of condition (or shall be a wholly owned subsidiary of a bank holding company, or a wholly owned subsidiary of a company that is a wholly owned subsidiary of a bank holding company, that has such combined capital and surplus as set forth in its most recent published annual report of condition, of at least \$500,000,000 of trust assets under management and has a combined capital surplus of at least \$2,000,000 as set forth in its most recent published annual report of condition) or shall have been appointed by a court of competent jurisdiction pursuant to Section 7.11 hereof. In case at any time the Fiscal Agent shall cease to be eligible in accordance with the provisions of this Section 7.07 and another association or corporation is eligible, the Fiscal Agent shall resign immediately in the manner and with the effect specified in Section 7.09 hereof.

Section 7.09. Merger of Fiscal Agent. Any association or corporation into which the Fiscal Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any association or corporation resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party shall, ipso facto, be and become successor Fiscal Agent hereunder and vested with all the title to the whole property or Pledged Security and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instruments or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding, and shall also be and become successor Fiscal Agent in respect of the legal interest of the Fiscal Agent in the Loans. Notwithstanding the foregoing, the Fiscal Agent, in anticipation of such merger, or any such successor Fiscal Agent, shall cause written notice of such succession to be delivered to the Governmental Lender and the Funding Lender as soon as reasonably practicable, but in any case, no later than 30 days following such succession.

Section 7.10. *Resignation by the Fiscal Agent.* The Fiscal Agent may at any time resign from the trusts hereby created and be discharged from its duties and obligations hereunder by giving 60 days' written notice to the Governmental Lender, the Borrower, the Servicer and the Funding Lender Representative. Such notice to the Governmental Lender, the Borrower, the Servicer and the Funding Lender Representative may be served personally or sent by certified mail or overnight delivery service. The resignation of the Fiscal Agent shall not be effective until a successor Fiscal Agent has been appointed as provided herein and such successor Fiscal Agent shall have agreed in writing to be bound by the duties and obligations of the Fiscal Agent hereunder. The resigning Fiscal Agent shall cooperate fully in the transition of funds, accounts and documentation to its successor in accordance with Section 7.13 hereof.

Section 7.11. *Removal of the Fiscal Agent.* The Fiscal Agent may be removed at any time, either with or without cause, with the consent of the Funding Lender Representative (which consent of the Funding Lender Representative shall not be unreasonably withheld) with 30 days' notice by a written instrument signed by the Governmental Lender and delivered to the Fiscal Agent, the Servicer and the Borrower. The Fiscal Agent may also be removed with 30 days' notice by a written instrument signed by the Funding Lender Representative, with written consent of the Governmental Lender, and delivered to the Fiscal Agent, the Servicer, the Governmental Lender and the Borrower. In each case written notice of such removal shall be given to the Servicer, the Borrower and to the Funding Lender. Any such removal shall take effect on the day specified in such written instrument(s), but the Fiscal Agent shall not be discharged from the duties of the Fiscal Agent hereby created nor become effective until a successor Fiscal Agent has been appointed and has accepted such appointment and has agreed in writing to be bound by the duties and obligations of the Fiscal Agent hereunder.

Section 7.12. *Appointment of Successor Fiscal Agent.*

(a) In case at any time the Fiscal Agent shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or shall be adjudged a bankrupt or insolvent, or if a receiver of the Fiscal Agent or of its property shall be appointed, or if a public supervisory office shall take charge or control of the Fiscal Agent or of its property or affairs, a vacancy shall forthwith and ipso facto be created in the office of such Fiscal Agent hereunder, and the Governmental Lender, with the written consent of the Funding Lender Representative, shall promptly appoint a successor Fiscal Agent. Any such appointment shall be made by a written instrument executed by an Authorized Officer of the Governmental Lender. If the Governmental Lender fails to appoint a successor Fiscal Agent within 30 days following the resignation or removal of the Fiscal Agent pursuant to Section 7.09 or Section 7.10 hereunder, as applicable, the Funding Lender Representative may appoint a successor Fiscal Agent (from any of the institutions approved by the Governmental Lender to serve as a fiscal agent) with written notice thereof delivered to the Governmental Lender, the Borrower, the Servicer, if any, and the retiring Fiscal Agent.

(b) If, in a proper case, no appointment of a successor Fiscal Agent shall be made pursuant to subsection (a) of this Section 7.11 within 60 days following delivery of all required notices of resignation given pursuant to Section 7.09 hereof or of removal of the Fiscal Agent pursuant to Section 7.10 hereof, the retiring Fiscal Agent may apply to

any court of competent jurisdiction to appoint a successor Fiscal Agent. The court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Fiscal Agent.

Section 7.13. *Concerning Any Successor Fiscal Agent.* Every successor Fiscal Agent appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Governmental Lender a written instrument accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the Pledged Security and the rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Governmental Lender, the Borrower or the Funding Lender Representative, or of its successor, and upon payment of all amounts due such predecessor, including but not limited to fees and expenses of counsel, execute and deliver such instruments as may be appropriate to transfer to such successor Fiscal Agent all the Pledged Security and the rights, powers and trusts of such predecessor hereunder; and every predecessor Fiscal Agent shall deliver all securities and money held by it as Fiscal Agent hereunder to its successor. Should any instrument in writing from the Governmental Lender be required by a successor Fiscal Agent for more fully and certainly vesting in such successor the Pledged Security and all rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Governmental Lender. The resignation of any Fiscal Agent and the instrument or instruments removing any Fiscal Agent and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed and/or recorded by the successor Fiscal Agent in each recording office where this Funding Loan Agreement shall have been filed and/or recorded. Each successor Fiscal Agent shall mail notice by first class mail, postage prepaid, at least once within 30 days of such appointment, to the Funding Lender. No successor Fiscal Agent shall accept its appointment unless at the time of such acceptance such successor Fiscal Agent shall be qualified and eligible under this Article, to the extent operative.

Section 7.14. *Successor Fiscal Agent.* In the event of a change in the office of Fiscal Agent, the predecessor Fiscal Agent which shall have resigned or shall have been removed shall cease to be Fiscal Agent with respect to the Governmental Notes, and the successor Fiscal Agent shall become such Fiscal Agent.

Section 7.15. *Appointment of Co-Fiscal Agent or Separate Fiscal Agent.* It is the intent of the Governmental Lender and the Fiscal Agent that there shall be no violation of any law of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banking corporations or associations to transact business as Fiscal Agent in such jurisdiction. It is recognized that in case of litigation under or connected with this Funding Loan Agreement, the Project Loan Agreement or any of the other Financing Documents, and, in particular, in case of the enforcement of any remedies on default, or in case the Fiscal Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein or therein granted to the Fiscal Agent or hold title to the properties in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Fiscal Agent, with the consent of the Governmental Lender and the Funding Lender Representative, appoint an additional individual or institution as a co-fiscal agent or separate fiscal agent.

In the event that the Fiscal Agent appoints an additional individual or institution as a co-fiscal agent or separate fiscal agent, in the event of the incapacity or lack of authority of the Fiscal Agent, by reason of any present or future law of any jurisdiction, to exercise any of the rights, powers, trusts and remedies granted to the Fiscal Agent herein or to hold title to the Pledged Security or to take any other action that may be necessary or desirable in connection therewith, each and every remedy, power, right, obligation, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Funding Loan Agreement to be imposed upon, exercised by or vested in or conveyed to the Fiscal Agent with respect thereto shall be imposed upon, exercisable by and vest in such separate fiscal agent or co-fiscal agent, but only to the extent necessary to enable such co-fiscal agent or separate fiscal agent to exercise such powers, rights, trusts and remedies, and every covenant and obligation necessary to the exercise thereof by such co-fiscal agent or separate fiscal agent shall run to and be enforceable by either of them, subject to the remaining provisions of this Section 7.14. Such co-fiscal agent or separate fiscal agent shall deliver an instrument in writing acknowledging and accepting its appointment hereunder to the Governmental Lender and the Fiscal Agent.

Should any instrument in writing from the Governmental Lender be required by the co-fiscal agent or separate fiscal agent so appointed by the Fiscal Agent for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Governmental Lender, the Fiscal Agent and the Borrower. If the Governmental Lender shall fail to deliver the same within 30 days of such request, the Fiscal Agent is hereby appointed attorney-in-fact for the Governmental Lender to execute, acknowledge and deliver such instruments in the Governmental Lender's name and stead. In case any co-fiscal agent or separate fiscal agent, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such co-fiscal agent or separate fiscal agent, so far as permitted by law, shall vest in and be exercised by the Fiscal Agent until the appointment of a new Fiscal Agent or successor to such co-fiscal agent or separate fiscal agent.

Every co-fiscal agent or separate fiscal agent shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms, namely:

(a) the Governmental Notes shall be authenticated and delivered, and all rights, powers, trusts, duties and obligations by this Funding Loan Agreement conferred upon the Fiscal Agent in respect of the custody, control or management of money, papers, securities and other personal property shall be exercised solely by the Fiscal Agent;

(b) all rights, powers, trusts, duties and obligations conferred or imposed upon the Fiscal Agent shall be conferred or imposed upon or exercised or performed by the Fiscal Agent, or by the Fiscal Agent and such co-fiscal agent, or separate fiscal agent jointly, as shall be provided in the instrument appointing such co-fiscal agent or separate fiscal agent, except to the extent that under the law of any jurisdiction in which any particular act or acts are to be performed the Fiscal Agent shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-fiscal agent or separate fiscal agent;

(c) any request in writing by the Fiscal Agent to any co-fiscal agent or separate fiscal agent to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking or the refraining from taking of such action by such co-fiscal agent or separate fiscal agent;

(d) any co-fiscal agent or separate fiscal agent to the extent permitted by law shall delegate to the Fiscal Agent the exercise of any right, power, trust, duty or obligation, discretionary or otherwise;

(e) the Fiscal Agent at any time by an instrument in writing with the written concurrence of the Governmental Lender evidenced by a certified resolution may accept the resignation of or remove any co-fiscal agent or separate fiscal agent appointed under this Section 7.14 and in case an Event of Default shall have occurred and be continuing, the Fiscal Agent shall have power to accept the resignation of or remove any such co-fiscal agent or separate fiscal agent without the concurrence of the Governmental Lender, and upon the request of the Fiscal Agent, the Governmental Lender shall join with the Fiscal Agent in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-fiscal agent or separate fiscal agent so resigned or removed may be appointed in the manner provided in this Section 7.14;

(f) no Fiscal Agent or co-fiscal agent hereunder shall be personally liable by reason of any act or omission of any other Fiscal Agent hereunder;

(g) any demand, request, direction, appointment, removal, notice, consent, acknowledgment, waiver or other action in writing executed by the Funding Lender Representative and delivered to the Fiscal Agent shall be deemed to have been delivered to each such co-fiscal agent or separate fiscal agent; and

(h) any money, papers, securities or other items of personal property received by any such co-fiscal agent or separate fiscal agent hereunder shall forthwith, so far as may be permitted by law, be turned over to the Fiscal Agent.

The total compensation of the Fiscal Agent and any co fiscal agent or separate fiscal agent shall be as, and may not exceed the amount, provided in Section 7.06 hereof.

Section 7.16. *Notice of Certain Events.* The Fiscal Agent shall give written notice to the Governmental Lender, the Servicer and the Funding Lender Representative of any failure by the Borrower to comply with the terms of the Tax Regulatory Agreement or any Determination of Taxability of which a Responsible Officer has actual knowledge.

Section 7.17. *[Reserved]*.

Section 7.18. *Filing of Financing Statements.* The Fiscal Agent shall, at the expense of the Borrower, file or record or cause to be filed or recorded all UCC continuation statements for the purpose of continuing without lapse the effectiveness of those financing statements for which the Fiscal Agent is the secured party which have been filed on or approximately on the Delivery Date in connection with the security for the Funding Loan pursuant to the authority of the UCC.

Upon the filing of any such continuation statement the Fiscal Agent shall immediately notify the Governmental Lender, the Borrower, the Funding Lender Representative and the Servicer that the same has been done. If direction is given by the Servicer or the Funding Lender Representative, the Fiscal Agent shall file all continuation statements for which the Fiscal Agent is the secured party in accordance with such directions. In no event shall the Governmental Lender be responsible for any such filings.

The Fiscal Agent shall not be responsible for any initial filings of any financing statements or continuation statement (other than as directed, as described in the immediately preceding paragraph) or the information contained therein (including the exhibits thereto), the perfection of any such security interests, or the accuracy or sufficiency of any description of collateral in such initial filings or for filing any modifications or amendments to the initial filings required by any amendments to Article 9 of the Uniform Commercial Code. Unless the Fiscal Agent shall have been notified by the Funding Lender that any such initial filing or description of collateral was or has become defective, the Fiscal Agent shall be fully protected in relying on such initial filing and descriptions in filing any continuation statements or modifications thereto pursuant to this Section 7.18 and in filing any continuation statements in the same filing offices as the initial filings were made.

Section 7.19. *USA Patriot Act Requirements of the Fiscal Agent.* To help the government of the United States of America fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For a non-individual Person such as a business entity, a charity, a trust, or other legal entity, the Fiscal Agent may request documentation to verify such Person's formation and existence as a legal entity. The Fiscal Agent may also request financial statements, licenses, identification and authorization documents from individuals claiming authority to represent such Person or other relevant documentation.

ARTICLE VIII

AMENDMENTS OF CERTAIN DOCUMENTS

Section 8.01. *Amendments to this Funding Loan Agreement.* Any of the terms of this Funding Loan Agreement and the Governmental Notes may be amended or waived only by an instrument signed by the Fiscal Agent and the Governmental Lender, and with the prior written consent of the Funding Lender Representative.

Section 8.02. *Amendments to Financing Documents Require Consent of Funding Lender Representative.* Neither the Governmental Lender nor the Fiscal Agent shall consent to any amendment, change or modification of any Financing Document without the prior written consent of the Funding Lender Representative. Subject to the foregoing, the Fiscal Agent shall enter into such amendments to the Financing Documents as shall be requested or directed from time to time by the Funding Lender Representative or the Governmental Lender.

Section 8.03. *Opinion of Bond Counsel Required.* No amendment to this Funding Loan Agreement, the Governmental Notes, the Project Loan Agreement, the Project Notes, the Security Instrument or the Tax Regulatory Agreement shall become effective unless and until (i) the

Funding Lender Representative shall have consented to the same in writing in its sole discretion and (ii) the Funding Lender Representative, the Governmental Lender and the Fiscal Agent shall have received, at the expense of the Borrower, (A) an opinion of Bond Counsel to the effect that such amendment, change or modification will not, in and of itself, cause interest on the Tax-Exempt Governmental Note to be includable in gross income of the holders thereof for federal income tax purposes, and (B) an opinion of counsel acceptable to the Funding Lender Representative and the Governmental Lender to the effect that any such proposed such amendment, change or modification is authorized and complies with the provisions of this Funding Loan Agreement and is a legal, valid and binding obligation of the parties thereto, subject to normal exceptions relating to bankruptcy, insolvency and equitable principles limitations.

ARTICLE IX

SATISFACTION AND DISCHARGE OF FUNDING LOAN AGREEMENT

Section 9.01. *Discharge of Lien.* If the Governmental Lender shall pay or cause to be paid to the Funding Lender the principal, interest and premium, if any, to become due with respect to the Funding Loan at the times and in the manner stipulated herein and in the Governmental Notes, in any one or more of the following ways:

- (a) by the payment of all unpaid principal of (including Prepayment Premium, if any) and interest on the Funding Loan; or
- (b) prior to the Window Period, by the deposit to the account of the Fiscal Agent, in trust, of money or securities in the necessary amount to pay the principal, Prepayment Premium and interest to the Maturity Date; or
- (c) by the delivery of the Governmental Notes by the Funding Lender to the Fiscal Agent for cancellation;

and shall have paid all amounts due and owing under the other Financing Documents, and shall have paid all fees and expenses of and any other amounts due to the Fiscal Agent, the Servicer and the Rebate Analyst, and if the Governmental Lender shall keep, perform and observe all and singular the covenants and promises in the Governmental Notes and in this Funding Loan Agreement expressed as to be kept, performed and observed by it or on its part, then these presents and the estates and rights hereby granted shall cease, determine and be void, and thereupon the Fiscal Agent shall cancel and discharge the lien of this Funding Loan Agreement and execute and deliver to the Governmental Lender such instruments in writing as shall be requisite to satisfy the lien hereof, and reconvey to the Governmental Lender the estate hereby conveyed, and assign and deliver to the Governmental Lender any interest in property at the time subject to the lien of this Funding Loan Agreement which may then be in its possession, except amounts held by the Fiscal Agent for the payment of principal of, interest and premium, if any, on the Tax-Exempt Governmental Note, and the payment of any amounts owed to the United States of America pursuant to Section 4.12 hereof.

Prior to the Window Period and subject to the satisfaction of the conditions set forth in Section 4.04(c) of the Project Loan Agreement, the Funding Loan shall, prior to the Maturity Date,

be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this Section 9.01 based on a deposit of moneys or securities with the Fiscal Agent pursuant to Section 9.01(b) if, under circumstances which do not cause interest on the Tax-Exempt Governmental Note to become includable in the holders' gross income for purposes of federal income taxation, the following conditions shall have been fulfilled: (a) there shall be on deposit with the Fiscal Agent either money or noncallable and nonprepayable direct obligations of the United States of America (or other defeasance securities constituting Qualified Investments approved in writing by the Funding Lender Representative) in an amount, together with anticipated earnings thereon (but not including any reinvestment of such earnings), which will be sufficient to pay, when due, the principal and interest due and to become due on the Funding Loan up to and on the Maturity Date; (b) the Fiscal Agent shall have received a verification report of a firm of certified public accountants or financial analyst reasonably acceptable to the Fiscal Agent and the Funding Lender Representative as to the adequacy of the amounts or securities so deposited to fully pay the Funding Loan; (c) the Fiscal Agent and the Funding Lender Representative shall have received a written opinion of nationally recognized counsel experienced in bankruptcy matters to the effect that if the Borrower, any general partner, member or guarantor of the Borrower, or the Governmental Lender were to become a debtor in a proceeding under the Bankruptcy Code (x) payment of such money to the Funding Lender would not constitute a voidable preference under Section 547 of the Bankruptcy Code and (y) the automatic stay provisions of Section 362(a) of the Bankruptcy Code would not prevent application of such money to the payment of the Funding Loan; (d) the Fiscal Agent and the Funding Lender Representative shall have received an opinion of Bond Counsel substantially to the effect that the defeasance of the Funding Loan is in accordance with the provisions of the Funding Loan Agreement and that such defeasance will not, in and of itself, adversely affect the exclusion of interest on the Tax-Exempt Governmental Note from gross income for federal income tax purposes; (e) the Fiscal Agent shall have received written confirmation that all fees, expenses or reimbursement of any advances due to the Funding Lender and the Servicer under the Financing Documents have been fully paid; and (f) all fees and expenses of the Fiscal Agent have been paid.

Section 9.02. *Discharge of Liability on Funding Loan.* Upon the deposit with the Fiscal Agent, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 9.01 above) to pay or prepay the Funding Loan (whether upon or prior to their Maturity Date or the prepayment date of the Funding Loan) provided that, if the Funding Loan is to be prepaid prior to the maturity thereof, notice of such prepayment shall have been given as in Article III provided or provision satisfactory to the Fiscal Agent shall have been made for the giving of such notice, all liability of the Governmental Lender in respect of the Funding Loan shall cease, terminate and be completely discharged, except only that thereafter the Funding Lender shall be entitled to payment by the Governmental Lender, and the Governmental Lender shall remain liable for such payment, but only out of the money or securities deposited with the Fiscal Agent as aforesaid for their payment, subject, however, to the provisions of Section 9.03 hereof.

Section 9.03. *Payment of Funding Loan After Discharge of Funding Loan Agreement.* Notwithstanding any provisions of this Funding Loan Agreement, and subject to applicable unclaimed property laws of the State, any money deposited with the Fiscal Agent or any paying agent in trust for the payment of the principal of, interest or premium on the Governmental Notes remaining unclaimed for two years after the maturity or earlier payment date: (a) shall be reported and disposed of by the Fiscal Agent in accordance with applicable unclaimed property laws; or (b)

to the extent permitted by applicable law, shall be paid to the Borrower, whereupon all liability of the Governmental Lender and the Fiscal Agent with respect to such money shall cease, and the Funding Lender shall thereafter look solely to the Borrower for payment of any amounts then due. All money held by the Fiscal Agent and subject to this Section 9.03 shall be held uninvested and without liability for interest thereon.

ARTICLE XI

MISCELLANEOUS

Section 11.01. *Servicing of the Loans.* The Funding Lender Representative may appoint a Servicer (which may be the Funding Lender Representative if the Funding Lender Representative elects to service the Loans) to service the Loans as provided in Section 3.02 of the Project Loan Agreement. The Governmental Lender and the Fiscal Agent shall not be responsible for monitoring the performance of any Servicer or for acts or omissions of such Servicer. The Funding Lender may, in its sole discretion, terminate or replace the Servicer.

Section 11.02. *Limitation of Rights.* With the exception of rights herein expressly conferred, nothing expressed or to be implied from this Funding Loan Agreement or the Governmental Notes are intended or shall be construed to give to any Person other than the parties hereto, the Funding Lender, the Funding Lender Representative, the Servicer and the Borrower, any legal or equitable right, remedy or claim under or in respect to this Funding Loan Agreement or any covenants, conditions and provisions hereof.

Section 11.03. *Construction of Conflicts; Severability.* Notwithstanding anything provided herein, or in any of the documents referred to herein, in the event that any contracts or other documents executed by the Borrower or any other arrangements agreed to by the Borrower in order to finance or refinance the Project with the proceeds of the Tax-Exempt Funding Loan, the interest on which is excluded from gross income for federal income tax purposes under Section 103(a) of the Code are inconsistent with the Project Loan Documents, then the Project Loan Documents shall be controlling in all respects. If any provision of this Funding Loan Agreement shall be held or deemed to be, or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses or sections in this Funding Loan Agreement contained, shall not affect the remaining portions of this Funding Loan Agreement, or any part thereof.

This Funding Loan Agreement and the exhibits hereto set forth the entire agreement and understanding of the parties related to this transaction and supersedes all prior agreements and understandings, oral or written.

Section 11.04. Notices.

(a) Whenever in this Funding Loan Agreement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the Person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Any notice, request, complaint, demand, communication or other paper required or permitted to be delivered to the Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower or the Servicer shall be sufficiently given and shall be deemed given (unless another form of notice shall be specifically set forth herein) on the Business Day following the date on which such notice or other communication shall have been delivered to a national overnight delivery service (receipt of which to be evidenced by a signed receipt from such overnight delivery service) addressed to the appropriate party at the addresses set forth below or as may be required or permitted by this Funding Loan Agreement by Electronic Notice. The Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower or the Servicer may, by notice given as provided in this paragraph, designate any further or different address to which subsequent notices or other communication shall be sent.

A duplicate copy of each notice or other communication given hereunder by any party to the Servicer shall also be given to the Funding Lender Representative and by any party to the Funding Lender Representative to the Servicer.

The Fiscal Agent shall have the right to accept and act upon instructions or directions, including funds transfer instructions, pursuant to this Funding Loan Agreement sent by Electronic Means (as hereinafter defined); provided, however, that the Fiscal Agent shall have received an incumbency certificate listing designated persons authorized to provide such instructions ("Authorized Officers"), which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. As used in this paragraph, "Electronic Means" means a portable document format ("pdf") or other replicating image attached to an unsecured email, facsimile transmission, secure electronic transmission (containing applicable authorization codes, passwords and/or authentication keys issued by the Fiscal Agent), or another method or system specified by the Fiscal Agent as available for use in connection with its services hereunder. If the parties elect to give the Fiscal Agent instructions by Electronic Means and the Fiscal Agent in its discretion elects to act upon such instructions, the Fiscal Agent's understanding of such instructions shall be deemed controlling. The parties agree that the Fiscal Agent cannot determine the identity of the actual sender of such instructions and that the Fiscal Agent shall conclusively presume that instructions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Fiscal Agent have been sent by

such Authorized Officer. The parties shall be responsible for ensuring that only Authorized Officers transmit such instructions to the Fiscal Agent, and the parties and the Authorized Officers are responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and authentication keys provided by the Fiscal Agent, if any. The Fiscal Agent shall not be liable for any losses, costs, or expenses arising directly or indirectly from the Fiscal Agent's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction delivered by other means. The parties agree (i) to assume all risks arising out of the use of such Electronic Means to submit instructions and direction to the Fiscal Agent, including without limitation the risk of the Fiscal Agent acting on unauthorized instructions and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting instructions to the Fiscal Agent and that there may be more secure methods of transmitting instructions than the use of Electronic Means; (iii) that the security procedures (if any) to be followed in connection with its transmission of instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) that it will notify the Fiscal Agent immediately upon learning of any compromise or unauthorized use of the security procedures.

(b) The Fiscal Agent shall provide to the Funding Lender Representative and the Servicer (i) prompt notice of the occurrence of any Event of Default of which it has actual knowledge and (ii) any written information or other written communication received by the Fiscal Agent hereunder within 10 Business Days of receiving a written request from the Funding Lender Representative and the Servicer for any such information or other communication.

Section 11.05. *Funding Lender Representative.*

(a) The Funding Lender is the initial Funding Lender Representative with respect to the Governmental Notes. The Funding Lender Representative shall be entitled to all the rights and privileges of the Funding Lender hereunder and under the other Financing Documents.

(b) The Funding Lender Representative may provide written notice to the Fiscal Agent designating particular individuals or Persons authorized to execute any consent, waiver, approval, direction or other instrument on behalf of the Funding Lender Representative, and such notice may be amended or rescinded by the Funding Lender Representative at any time by subsequent written notice. The Funding Lender Representative may be removed and a successor appointed by a written notice in the form of Exhibit B hereto given by the Funding Lender to the Fiscal Agent, the Governmental Lender, the Servicer and the Borrower. The removal and reappointment shall be effective immediately upon receipt of such notice by the Fiscal Agent. The Funding Lender may appoint any Person to act as Funding Lender Representative, including, without limitation, the Servicer. If, for any reason, a Funding Lender Representative resigns by written notice provided to the Fiscal Agent, the Funding Lender, the Governmental Lender, the Servicer and the Borrower, all references to Funding Lender Representative herein and in the other

Financing Documents shall be deemed to refer to the Funding Lender until a successor Funding Lender Representative is appointed by the Funding Lender.

(c) Whenever pursuant to this Funding Loan Agreement or any other Financing Document, the Funding Lender Representative exercises any right given to it to approve or disapprove, any arrangement or term hereof, the decision of the Funding Lender Representative to approve or disapprove or to decide whether arrangements or terms are acceptable or not acceptable shall be in the sole discretion of the Funding Lender Representative, except as otherwise specifically indicated.

(d) Each Funding Lender, by their purchase or other acquisition of the Funding Loan, shall be deemed to have acknowledged and agreed to the provisions of this Funding Loan Agreement and the other Financing Documents with respect to the Funding Lender Representative and the rights and privileges thereof, including but not limited to the right to control all remedies in respect of the Governmental Notes and the Loans, subject to the Unassigned Rights.

Section 11.06. *Payments Due on Non-Business Days.* In any case where a date of payment with respect to the Funding Loan shall be a day other than a Business Day, then such payment need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on such date, and no interest shall accrue for the period after such date provided that payment is made on such next succeeding Business Day.

Section 11.07. *Counterparts.* This Funding Loan Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 11.08. *Laws Governing Funding Loan Agreement.* The effect and meanings of this Funding Loan Agreement and the rights of all parties hereunder shall be governed by, and construed according to, the internal laws of the State without regard to conflicts of laws principles.

Section 11.09. *Nondiscrimination and Affirmative Action.* The Fiscal Agent shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the Governmental Lender. The Fiscal Agent shall not discriminate in its employment practices against any employee or applicant for employment or deny family and medical care leave, pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. The Fiscal Agent shall comply with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 C.F.R. Part 60). The Fiscal Agent shall comply with the provisions of the Los Angeles Administrative Code Sections 10.8 through 10.13, to the extent applicable hereto. The affirmative action program of the Fiscal Agent shall include the mandatory contract provisions set forth in the Los Angeles Administrative Code Section 10.8.4, and said provisions are incorporated herein by this reference. The Fiscal Agent shall also comply with all rules, regulations, and policies of the

Governmental Lender's Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action, including the filing of all forms required by the Governmental Lender. Any subcontract entered into by the Fiscal Agent relating to this Funding Loan Agreement, to the extent allowed hereunder, shall be subject to the provisions of this Section. No person shall on the grounds of race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this Funding Loan Agreement. For purposes of this Section, Title 24 Code of Federal Regulations Part 107 and Section 570.601(b) defines specific discriminatory actions that are prohibited and corrective action that shall be taken in a situation as defined therein.

Section 11.10. Successors and Assigns. All the covenants and representations contained in this Funding Loan Agreement by or on behalf of the parties hereto shall bind and inure to the benefit of their successors and assigns, whether so expressed or not.

Section 11.11. Business Tax Registration Certificate. Subject to any exemption available to it, the Fiscal Agent represents that it has obtained or will obtain the Business Tax Registration Certificate(s) required by the City of Los Angeles' Business Tax Ordinance (Article 1, Chapter 2, Section 21.00 and following, of the Los Angeles Municipal Code). For the term covered by this Funding Loan Agreement, the Fiscal Agent shall maintain, or obtain as necessary, all such Business Tax Registration Certificates required of it under said ordinance and shall not allow any such Business Tax Registration Certificate to be revoked or suspended.

Section 11.12. Child Support Assignment Orders. This Funding Loan Agreement is subject to Section 10.10 of the Los Angeles Administrative Code, Child Support Assignment Orders Ordinance. Pursuant to Section 10.10.b of the Los Angeles Administrative Code, failure of the Fiscal Agent to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment Orders and Notices of Assignment or the failure of any principal owner(s) of the Fiscal Agent to comply with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally shall constitute a default by the Fiscal Agent under the terms of this Funding Loan Agreement, subjecting the Fiscal Agent to removal hereunder where such failure shall continue for more than 90 days after notice of such failure to the Fiscal Agent by the Governmental Lender. Any subcontract entered into by the Fiscal Agent relating to this Funding Loan Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph and shall incorporate the provisions of the Child Support Assignment Orders Ordinance. Failure of the Fiscal Agent to obtain compliance of its subcontractors shall constitute a default by the Fiscal Agent under the terms of this Funding Loan Agreement, subjecting the Fiscal Agent to removal hereunder where such failure shall continue for more than 90 days after notice of such failure to the Fiscal Agent by the Governmental Lender. The Fiscal Agent shall comply with the

Child Support Compliance Act of 1998 of the State of California Employment Development Department. The Fiscal Agent hereby affirms that to the best of its knowledge it is fully complying with the earnings assignment orders of all employees, and is providing the names of all new employees to the New Hire Registry maintained by the Employment Development Department as set forth in subdivision (b) of the Public Contract Code Section 7110.

In addition, the Fiscal Agent shall not discriminate against individuals with disabilities nor against persons due to their relationship or association with a person with a disability. US \$2,845,000

[____], 2024

FOR VALUE RECEIVED, the undersigned, CITY OF LOS ANGELES (the “**Obligor**” or the “**Governmental Lender**”), promises to pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement referenced below) to the order of BANK OF AMERICA, N.A., a national banking association (the “**Funding Lender**”), and its assigns, the maximum principal sum of TWO MILLION EIGHT HUNDRED FORTY-FIVE DOLLARS (US \$2,845,000), plus premium, if any, and interest thereon and to pay the other amounts owing from time to time hereunder, all as set forth below.

This City of Los Angeles Multifamily Housing Revenue Note (Santa Monica & Vermont Apartments) Series 2024A-1 (this “**Note**” or “**Governmental Note**”) is being delivered pursuant to that certain Funding Loan Agreement dated as of February 1, 2024 (together with any and all amendments, modifications, supplements and restatements, the “**Funding Loan Agreement**”), among the Funding Lender, the Obligor and U.S. Bank Trust Company, National Association, as fiscal agent (the “**Fiscal Agent**”), pursuant to which the Obligor has incurred a loan in the maximum aggregate principal amount of \$2,845,000 (the “**Funding Loan**”), and this Note is entitled to the benefits of the Funding Loan Agreement and is subject to the terms, conditions and provisions thereof. The Obligor is using the proceeds of the Funding Loan to make a loan to SMV Housing, L.P., a California limited partnership (the “**Borrower**”) pursuant to the Project Loan Agreement dated as of February 1, 2024 (the “**Project Loan Agreement**”), among the Obligor, the Borrower and the Fiscal Agent. The outstanding principal balance of this Note at any time shall be an amount equal to the proceeds of the Tax-Exempt Funding Loan advanced by the Funding Lender under the Funding Loan Agreement and not otherwise prepaid.

This Note is one of two Governmental Notes evidencing the obligation of the Obligor to repay the Funding Loan to the Funding Lender. The other Governmental Note is designated the “City of Los Angeles Multifamily Housing Revenue Note (Santa Monica & Vermont Apartments) Taxable Series 2024A-2” issued in the aggregate principal amount of \$[5,464,344].

Reference is made to the Project Loan Agreement and the Tax-Exempt Project Note for complete payment and prepayment terms of the Tax-Exempt Project Loan, payments on which are pass through under this Governmental Note.

1. **Defined Terms.** As used in this Note, (i) the term “Funding Lender” means the holder of this Note, and (ii) the term “Indebtedness” means the principal of, premium, if any, and interest on or any other amounts due at any time under this Note or the Funding Loan Agreement. “Event of Default” and other capitalized terms used but not defined in this Note shall have the meanings given to such term in the Funding Loan Agreement.

2. **Payments of Principal and Interest.** The Obligor shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) on the first calendar day of each month commencing [_____] 1, 2024, interest on this Note at the Interest Rate, and shall also pay interest on this Note at the foregoing rate on the date of any optional or mandatory prepayment or acceleration of all or part of the Tax-Exempt Funding Loan pursuant to the Funding Loan Agreement, in an amount equal to the accrued and unpaid interest to the date of prepayment on the portion of this Note subject to prepayment (each such date for payment an “**Interest Payment Date**”). Interest shall accrue on the principal amount of the Tax-Exempt Funding Loan which has been advanced under the Funding Loan Agreement and is outstanding as reflected on the Schedule of Advances.

The Obligor shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) the outstanding principal of this Note in full on [November 1, 2026] (the “**Maturity Date**”) or at such earlier times and in such amounts as may be required, in the event of an optional or mandatory prepayment or acceleration of the Tax-Exempt Funding Loan pursuant to the Funding Loan Agreement. The outstanding principal hereof is subject to acceleration at the time or times and under the terms and conditions, and with notice, if any, as provided under the Funding Loan Agreement.

Notwithstanding any provision of this Note or the Funding Loan Agreement to the contrary, the Obligor shall be permitted to direct Tax-Exempt Project Note prepayments to be transferred to a custodian or trustee selected by the Obligor, in lieu of application to prepay a like portion of this Note, so long as the Obligor simultaneously causes other funds to be applied to prepay such portion of this Note. The preceding provisions shall apply only for purposes of preserving or “recycling” private activity bond volume cap in accordance with Section 146(i)(6) of the Code.

3. **Manner of Payment.** All payments under this Note shall be made in lawful currency of the United States and in immediately available funds as provided for herein and in the Funding Loan Agreement.

4. **Application of Payments.** If at any time the Funding Lender receives any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, the Funding Lender may apply that payment to amounts then due and payable in any manner and in any order determined by the Funding Lender, in the Funding Lender’s discretion. Neither the Funding Lender’s acceptance of a payment in an amount that is less than all amounts then due and

payable nor the Funding Lender's application of such payment shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction.

5. **Security.** The Indebtedness is secured by, among other things, the Pledged Security pledged pursuant to the Funding Loan Agreement.

6. **Acceleration.** If an Event of Default has occurred and is continuing, the entire unpaid principal balance, any accrued interest, and all other amounts payable under this Note shall at once become due and payable, at the option of the Funding Lender, as governed by the Funding Loan Agreement, without any prior notice to the Obligor. The Funding Lender may exercise this option to accelerate regardless of any prior forbearance.

7. **Prepayment; Prepayment Premium.** This Note is subject to prepayment as specified in the Funding Loan Agreement. Prepayment Premium shall be payable as specified in the Funding Loan Agreement.

8. **Forbearance.** Any forbearance by the Funding Lender in exercising any right or remedy under this Note or any other document evidencing or securing the Funding Loan or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of that or any other right or remedy. The acceptance by the Funding Lender of any payment after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of the Funding Lender's right to require prompt payment when due of all other payments or to exercise any right or remedy with respect to any failure to make prompt payment. Enforcement by the Funding Lender of any security for the obligations under this Note shall not constitute an election by the Funding Lender of remedies so as to preclude the exercise of any other right or remedy available to the Funding Lender.

9. **Waivers.** Presentment, demand, notice of dishonor, protest, notice of acceleration, notice of intent to demand or accelerate payment or maturity, presentment for payment, notice of nonpayment, grace and diligence in collecting the Indebtedness are waived by the Obligor and all endorsers and guarantors of this Note and all other third-party obligors.

10. **Loan Charges.** Neither this Note nor any of the other Financing Documents will be construed to create a contract for the use, forbearance, or detention of money requiring payment of interest at a rate greater than the Maximum Interest Rate. If any applicable law limiting the amount of interest or other charges permitted to be collected in connection with the Funding Loan is interpreted so that any interest or other charge provided for herein or in any document evidencing or securing the Funding Loan, whether considered separately or together with other charges provided for in any such other document, violates that law, and the Obligor is entitled to the benefit of that law, that interest or charge is hereby reduced to the extent necessary to eliminate that violation.

11. **Governing Law.** This Note shall be governed by the internal law of the State of California (the "**Property Jurisdiction**").

12. **Captions.** The captions of the paragraphs of this Note are for convenience only and shall be disregarded in construing this Note.

13. **Address for Payment.** All payments due under this Note shall be payable at the principal office of the Funding Lender as designated by the Funding Lender in writing to the Fiscal Agent and the Servicer.

14. **Default Rate.** So long as (a) any monthly installment under this Note remains past due, or (b) any other Event of Default has occurred and is continuing, interest under this Note shall accrue on the unpaid principal balance from the earlier of the due date of the first unpaid monthly installment or the occurrence of such other Event of Default, as applicable, at a rate (the “**Default Rate**”) equal to the lesser of (i) the “Default Rate” as defined in the Tax-Exempt Project Note or (ii) the Maximum Interest Rate. If the unpaid principal balance and all accrued interest are not paid in full on the Maturity Date, the unpaid principal balance and all accrued interest shall bear interest from the Maturity Date at the Default Rate.

15. **Limited Obligation.** **THIS NOTE IS NOT AN OBLIGATION, EITHER GENERAL OR SPECIAL, AND DOES NOT CONSTITUTE A PLEDGE OF THE GENERAL CREDIT OR TAXING POWER, OF THE GOVERNMENTAL LENDER, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF, BUT IS PAYABLE SOLELY FROM THE PROJECT REVENUES AND PROPERTY PLEDGED THEREFOR IN THE FUNDING LOAN AGREEMENT AND NOT FROM ANY OTHER REVENUES, FUNDS OR ASSETS OF THE GOVERNMENTAL LENDER. NEITHER THE GOVERNMENTAL LENDER, THE STATE NOR ANY SUCH POLITICAL SUBDIVISION THEREOF SHALL BE LIABLE HEREON. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE NOR ANY POLITICAL CORPORATION OR SUBDIVISION OR AGENCY THEREOF NOR THE FAITH AND CREDIT OF THE GOVERNMENTAL LENDER IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THIS NOTE OR OTHER COSTS INCIDENT THERETO. THIS NOTE IS NOT A DEBT OF THE UNITED STATES OF AMERICA.**

Ladies and Gentlemen:

The undersigned (the “Funding Lender”) hereby represents and warrants to you as follows:

1. The Funding Lender proposes to purchase all of the aggregate principal amount of the Multifamily Housing Revenue Note (Santa Monica & Vermont Apartments) Series 2024A-1 and Taxable Series 2024A-2, each dated [____], 2024 (the “Governmental Notes”) delivered pursuant to the Funding Loan Agreement dated as of February 1, 2024 (the “Funding Loan Agreement”), among Bank of America, N.A., a national banking association, in its capacity as Funding Lender (the “Funding Lender”), the City of Los Angeles (the “Governmental Lender”) and U.S. Bank Trust Company, National Association, as fiscal agent (the “Fiscal Agent”). The Funding Lender understands that the Governmental Notes are not rated by any securities rating agency and are secured only by the Project and the revenues therefrom, and will only be sold to the Funding Lender with the above-addressed parties relying upon the representations and warranties of the Funding Lender set forth herein. The Funding Lender acknowledges that no offering document has been prepared in connection with the issuance and sale of the Governmental Notes. The Funding Lender has requested and received all materials which the Funding Lender has deemed relevant in connection with its purchase of the Governmental Notes (the “Offering Information”). The Funding Lender has reviewed the documents executed in conjunction with the issuance of the Governmental Notes, including, without limitation, the Funding Loan Agreement and the Project Loan Agreement. All capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Funding Loan Agreement.

Lender, each employee of the Governmental Lender, each member of the City Council of the Governmental Lender, counsel to the Governmental Lender, the Fiscal Agent, counsel to the Fiscal Agent, [the Funding Lender Representative], [counsel to the Funding Lender Representative] and Bond Counsel have made no representations or statements (expressed or implied) with respect to the accuracy or completeness of any of the materials reviewed by the Funding Lender in connection with the Funding Lender's purchase of the Governmental Notes. In making an investment decision, the Funding Lender is relying upon its own examination of the Governmental Lender, the Borrower, the Project and the terms of the offering.

3. The Funding Lender has been provided an opportunity to ask questions of, and the Funding Lender has received answers from, representatives of the Governmental Lender and the Borrower regarding the terms and conditions of the Governmental Notes, and the Funding Lender has obtained all additional information requested by it in connection with the Governmental Notes.

4. The Funding Lender has sufficient knowledge and experience in business and financial matters in general, and investments such as the Governmental Notes in particular, and is capable of evaluating the merits and risks involved in an investment in the Governmental Notes. The Funding Lender is able to bear the economic risk of, and an entire loss of, an investment in the Governmental Notes.

5. The Funding Lender hereby agrees that the Governmental Notes may only be transferred in whole and in accordance with the Funding Loan Agreement, including Article II thereof, to a single investor, which must execute and deliver to the parties addressed above a form of this Transferee Representations Letter.

6. The Funding Lender agrees that it will only offer, sell, pledge, transfer or exchange the Governmental Notes (or any legal or beneficial interest therein) (i) in accordance with an available exemption from the registration requirements of Section 5 of the Securities Act, (ii) in accordance with any applicable state securities laws, and (iii) in accordance with the transfer restrictions set forth in the Governmental Notes and the Funding Loan Agreement. The Funding Lender acknowledges that written consent of the Governmental Lender is required in order to transfer the Governmental Notes. The Funding Lender further agrees that, except as set forth in the Funding Loan Agreement, the Governmental Notes will not be transferred to or held in a pool, trust or similar arrangement and that it will not sell any participating interest in the Governmental Notes without the prior written consent of the Governmental Lender.

The Funding Lender understands and agrees that the Fiscal Agent is not authorized to register any transfer of the Governmental Notes prior to receipt of such Transferee Representations Letter and the written consent of the Governmental Lender.

9. Neither [the Funding Lender Representative], the Fiscal Agent, Bond Counsel, counsel to the Governmental Lender, the Governmental Lender, its City Council, or any of its employees or agents will have any responsibility to the Funding Lender for the accuracy or completeness of information obtained by the Funding Lender from any source regarding the Project, the Governmental Lender, the Borrower or their financial conditions or regarding the Governmental Notes, the provisions for payment thereof, or the sufficiency of any security therefor, including, without limitation, any information specifically provided by any of such parties contained in the Offering Information. The Funding Lender acknowledges that, as between Funding Lender and all of such parties: (a) the Funding Lender has assumed responsibility for obtaining such information and making such review as the Funding Lender has deemed necessary or desirable in connection with its decision to purchase the Governmental Notes and (b) the Offering Information and any additional information specifically requested from the Governmental Lender or the Borrower and provided to the Funding Lender prior to closing constitute all the information and review, with the investigation made by the Funding Lender (including specifically the Funding Lender's investigation of the Governmental Lender, the Project and the Borrower) prior to its purchase of the Governmental Notes, that the Funding Lender has deemed necessary or desirable in connection with its decision to purchase the Governmental Notes.

12. The Funding Lender has the authority to purchase the Governmental Notes and to execute this letter and other documents and instruments required to be executed by the Funding Lender in connection with its purchase of the Governmental Notes. The individual who is executing this letter on behalf of the undersigned is a duly appointed, qualified and acting officer of the Funding Lender and authorized to cause the Funding Lender to make the certifications, representations and warranties contained herein by the execution of this letter on behalf of the Funding Lender.

13. (c) **Payments from Borrower to Fiscal Agent or Servicer.** Each payment by the Borrower hereunder or under the Project Notes shall be made in immediately available funds to the Servicer on each Project Loan Payment Date or such other date when such payment is due; provided, however, such Project Loan Payment shall be made directly to the Fiscal Agent if there is no Servicer or if the Borrower is so directed in writing by the Funding Lender Representative. Each such payment shall be made to the Fiscal Agent or the Servicer, as applicable, by deposit to such account as the Fiscal Agent or the Servicer may designate by written notice to the Borrower. (c) **Defeasance of the Funding Loan.** In addition, prior to the Window Period, the Borrower may cause a defeasance of the Funding Loan resulting in a release of the Pledged Security by satisfying the conditions set forth hereunder and in Article IX of the

Funding Loan Agreement. In connection therewith, the Borrower will give written notice (a “**Defeasance Notice**”) to the Funding Lender Representative, the Servicer, the Governmental Lender and the Fiscal Agent of the date the Borrower desires to defease the Funding Loan (the “**Defeasance Date**”). The Defeasance Date may not be more than 60 calendar days, nor less than 30 calendar days, after the delivery of the Defeasance Notice. In connection with the delivery of the Defeasance Notice, the Borrower shall cause to be paid to the Funding Lender Representative the Defeasance Fee set forth in the Construction Disbursement Agreement. In addition to, and not in limitation of any other provisions of this Project Loan Agreement, the Borrower shall pay all fees, costs and expenses in connection with any defeasance whether or not such defeasance occurs. Following such defeasance in accordance with the terms and conditions hereof and the Funding Loan Agreement, the Project Loan shall be deemed paid in full, and the Borrower shall be entitled to the release of the Security Instrument, the Pledged Security and other security provided by it for the Project Loan, subject to the terms and conditions hereof and the other Financing Documents.

(d) **Notice of Repayment.** The Borrower shall provide no less than 30 days’ written notice to the California Debt Limit Allocation Committee (“CDLAC”) and to the Governmental Lender prior to the repayment of the Tax-Exempt Governmental Note, in whole or in part, on the Maturity Date.

Section 4.05. *Borrower’s Obligations Upon Prepayment.* In the event of any prepayment, the Borrower will timely pay, or cause to be paid through the Servicer, an amount equal to the principal amount of the Funding Loan or portion thereof called for prepayment, together with interest accrued to the prepayment date and Prepayment Premium, if any. In addition, the Borrower will timely pay all fees, costs and expenses associated with any prepayment of the Funding Loan.

Section 4.06. *Limits on Personal Liability.*

(a) Except as otherwise set forth in the Project Notes and subsection 4.06(b) below, the obligations of the Borrower under this Project Loan Agreement and the other Financing Documents are non-recourse liabilities of the Borrower which shall be enforced only against the Project and other property of the Borrower encumbered by the Financing Documents and not personally against the Borrower or any partner of the Borrower or any successor or assign of the Borrower. However, nothing in this Section 4.06 shall limit the right of the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative to proceed against the Borrower to recover any fees owing to any of them or any actual out-of-pocket expenses (including but not limited to actual out-of-pocket attorneys’ fees incurred by any of them) incurred by any of them in connection with the enforcement of any rights under this Project Loan Agreement or the other Financing Documents. Nothing in this Section 4.06 shall limit any right that the Servicer or the Funding Lender Representative may have to enforce the Project Notes, the Security Instrument, or any other Financing Document in accordance with their terms.

(b) Notwithstanding anything contained in any other provision of this Project Loan Agreement to the contrary (but subject to the provisions of Section 7.06 hereof), the

following obligations of the Borrower shall be at all times and remain the joint and several full recourse obligations of the Borrower and the General Partner: (i) the Borrower's obligations to the Governmental Lender and the Fiscal Agent under subsections (b)(ii), (b)(iv), (b)(v), and (b)(vi) of Section 4.02 hereof; (ii) the Borrower's obligations under Sections 2.05 and 6.01 of this Project Loan Agreement; (iii) the Borrower's obligation to pay any and all rebate amounts that may be or become owing with respect to the Tax-Exempt Funding Loan and fees and expenses of the Rebate Analyst as provided in Sections 2.04 and 4.03 of this Project Loan Agreement and the Tax Certificate; and (iv) the Borrower's obligation to pay legal fees and expenses under Section 7.04 hereof. At no time shall the Borrower's Investor Limited Partner have any liability under the Financing Documents.

Section 4.07. *Reliance by Governmental Lender.* Anything in the Funding Loan Agreement to the contrary notwithstanding, it is expressly understood by the parties to this Project Loan Agreement that (a) the Governmental Lender may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Governmental Lender by the Fiscal Agent, the Borrower, the Funding Lender or any Servicer as to the existence of any fact or state of affairs, (b) the Governmental Lender shall not be under any obligation under the Funding Loan Agreement or this Project Loan Agreement to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Fiscal Agent, the Funding Lender or by any Servicer and (c) none of the provisions of the Funding Loan Agreement, this Project Loan Agreement, the Tax Regulatory Agreement or any Project Loan Document shall require the Governmental Lender to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under the Funding Loan Agreement, this Project Loan Agreement, the Tax Regulatory Agreement and any Project Loan Document unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action. It is recognized that notwithstanding any other provision of this Project Loan Agreement, neither the Borrower nor the Funding Lender shall look to the Governmental Lender or the members of its City Council, officers, program participants, attorneys, accountants, financial advisors, agents or staff for damages suffered by the Borrower or such noteholder as a result of the failure of the Governmental Lender to perform any covenant, undertaking or obligation under this Project Loan Agreement, the Governmental Notes, the Tax Regulatory Agreement, any of the Project Loan Documents or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Governmental Lender in any of such documents, nor for any other reason except for representations made by the Governmental Lender in any Certificate of the Governmental Lender and the opinion of counsel to the Governmental Lender delivered on the Delivery Date.

ARTICLE V

SPECIAL COVENANTS OF BORROWER

Section 5.01. *Performance of Obligations.* The Borrower shall keep and faithfully perform all of its covenants and undertakings contained herein and in the Financing Documents, including, without limitation, its obligations to make all payments set forth herein and therein in the amounts, at the times and in the manner set forth herein and therein.

Section 5.02. *Compliance with Applicable Laws.* All work performed in connection with the Project shall be performed in strict compliance with all applicable federal, state, county and municipal laws, ordinances, rules and regulations now in force or that may be enacted hereafter.

Section 5.03. *Funding Loan Agreement Provisions.* The execution of this Project Loan Agreement shall constitute conclusive evidence of approval of the Funding Loan Agreement by the Borrower. Whenever the Funding Loan Agreement by its terms imposes a duty or obligation upon the Borrower, such duty or obligation shall be binding upon the Borrower to the same extent as if the Borrower were an express party to the Funding Loan Agreement, and the Borrower shall carry out and perform all of its obligations under the Funding Loan Agreement as fully as if the Borrower were a party to the Funding Loan Agreement.

Section 5.04. *[Reserved]*.

Section 5.05. *Borrower to Maintain Its Existence; Certification of No Default.*

(a) The Borrower agrees to maintain its existence and maintain its current legal status with authority to own and operate the Project.

(b) In addition to performing all other similar requirements under the Financing Documents to which the Borrower is a party, the Borrower shall, within 30 days after the end of each calendar year, upon written request, render to the Fiscal Agent a certificate executed by an Authorized Officer of the Borrower to the effect that the Borrower is not, as of the date of such certificate, in default of any of its covenants, agreements, representations or warranties under any of the Financing Documents to which the Borrower is a party and that, to the best of the Borrower's knowledge, after reasonable investigation, there has occurred no default or Event of Default (as such terms are defined in each respective Financing Document) under any of the Financing Documents.

Section 5.06. *Borrower to Remain Qualified in State and Appoint Agent.* The Borrower will remain duly qualified to transact business in the State and will maintain an agent in the State on whom service of process may be made in connection with any actions against the Borrower.

Section 5.07. *Sale or Other Transfer of Project.* The Borrower may convey and transfer the Project only upon strict compliance with the provisions of the Financing Documents, and upon receipt of the prior written consent of the Governmental Lender and the Funding Lender Representative.

Section 5.08. *Right to Perform Borrower's Obligations.* In the event the Borrower fails to perform any of its obligations under this Project Loan Agreement, the Governmental Lender, the Fiscal Agent, the Servicer and/or the Funding Lender Representative, after giving requisite notice, if any, and subject to Section 5.05 of the Funding Loan Agreement, may, but shall be under no obligation to, perform such obligation and pay all costs related thereto, and all such costs so advanced shall become an additional obligation of the Borrower hereunder, payable on demand and if not paid on demand with interest thereon at the default rate of interest payable under the Project Loan Documents.

Section 5.09. Notice of Certain Events. The Borrower shall promptly advise the Governmental Lender, the Fiscal Agent, the Funding Lender Representative and the Servicer in writing of the occurrence of any Event of Default hereunder or any event which, with the passage of time or service of notice or both, would constitute an Event of Default, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto.

Section 5.10. Survival of Covenants. The provisions of Sections 2.04, 2.05, 4.02, 4.03, 6.01 and 7.04 hereof shall survive the expiration or earlier termination of this Project Loan Agreement and, with regard to the Fiscal Agent, the resignation or removal of the Fiscal Agent.

Section 5.11. Access to Project; Records. Subject to reasonable notice and the rights of tenants at the Project, the Governmental Lender, the Fiscal Agent, the Servicer and the Funding Lender Representative, and the respective duly authorized agents of each, shall have the right (but not any duty or obligation) at all reasonable times and during normal business hours: (a) to enter the Project and any other location containing the records relating to the Borrower, the Project, the Loans and the Borrower's compliance with the terms and conditions of the Financing Documents; (b) to inspect and audit any and all of the Borrower's records or accounts pertaining to the Borrower, the Project, the Loans and the Borrower's compliance with the terms and conditions of the Financing Documents; and (c) to require the Borrower, at the Borrower's sole expense, (i) to furnish such documents to the Governmental Lender, the Fiscal Agent, the Servicer and the Funding Lender Representative, as the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative, as the case may be, from time to time, deems reasonably necessary in order to determine that the provisions of the Financing Documents have been complied with and (ii) to make copies of any records that the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative or the respective duly authorized agents of each, may reasonably require. The Borrower shall make available to the Governmental Lender, the Fiscal Agent, the Servicer and the Funding Lender Representative, such information concerning the Project, the Security Instrument and the Financing Documents as any of them may reasonably request.

Section 5.12. Tax Regulatory Agreement. The covenants of the Borrower in the Tax Regulatory Agreement shall be deemed to constitute covenants of the Borrower running with the land and an equitable servitude for the benefit of the Governmental Lender and the Funding Lender and shall be binding upon any owners of the Project until such time as such restrictions expire as provided in the Tax Regulatory Agreement. The Borrower covenants to file of record the Tax Regulatory Agreement and such other documents, and to take such other steps as are necessary in order to assure that the restrictions contained in the Tax Regulatory Agreement will, subject to the terms of the Tax Regulatory Agreement, be binding upon all owners of the Project. The Borrower covenants to include such restrictions or a reference to such restrictions in any documents transferring any interest in the Project to another to the end that such transferee has notice of, and is bound by, the Tax Regulatory Agreement. Subject to the provisions of Section 7.06 of this Project Loan Agreement, the Governmental Lender and the Fiscal Agent shall have the right to seek specific performance of or injunctive relief to enforce the requirements of any covenants of the Borrower contained in the Tax Regulatory Agreement.

Section 5.13. *Damage, Destruction and Condemnation.* If prior to full payment of the Funding Loan (or provision for payment of the Funding Loan in accordance with the provisions of the Funding Loan Agreement) the Project or any portion of it is destroyed (in whole or in part) or is damaged by fire or other casualty, or title to, or the temporary use of, the Project or any portion of it shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, or shall be transferred pursuant to an agreement or settlement in lieu of eminent domain proceedings, the Borrower shall nevertheless be obligated to continue to pay the amounts specified in this Project Loan Agreement and in the Project Notes to the extent the Project Loan is not prepaid in full in accordance with the terms of the Project Loan Documents.

Section 5.14. *Obligation of the Borrower to Construct the Project.* The Borrower shall proceed with reasonable dispatch (and in no event later than required under the Financing Documents) to complete the construction, development and equipping of the Project as required by the Financing Documents. If amounts on deposit in the Project Loan Fund designated for the Project and available to be disbursed to the Borrower are not sufficient to pay the costs of the construction, development and equipping, the Borrower shall pay such additional costs from its own funds. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Fiscal Agent, the Servicer, the Funding Lender Representative or the Funding Lender in respect of any such additional costs or to any diminution or abatement in the repayment of the Project Loan. None of the Fiscal Agent, the Governmental Lender, the Funding Lender, the Funding Lender Representative or the Servicer makes any representation or warranty, either express or implied, that money, if any, which will be paid into the Project Loan Fund or otherwise made available to the Borrower will be sufficient to complete the Project, and none of the Fiscal Agent, the Governmental Lender, the Funding Lender, the Funding Lender Representative or the Servicer shall be liable to the Borrower or any other person if for any reason the Project is not completed; provided, however, that the Fiscal Agent shall only file or record, or cause to be filed or recorded, those UCC continuation statements on which the Fiscal Agent is named as a secured party or additional secured party for financing statements that have been delivered to the Fiscal Agent, at the Borrower's expense; provided, however, that the Fiscal Agent shall only file or record, or cause to be filed or recorded, those UCC continuation statements on which the Fiscal Agent is named as a secured party or additional secured party for financing statements that have been delivered to the Fiscal Agent, at the Borrower's expense.

Section 5.15. *Filing of Financing Statements.* The Borrower shall file or record or cause to be filed or recorded on or prior to the Delivery Date all UCC financing statements which are required to be filed or recorded in order fully to protect and preserve the security interests relating to the priority of the Project Loan, the Funding Loan, the Pledged Security and the Security Instrument, and the rights and powers of the Governmental Lender, the Fiscal Agent and the Funding Lender in connection with such security interests. The Borrower shall cooperate with the Fiscal Agent in connection with the filing of any continuation statements for the purpose of continuing without lapse the effectiveness of such financing statements; provided, however, that the Fiscal Agent shall only file or record, or cause to be filed or recorded, those UCC continuation statements on which the Fiscal Agent is named as a secured party or additional secured party for financing statements that have been delivered to the Fiscal Agent at the Borrower's expense. In no event shall the Governmental Lender have or be deemed to have any responsibility for such filings or continuation statements.

ARTICLE VI

INDEMNIFICATION

Section 6.01. *Indemnification.*

(a) The Borrower releases the Governmental Lender, the Fiscal Agent, the Funding Lender, the Servicer and their respective officers, directors, agents, officials, employees, counsel, attorneys and agents, past, present and future (and as to Governmental Lender, members of its City Council) and any person who controls the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer within the meaning of the Securities Act, from, and covenants and agrees, without limiting the indemnity provided in the Tax Regulatory Agreement, to indemnify, hold harmless and defend the Governmental Lender, the Fiscal Agent, the Funding Lender, the Servicer and their respective officers, members, supervisors, directors, officials and employees, counsel, attorneys and agents, past present and future of each of them and any person who controls such party within the meaning of the Securities Act and employees, (each an “**Indemnified Party**” and collectively, the “**Indemnified Parties**”), from and against, any and all losses, claims, damages, demands, liabilities and expenses (including reasonable attorney’s fees and expenses), taxes (other than income taxes payable by any party as a result of any fees payable to such parties in connection with the transaction contemplated hereby), causes of action, suits, claims, demands and judgments of any nature, joint or several, by or on behalf of any person arising out of:

(i) the transactions provided for in the Project Loan Documents or the Funding Loan Agreement or otherwise in connection with the Project, the Governmental Notes, the Project Loan or the execution and delivery or amendment of any other document entered into in connection with the transactions provided for in the Funding Loan Agreement or the Project Loan Documents (however in no case shall payment of the Project Notes be a recourse obligation);

(ii) the approval of the financing for the Project or the making of the Project Loan;

(iii) the issuance and sale of the Governmental Notes or any certifications or representations made by any person other than the party seeking indemnification;

(iv) any and all claims arising in connection with the interpretation, performance, enforcement, breach, default or amendment of the Funding Loan Agreement, the Project Loan Documents or any other documents relating to the Project or the Governmental Notes or in connection with any federal or state tax audit or any questions or other matters arising under such documents (however in no case shall payment of the Project Notes be a recourse obligation);

(v) the carrying out by Borrower of any of the transactions provided for in the Funding Loan Agreement or the Project Loan Documents;

(vi) the Fiscal Agent's acceptance or administration of the trusts created by the Funding Loan Agreement or the exercise of its powers or duties under the Funding Loan Agreement or under this Project Loan Agreement, the Tax Regulatory Agreement or any other agreements to which it is a party or otherwise in connection with the transactions provided for in the Funding Loan Agreement or the Project Loan Documents except for claims arising from the Fiscal Agent's administration where such is a result of actions contrary to the Fiscal Agent's duties and obligations;

(vii) any and all claims arising in connection with the issuance and sale of the Governmental Notes or any certifications or representations made by any person other than the Indemnified Party seeking indemnification, including, without limitation, any statement or information made by the Borrower with respect to the Borrower or the Project in any offering document or materials regarding the initial offering of the Governmental Notes (in connection with their issuance under the Funding Loan Agreement), the Project or Borrower or the Tax Certificate executed by the Borrower or any other certificate executed by the Borrower which, at the time made, is misleading, untrue or incorrect in any material respect and any untrue statement or alleged untrue statement of a material fact by the Borrower relating to the Borrower or the Project contained in any offering material relating to the initial offering of the Governmental Notes, as from time to time amended or supplemented with information provided by the Borrower, or arising out of or based upon the omission or alleged omission to state in such offering material a material fact relating to the Borrower or the Project required to be stated in such offering material or necessary in order to make the statements in such offering material not misleading, or failure to properly register or otherwise qualify the sale of the Governmental Notes or failure to comply with any licensing or other law or regulation which would affect the manner in which or to whom the Governmental Notes could be sold and the carrying out by the Borrower of any of the transactions contemplated by the Funding Loan Agreement or the Project Loan Documents;

(viii) the Borrower's failure to comply with any requirement of this Project Loan Agreement or the Tax Regulatory Agreement (however in no case shall payment of the Project Notes be a recourse obligation);

(ix) any act or omission of the Borrower or any of its agents, servants, employees or licensees in connection with the Project Loan or the Project, including violation of any law, ordinance, court order or regulation affecting the Project or any part of it or the ownership, occupancy or use of it (however in no case shall payment of the Project Notes be a recourse obligation);

(x) any damage or injury, actual or claimed, of whatsoever kind, cause or character, to property (including loss of use of property) or persons, occurring or allegedly occurring in, on or about the Project or arising out of any action or inaction of Borrower, whether or not related to the Project, or resulting from or in any way connected with the acquisition and construction or management of the Project, the issuance of the Governmental Notes or otherwise in connection with

the transactions contemplated or otherwise in connection with the Project, the Governmental Notes or the execution or amendment of any document relating to the Project or the Governmental Notes;

(xi) any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project;

(xii) any and all claims arising in connection with the operation of the Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or supervision of work done in or about, or from the planning, design, acquisition, rehabilitation, construction, repair or equipping of, the Project or any part of it, including, but not limited to, the Americans with Disabilities Act, if applicable (as evidenced by an architect's certificate to such effect);

(xiii) any lien or charge upon payments by the Borrower to the Governmental Lender, the Servicer and/or the Fiscal Agent hereunder, or any Taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Governmental Lender or the Fiscal Agent in respect of any portion of the Project;

(xiv) the payment or prepayment, in whole or in part, of the Project Note;

(xv) any declaration of taxability of interest on the Tax-Exempt Governmental Note, or allegations (or regulatory inquiry) that interest on the Tax-Exempt Governmental Note is includable in gross income for State or federal income tax purposes; and

(xvi) the Fiscal Agent's acceptance of the assignment for the benefit of the Funding Lender or administration of any of the Project Loan Documents, or the exercise or performance of any of its powers or duties thereunder or under any of the Project Loan Documents to which it is a party.

This indemnification shall extend to and include, without limitation, all reasonable costs, counsel fees, expenses or liabilities incurred in connection with any such claim or proceeding brought with respect to such claim, except:

(i) in the case of the foregoing indemnification of the Fiscal Agent, the Funding Lender or the Servicer or any of their respective related Indemnified Parties to the extent such damages are caused by the negligence or willful misconduct of such Person; and

(ii) in the case of the foregoing indemnification of the Governmental Lender or any of its related Indemnified Parties, to the extent such damages are caused by the active negligence or willful misconduct of the Governmental Lender.

In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought under this Project Loan Agreement, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense of the action

or proceeding, including the employment of counsel selected by the Borrower, subject to the approval of the Indemnified Party, which approval shall not be unreasonably withheld, conditioned or delayed, and shall assume the payment of all expenses related to the action or proceeding, with full power to litigate, compromise or settle the same in its sole discretion, provided that the Funding Lender, the Governmental Lender, and the Fiscal Agent, as appropriate, shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense of the action or proceeding, and the Borrower shall be obligated to pay the reasonable fees and expenses of such separate counsel if (A) the Indemnified Party, upon the advice of counsel, determines that a conflict of interest exists between the interests of the Indemnified Party and the interests of the Borrower or (B) such separate counsel is employed with the approval of the Borrower, which approval shall not be unreasonably withheld, conditioned or delayed.

(b) The Borrower understands and agrees that the foregoing release includes all claims of every nature and kind whatsoever, whether known or unknown, suspected or unsuspected, and the Borrower has read and understands, and hereby waives the benefits of, Section 1542 of the California Civil Code which provides as follows:

“A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.”

The Borrower acknowledges that it may hereafter discover facts different from or in addition to those which it now knows or believes to be true with respect to the foregoing release by the Borrower and agree that the foregoing release shall be and remain effective in all respects notwithstanding such different or additional facts or the discovery thereof.

(c) The rights of any persons to indemnity hereunder and rights to payment of fees and reimbursement of expenses pursuant to Sections 4.05 and 7.04 hereof shall survive the final payment or defeasance of the Governmental Notes and the Project Notes. The provisions of this Section shall survive the termination of this Project Loan Agreement.

(d) In the event of any conflict between the provisions of this Section 6.01 and the provisions of Section 9 of the Tax Regulatory Agreement, the provisions providing the most benefit and protection to the Indemnified Parties shall prevail. The provisions of this Section 6.01 shall in no way limit the indemnities set forth in the Tax Regulatory Agreement, the Security Instrument and the Construction Disbursement Agreement.

Section 6.02. *Limitation with Respect to the Funding Lender.* Notwithstanding anything in this Project Loan Agreement to the contrary, in the event that the Funding Lender shall become the owner of the Project as a result of a foreclosure or a deed in lieu of foreclosure, or comparable conversion of the Project Loan, the Funding Lender shall not be liable for any breach or default of any prior owner of the Project under this Project Loan Agreement and shall only be responsible for defaults and obligations incurred or occurring during the period that the Funding Lender is the owner of the Project. Accordingly, during any period that the Funding Lender owns the Project

and that this Article VI is applicable to the Funding Lender, the Funding Lender's obligations under this Article VI shall be limited to acts and omissions of the Funding Lender occurring during the period of the Funding Lender's ownership of the Project.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

Section 7.01. *Events of Default.* The following shall be “**Events of Default**” under this Project Loan Agreement, and the term “Event of Default” shall mean, whenever it is used in this Project Loan Agreement, one or all of the following events:

(a) Any representation or warranty made by the Borrower in the Financing Documents or any certificate, statement, data or information furnished by the Borrower in connection therewith or included by the Borrower in its application to the Governmental Lender for assistance proves at any time to have been incorrect when made in any material respect;

(b) Failure by the Borrower to pay any amounts due under this Project Loan Agreement, the Project Notes or the Security Instrument at the times and in the amounts required by this Project Loan Agreement, the Project Notes and the Security Instrument, as applicable;

(c) The Borrower shall fail to observe or perform any other term, covenant, condition or agreement (after taking into account any applicable cure period) set forth in this Project Loan Agreement, which failure continues for a period of 30 days after notice of such failure by the Governmental Lender, the Fiscal Agent or the Funding Lender Representative to the Borrower (unless such default cannot with due diligence be cured within 30 days but can be cured within a reasonable period and will not, in the Funding Lender Representative's sole discretion, adversely affect the Funding Lender or result in impairment of this Project Loan Agreement or any other Financing Document, in which case no Event of Default shall be deemed to exist so long as Borrower shall have commenced to cure the default or Event of Default within 30 days after receipt of notice, and thereafter diligently and continuously prosecutes such cure to completion); provided, however, no such notice or grace periods shall apply in the case of any such failure which could, in the Funding Lender Representative's judgment, absent immediate exercise by the Funding Lender Representative of a right or remedy under this Project Loan Agreement, result in harm to the Funding Lender, impairment of this Project Loan Agreement or any other Financing Document; or

(d) The occurrence of a default under the Construction Disbursement Agreement or the Security Instrument (after taking into account any applicable cure period thereunder) shall at the discretion of the Funding Lender Representative constitute an Event of Default under this Project Loan Agreement but only if the Fiscal Agent is provided written notice by the Funding Lender Representative that an Event of Default has occurred under such Financing Document and the Fiscal Agent is instructed by the Funding Lender Representative that such default constitutes an Event of Default hereunder. The occurrence

of an Event of Default hereunder shall in the discretion of the Funding Lender Representative constitute a default under the other Financing Documents.

Nothing contained in this Section 7.01 is intended to amend or modify any of the provisions of the Financing Documents or to bind the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative to any notice and cure periods other than as expressly set forth in the Financing Documents. The Governmental Lender, the Fiscal Agent, the Servicer and the Funding Lender consent to any correction of a default on the part of the Borrower hereunder for which a cure right is expressly granted to the Borrower and only on the same basis and subject to the same limitations as imposed on the Borrower, made by the Investor Limited Partner on behalf of the Borrower within the time periods provided in this Project Loan Agreement. Copies of any notices sent to the Borrower hereunder shall simultaneously be sent to the Investor Limited Partner at the address set forth in Section 11.04 of the Funding Loan Agreement.

Section 7.02. Remedies on Default. Subject to Section 7.06 hereof, whenever any Event of Default hereunder shall have occurred and be continuing, the Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender), may take any one or more of the following remedial steps:

(a) The Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender) may take such action, without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Project Loan to be immediately due and payable (including, without limitation, declaring the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Project Notes to be immediately due and payable).

(b) The Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender) may, without being required to give any notice (other than to the Governmental Lender or the Fiscal Agent, as applicable), except as provided herein, pursue all remedies of a creditor under the laws of the State, as supplemented and amended, or any other applicable laws.

(c) The Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender) may take whatever action at law or in equity may appear necessary or desirable to collect the payments under this Project Loan Agreement then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Project Loan Agreement.

In addition, subject to Section 7.06 hereof, the Governmental Lender and the Fiscal Agent may pursue remedies with respect to the Unassigned Rights.

Any amounts collected pursuant to Article IV hereof and any other amounts which would be applicable to payment of principal of and interest and any Prepayment Premium on the Funding Loan collected pursuant to action taken under this Section 7.02 shall be applied in accordance with the provisions of the Funding Loan Agreement.

Section 7.03. *No Remedy Exclusive.* Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available against the Borrower hereunder or under the Financing Documents or otherwise at law or in equity may be exercised by the Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender), at any time and from time to time, whether or not the Funding Lender has accelerated the Project Loan, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Financing Documents. No remedy conferred upon or reserved to the Funding Lender or the Fiscal Agent by this Project Loan Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Project Loan Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender) to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be expressly required by this Project Loan Agreement.

Section 7.04. *Agreement to Pay Attorneys' Fees and Expenses.* In the event the Borrower shall default under any of the provisions of this Project Loan Agreement and the Governmental Lender, the Fiscal Agent, the Servicer or the Funding Lender Representative shall employ attorneys or incur other expenses for the collection of loan payments or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained in this Project Loan Agreement or in the Project Notes, the Borrower shall on demand therefor reimburse the reasonable fees of such attorneys and such other expenses so incurred.

Section 7.05. *No Additional Waiver Implied by One Waiver.* In the event any agreement contained in this Project Loan Agreement shall be breached by any party and thereafter waived by the other parties, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 7.06. *Control of Proceedings.*

(a) If an Event of Default has occurred and is continuing, notwithstanding anything to the contrary herein, the Funding Lender Representative shall have the sole and exclusive right at any time to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Project Loan Agreement, or for the appointment of a receiver or any other proceedings hereunder, in accordance with the provisions of law and of this Project Loan Agreement. In addition, the Funding Lender Representative shall have the sole and exclusive right at any time to directly enforce all rights and remedies hereunder and under the other Financing Documents with or without the involvement of the Fiscal Agent or the Governmental Lender. In no event shall the exercise of any of the foregoing rights result in an acceleration of the Project Loan without the express direction of the Funding Lender Representative.

(b) The Governmental Lender and the Fiscal Agent covenant that they will not, without the prior written consent of the Funding Lender Representative, take any of the following actions:

(i) prosecute any action with respect to a lien on the Project; or

(ii) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal of, interest on, or other amounts due under, the Project Loan; or

(iii) interfere with or attempt to influence the exercise by the Funding Lender Representative of any of its rights under the Financing Documents upon the occurrence of any event of default by the Borrower under the Financing Documents; or

(iv) take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Project Loan or the Funding Loan.

(c) Notwithstanding Sections 7.06(a) and 7.06(b) hereof, the Governmental Lender or the Fiscal Agent may:

(i) specifically enforce the tax covenants of the Borrower specified in Sections 2.04 and 2.05 hereof and the Tax Certificate or seek injunctive relief against acts which may be in violation thereof; or

(ii) specifically enforce the Tax Regulatory Agreement or seek injunctive relief against acts which may be in violation of the Tax Regulatory Agreement or are otherwise inconsistent with the operation of the Project in accordance with applicable requirements of the Code, the State (including the Act) and local law (but in neither the case of subsection (c)(i) above or this subsection (c)(ii) may the Governmental Lender or the Fiscal Agent seek any form of monetary damages from the Borrower in connection with such enforcement).

In addition, notwithstanding Sections 7.06(a) and 7.06(b) hereof, the Governmental Lender and the Fiscal Agent may seek specific performance of the other Unassigned Rights (provided no monetary damages are sought), and nothing herein shall be construed to limit the rights of the Governmental Lender, the Fiscal Agent or any Indemnified Party related to the Governmental Lender or the Fiscal Agent under Section 6.01 (each a "Related Indemnified Party") to enforce their respective rights against the Borrower under Sections 4.02, 4.03, 6.01 and 7.04 hereof, provided that no obligation of the Borrower to the Governmental Lender, the Fiscal Agent or any Related Indemnified Party under such sections shall be secured by or in any manner constitute a lien on, or security interest in, the Project, whether in favor of the Governmental Lender, the Fiscal Agent or any Related Indemnified Party, and all such obligations are and shall be subordinate in priority, in right to payment and in all other respects to all other obligations, liens, rights (including without limitation the right to payment) and interests arising or created under the Financing Documents (except for the Fiscal Agent's right to receive payment of reasonable fees and expenses pursuant to Section 6.05(a) of the Funding Loan Agreement after an event of

default with respect to the Funding Loan, which reasonable fees and expenses of the Fiscal Agent shall be payable as provided thereunder). Accordingly, none of the Governmental Lender, the Fiscal Agent or any Related Indemnified Party shall have the right to enforce any monetary obligation arising under such sections other than directly against the Borrower, without recourse to the Project. In addition, any such enforcement must not cause the Borrower to file a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Borrower under any applicable liquidation, insolvency, bankruptcy, rehabilitation, composition, reorganization, conservation or other similar law in effect now or in the future.

Section 7.07. *Assumption of Obligations.* In the event that the Fiscal Agent or the Funding Lender or their respective assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Project Loan Agreement, the Project Notes, the Tax Regulatory Agreement, and any other Financing Documents to which the Borrower is a party or with respect to which it is a third-party beneficiary. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

ARTICLE VIII

MISCELLANEOUS

Section 8.01. *Notices.*

(a) Whenever in this Project Loan Agreement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Any notice, request, complaint, demand, communication or other paper required or permitted to be delivered to the Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower, the Investor Limited Partner, or the Servicer shall be sufficiently given and shall be deemed given (unless another form of notice shall be specifically set forth herein) on the Business Day following the date on which such notice or other communication shall have been delivered to a national overnight delivery service (receipt of which to be evidenced by a signed receipt from such overnight delivery service) addressed to the appropriate party at the addresses set forth in Section 11.04 of the Funding Loan Agreement or as required or permitted by this Project Loan Agreement by Electronic Notice. The Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower or the Servicer may, by notice given as provided in this paragraph, designate any further or different address to which subsequent notices or other communication shall be sent.

A duplicate copy of each notice or other communication given hereunder by any party to the Servicer shall also be given to the Funding Lender Representative and a

duplicate copy of each notice or other communication given hereunder by any party to the Funding Lender Representative shall be given to the Servicer.

The Fiscal Agent is authorized and agrees to accept and act upon Electronic Notice of written instructions and/or directions pursuant to this Project Loan Agreement.

(b) The Fiscal Agent shall provide to the Funding Lender Representative and the Servicer (i) prompt notice of the occurrence of any Event of Default hereunder and (ii) any written information or other communication received by the Fiscal Agent hereunder within 10 Business Days of receiving a written request from the Funding Lender Representative for any such information or other communication.

Section 8.02. *Concerning Successors and Assigns.* All covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the financing herein contemplated and shall continue in full force and effect so long as the obligations hereunder are outstanding. Whenever in this Project Loan Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Borrower which are contained in this Project Loan Agreement shall bind its successors and assigns and inure to the benefit of the successors and assigns of the Governmental Lender, the Fiscal Agent, the Servicer, the Funding Lender and the Funding Lender Representative, as applicable.

Section 8.03. *Governing Law.* This Project Loan Agreement and the Exhibits attached hereto shall be construed in accordance with and governed by the internal laws of the State and, where applicable, the laws of the United States of America.

Section 8.04. *Modifications in Writing.* This Project Loan Agreement contains the complete and entire understanding of the parties with respect to the matters covered. Modification or the waiver of any provisions of this Project Loan Agreement or consent to any departure by the parties therefrom, shall in no event be effective unless the same shall be in writing approved by the parties hereto and shall require the prior written consent of the Funding Lender Representative and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Borrower in any case shall entitle it to any other or further notice or demand in the same circumstances.

Section 8.05. *Further Assurances and Corrective Instruments.* The Governmental Lender (at the expense of the Borrower), the Fiscal Agent and the Borrower agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required (including such supplements or further instruments requested by the Funding Lender Representative) for correcting any inadequate or incorrect description of the performance of this Project Loan Agreement.

Section 8.06. *Captions.* The section headings contained herein are for reference purposes only and shall not in any way affect the meaning or interpretation of this Project Loan Agreement.

Section 8.07. Severability. The invalidity or unenforceability of any provision of this Project Loan Agreement shall not affect the validity of any other provision, and all other provisions shall remain in full force and effect.

Section 8.08. Counterparts. This Project Loan Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.

Section 8.09. Amounts Remaining in Loan Payment Fund or Other Funds. It is agreed by the parties hereto that any amounts remaining in the Loan Payment Fund or other funds and accounts established under the Funding Loan Agreement upon expiration or sooner termination of the term hereof (and the repayment in full of the Project Loan and all other amounts owing under the Project Loan Documents), shall be paid in accordance with the Funding Loan Agreement.

Section 8.10. Effective Date and Term. This Project Loan Agreement shall become effective upon its execution and delivery by the parties hereto, shall be effective and remain in full force from the date hereof, and, subject to the provisions hereof, shall expire on such date as the Funding Loan Agreement shall terminate.

Section 8.11. Cross References. Any reference in this Project Loan Agreement to an “Exhibit,” an “Article,” a “Section,” a “Subsection” or a “Paragraph” shall, unless otherwise explicitly provided, be construed as referring, respectively, to an exhibit attached to this Project Loan Agreement, an article of this Project Loan Agreement, a section of this Project Loan Agreement, a subsection of the section of this Project Loan Agreement in which the reference appears and a paragraph of the subsection within this Project Loan Agreement in which the reference appears. All exhibits attached to or referred to in this Project Loan Agreement are incorporated by reference into this Project Loan Agreement.

Section 8.12. Funding Lender Representative and Servicer as Third-Party Beneficiaries. The parties hereto agree and acknowledge that the Funding Lender Representative and the Servicer are third party beneficiaries of this Project Loan Agreement.

Section 8.13. Supplemental Loans. The Borrower covenants and agrees to pay and indemnify the Governmental Lender, the Funding Lender and the Fiscal Agent against all reasonable fees, costs and charges, including reasonable fees and expenses of attorneys, accountants, consultants and other experts, incurred in good faith (and with respect to the Fiscal Agent, without negligence) and arising out of or in connection with the Financing Documents. These obligations and those in Section 6.01 shall remain valid and in effect notwithstanding repayment of the Project Loan hereunder or the Governmental Notes or termination of this Project Loan Agreement or the Funding Loan Agreement.

Section 8.14. Non-Liability of Governmental Lender. The Governmental Lender shall not be obligated to pay the principal (or Prepayment Premium) of or interest on the Funding Loan, except from Revenues and other money and assets received by the Fiscal Agent on behalf of the Governmental Lender pursuant to this Project Loan Agreement. Neither the faith and credit nor the taxing power of the State or any political subdivision thereof, nor the faith and credit of the Governmental Lender is pledged to the payment of the principal (or Prepayment Premium) or

interest on the Funding Loan. Any obligation or liability of the Governmental Lender created by or arising out of this Project Loan Agreement (including, without limitation, any liability created by or arising out of the representations, warranties or covenants set forth herein or otherwise) shall not impose a debt or pecuniary liability upon the Governmental Lender or a charge upon its general credit, but shall be payable solely out of the moneys due and to become due under the Financing Documents (and not from any moneys due or to become due to the Governmental Lender pursuant to the Unassigned Rights). Neither the issuance of the Funding Loan nor the delivery of this Project Loan Agreement shall, directly or indirectly or contingently, obligate the Governmental Lender to make any appropriation for payment of the Funding Loan. No agreements or provisions contained in this Project Loan Agreement, the Funding Loan Agreement, any other Financing Document, or any agreement, covenant or undertaking by the Governmental Lender contained in any document executed by the Governmental Lender in connection with the Project or the execution and delivery of the Governmental Notes shall give rise to any pecuniary liability of the Governmental Lender or a charge against its general credit or taxing powers, or shall obligate the Governmental Lender financially in any way. Nothing in the Funding Loan Agreement or this Project Loan Agreement or the proceedings of the Governmental Lender authorizing the Funding Loan or in the Act or the Law or in any other related document shall be construed to authorize the Governmental Lender to create a debt of the Governmental Lender within the meaning of any constitutional or statutory provision of the State. The Governmental Lender shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Project Loan Agreement, the Funding Loan or the Funding Loan Agreement, except only to the extent amounts are received for the payment thereof from the Borrower under this Project Loan Agreement.

The Borrower hereby acknowledges that the Governmental Lender's sole source of money to repay the Funding Loan will be provided by the payments made by the Borrower pursuant to this Project Loan Agreement and the Project Notes, together with investment income on certain funds and accounts held by the Fiscal Agent under the Funding Loan Agreement, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal (or Prepayment Premium) and interest on the Funding Loan as the same shall become due (whether by maturity, prepayment, acceleration or otherwise), then upon notice from the Fiscal Agent, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or Prepayment Premium) or interest, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Fiscal Agent, the Borrower, the Governmental Lender or any third party, subject to any right of reimbursement from the Fiscal Agent, the Governmental Lender or any such third party, as the case may be, therefor.

No covenant, agreement or obligation contained herein shall be deemed to be a covenant, agreement or obligation of any present or future director, officer, employee, attorney or agent of the Governmental Lender in his or her individual capacity, and neither any employee, attorney, director or officer of the Governmental Lender nor any officer thereof executing the Governmental Notes shall be liable personally on the Governmental Notes or be subject to any personal liability or accountability by reason of the issuance thereof. No director, officer, employee, attorney or agent of the Governmental Lender shall incur any personal liability with respect to any other action taken by him or her pursuant to this Project Loan Agreement, the Act or the Law, provided such director, officer, employee, attorney or agent acts in good faith. No agreements or provisions

contained in this Project Loan Agreement nor any agreement, covenant or undertaking by the Governmental Lender contained in any document executed by Governmental Lender in connection with the Project or the issuance, sale and delivery of the Governmental Notes shall give rise to any pecuniary liability of the Governmental Lender or a charge against its general credit or taxing powers, or shall obligate the Governmental Lender financially in any way.

THE GOVERNMENTAL NOTES ARE NOT OBLIGATIONS, EITHER GENERAL OR SPECIAL, AND DO NOT CONSTITUTE A PLEDGE OF THE GENERAL CREDIT OR TAXING POWER, OF THE CITY OF LOS ANGELES (THE "CITY"), THE STATE OF CALIFORNIA (THE "STATE") OR ANY POLITICAL SUBDIVISION THEREOF, BUT ARE PAYABLE SOLELY FROM THE PROJECT REVENUES AND PROPERTY PLEDGED THEREFOR IN THE FUNDING LOAN AGREEMENT AND NOT FROM ANY OTHER REVENUES, FUNDS OR ASSETS OF THE CITY. NEITHER THE CITY, THE STATE NOR ANY SUCH POLITICAL SUBDIVISION THEREOF SHALL BE LIABLE THEREON. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE NOR ANY POLITICAL CORPORATION OR SUBDIVISION OR AGENCY THEREOF NOR THE FAITH AND CREDIT OF THE CITY IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE GOVERNMENTAL NOTES OR OTHER COSTS INCIDENT THERETO. THE GOVERNMENTAL NOTES ARE NOT A DEBT OF THE UNITED STATES OF AMERICA.

No recourse shall be had for the payment of the principal of or interest on the Governmental Notes, or for any claim based thereon or on this Project Loan Agreement or any other Project Loan Document, any Financing Document or any instrument or document executed and delivered by or on behalf of the Governmental Lender in connection with the transactions contemplated hereby, against the Governmental Lender or any officer, City Council member, employee or agent, past, present or future, of the Governmental Lender or any successor body, as such, either directly or through the Governmental Lender or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty or by any legal or equitable proceeding or otherwise and all such liability of the Governmental Lender or any such officer, board member, employee or agent, past, present or future as such is hereby expressly waived and released as a condition of and consideration for the adoption of the resolution authorizing the execution of the Financing Documents and issuance of the Governmental Notes and the delivery of other documents in connection herewith. No officer, board member, employee or agent, past, present or future, of the Governmental Lender or any successor body shall be personally liable on the Financing Documents, the Governmental Notes or any other documents in connection herewith, nor shall the issuance of the Governmental Notes be considered as misfeasance or malfeasance in office. The Governmental Notes and the undertakings of the Governmental Lender under the Financing Documents do not constitute a pledge of the general credit or taxing power of the Governmental Lender, the State, or any political subdivision thereof, do not evidence and shall never constitute a debt of the State or any political subdivision thereof and shall never constitute nor give rise to a pecuniary liability of the State or any political subdivision thereof.

Section 8.15. *No Liability of Officers.* No recourse under or upon any obligation, covenant, or agreement or in the Governmental Notes, or under any judgment obtained against the Governmental Lender, or by the enforcement of any assessment or by any legal or equitable

proceeding by virtue of any constitution or statute or otherwise or under any circumstances, shall be had against any incorporator, member, director, commissioner, employee, attorney, agent or officer, as such, past, present, or future, of the Governmental Lender, either directly or through the Governmental Lender, or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may be due and unpaid by the Governmental Lender upon the Funding Loan. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such incorporator, member, director, commissioner, employee, attorney, agent or officer, as such, to respond by reason of any act or omission on his or her part or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may remain due and unpaid upon the Funding Loan, is hereby expressly waived and released as a condition of and consideration for the execution of this Project Loan Agreement and the issuance of the Governmental Notes.

Section 8.16. *Capacity of the Fiscal Agent.* The Fiscal Agent is entering into this Project Loan Agreement solely in its capacity as Fiscal Agent and shall be entitled to the rights, protections, and limitations from liability and immunities afforded it as Fiscal Agent under the Funding Loan Agreement. The Fiscal Agent shall be responsible only for the duties of the Fiscal Agent expressly set forth herein and in the Funding Loan Agreement.

Section 8.17. *Reliance.* The representations, covenants, agreements and warranties set forth in this Project Loan Agreement may be relied upon by the Governmental Lender, the Fiscal Agent, Bond Counsel, the Servicer, the Funding Lender and the Funding Lender Representative. In performing their duties and obligations under this Project Loan Agreement and under the Funding Loan Agreement, the Governmental Lender and the Fiscal Agent may rely upon statements and certificates of the Borrower, upon certificates of tenants believed to be genuine and to have been executed by the proper person or persons, and upon audits of the books and records of the Borrower pertaining to occupancy of the Project. In addition, the Governmental Lender and the Fiscal Agent may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Governmental Lender or the Fiscal Agent under this Project Loan Agreement and under the Funding Loan Agreement in good faith and in conformity with the opinion of such counsel. It is expressly understood and agreed by the parties to this Project Loan Agreement (other than the Governmental Lender) that:

(a) the Governmental Lender may rely conclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Governmental Lender by the Fiscal Agent, the Funding Lender or the Borrower as to the existence of a fact or state of affairs required under this Project Loan Agreement to be noticed by the Governmental Lender;

(b) the Governmental Lender shall not be under any obligation to perform any record keeping or to provide any legal service, it being understood that such services shall be performed or caused to be performed by the Fiscal Agent, the Funding Lender Representative, the Servicer or the Borrower, as applicable; and

(c) none of the provisions of this Project Loan Agreement shall require the Governmental Lender or the Fiscal Agent to expend or risk its own funds (apart from the proceeds of the Funding Loan issued under the Funding Loan Agreement) or otherwise endure financial liability in the performance of any of its duties or in the exercise of any of its rights under this Project Loan Agreement, unless it shall first have been adequately indemnified to its satisfaction against the costs, expenses and liabilities which may be incurred by taking any such action.

Section 8.18. *Business Tax Registration Certificate.* Subject to any exemptions available to it, the Borrower represents that it has obtained or will obtain the Business Tax Registration Certificate(s) required by the City of Los Angeles' Business Tax Ordinance (Article 1, Chapter 2, Section 21.00 and following, of the Los Angeles Municipal Code). For the term covered by this Project Loan Agreement, the Borrower shall maintain, or obtain as necessary, any such Business Tax Registration Certificate(s) required of it under said ordinance and shall not allow any such Business Tax Registration Certificate(s) to be revoked or suspended.

Section 8.19. *Child Support Assignment Orders.* This Project Loan Agreement is subject to Section 10.10 of the Los Angeles Administrative Code, Child Support Assignment Orders Ordinance. Pursuant to this ordinance, the Borrower certifies that (a) it will fully comply with all State and federal employment reporting requirements applicable to Child Support Assignment Orders; (b) the principal partner(s) of the Borrower are in compliance with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally; (c) it will fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with California Family Code Section 5230 et seq.; and (d) it will maintain such compliance throughout the term of the Tax Regulatory Agreement. Pursuant to Section 10.10.b of the Los Angeles Administrative Code, failure of the Borrower to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment Orders and Notices of Assignment or the failure of any principal owner(s) of the Borrower to comply with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally shall constitute a default by the Borrower as appropriate, under the terms of this Project Loan Agreement, subjecting the Borrower to the remedies provided herein where, in either case, such failure shall continue for more than 90 days after notice of such failure to the Borrower by the Governmental Lender. Any subcontract entered into by the Borrower relating to this Project Loan Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph and shall incorporate the provisions of the Child Support Assignment Orders Ordinance. Failure of the Borrower to obtain compliance of its subcontractors shall constitute a default by the Borrower under the terms of this Project Loan Agreement, subjecting the Borrower to the remedies provided herein where such failure shall continue for more than 90 days after notice of such failure to the Borrower by the Governmental Lender.

The Borrower shall comply with the Child Support Compliance Act of 1998 of the State of California Employment Development Department. The Borrower hereby affirms that to the best of its knowledge, it is fully complying with the earnings assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the Employment Development Department as set forth in subdivision (b) of Section 7110 of the Public Contract Code.

Section 8.20. *Americans with Disabilities Act.* The Borrower hereby certifies that it and any contractor and subcontractor will comply with the Accessibility Laws (as defined in Exhibit I of the Tax Regulatory Agreement). The Borrower and any contractor and subcontractor will provide reasonable accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services, and activities in accordance with the applicable provisions of: (i) the Americans with Disabilities Act, 42 U.S.C. 12101 et seq., and its implementing regulations and the American Disabilities Act Amendments Act (ADAAA) Pub. L. 110 325 and all subsequent amendments; (ii) Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. §794, the implementing regulations at 24 C.F.R. Part 8, as well as the requirements of Uniform Federal Accessibility Standards 24 C.F.R. §40, Appendix A; (iii) the Fair Housing Act, 42 U.S.C. §§3601 3620; 24 C.F.R. Parts 100, 103, and 104, and its implementing regulations; and (iv) applicable California building codes. The Borrower and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship to or association with a person with a disability. Any contract and subcontract entered into by the Borrower, relating to this Project Loan Agreement and the Project, to the extent allowed hereunder, shall be subject to the provisions of this Section.

Section 8.21. *Nondiscrimination and Affirmative Action.* The Borrower shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State, and the Governmental Lender. The Borrower shall not discriminate in its employment practices against any employee or applicant for employment or deny family and medical care leave, pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. The Borrower shall comply with Executive Order 11246, entitled "Equal Employment Opportunity", as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 C.F.R. Part 60). The Borrower shall comply with the provisions of the Los Angeles Administrative Code Sections 10.8 through 10.13, to the extent applicable hereto. The affirmative action program of the Borrower shall include the mandatory contract provisions set forth in the Los Angeles Administrative Code Section 10.8.4, and said provisions are incorporated herein by this reference. The Borrower shall also comply with all rules, regulations, and policies of the Governmental Lender's Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action, including the filing of all forms required by the Governmental Lender. Any subcontract entered into by the Borrower relating to this Project Loan Agreement, to the extent allowed hereunder, shall be subject to the provisions of this Section. No person shall on the grounds of race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this Project Loan Agreement. For purposes of this Section, Title 24 Code of Federal Regulations Part 107 and Section 570.601(b) defines specific discriminatory actions that are prohibited and corrective action that shall be taken in a situation as defined therein.

Section 8.22. *Disclosure of Border Wall Contracting Ordinance.* The Borrower shall comply with Los Angeles Administrative Code Section 10.50 et seq., "Disclosure of Border Wall

Contracting”. The Governmental Lender may declare a default under this Project Loan Agreement if the Governmental Lender determines that the Borrower failed to fully and accurately complete the required affidavit and disclose all Border Wall Bids and Border Wall Contracts, as defined in Los Angeles Administrative Code Section 10.50.1.

Section 8.23. *Pet Ownership in Publicly-Financed Housing Developments.* The Borrower shall comply with the Pet Ownership in Publicly-Financed Housing Developments Ordinance, Los Angeles Municipal Code Sections 51.20., et seq., as amended from time to time.

Section 8.24. *Assignment.* This Project Loan Agreement, the Security Instrument, the Project Notes and the Project Loan Documents and all of the Funding Lender’s or the Fiscal Agent’s right, title, obligations and interests therein may be assigned by the Funding Lender or the Fiscal Agent, as appropriate, at any time in its sole discretion, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise, provided that neither the Funding Lender nor the Fiscal Agent may assign or transfer its interest in the Project Loan Documents separately from its interest in the Funding Loan Agreement and the Governmental Notes, any assignment or transfer of which must be in conformity with the requirements of Section 2.08 of the Funding Loan Agreement. Upon such assignment, all references to the Funding Lender or the Fiscal Agent, as appropriate, in this Project Loan Agreement and in any Project Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of the Funding Lender or the Fiscal Agent, as appropriate. The Borrower shall accord full recognition to any such assignment, and all rights and remedies of the Funding Lender in connection with the interest so assigned shall be as fully enforceable by such assignee as they were by the Funding Lender before such assignment. In connection with any proposed assignment, the Funding Lender may disclose to the proposed assignee any information that the Borrower has delivered, or caused to be delivered, to the Funding Lender with reference to the Borrower, the General Partner, any Affiliate of any of them, or the Project, including information that the Borrower is required to deliver to the Funding Lender pursuant to this Project Loan Agreement, provided that such proposed assignee agrees in writing to treat such information as confidential. The Borrower may not assign its rights, interests or obligations under this Project Loan Agreement or under any of the Project Loan Documents or Financing Documents, or the Borrower’s interest in any moneys to be disbursed or advanced hereunder, except only as may be expressly permitted hereby.

Section 2. Acquisition, Construction and Equipping of the Project. The Borrower hereby represents as of the date hereof, covenants and agrees with the City and the Fiscal Agent as follows:

(a) The Borrower has incurred a substantial binding obligation to commence the acquisition of the Project Site and construction and equipping of the Project, pursuant to which the Borrower is or will be obligated to expend at least 5% of the proceeds of the Loan financed from proceeds of the Note.

(b) The Borrower's reasonable expectations respecting the total cost of the acquisition, construction and equipping of the Project are accurately set forth in the Borrower Cost Certificates (the "Borrower Cost Certificate") submitted to the City on the Closing Date and the 2024 Closing Date, respectively.

(c) The Borrower has acquired the Project Site and has commenced the construction of the Project and will proceed with due diligence to complete the same. Notwithstanding anything herein to the contrary, no Project Costs relating to the acquisition of the Project or any assets relating thereto (including, without limitation, rights and interests with respect to development of the Project) shall constitute "Qualified Project Costs" unless, at the time Note proceeds are expended to pay such costs, the Borrower and the seller of such assets are not "related parties" as such term is defined in Section 1.150-1(b) of the Regulations. The Borrower reasonably expects to complete the acquisition, construction and equipping of the Project and to expend the full amount of the proceeds of the Loan for Project Costs prior to the date which is 30 months after the Closing Date.

(d) The Borrower agrees that the full amount of each disbursement of Note proceeds pursuant to the Funding Loan Agreement and the Loan Agreement will be applied to pay or to reimburse the Borrower for the payment of Project Costs as set forth in the Borrower Cost Certificate and that, after taking into account each such disbursement, (i) the aggregate disbursements of Note proceeds will have been applied to pay or to reimburse the Borrower for the payment of Qualified Project Costs in an aggregate amount equal to 97% or more of the aggregate disbursements of the Loan; provided, however, that if the Borrower provides the Fiscal Agent with an opinion of Bond Counsel to the effect that the Tax-exempt status of interest on the Note will not be adversely affected if less than the aforesaid percentage, but not less than 95%, is disbursed for such purpose, then the certificate may refer to such lesser percentage as may be specified by Bond Counsel; and (ii) less than 25% of the proceeds of the Note expended relative to the Project Site will be disbursed to pay or to reimburse the Borrower for the cost of acquiring land or rights with respect to land relative to the Project Site (exclusive of the cost of acquiring improvements on such land).

(e) [Reserved].

(f) No proceeds of the Note will be used to pay or reimburse any cost (i) incurred more than 60 days prior to the Inducement Date, or (ii) incurred more than three years prior to such payment or reimbursement. Any allocation of Note proceeds to the reimbursement of previously incurred costs shall be made not later than 18 months after the later of (i) the date the original expenditure was paid or (ii) the date the Project is placed in service or abandoned. The acquisition, construction and equipping of the Project by the Borrower commenced less than 60 days prior to the Inducement Date, and as of 60 days prior to the Inducement Date (A) neither the Borrower nor any "related person" (as such phrase is used in Section 147(a)(2) of the Code) has made any expenditure in connection with the acquisition, construction or equipping of the Project, (B) no on-site work has been commenced by the Borrower or any related person in connection with the construction of the Project, and (C) no off-site fabrication of any portion of the Project has been

commenced by the Borrower or any related person. The Project consists, and shall at all times consist, of property which is land or is subject to the allowance for depreciation provided in Section 167 of the Code.

(g) [Reserved].

(h) The Borrower (and any Affiliated Party) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the Loan to be applied in a manner contrary to the requirements of this Regulatory Agreement, nor will it take or omit to take any such action if the Borrower (or any Affiliated Party) knows that such action or omission may cause the proceeds from the sale of the Note to be applied in a manner contrary to the Funding Loan Agreement, the Loan Agreement, the Law, the Act or the Code.

(i) The Borrower shall, on the Completion Date, evidence the Completion Date by providing a Construction Completion Certificate to CDLAC, the Fiscal Agent and the City, signed by the Authorized Borrower Representative. Notwithstanding the foregoing, such certificate may state that it is given without prejudice to any rights of the Borrower against third parties for the payment of any amount not then due and payable which exist at the date of such certificate or which may subsequently exist. The Construction Completion Certificate shall be delivered to the Fiscal Agent no later than the date 30 months from the Closing Date unless the Borrower delivers to the Fiscal Agent a certificate of the City consenting to an extension of such date, accompanied by an opinion of Bond Counsel to the effect that such extension will not result in interest on the Note being included in gross income for federal income tax purposes.

(j) The Borrower agrees to spend additional moneys for payment of any costs of the Project sufficient to reduce the portion of Note proceeds (A) spent on land by the Borrower relative to the Project Site to an amount that is less than 25% of the amount of Note proceeds spent by the Borrower relative to the Project Site for all purposes and (B) spent on costs of the Project paid or incurred by or on account of the Borrower or any “related person” (as such term is used in Section 147(a)(2) of the Code) on or after the date 60 days prior to the Inducement Date and chargeable to the capital account of the Project (or so chargeable either with a proper election by the Borrower to deduct such amounts, within the meaning of Treasury Regulation Section 1.103-8(a)(1)) so that the amount of Note proceeds expended on such Qualified Project Costs is at least 97% of the amount of Note proceeds spent for all purposes related to the Project, except that, upon receipt by the Borrower, the Fiscal Agent and the City of an approving opinion of Bond Counsel, the percentage of such amounts so used may be 95%.

(k) No Note proceeds shall be expended to acquire any structures other than buildings within the meaning of Section 147(d) of the Code.

Section 3. Residential Rental Property. The Borrower hereby acknowledges and agrees that the Project is to be owned, managed and operated as a “qualified residential rental project” (within the meaning of Section 142(d) of the Code) for a term equal to the Qualified Project Period.

To that end, and for the Qualified Project Period, the Borrower hereby represents, covenants, warrants and agrees as follows:

(a) The Project Facilities will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project Facilities as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, the Law and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. For purposes of this Subsection 3(a), the term “functionally related and subordinate facilities” includes facilities for use by the tenants (for example, swimming pools, other recreational facilities and parking areas) and other facilities which are reasonably required for the Project, for example, heating and cooling equipment, trash disposal equipment and units for resident managers and maintenance personnel. Substantially all of the Project will contain such units and functionally related and subordinate facilities.

(b) All of the dwelling units in the Project will be similarly constructed units, and each Low Income Unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range and oven, a sink and a refrigerator. Each of the Accessible Housing Units (as defined in Exhibit I attached hereto) shall also comply with the requirements of Exhibit I. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park. Notwithstanding the foregoing, single-room occupancy units provided under Section 42(i)(3)(B)(iv) of the Code shall not be considered to be utilized on a transient basis.

(d) No part of the Project will at any time be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or uses. Other than filing a condominium map and a final subdivision map on the Project and obtaining a Final Subdivision Public Report from the California Department of Real Estate, the Borrower shall not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period.

(e) All of the dwelling units (which shall not include any manager units) in the Project will be available for rental on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent of the following: (1) any dwelling units

that are required to be leased or rented to Low Income Tenants, (2) to the extent not otherwise inconsistent with the requirements of this Section 3(e), the requirements of any regulatory agreement executed between the Borrower and HUD or between the Borrower and a subordinate lender (including the City), (3) the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, (4) any preference the Borrower gives to a class of persons permitted to be given preference pursuant to the Code, State law and other applicable federal law, and (5) Accessible Housing Units shall be made available to persons with disabilities as provided in Exhibit I.

(f) The Project Site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the Project Facilities comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project shall be occupied by the Borrower; provided, however, that if the Project contains five or more dwelling units, this subsection shall not be construed to prohibit occupancy of not more than one dwelling unit by one or more resident managers or maintenance personnel any of whom may be the Borrower.

(h) The Project shall be maintained in conformity with the habitability and fire codes of the City of Los Angeles.

(i) The Project shall be managed in a manner consistent with prudent property management standards and in compliance with all state and local laws, ordinances and regulations relating thereto.

(j) Should involuntary noncompliance with the provisions of Regulations Section 1.103-8(b) be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the City from enforcing the requirements of the Regulations or condemnation or similar event, the Borrower covenants that, within a “reasonable period” determined in accordance with the Regulations, and subject to the provisions of the Funding Loan Agreement and the Loan Agreement, it will either prepay the Loan or apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

Section 4. Low Income Tenants; Records and Reports. Pursuant to the requirements of the Code and the City, the Borrower hereby represents, warrants and covenants as follows:

(a) The Project will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with the Law and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. Within 30 days after the date on which 50% of the dwelling

units in the Project are occupied by tenants providing an Income Certification, the Borrower shall execute and deliver to the City (with a copy to the Los Angeles Housing Department, Occupancy Monitoring Section, 1200 West 7th Street, 8th Floor, Los Angeles, CA 90017) and a copy to CDLAC and the Fiscal Agent, a Certificate of Qualified Project Period.

(b) Commencing on the first day of the Qualified Project Period, Low Income Tenants shall occupy at least 40% of all completed and occupied units in the Project (excluding units occupied by property managers) before any additional units are occupied by persons who are not Low Income Tenants; and for the Qualified Project Period no less than 40% of the total number of completed units of the Project (excluding units occupied by property managers) shall at all times be rented to and occupied by Low Income Tenants. For the purposes of this subsection (b), a vacant unit which was most recently occupied by a Low Income Tenant is treated as rented and occupied by a Low Income Tenant until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit shall be redetermined. In determining whether the requirements of this subsection (b) have been met, fractions of units shall be treated as entire units.

(c) No tenant qualifying as a Low Income Tenant shall be denied continued occupancy of a unit in the Project because, after admission, such tenant's Adjusted Income increases to exceed the qualifying limit for Low Income Tenants; provided, however, that should a Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceed 140% of the then applicable income limit for a Low Income Tenant of the same family size, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) a Low Income Tenant; and provided further that, until such next available unit is rented to a tenant who is not a Low Income Tenant, the former Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a Low Income Tenant for purposes of the 40% requirement of subsection (b) of this Section 4 (if applicable). If the Project consists of more than one building, this requirement shall apply on a building-by-building basis.

(d) The Borrower will obtain, complete and maintain on file Income Certifications from each Low Income Tenant, including (i) an Income Certification dated no later than the day prior to the initial occupancy of such Low Income Tenant in the Project and (ii) thereafter, annual Income Certifications dated as of the anniversary date of each initial Income Certification. The Borrower will obtain such additional information as may be required in the future by the State of California, by the City and by Section 142(d) of the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations which are Tax-exempt under Section 142(d) of the Code. A copy of the most recent Income Certification for Low Income Tenants commencing or continuing occupation of a Low Income Unit (and not previously filed with the City) shall be attached to the Certificate of Continuing Program Compliance which is to be filed with the City no later than the fifteenth day of each month until such report indicates compliance with Section 4(b) and thereafter on the fifteenth day of each February and August until the end of the Qualified

Project Period. The Borrower shall make a good-faith effort to verify that the income information provided by an applicant in an Income Certification is accurate by obtaining the acceptable forms of verification enumerated in Chapter 3 of the most current, amended edition of HUD Handbook 4350.3, or such instruction by HUD that may supersede this handbook, and any additional documentation that the City shall deem relevant, such as the two most recent years' tax returns or other forms of independent verification satisfactory to the City.

(e) The Borrower will use its best efforts to maintain complete and accurate records pertaining to the Low Income Units, and will with reasonable notice permit any duly authorized representative of the City, the Fiscal Agent, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project during regular business hours, including those records pertaining to the occupancy of the Low Income Units.

(f) The Borrower will prepare and submit to the City and the Fiscal Agent, no later than the fifteenth day of each month following the receipt by the Fiscal Agent of the Construction Completion Certificate to and including the month in which such report indicates that 40% of the occupied units (excluding units occupied by property managers) are occupied by Low Income Tenants, and thereafter no later than the fifteenth day of each February and August until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance executed by the Borrower stating (i) the percentage of the dwelling units of the Project which were occupied or deemed occupied, pursuant to subsection (b) of this Section 4, by Low Income Tenants during such period; (ii) that either (A) no unremedied default has occurred under this Regulatory Agreement, or (B) a default has occurred, in which event the certificate shall describe the nature of the default in detail and set forth the measures being taken by the Borrower to remedy such default; and (iii) that, to the knowledge of the Borrower, no Determination of Taxability has occurred, or if a Determination of Taxability has occurred, setting forth all material facts relating thereto.

(g) On or before each February 15 during the Qualified Project Period, the Borrower will submit to the City a draft of the completed Internal Revenue Service Form 8703 or such other annual certification required by the Code to be submitted to the Secretary of the Treasury as to whether the Project continues to meet the requirements of Section 142(d) of the Code. On or before each March 31 during the Qualified Project Period the Borrower will submit such completed form to the Secretary of the Treasury, regardless of whether or not the City has responded to such draft.

(h) Subject to the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, each lease or rental agreement pertaining to a Low Income Unit shall contain a provision to the effect that the Borrower has relied on the Income Certification and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement. Each such lease or rental agreement shall also provide that the tenant's income is subject to annual certification in accordance with

Section 4(c) hereof and to recertification if the number of occupants in the units changes for any reason (other than the birth of a child to an occupant of such unit) and that if upon any such certification such tenant's Adjusted Income exceeds 140% of the then applicable income limit for a Low Income Tenant of the same family size, such tenant may cease to qualify as a Low Income Tenant, and such tenant's rent is subject to increase. Notwithstanding anything in this Section 4(h) to the contrary, such tenant's rent may be increased only pursuant to Section 7(l) hereof.

(i) Pursuant to the CDLAC Conditions attached hereto and for the entire term of the Regulatory Agreement, the Project shall consist of 185 units plus 2 manager units of which at least 185 qualified residential units shall be rented or held vacant for rental for persons or families whose income is at or below 50% of the area median income as shown in the chart below:

Unit Type	At or below 50% AMI	Unrestricted Manager's Unit	Total Number of Units
Studio	57	0	57
1 Bedroom	81	0	81
2 Bedroom	42	2	44
3 Bedroom	5	0	5
Total	185	2	187

Section 5. Tax-exempt Status of the Note. The Borrower and the City make the following representations, warranties and agreements for the benefit of the holder of the Note from time to time:

(a) The Borrower and the City will not knowingly take or permit actions within their control, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-exempt nature of the interest on the Note and, if either should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof, provided that the Borrower shall not have violated these covenants if the interest on the Note becomes taxable to a person solely because such person is a "substantial user" of the Project or a "related person" within the meaning of Section 147(a) of the Code.

(b) The Borrower and the City will take such action or actions as may be necessary, in the written opinion of Bond Counsel filed with the City and the Fiscal Agent, with a copy to the Borrower, to comply fully with all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service pertaining to obligations the interest on which is Tax-exempt under Section 142(d) of the Code.

(c) The Borrower and the City will file or record such documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the City and

the Fiscal Agent, with a copy to the Borrower, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County of Los Angeles.

(d) The Borrower will not knowingly enter into any agreements which would result in the payment of principal or interest on the Note being “federally guaranteed” within the meaning of Section 149(b) of the Code.

(e) Subject to Section 14 hereof, the Borrower hereby covenants to include the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project prior to the expiration of the Qualified Project Period to another person to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement; provided, however, that so long as any former Borrower has no remaining interest in the Project, such former Borrower shall have no obligation to monitor such transferee’s compliance with such restrictions, and such former Borrower shall incur liability if such transferee fails to comply with such restrictions only in proportion to its then remaining interest.

(f) The Borrower and any related party (as defined in Section 1.150-1(b) of the Regulations) thereto shall not acquire the Note in an amount related to the amount of the Loan.

Section 6. Additional Requirements of the Act. In addition to the requirements set forth in Sections 2 through 5, and without limiting any additional requirements in Section 7, during the Qualified Project Period, the Borrower and the City hereby agree to comply with each of the requirements of the Act, all provisions in the Health and Safety Code of the State of California applicable to “affordable housing units” as defined therein and, without limiting the foregoing, the Borrower hereby specifically agrees to comply with each of the requirements set forth in this Section 6, as follows:

(a) As provided in Section 52097.5 of the Act, not less than 40% of the total number of units in the Project (excluding units occupied by property managers) shall be reserved for occupancy by tenants whose adjusted gross income does not exceed 60% of the median gross income for the Area, adjusted for family size, as determined pursuant to Section 42(g)(2)(C) of the Code.

(b) The Gross Rents (as defined in the Code of California Regulations Section 5170) paid by the tenant for the units reserved pursuant to paragraph (a) of this Section (excluding any supplemental rental assistance from the State, the federal government, or any other public agency to those occupants or on behalf of those units) shall not exceed the amount derived by multiplying 30% times 60% of the median gross income for the Area, adjusted for family size, as determined pursuant to Section 42(g)(2)(C) of the Code.

(c) During the Qualified Project Period the Borrower shall file Certificates of Continuing Program Compliance in the form and at the time required by Sections 4(d) and (f) hereof that shall contain sufficient information to allow the City to file any annual report required by the Act or pursuant to California Government Code Section 8855.5 and the Borrower shall provide to the California Debt and Investment Advisory Commission any annual report information required by California Government Code Section 8855(k)(1) until the later of the date the Note is no longer outstanding or the proceeds of the Note have been fully spent.

(d) No portion of the Note shall be used to finance the acquisition, construction, rehabilitation, equipping, refinancing or development of commercial property for lease.

(e) The Borrower shall not apply selection criteria to certificate holders under Section 8 of the Housing Act that are more burdensome than the criteria applied to all other prospective tenants.

(f) Following the expiration or termination of the Qualified Project Period with respect to the Project, except in the event of foreclosure and redemption of the Note, deed in lieu of foreclosure, eminent domain or action of a federal agency preventing enforcement, units required to be reserved for occupancy pursuant hereto shall remain available to any eligible household occupying a reserved unit at the date of expiration or termination, at a rent not greater than the amount set forth in (b) above, until the earliest of any of the following occur:

(i) The household's income exceeds 140% of the maximum eligible income specified herein;

(ii) The household voluntarily moves or is evicted for "good cause." "Good cause" for the purposes of this Section, means the nonpayment of rent or allegation of facts necessary to prove major, or repeated minor, violations of material provisions of the occupancy agreement which detrimentally affect the health and safety of other persons or the structure, the fiscal integrity of the Project, or the purposes or special programs of the Project;

(iii) Thirty years after the date of the commencement of the Qualified Project Period relative to the Project; and

(iv) The Borrower pays the relocation assistance and benefits to tenants as provided in subdivision (b) of Section 7264 of the California Government Code.

(g) During the three years prior to expiration of the Qualified Project Period, the Borrower shall continue to make available to Low Income Tenants reserved units that have been vacated to the same extent that nonreserved units are made available to tenants other than Low Income Tenants.

Notwithstanding Section 1461 of the California Civil Code, the provisions hereof shall run with the land and may be enforced either in law or in equity by any resident, local agency, entity

or any other person adversely affected by the Borrower's failure to comply with this Regulatory Agreement.

Section 7. Additional Requirements of the City. In addition to, and not in derogation of, the requirements set forth in the preceding and following sections of this Regulatory Agreement, each of which is hereby incorporated in this Section as a specific requirement of the City, whether or not required by California or federal law, the Borrower represents, warrants, covenants and agrees as follows:

(a) The Borrower shall promptly provide to the City such information with respect to the Project or the Note as the City shall from time to time request. The Borrower shall provide written notice to the City of receipt of a certificate of occupancy or other official authorization to occupy the Project immediately upon receipt.

(b) The Low Income Units shall be of comparable quality to all other units in the Project, shall be dispersed throughout the Project, and shall offer a range of size and number of bedrooms comparable to those units which are available to other tenants; and Low Income Tenants shall have access to and enjoyment of all common areas and facilities of the Project on the same basis as tenants of other units.

(c) The Borrower agrees that it will not discriminate in the rental of units or in its employment practices against any employee or applicant for employment because of the applicant's race, religion, national origin, ancestry, sex, age, sexual orientation, gender identity/expression, transgender status, disability (except to give priority to persons with disabilities for the occupancy of Accessible Housing Units), marital status, domestic partner status or medical condition. All contracts entered into by the Borrower which relate to the Project shall contain a like provision. The Borrower shall comply with the provisions of Sections 10.8.2 and 10.8.4 of the Administrative Code of the City, the provisions of which are hereby incorporated by reference.

(d) [Reserved].

(e) For the Qualified Project Period, the Borrower will comply with the provisions of the Unruh Civil Rights Act, including, without limitation, Sections 51.2 and as applicable, 51.3 of the California Civil Code, as amended, and Sections 45.50 et seq. of the Los Angeles Municipal Code, as amended.

(f) The lease to be utilized by the Borrower in renting any residential units in the Project to Low Income Tenants shall provide for termination of the lease and consent by such person to immediate eviction, subject to applicable provisions of California law, for any tenant who fails to qualify as a Low Income Tenant and who has made a material misrepresentation on the Income Certification as to such tenant's qualification as a Low Income Tenant. All such leases shall contain clauses, among others, wherein each individual lessee (i) certifies the accuracy of the statements made in the Income Certification and (ii) agrees that the family income, family composition and other eligibility requirements shall be deemed substantial and material obligations of the lessee's tenancy; that the lessee will comply promptly with all requests for information with respect

thereto from the Borrower or the City; and that the lessee's failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the lessee's tenancy and shall be a default thereunder. Additionally, such lease shall contain provisions informing any tenant of the possibility of rental payment increases in accordance with the terms of this Regulatory Agreement.

(g) All Income Certifications will be maintained on file at the Project or, with the prior written consent of the City, at the principal place of business of the Borrower or the property manager of the Project, so long as this Regulatory Agreement is in effect and for five years thereafter with respect to each Low Income Tenant who occupied a residential unit in the Project during the Qualified Project Period.

(h) The Borrower will accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing program under Section 8 of the Housing Act. The Borrower shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants.

(i) The Borrower shall submit to the City (i) at the times specified in Sections 4(d) and (f) herein, a Certificate of Continuing Program Compliance, which shall include the information called for therein, including occupancy records for all units in the Project, and (ii) within 15 days after receipt of a written request, any other information or completed forms requested by the City, in each case, in order to comply with reporting requirements of the Internal Revenue Service or the State of California, including, without limitation, information necessary for the City to file any periodic report, or any other information concerning the Project as the City may reasonably request.

(j) All workers performing construction or rehabilitation work for the Project employed by the Borrower or by any contractor or subcontractor shall be compensated in an amount no less than the greatest of (i) the general prevailing rate of per diem wages ("Prevailing Wages") as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations, (ii) the general prevailing rate of per diem wages as determined by the U.S. Labor Department pursuant to the Davis-Bacon Act under 40 U.S.C.S. 3141-3148 and implementing regulations ("Davis-Bacon Wages"), if applicable; and (iii) the "Living Wage" as determined by the policies and procedures of the City of Los Angeles. The Borrower shall comply with all reporting and recordkeeping requirements of the City's prevailing wage policy. The Borrower shall, and shall cause the contractors and subcontractors to, submit data and documents related to Prevailing Wages or Davis-Bacon Wages, if applicable, using the LCP Tracker or comparable LAHD-approved program. The fee for the LCP Tracker, or comparable LAHD-approved program, will be in the amount equal to three one-hundredths percent (0.03%) of the total construction cost, which fee shall be paid in full to the City within 30 days of execution of this Agreement.

(k) The City may, at its option and at its expense, at any time appoint an administrator to administer this Regulatory Agreement and to monitor performance by the

Borrower of the terms, provisions and requirements hereof. Following any such appointment, the Borrower shall comply with any request by the City to deliver to such administrator, in addition to or instead of the City, any reports, notices or other documents required to be delivered pursuant hereto, and upon reasonable notice to the Borrower to make the Project and the books and records with respect thereto available for inspection during regular business hours by such administrator as an agent of the City.

(l) If upon the annual certification or recertification required in Section 4(d) a tenant's Adjusted Income exceeds 140% of the then applicable income limit for a Low Income Tenant of the same family size, all rental limits herein previously applicable to the unit occupied for such tenant shall continue to apply until the next available unit is rented to a tenant who is a Low Income Tenant.

(m) The Borrower shall give written notice to all Low Income Tenants at the Project, the City, the Housing Authority of the City of Los Angeles ("HACLA") and the California Department of Housing and Community Development ("HCD") as follows (see also California Government Code Sections 65863.10 and 65863.11):

(i) Upon initial move-in/lease execution, the Borrower shall give written notice to all tenants of Low Income Units, of the duration of the rent restrictions under this Regulatory Agreement. The Borrower must maintain, in its files, a copy of each notice containing each tenant's signed acknowledgement of the notice required hereunder. The notice shall, at the least, contain language that the rent restrictions under this Regulatory Agreement shall be in effect for a term ending at the expiration of the Qualified Project Period. Upon termination of the rent restriction period under this Regulatory Agreement, rents may be set at market rates unless otherwise restricted by some other legal, regulatory, or contractual requirement.

(ii) Thirty-six months prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market-rent levels. The Borrower must also provide a copy of the notice sent to all tenants, pursuant to California Government Code Section 65863.10, to the Mayor of the City, HACLA, HCD, and the Los Angeles Housing Department. In addition, the Borrower, within 36 months of a scheduled expiration of rental restrictions, shall also provide notice of the scheduled expiration of rent restrictions to any prospective tenant at the time he or she is interviewed for eligibility.

(iii) Twelve months prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also provide a copy of the notice sent to all tenants, pursuant to California Government Code Section 65863.10, to the Mayor of the City, HACLA, HCD, and the Los Angeles Housing Department. The Borrower must also provide any tenant association at

the Project, the Mayor of the City, HACLA, and HCD with a notice of the opportunity to purchase the Project Site in accordance with the provisions of California Government Code Section 65863.11.

(iv) Six months prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also provide a copy of the notice sent to all tenants, pursuant to California Government Code Section 65863.10, to the Mayor of the City, HACLA, HCD, and the Los Angeles Housing Department.

(v) Ninety days prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must again give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also provide a copy of the notice sent to all tenants to the Mayor of the City, HACLA, HCD, and the Los Angeles Housing Department.

Unless the Borrower meets the requirements of California Government Code Section 65863.13, pursuant to California Government Code Section 65863.11, prior to or concurrently with the twelve month notice referenced above in (iii), the Borrower must provide notice of the opportunity to offer to purchase the assisted housing development to all qualified entities including those on the list maintained by the California Department of Housing and Community Development as well as to those qualified entities that contact the Borrower directly, in compliance with California Government Code Sections 65863.11(d) and 65863.11(g). The notice shall conform to the requirements of California Government Code Section 65863.11(h) and shall be sent to the entities by registered or certified mail, return receipt requested. The Borrower shall also post a copy of the notice in a conspicuous place in the common area of the Project.

(n) The Borrower shall, on the Closing Date and the 2024 Closing Date, as applicable, pay to the City its initial fees and thereafter pay to the City its ongoing fees with respect to the issuance of each Note as follows. The Borrower shall pay the City an initial fee immediately upon issuance of the 2024 Note equal to \$[] (0.25% of the combined maximum principal amount of the 2024 Note issuable under the 2024 Funding Loan Agreement (\$2,845,000) and the City's Multifamily Housing Revenue Note (Santa Monica & Vermont Apartments) Taxable Series 2024A-2 (\$[5,464,324])). The City acknowledges receipt on the Closing Date of the sum of \$172,134.42 (0.25% of the combined aggregate maximum principal amount of the 2022 Note (\$56,000,000) and the City's Multifamily Housing Revenue Note (Santa Monica & Vermont Apartments) Taxable Series 2022B-2 (\$12,853,767) issuable under the 2022 Funding Loan Agreement). In addition, the Borrower shall, as compensation for the City's monitoring of the provisions of this Regulatory Agreement, pay to the City, semiannually in arrears, prorated for the initial payment, on the first day of each February and August commencing August 1, 2022, for the period from the date of issuance of the 2022 Note through the end of the Qualified Project Period, prorated for the initial and any subsequent partial period (including such

period during which only the 2022 Note was outstanding), a semiannual amount equal to: (A) during the period from the Closing Date to the Conversion Date, the greater of \$1,500 or one-half of 0.125% of the combined maximum principal amount of the Note issuable under the Funding Loan Agreement (\$58,845,000) and (B) from and after the Conversion Date, the greater of \$1,500 or one half of 0.125% of the principal amount of the Note outstanding under the Funding Loan Agreement immediately after the Conversion Date; or in either case, such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the Note from gross income for federal income tax purposes. Throughout the term of this Agreement, the Fiscal Agent, the City, or any servicer of the Loan, as applicable, shall provide an invoice to the Borrower at least 30 days prior to the due date of each such payment (a copy of which shall be provided to the City), and the Borrower shall remit such payments to the Fiscal Agent, the City, or such servicer of the Loan, as applicable. Funds received by the Fiscal Agent or any servicer of the Loan shall be paid to the City when due. In the event of any prepayment of the Note in whole, prior to the end of the Qualified Project Period, the Borrower, at its election, shall either: (A) pay to the City, on or before such payment, an amount equal to the present value of the remaining City fees payable hereunder, as calculated by the City, using a discount rate equal to the yield on the date of prepayment on the United States treasury security maturing on the date nearest the end of the Qualified Project Period, or such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the Note from gross income for federal income tax purposes; or (B) enter into a fiscal agent agreement with a corporate fiscal agent acceptable to the City requiring the fiscal agent appointed thereunder to bill and collect from the Borrower and to pay to the City on an annual basis, in arrears on or before each February 1, the annual fee described above. The Borrower shall bear the cost of such fiscal agent through the term of this Regulatory Agreement. The Borrower shall not be required to pay the fee described in the preceding sentences if the Note is prepaid in whole under circumstances which permit termination of this Regulatory Agreement pursuant to Section 14 hereof.

(o) The Borrower shall pay to the City a processing fee equal to the greater of (i) \$5,000 or (ii) 0.125% of the permanent principal amount of the Note, plus any expenses incurred by the City, including, without limitation, Bond Counsel, City attorney and financial advisor fees, as a condition to the consideration and receipt of any consent, approval, amendment, transfer or waiver requested of the City with respect to the Project, the Project Site or the Note, including, but not limited to, any amendment and/or restatement of the 2022 Funding Loan Agreement or the other Note Documents related to the 2022 Note effective on or about the Conversion Date. The City shall provide an invoice directly to the Borrower for such amounts.

(p) The Borrower shall pay the City its then-current fees in connection with any consent, approval, transfer, amendment or waiver requested of the City, together with any expenses incurred by the City in connection therewith.

(q) The Fiscal Agent shall report to the City in writing semiannually, within 10 days of each June 30 and December 31, the principal amount of the Note outstanding as of such June 30 or December 31, as appropriate.

(r) [Reserved].

(s) The Borrower shall include the City as an additional insured on all liability insurance policies relating to the Borrower or the Project.

(t) The Borrower shall not rent any Low Income Unit to: (i) any individual who (A) holds an ownership interest in the Borrower or any general partner or member (or owner of such general partner or member) of the Borrower, (B) is an officer, board member, employee or agent of, or consultant to, the Borrower or any general partner or member thereof or owner of such general partner or member or (C) is a developer of the Project (collectively, an “Owner/Developer”); (ii) any Immediate Family Member of an Owner/Developer (“Immediate Family Members” consists of: (A) spouses, (B) children, (C) parents and grandparents, (D) siblings, (E) in-laws, including brother/sister-in-law and mother/father-in-law and son/daughter-in-law or (F) significant others or domestic partners); or (iii) any elected official or his or her spouse/partner, who participated in the deliberative process, vote or consideration of legislative action regarding the issuance of the Note or other loan in support of the Project.

The Borrower shall include a certification in each tenant application that the applicant is not an Owner/Developer, an elected official who participated in the issuance of the Note or an Immediate Family Member thereof. The Borrower recognizes and agrees that the penalty for violation of the above covenant shall be a fine of \$5,000 per violation/per unit.

(u) Neither the Borrower nor any general partner thereof shall issue any publicity release or other communication to any print, broadcast or online media, post any sign or in any other way identify the City as the source of the financing provided for the Project, without the prior written approval of the City (provided that nothing herein shall prevent the Borrower or any general partner thereof from identifying the City as the source of such financing to the extent that the Borrower or any general partner thereof is required to do so by disclosure requirements applicable to publicly held companies).

Any of the foregoing requirements of the City may be expressly waived by the City in writing in the City’s sole discretion, but (i) no waiver by the City of any requirement of this Section 7 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement, including particularly but without limitation the provisions of Sections 2 through 6 hereof, except to the extent the City has received an opinion of Bond Counsel that any such provision is not required by the Act or the Law and may be waived without adversely affecting the exclusion from gross income of interest on the Note for federal income tax purposes; and (ii) any requirement of this Section 7 shall be void and of no force and effect if the City and the Borrower receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Note to become includable in gross income for federal income tax purposes, if such opinion is accompanied by a copy of a ruling from the Internal Revenue Service to the same effect, or to the effect that compliance with such requirement would be in conflict with the Act or the Law.

Section 8. Modification of Covenants. The Borrower, the Fiscal Agent and the City hereby agree as follows:

(a) To the extent any amendments to the Law, the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the City, the Fiscal Agent and the Borrower, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement in order to maintain the Tax-exempt status of interest on the Note, this Regulatory Agreement shall be deemed to be automatically amended, without the consent or approval of any other person, to impose such additional or more restrictive requirements. The parties hereto hereby agree to execute such amendment hereto as shall be necessary to document such automatic amendment hereof.

(b) To the extent that the Law, the Act, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Bond Counsel filed with the City, the Fiscal Agent and the Borrower, impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the City, the Fiscal Agent and the Borrower and approved by the written opinion of Bond Counsel to the effect that such amendment is permitted by the Law and the Act and will not affect the Tax-exempt status of interest on the Note. The City shall be under no obligation to agree to any such amendment, it being understood that each of the requirements of this Regulatory Agreement is a specific requirement of the City, whether or not required by California or federal law.

(c) The Borrower, the City and, if applicable, the Fiscal Agent shall execute, deliver and, if applicable, file or record any and all documents and instruments necessary to effectuate the intent of this Section 8, and the City hereby appoints the Fiscal Agent as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file or record on behalf of the City, as is applicable, any such document or instrument (in such form as may be approved in writing by Bond Counsel) if the City defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the City, the Fiscal Agent shall take no action under this subsection (c) without first notifying the City and without first providing the City an opportunity to comply with the requirements of this Section 8. Nothing in this Section 8(c) shall be construed to allow the Fiscal Agent to execute an amendment to this Regulatory Agreement on behalf of the City.

Section 9. Indemnification. The Borrower shall defend, indemnify and hold harmless the City and the Fiscal Agent and the respective officers, members, supervisors, directors, officials and employees, counsel, attorneys and agents, past present and future of each of them (collectively, the "Indemnified Parties") against all loss, costs, damages, expenses, suits, judgments, actions and liabilities of whatever nature (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from or arising out of or related to (a) the design, construction, installation, operation, use, occupancy, maintenance, financing or ownership of the Project (including compliance with laws, ordinances and rules and regulations of public authorities relating thereto), (b) any written statements or representations with respect to the Borrower, the Project or the Note

made or given to the City or the Fiscal Agent, or any underwriters or purchaser of the Note, or any tenants or applicants for tenancy in the Project or any other person, by the Borrower, or any Authorized Borrower Representative, including, but not limited to, statements or representations of facts, financial information or limited partnership affairs, (c) the Note or the Tax-exempt status of interest on the Note, (d) the failure or alleged failure of any person or entity (including the Borrower, or its contractor or subcontractors) to pay the general prevailing rate of per diem wages as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations in connection with the construction of the improvements or any other work undertaken or in connection with the Project; or (e) any actual or alleged violation of any Hazardous Materials Law or with respect to the presence of Hazardous Materials on or under the Project or in any of improvements or on or under any property of the Borrower that is adjacent to the Project (whether before or after the date of this Agreement and whether or not the Borrower knew of the same); provided, however, that this provision shall not require the Borrower to indemnify the Indemnified Parties from any claims, costs, fees, expenses or liabilities arising from its active negligence or willful misconduct or, in the case of the Fiscal Agent, its negligence, fraud or willful misconduct. The Borrower also shall pay and discharge and shall indemnify and hold harmless the City and the Fiscal Agent from (i) any lien or charge upon payments by the Borrower to the City and the Fiscal Agent hereunder or under the Note Documents and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges are sought to be imposed, the City or the Fiscal Agent shall give prompt notice to the Borrower and the Borrower shall, as provided in the following paragraph, have the right to assume the defense thereof, with full power to litigate, compromise or settle the same in its sole discretion, provided that the City and the Fiscal Agent shall have the right to review and approve or disapprove any such compromise or settlement. In addition thereto, the Borrower will pay upon demand all of the reasonable fees and expenses paid or incurred by the Fiscal Agent and/or the City in enforcing the provisions hereof against the Borrower. The Borrower shall also pay the City its standard fees and reimburse the City for its expenses in connection with any consent, approval, amendment, waiver or other action taken at the request or for the benefit of the Borrower in connection with this Regulatory Agreement, the Note or any other document or agreement relating thereto. In the event of any audit or inquiry regarding the Note or the Project from any governmental entity, the Borrower shall, at the election of the City, be responsible for responding to and resolving such audit or inquiry at the expense of the Borrower.

Promptly after receipt by any party entitled to indemnification under this Section 9 of notice of the commencement of any suit, action or proceeding, such Indemnified Party shall, if a claim in respect thereof is to be made against the indemnifying party under this Section 9, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability which it may have to any Indemnified Party otherwise than under this Section 9 or from any liability under this Section 9 unless the failure to provide notice prejudices the defense of such suit, action or proceeding. In case any such action is brought against any Indemnified Party, and it notifies the indemnifying party, the indemnifying party shall be entitled to participate in, and to the extent that it may elect by written notice delivered to the Indemnified Party within five Business Days after receiving the aforesaid notice from such Indemnified Party (but shall not be required) to assume, the defense thereof, with counsel reasonably satisfactory to such Indemnified Party; provided,

however, if the defendants in any such action include both the Indemnified Party and the indemnifying party and the Indemnified Party shall have reasonably concluded that there are legal defenses available to it and/or other Indemnified Parties which are different from or additional to those available to the indemnifying party, the Indemnified Party or parties shall have the right to select separate counsel to assert such legal defenses and otherwise to participate in the defense of such action on behalf of such Indemnified Party or parties. Upon the indemnifying party's receipt of notice from the Indemnified Party of such Indemnified Party's election so to assume the defense of such action and selection by the Indemnified Party of counsel, the indemnifying party shall not be liable to such Indemnified Party under this Section 9 for any attorneys' fees or expenses subsequently incurred by such Indemnified Party for the engagement of separate counsel in connection with defense thereof unless (i) the Indemnified Party shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the next preceding sentence, (ii) the indemnifying party shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party or shall not have employed such counsel within a reasonable time after notice of commencement of the action or (iii) the indemnifying party has authorized the employment of separate counsel to represent the Indemnified Party at the expense of the indemnifying party. Notwithstanding the foregoing, the Fiscal Agent shall not be indemnified for income tax, franchise tax or similar tax liability relating to the Fiscal Agent's own income and operations.

Section 10. Consideration. The City has issued the Note to provide funds to finance the acquisition, construction and equipping of the Project, all for the purpose, among others, of inducing the Borrower to acquire, construct and equip the Project. In consideration of the issuance of the Note by the City, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which this Project can be put on the terms and conditions set forth herein.

Section 11. Reliance. The City and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Note and in the exemption from federal income taxation and California personal income taxation of the interest on the Note. In performing their duties and obligations hereunder, the City and the Fiscal Agent may rely upon statements and certificates of the Low Income Tenants and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the City and the Fiscal Agent may consult with counsel, and the written opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the City or the Fiscal Agent hereunder in good faith and in conformity with such opinion. In determining whether any default or lack of compliance by the Borrower exists under this Regulatory Agreement, the Fiscal Agent may, but shall not be required to, conduct any investigation into or review of the operations or records of the Borrower and may rely solely on any written notice or certificate delivered to the Fiscal Agent by the Borrower or the City with respect to the occurrence or absence of a default unless it knows that the notice or certificate is erroneous or misleading.

Section 12. Project in the City of Los Angeles. The Borrower hereby represents and warrants that the Project will be located entirely within the City.

Section 13. Sale or Transfer of the Project; Equity Interests. The Borrower hereby covenants and agrees not to voluntarily (which term shall not be interpreted to include a foreclosure

of any security for the Loan, the granting by the Borrower of a deed-in-lieu of foreclosure, or any other comparable conversion of the Loan) sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder), equity interests in the Borrower aggregating more than 50% of the equity interest in the Borrower, or any general partner interests in the Borrower, without obtaining the prior written consent of the City, which consent shall not be unreasonably withheld by the City and shall be given by the City if (a) the Borrower is not in default hereunder or under the Loan Agreement; (b) the purchaser or assignee is not in default under any obligations it may have to the City and is not the subject of any legal or enforcement actions by the City, and the purchaser or assignee certifies that the continued operation of the Project will comply with the provisions of this Regulatory Agreement; (c) evidence reasonably satisfactory to the City is presented to establish that the purchaser or assignee is willing to comply and capable of complying with the terms and conditions of this Regulatory Agreement; (d) either (i) evidence satisfactory to the City is presented to establish that the purchaser or assignee has at least three years' experience in the ownership, operation and management of rental housing projects, without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects, (ii) the purchaser or assignee agrees to retain a property management firm which the City determines has the experience and record described in subclause (i) above or (iii) the City determines that it has no reason to believe that the purchaser or assignee is incapable, financially or otherwise, of complying with, or may be unwilling to comply with, the terms of all agreements binding on such purchaser or assignee and relating to the Project; (e) the City and the Fiscal Agent shall have received (i) with respect to any transfer of the Project, reasonable evidence satisfactory to the City that the Borrower's purchaser or transferee has assumed in writing and in full, the Borrower's duties and obligations under this Regulatory Agreement and the Loan Agreement, (ii) with respect to any transfer of the Project to a new Borrower, an opinion of counsel to the transferee that the transferee has duly assumed the obligations of the Borrower under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iii) unless waived by the City, an opinion of Bond Counsel that such transfer will not adversely affect the Tax-exempt nature of the interest on the Note, (iv) from the Borrower, a Certificate of Continuing Program Compliance (and a "bring-down" certificate, if necessary) current as of the date of transfer and (v) evidence satisfactory to the City that the purchaser or assignee does not have pending against it, nor does it have a history of, building or fire code violations as identified by the City, the State of California or federal regulatory agencies; (f) the purchaser or assignee complies with the provisions of the Los Angeles Administrative Code Section 10.8.4 Affirmative Action Program Provisions; (g) the Borrower or transferee pays all costs of the transfer of title, including, but not limited to, the cost of meeting the conditions specified in this Section 13; and (h) such other conditions are met as the City may reasonably impose to assure compliance by the Project with the requirements of this Regulatory Agreement. It is hereby expressly stipulated and agreed that, except for any such sale, transfer or disposition agreed to by the City in a separate writing, any sale, transfer or other disposition of the Project in violation of this Section 13 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Upon any sale or other transfer which complies with this Regulatory Agreement, the Borrower shall be fully released from its obligations hereunder, but only to the extent such obligations have been assumed by the transferee of the Project, without the necessity of further documentation. Any transfer of

the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 13.

Notwithstanding the foregoing, if the Fiscal Agent acquires title to the Project by foreclosure or deed in lieu of foreclosure, no consent of the City shall be required to such transfer under this Regulatory Agreement and no other conditions shall be required to be satisfied. However, if the Fiscal Agent acquires title to the Project by foreclosure or deed in lieu of foreclosure and this Regulatory Agreement has not been terminated pursuant to Section 14 below, consent of the City and delivery of items (a) through (h) above shall be required for any transfer of the Project subsequent to the Fiscal Agent's acquisition of the Project by foreclosure or deed in lieu of foreclosure.

Notwithstanding anything to the contrary contained herein, the interest of the Borrower's Equity Investor shall, with prior written notice to the City, be transferable under this Regulatory Agreement to any affiliate of the Equity Investor, without the consent of the City and/or the Fiscal Agent but with prior written notice thereto.

The Borrower acknowledges and recognizes that in addition to the above requirements the consent of CDLAC, in the manner and to the extent as may at the time be required by CDLAC, among other parties, may be required in connection with any transfer of the Project.

Section 14. Term. This Regulatory Agreement and all and each of the provisions hereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the periods provided herein and, except as otherwise provided in this Section 14, shall terminate in its entirety at the end of the Qualified Project Period (or such later date provided in Section 33 hereof pursuant to the CDLAC Resolution, which imposes restrictions for a term of at least 55 years), it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Note, discharge of the Loan and termination of the Funding Loan Agreement and the Loan Agreement.

Notwithstanding the foregoing, the provisions of Section 9 hereof shall, in the case of the Fiscal Agent, survive the term of this Regulatory Agreement or the replacement of the Fiscal Agent, but only as to claims arising from events occurring during the term of this Regulatory Agreement or the Fiscal Agent's tenure as Fiscal Agent under the Funding Loan Agreement, and shall, in the case of the City, survive the term of this Regulatory Agreement, but only as to claims arising from events occurring during the term of this Regulatory Agreement.

The terms of this Regulatory Agreement notwithstanding, this Regulatory Agreement and all the requirements set forth herein (except Section 9 as aforesaid) shall terminate and be of no further force and effect in the event of (a) involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date which prevents the City or the Fiscal Agent from enforcing the provisions hereof, or (b) condemnation, foreclosure, delivery of a deed in lieu of foreclosure or a similar event, but only if, within a reasonable period thereafter, either the portion of the Note attributable to the affected portion of the Project is retired or amounts received as a consequence of such event are used to provide a project which meets the requirements of the Code set forth in Sections 2 through 6 of this Regulatory Agreement and provided that, in

either case, an opinion of Bond Counsel (unless waived by the City) is delivered to the Fiscal Agent to the effect that the exclusion from gross income for federal income tax purposes of interest on the Note will not be adversely affected thereby. The provisions of the preceding sentence shall cease to apply and the requirements referred to therein shall be reinstated if, at any time during the Qualified Project Period after the termination of such requirements as a result of involuntary noncompliance due to foreclosure, transfer of title by deed in lieu of foreclosure or similar event, the Borrower or any “related party” (within the meaning of Section 1.150-1(b) of the Regulations) or “related person” (defined in Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any related party as described above will obtain an ownership interest in the Project for tax purposes.

Upon the termination of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 15. Covenants to Run with the Land. The Borrower hereby subjects its interest in the Project (including the Project Site) to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower’s successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. The City and, if necessary, the Fiscal Agent, agree to execute a quitclaim deed or other documents required to remove this Regulatory Agreement from title after the covenants, agreements and restrictions herein have expired. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

No breach of any of the provisions of this Regulatory Agreement shall impair, defeat or render invalid the lien of any security instrument, deed of trust or like encumbrance made in good faith and for value encumbering the Project or any portion thereof.

Section 16. Burden and Benefit. The City and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Borrower’s fee interest in the Project is rendered less valuable thereby. The City and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Note was issued. Notwithstanding the foregoing or any other provision of this Regulatory Agreement, no person, other than the parties hereto, shall have any rights of enforcement of this Regulatory Agreement.

Section 17. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Project Site.

Section 18. Default; Enforcement. If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given by the City to the Borrower, then the City shall declare an “Event of Default” to have occurred hereunder; provided, however, that if the default stated in the notice is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said 60 days and diligently pursues such action until the default is corrected and (ii) in the opinion of Bond Counsel, the failure to cure said default within 60 days will not adversely affect the Tax-exempt status of interest on the Note. The Fiscal Agent hereby consents to any correction of the default by the City on behalf of the Borrower. The City and the Fiscal Agent hereby consent to any correction of a default on the part of the Borrower hereunder made by the Equity Investor on behalf of the Borrower within the time periods provided in this Section. Copies of any notices sent to the Borrower hereunder shall simultaneously be sent to the Equity Investor at the address set forth in Section 23 and the Equity Investor or its designee shall have the right to cure any Borrower default hereunder to the same extent and with the same cure periods afforded the Borrower and such cure shall be accepted or denied on the same basis as if made or tendered by the Borrower.

Following the declaration of an Event of Default hereunder, the Fiscal Agent, as directed by the City and subject to the provisions of the Funding Loan Agreement relative to the Fiscal Agent’s duty to exercise remedies generally, or the City may, at its option, take any one or more of the following steps:

- (a) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City or the Fiscal Agent hereunder;
- (b) have access to and inspect, examine and make copies of all or any portion of the books and records of the Borrower pertaining to the Project; and
- (c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

During the Qualified Project Period, the Borrower hereby grants to the City the option, upon either (a) the expiration of 60 days after the giving of the notice to the Borrower referred to in the first paragraph of this Section 18 of the Borrower’s default under this Regulatory Agreement or (b) the vacancy of a Low Income Unit for more than six months and the submission by the City to the Borrower during such six-month or longer period of at least five proposed tenants which meet the qualifications of Low Income Tenants and the qualifications of a reasonable landlord, to lease up to 40% of the units in the Project for a rental of \$1.00 per unit per year for the sole purpose of subleasing such units to Low Income Tenants for a period of not less than six months, but only to the extent necessary to comply with the provisions of Sections 2 through 7 of this Regulatory

Agreement and to insure full occupancy of the Low Income Units. The option granted in the preceding sentence shall be effective only if the Borrower, the Equity Investor or the Fiscal Agent has not instituted corrective action before the end of such 60-day period referenced in (a) above, or the Borrower has not rented the unit during the six-month or longer period referenced in (b) above, to a qualified Low Income Tenant. The option and any leases to the City under this provision shall terminate with respect to each default upon the achievement, by the Borrower, the Fiscal Agent or the City, of compliance with the requirements of Sections 2 through 7 hereof, and any subleases entered into pursuant to the City's option shall be deemed to be leases from the Borrower. The City shall make diligent effort, but shall not be required, to rent Low Income Units to Low Income Tenants at the highest rents practicable, subject to the limits of Sections 5, 6 and 7 hereof. Any rental paid under any such sublease shall be paid to the Borrower after the City has been reimbursed for any reasonable expenses incurred in connection with such sublease, provided that, if the Borrower is in default under the Loan Agreement, such rental shall be paid to the Fiscal Agent for credit against payments due under the Loan Agreement. The Fiscal Agent shall have the right, as directed by the City, in accordance with this Section 18 and the provisions of the Funding Loan Agreement, to exercise any or all of the rights or remedies of the City hereunder, provided that prior to taking any such action the Fiscal Agent shall give the City written notice of its intended action. All reasonable fees, costs and expenses of the City and the Fiscal Agent incurred in taking any action pursuant to this Section 18 shall be the sole responsibility of the Borrower.

After the Funding Loan Agreement has been discharged, the City may act on its own behalf to declare an "Event of Default" to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Fiscal Agent.

The obligations of the Borrower hereunder are not secured by a lien on the Project and the Loan shall not be accelerated as a result of any default hereunder. The Borrower hereby agrees that specific enforcement of the Borrower's agreements contained herein is the only means by which the City may obtain the benefits of such agreements made by the Borrower herein and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any default by the Borrower hereunder.

The occurrence of a Determination of Taxability shall not, in and of itself, constitute a default hereunder.

Section 19. The Fiscal Agent. The Fiscal Agent shall act as specifically provided herein and in the Funding Loan Agreement. The Fiscal Agent is entering into this Regulatory Agreement solely in its capacity as fiscal agent under the Funding Loan Agreement, and the duties, powers, rights and liabilities of the Fiscal Agent in acting hereunder shall be subject to the provisions of the Funding Loan Agreement.

The City shall be responsible for monitoring and verifying compliance by the Borrower with the terms of this Regulatory Agreement. The Fiscal Agent may at all times assume compliance with this Regulatory Agreement unless otherwise notified in writing by the City, or unless it has actual knowledge of noncompliance.

After the date on which no principal of the Note remains outstanding as provided in the Funding Loan Agreement, the Fiscal Agent shall no longer have any duties or responsibilities under this Regulatory Agreement and all references to the Fiscal Agent in this Regulatory Agreement shall be deemed references to the City.

Section 20. Recording and Filing. The Borrower shall cause this Regulatory Agreement, and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the City or the Fiscal Agent may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording. This Regulatory Agreement shall be recorded in the grantor-grantee index to the name of the Borrower as grantor and the City as grantee.

Section 21. Governing Law. This Regulatory Agreement shall be governed by the laws of the State of California. The Fiscal Agent's rights, duties and obligations hereunder are governed in their entirety by the terms and provisions of the Funding Loan Agreement.

Section 22. Amendments. Except as provided in Section 33(e), this Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County of Los Angeles, California, and only upon receipt by the City of an opinion from Bond Counsel that such amendment will not adversely affect the Tax-exempt status of interest on the Note and is not contrary to the provisions of the Law or the Act and with the written consent of the Fiscal Agent.

The City, the Fiscal Agent and the Borrower hereby agree to amend this Regulatory Agreement to the extent required, in the opinion of Bond Counsel (subject to the approval of the City Attorney of the City), in order that interest on the Note remains Tax-exempt. The party or parties requesting such amendment shall notify the other parties to this Regulatory Agreement of the proposed amendment, with a copy of such requested amendment to Bond Counsel and the City Attorney of the City and a request that such Bond Counsel render to the City an opinion as to the effect of such proposed amendment upon the Tax-exempt status of interest on the Note.

Section 23. Notices. Any notice required to be given hereunder shall be made in writing and shall be given by personal delivery, certified or registered mail, postage prepaid, return receipt requested, at the addresses specified below, or at such other addresses as may be specified in writing by the parties hereto:

If any provision of this Regulatory Agreement or if the applicability of any such provision shall be invalid, illegal or unenforceable, the validity, legality, enforceability, or applicability with respect to the validity, legality and enforceability, of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 25. Multiple Counterparts. This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 26. Nondiscrimination and Affirmative Action. The Fiscal Agent and the Borrower shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the City. The Fiscal Agent and the Borrower shall not discriminate in their employment practices against any employee or applicant for employment; denial of family and medical care leave; denial of pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. The Fiscal Agent and the Borrower shall comply with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 C.F.R. Part 60). The Fiscal Agent and the Borrower shall comply with the provisions of the Los Angeles Administrative Code Sections 10.8 through 10.13, to the extent applicable hereto. The affirmative action program of the Fiscal Agent and the Borrower shall include the mandatory contract provisions set forth in the Los Angeles Administrative Code Section 10.8.4, and said provisions are incorporated herein by this reference. The Borrower and the Fiscal Agent shall also comply with all rules, regulations, and policies of the City of Los Angeles' Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action, including the filing of all forms required by the City. Any subcontract entered into by the Borrower or the Fiscal Agent relating to this Regulatory Agreement, to the extent allowed hereunder, shall be subject to the provisions of this section. No

person shall on the grounds of race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this Regulatory Agreement. For purposes of this Section, Title 24 Code of Federal Regulations Part 107 and Section 570.601(b) define specific discriminatory actions that are prohibited and corrective action that shall be taken in a situation as defined therein.

Section 27. Business Tax Registration Certificate. Subject to any exemption available to it, the Fiscal Agent and the Borrower each represent that it will obtain and hold the Business Tax Registration Certificate(s) required by the City's Business Tax Ordinance (Article 1, Chapter 2, Section 21.00 and following, of the Los Angeles Municipal Code). For the term covered by this Regulatory Agreement, each of the Fiscal Agent and the Borrower shall maintain, or obtain as necessary, all such Business Tax Registration Certificates required of it under said Ordinance and shall not allow any such Business Tax Registration Certificate to be revoked or suspended.

Section 28. Financial Obligations Personal to Borrower. The City acknowledges that the Project shall be encumbered by the Note Documents. Notwithstanding any provisions of this Regulatory Agreement to the contrary, all obligations of the Borrower under this Regulatory Agreement for the payment of money and all claims for damages against the Borrower occasioned by breach or alleged breach by the Borrower of its obligations under this Regulatory Agreement, including indemnification obligations, shall not be a lien on the Project and no Person shall have the right to enforce such obligations other than directly against the Borrower as provided in Section 18 of this Regulatory Agreement, except that the City shall have the right at all times to enforce the rights contained in the third paragraph of Section 18 hereof. No subsequent owner of the Project shall be liable or obligated for the breach or default of any obligations of the Borrower under this Regulatory Agreement on the part of any prior Borrower, including, but not limited to, any payment or indemnification obligation. Such obligations are personal to the Person who was the Borrower at the time the default or breach was alleged to have occurred and such Person shall remain liable for any and all damages occasioned thereby even after such Person ceases to be the Borrower. Each Borrower shall comply with and be fully liable for all obligations of an "owner" hereunder during its period of ownership.

Section 29. [Reserved].

Section 30. Child Support Assignment Orders. This Regulatory Agreement is subject to Section 10.10 of the Los Angeles Administrative Code, Child Support Assignment Orders Ordinance. Pursuant to this Ordinance, each of the Borrower and the Fiscal Agent certifies that (a) it will fully comply with all State and federal employment reporting requirements applicable to Child Support Assignment Orders; (b) the principal owner(s) of the Borrower are in compliance with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally; (c) it will fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with California Family Code Section 5230 et seq.; and (d) it will maintain such compliance throughout the term of this Regulatory Agreement. Pursuant to Section 10.10.b of the Los Angeles Administrative Code, failure of the Borrower or the Fiscal Agent to comply with all applicable reporting requirements or to implement lawfully served Wage

and Earnings Assignment Orders and Notices of Assignment or the failure of any principal owner(s) of the Borrower or the Fiscal Agent to comply with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally shall constitute a default by the Borrower or the Fiscal Agent, as appropriate, under the terms of this Regulatory Agreement, subjecting (i) the Borrower to the remedies provided herein and (ii) the Fiscal Agent to termination under the Funding Loan Agreement where, in either case, such failure shall continue for more than 90 days after notice of such failure to the Borrower or the Fiscal Agent by the City. Any subcontract entered into by the Borrower or the Fiscal Agent relating to this Regulatory Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph and shall incorporate the provisions of the Child Support Assignment Orders Ordinance. Failure of the Borrower or the Fiscal Agent to obtain compliance of its subcontractors shall constitute a default by the Borrower or the Fiscal Agent, as appropriate, under the terms of this Regulatory Agreement, subjecting (A) the Borrower to the remedies provided herein and (B) the Fiscal Agent to termination under the Funding Loan Agreement where such failure shall continue for more than 90 days after notice of such failure to the Borrower or the Fiscal Agent by the City.

The Borrower and the Fiscal Agent shall comply with the Child Support Compliance Act of 1998 of the State of California Employment Development Department. The Borrower and the Fiscal Agent each assures that to the best of its knowledge it is fully complying with the earnings assignment orders of all employees, and is providing the names of all new employees to the New Hire Registry maintained by the Employment Development Department as set forth in subdivision (b) of Section 7110 of the Public Contract Code.

Section 31. Americans with Disabilities Act. The Borrower and the Fiscal Agent each hereby certifies that it and any contractor and subcontractor will comply with the Accessibility Laws (as defined in Exhibit I). The Borrower and any contractor and subcontractor will provide reasonable accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services, and activities in accordance with the applicable provisions of the ADA, the ADAAG, Section 504, the UFAS, the FHA (each as defined in Exhibit I) and all subsequent amendments. The Borrower, the Fiscal Agent and each and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship to or association with a person with a disability. Any contract and subcontract entered into by the Borrower or the Fiscal Agent, relating to this Regulatory Agreement and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph. The Borrower hereby agrees to observe all of the covenants contained in Exhibit I to this Regulatory Agreement as if contained herein.

Section 32. Slavery Disclosure Ordinance. This Regulatory Agreement is subject to the Slavery Disclosure Ordinance, Section 10.41 et seq., of the Los Angeles Administrative Code, as amended from time to time. Any subcontract entered into by the Borrower for work to be performed under this Regulatory Agreement must include an identical provision to this Section 32. The Borrower acknowledges and agrees that failure to fully and accurately complete the required affidavit and disclosures of such ordinance may result in a default under this Regulatory Agreement.

Section 33. Requirements of CDLAC. In addition to other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 2 through 6 hereof, the

Borrower hereby agrees to comply with each of the requirements of CDLAC set forth in this Section 33, as follows:

(a) The Borrower shall comply with the conditions set forth in Exhibit A to the CDLAC Resolution (the “CDLAC Conditions”), as they may be modified or amended from time to time, which conditions are incorporated herein by reference and made a part hereof and are attached hereto as Exhibit G. Notwithstanding anything to the contrary herein, the provisions of this Section 33 shall remain effective for the period specified in the CDLAC Conditions, unless this Regulatory Agreement shall terminate as otherwise provided in Section 14 hereof.

(b) The Borrower acknowledges that the City shall monitor the Borrower’s compliance with the terms of the CDLAC Conditions. The Borrower will cooperate fully with the City in connection with such monitoring and reporting requirements as provided herein. Compliance with the terms of the CDLAC Conditions not contained within this Regulatory Agreement, but referred to in the CDLAC Conditions is the responsibility of the Borrower to report to the City.

(i) The Borrower shall prepare and deliver a Certificate of CDLAC Program Compliance pursuant to the terms of the CDLAC Conditions. The Borrower acknowledges that the Borrower will prepare and submit to the City not later than January 15 of each year, and the City will submit to CDLAC not later than March 1 of each year, until the Borrower has submitted to the City and CDLAC a Construction Completion Certificate, and on March 1 every three years thereafter (such that the next succeeding year shall be the beginning of each such three-year period) until the end of the Qualified Project Period, a Certificate of CDLAC Program Compliance, executed by an Authorized Borrower Representative.

(ii) The Borrower shall prepare and deliver a Self-Certification Certificate pursuant to the terms of the CDLAC Conditions. The Borrower acknowledges that the Borrower will prepare and submit to the City, not later than January 15 of each year, and the City will submit to CDLAC, not later than March 1 of each year, until the Borrower has submitted to the City and CDLAC a Construction Completion Certificate, and on March 1 every three years thereafter (such that the next succeeding year shall be the beginning of each such three-year period) until the end of the Qualified Project Period, a Self-Certification Certificate in the form provided by CDLAC.

(iii) Within 30 days following the completion of the Project, the Borrower will prepare and submit to the City, the Fiscal Agent and CDLAC, a Construction Completion Certificate. Following the submission of the Construction Completion Certificate, the Borrower will prepare and submit to the City, not later than January 15 every three years thereafter until the end of the Compliance Period, a California Tax Credit Allocation Committee Project Status Report or equivalent documentation in substantially the form required or otherwise provided by CDLAC from time to time.

(c) Except as otherwise provided in Section 14 of this Regulatory Agreement, this Regulatory Agreement shall terminate on the date 55 years after the date on which at least 50% of the units in the Project are first occupied or such later date as the Qualified Project Period shall begin, as required by the CDLAC Conditions.

(d) The Borrower shall notify CDLAC in writing of: (i) any change in ownership of the Project, (ii) any change in the issuer of the Note, (iii) any change in the name of the Project or the Project manager; (iv) any default under the Funding Loan Agreement, the Loan Agreement or this Regulatory Agreement; or (v) termination of this Regulatory Agreement.

(e) Any of the foregoing requirements of CDLAC contained in this Section 33 may be expressly waived by CDLAC, in its sole discretion, in writing, but (i) no waiver by CDLAC of any requirement of this Section 33 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the City has received an opinion of Bond Counsel that any such provision is not required by the Code, the Act and the Law and may be waived without adversely affecting the exclusion from gross income of interest on the Note for federal income tax purposes; and (ii) any requirement of this Section 33 shall be void and of no force and effect if the City and the Borrower receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Note to cease to be Tax-exempt or to the effect that compliance with such requirement would be in conflict with the Code, the Act, the Law or any other state or federal law.

(f) CDLAC is intended to be and is a third-party beneficiary of this Regulatory Agreement, and CDLAC shall have the right (but not the obligation) to enforce, separately or jointly with the City and/or the Fiscal Agent or to cause the City or the Fiscal Agent to enforce, the provisions of Section 33 of this Regulatory Agreement and to pursue an action for specific performance of such provisions or other available remedy at law or in equity in accordance with Section 18 hereof, provided that any such action or remedy shall not materially adversely affect the interests and rights of the Noteholder and shall otherwise be subject to the terms, conditions and limitations applicable to the enforcement of remedies under this Regulatory Agreement.

(g) CDLAC shall have the right, but not the obligation, to deliver revised CDLAC Conditions to the Borrower after the Closing Date or the 2024 Closing Date, as applicable, at any time, that are not more restrictive than the original CDLAC Conditions; provided however, that: (i) any changes in the terms and conditions of the CDLAC Conditions prior to the recordation against the Project in the real property records of Los Angeles County, California, of a regulatory agreement between the Borrower and the California Tax Credit Allocation Committee ("TCAC Regulatory Agreement") shall be limited to such changes as are necessary to correct any factual errors or to otherwise conform the CDLAC Conditions to any change in facts or circumstances applicable to the Borrower or the Project; and (ii) after recordation of the TCAC Regulatory Agreement, any changes in the terms and conditions of the CDLAC Conditions shall be limited to such changes as are necessary to conform Items 1, 6, 7, 10, 11, 12, 14, 15, 16, 18, 19, 20, 21, 22, 23, 24, 25, 26, or 37 of Exhibit A to the CDLAC Conditions to any change in terms

and conditions requested by the Borrower, with the prior written consent of the Funding Lender, which will not be unreasonably withheld, and approved by CDLAC. The City may, in its sole and absolute discretion, require the Borrower to enter into an amendment to this Regulatory Agreement reflecting the revised CDLAC Conditions, which amendment shall be executed by the parties hereto or their successor in title and duly recorded in the real property records of the County of Los Angeles. The Borrower shall pay any costs and expenses in connection therewith and provide CDLAC with a copy of that recorded amendment reflecting the revised CDLAC Conditions. Where the consent of the Funding Lender is not required, the Borrower shall provide notice to the Funding Lender of any revisions to the CDLAC Conditions.

Section 34. Pet Ownership in Publicly-Financed Housing Developments. The Borrower shall comply with the Pet Ownership in Publicly-Financed Housing Developments Ordinance, Los Angeles Municipal Code Sections 51.20., et seq., as amended from time to time.

Section 35. Disclosure of Border Wall Contracting Ordinance. The Borrower and the Fiscal Agent shall comply with Los Angeles Administrative Code Section 10.50 et seq., “Disclosure of Border Wall Contracting”. The City may declare a default under this Regulatory Agreement if the City determines that the Fiscal Agent or the Borrower failed to fully and accurately complete the required affidavit and disclose all Border Wall Bids and Border Wall Contracts, as defined in Los Angeles Administrative Code Section 10.50.1.

Section 36. Amendment to 2022 Regulatory Agreement. The terms of this Regulatory Agreement amend and restate the terms of the 2022 Regulatory Agreement in whole as of the date hereof.

Section 1. Definitions. Terms not otherwise defined herein shall have the meanings assigned thereto in the Regulatory Agreement as applicable, provided they do not conflict with the terms defined or referenced herein. The definitions contained in the implementing regulations for Section 504 of the Fair Housing Act (“Section 504”) and the ADA are incorporated by reference. *See* 24 C.F.R. §§ 8.3, 100.20; 28 C.F.R. § 35.104. The following terms shall have the respective meanings assigned to them in this Section unless the context in which they are used clearly requires otherwise:

“Accessible,” when used with respect to a Housing Unit or a Housing Development, means and refers to full compliance with the requirements of the Accessibility Standards.

“Accessible Housing Development” means a Housing Development that is Accessible, including Accessible public and common use areas, as well as the number and type of Accessible Housing Units that are required to be Accessible by the Covenants.

“Accessible Housing Units” or “Accessible Unit” refers collectively to Housing Units with Mobility Features and Housing Units with Hearing/Vision Features that are Accessible, on an Accessible Route, and in an Accessible Housing Development.

“Accessibility Laws” means Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794 et seq.; the Americans with Disabilities Act (“ADA”), 42 U.S.C. § 12131, et seq.; California Government Code Section 11135 et seq.; the federal Fair Housing Act of 1968, as amended (“FHA”), 42 U.S.C. §§ 3601-3620; implementing regulations and design standards for each of the preceding statutes; and the California Building Code. In all instances, the requirements of the Federal Accessibility Laws shall supersede any state or local requirements, unless the state or local requirements are stricter than the Federal requirements.

“Accessibility Standards” means the following compliance standards:

For purposes of Section 504 and the ADA:

- a. For Housing Developments constructed or substantially altered before March 15, 2012:
 - i. The new construction requirements of 24 C.F.R. pt. 8, including 24 C.F.R. §§ 8.4(d), 8.22, 8.26, and 8.32 as well as the new construction requirements of UFAS, or their successor standards.
- b. For Housing Developments constructed or substantially altered on or after March 15, 2012:

- ii. Any future accessibility standard and other regulatory requirements applicable to newly constructed facilities in federally-assisted programs that may be adopted in a final rule issued by the U.S. Department of Housing and Urban Development (“HUD”) pursuant to notice and comment rulemaking under Section 504 so long as such accessibility standard and regulatory requirements do not provide for less accessibility for persons with disabilities than either a or b;

For purposes of the FHA:

- a. Compliance with the standards set forth in 24 C.F.R. § 100.205, including: the requirements in ANSI A117.1-1998, the Fair Housing Accessibility Guidelines, March 6, 1991, in conjunction with the Supplement to Notice of Fair Housing Accessibility Guidelines: Questions and Answers About the Guidelines, June 28, 1994, and the Fair Housing Accessibility Act Design Manual, Revised April 1998.

Section 2. Borrower Obligations. The Borrower represents, warrants, covenants and agrees as follows:

- a. A State of California Certified Access Specialist (“CASp”) who is a licensed architect or engineer must be identified as part of the development team. A list of CASps can be found at the following link: https://www.apps2.dgs.ca.gov/DSA/casp/casp_certified_list.aspx. The CASp cannot be the architect of record for the Project. The cost of CASp activities and certifications should be included in the application’s project budget.
- b. The Housing Development shall be constructed in accordance with the Accessibility Standards in Section 1 above to ensure accessibility for persons with disabilities. The Borrower must work with their CASp to ensure that the Housing Development complies with those Accessibility Standards.

- c. An accessibility report by a CASp inspector certifying that the Housing Development is in compliance with all applicable Accessibility Standards, as defined in Section 1, above, must be submitted to and approved by LAHD at the following phases of the Project development:
 - 1. Accessibility Design Review Report and a pdf copy of the plans are due for review by LAHD when construction documents have been developed, and prior to the submission of plans to Los Angeles Building and Safety Department;
 - 2. The Accessibility Design Review Report must be approved by LAHD before building permits can be issued;
 - 3. Accessibility Progress Inspection Reports conducted after all rough inspections have been signed off by the Los Angeles Building and Safety Department and prior to closing of walls; and
 - 4. LAHD will not issue a clearance for of issuance of a certificate of occupancy or final building permit sign off by the Los Angeles Building and Safety Department and release of a final retention payment unless: (a) corrections issued by LAHD are completed and approved; (b) LAHD approves the final Accessibility Report from CASp for the Project; (c) expert recommendation and City certification of compliance with applicable accessibility requirements are issued; and (d) neutral accessibility consultant verification and City certification of compliance with applicable accessibility requirements are issued.
- d. Applicants/developers/Borrowers must list all applicable accessibility standards on title page of plans, including the designated FHA Safe Harbor for the Project, and include the following note: *“This is a publicly funded housing project and must comply with federal accessibility standards and California Building Code Chapters 11A & 11B.”*
- e. If the Development is to be rehabilitated, accessibility retrofits of the Housing Development shall take place concurrently with any Project rehabilitation in compliance with the Accessibility Standards, including federal accessibility standards.
- f. The Accessible Units shall be prioritized for persons with disabilities who have a disability-related need for the accessibility features of the Accessible Unit. If an Accessible Unit is occupied by residents without disabilities, the Borrower shall require use of a lease addendum to require such residents to relocate to a vacant, non-accessible unit of comparable size, finishes, and amenities, at the same Development at the Development’s expense, within thirty (30) days of notice by the Borrower or Property Management Agent, or the minimum amount of notice required by state law, that there is an

eligible applicant or existing resident with a disability who requires the accessibility features of the unit.

- g. Eleven percent (11%) of the total Housing Units in the Housing Development shall be constructed and maintained by the Borrower as Housing Units with Mobility Features.
- h. An additional four percent (4%) of the total Housing Units in the Housing Development shall be constructed and maintained by the Borrower as Housing Units with Hearing/Vision Features.
- i. The 4% and 11% calculations shall each be based on the total number of Housing Units in the Housing Development. In determining the number of Accessible Units required, any fractions of units shall be rounded up to the next whole number. Required Accessible Units shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout projects and sites, and shall be available in a sufficient range of sizes and amenities so that a qualified individual with a disability has a choice of living arrangements that is, as a whole, comparable to that of other persons eligible for housing assistance under the same program.
- j. While additional Accessible Housing Units may be provided, *i.e.*, up to twenty percent (20%), no more than fifteen percent (15%) of the Housing Units in any Housing Development may be counted toward the target number of Accessible Housing Units that the City must provide pursuant to the Voluntary Compliance Agreement (VCA) with HUD (specifically, no more than eleven percent (11%) of the Housing Units in any Housing Development with Mobility Features and no more than four percent (4%) Housing Units in any Housing Development with Hearing/Vision Features) unless HUD provides specific written authorization.
- k. The Accessible Units shall be affordable for households pursuant to the terms of the Note Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications.
- l. The Project shall comply with the City's Accessibility Regulations Matrix & Overview, Accessible Design/Construction Compliance Requirements, and the Accessibility Report Requirements, which may be amended from time-to-time.
- m. The Borrower shall adopt and comply with the City's Fair Housing Policy Related to Disability, as amended.
- n. The Borrower and property managers (including resident managers and on-site managers) of the Housing Development shall attend the City's Fair Housing for People with Disabilities workshops.

- o. The Borrower shall register the Housing Development on the City's Affordable and Accessible Housing Registry ("AAHR") located at <http://lahousing.lacity.org>, and utilize the AAHR to provide and update required information about the Housing Development and the Accessible Units, allow people with disabilities to apply for the Accessible Units when they become available and to place themselves on the waiting list for the Accessible Units, and comply with all other requirements of the AAHR.
- p. Following reasonable notice to the Borrower, Borrower shall allow the City to conduct periodic on-site inspections of the Housing Development in order to verify compliance with the Accessibility Standards and the City's Fair Housing Policy Related to Disability.
- q. The Housing Development as a whole and all Housing Units shall meet the requirements of the Accessibility Standards as defined in Section 1, above, and any requirements of the City, provided such requirements minimally meet and do not diminish the requirements of the Accessibility Standards.
- r. The Borrower shall provide a list to the City of all Accessible Units with unit number, bedroom size and type of Accessible Unit ("Housing Unit with Hearing/Vision Features" or "Housing Unit with Mobility Features").

Section 3. Occupancy of Accessible Housing Units. The Borrower shall follow the requirements of Section 504 and its implementing regulations at 24 C.F.R. Part 8, as well as the City's Fair Housing Policy Related to Disability to assure that information regarding the availability of Accessible Units reaches eligible individuals with disabilities. The Borrower will take reasonable, nondiscriminatory steps to maximize the utilization of such units by eligible individuals who require the accessibility features of the particular unit. To this end, the Borrower will take the following steps when an Accessible Unit becomes vacant:

- a. First, the Borrower will offer the Accessible Unit to a current occupant of the Housing Development who needs the features of an Accessible Unit;
- b. Second, the Borrower will offer the Accessible Unit to a current occupant of a Housing Development under common control who needs the features of an Accessible Unit;
- c. Third, the Borrower will offer the Accessible Unit to an eligible, qualified applicant on the waiting list for Accessible Housing Units who needs the features of an Accessible Unit;
- d. Fourth, the Borrower will offer the Accessible Unit to a current tenant of a Covered Housing Development who needs the accessible features of the Accessible Unit and are registered with the AAHR; and
- e. Fifth, Borrower will offer the unit to qualified applicants who need the accessible features of the Accessible Unit and are registered with the AAHR.

- f. If there are no eligible current tenants or applicants in need of Accessible features, then the Borrower must conduct targeted outreach and marketing to advertise the unit to qualified individuals who need the accessible features, including listing it as available to individuals who need the accessible features at <http://www.lahousing.lacity.org>, distributing the information about the accessible vacancy in accord with the Borrower's City approved Property Management Plan, distributing it to the most recent list from the City of organizations that serve people with disabilities, and sending an e-blast to parties on the <http://www.lahousing.lacity.org> website Outreach List. All such communications shall take appropriate steps to ensure effective communication with individuals with disabilities by utilizing appropriate auxiliary aids and services, such as the use of accessible websites and emails. Outreach efforts to the disability community shall include, but not be limited to, notices and other communications describing the availability of such Accessible Units, specific information regarding the features of Accessible Units, eligibility criteria, and application procedures. These, and additional procedures, are incorporated into the City's Fair Housing Policy Related to Disability, as amended.

In the event more than one household has requested an Accessible Unit, the Borrower shall offer the Accessible Unit to households in order on the appropriate waiting list within each category.

If, after using the process identified above, there are no households who need the features of that Accessible Unit, then the Borrower may offer the Accessible Unit to the next household on the conventional waiting list. Should that household choose not to occupy the Accessible Unit, they will remain at the same position on the conventional waiting list. If the household chooses to occupy the Accessible Unit, the tenant must sign a lease addendum in the form approved by the City. The lease addendum requires the household to move to the next available, comparable, conventional unit, when given appropriate notice by the Housing Development that there is an eligible applicant or existing resident with a disability who requires the accessibility features of that Accessible Unit.

For individuals who are required to vacate an Accessible Unit because it is needed by an individual with a disability, the Borrower will pay the costs of the transfer to a comparable conventional unit, including new utility deposit(s), if required, and reasonable moving expenses.

Section 4. Rental Policies. The Borrower shall adopt the City's rental policies that meet the requirements of Section 504, the ADA, the FHA, FEHA, and other federal and state laws and regulations as applicable, and of the Fair Housing Policy Related to Disability of the City, as amended. The Borrower shall develop and utilize a Property Management Plan ("PMP"), approved by the City, which describes affirmative marketing, tenanting, and other procedures to ensure that the Housing Development meets all of the civil rights requirements for individuals with disabilities.

Rental applications will include a section to be filled out by applicants to identify whether they are requesting an Accessible Unit or a Reasonable Accommodation. Applicants will not be required to disclose a disability under any circumstances, and the Borrower shall seek information to be disclosed limited to only what is necessary to establish the disability-related need for the requested accommodation. If both the disability and disability-related need for the requested accommodation are obvious or already known, no additional information may be sought by the Borrower. Applicants and residents may request a Reasonable Accommodation at any time.

Section 5. Residential Rental Property. The Borrower hereby represents, covenants, warrants and agrees as follows:

- a. All of the Housing Units in the Housing Development will be similarly constructed units, and each income restricted unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities, equipped with a cooking range and oven, a sink and a refrigerator. Each of the Accessible Units shall also comply with these requirements. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.
- b. All of the Housing Units (which shall not include any manager units) will be available for rental on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the housing units in the Project, except to the extent that: (1) Accessible Housing Units shall be made available on a priority basis to persons who need the accessible features, as described in Section 3 above; (2) any Housing Units are required to be leased or rented to low income tenants or persons 62 years of age and older, (3) the requirements of any regulatory agreement executed between the Borrower and HUD or between the Borrower and a subordinate lender (including the City), (4) the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, and (5) any preference the Borrower may legally provide pursuant to applicable federal and state law.

Section 6. Monitoring Requirements. The City will monitor the initial production and ongoing occupancy of the Accessible Units and the Housing Development to ensure full compliance with the Accessibility Standards, the Fair Housing Policy Related to Disability and the policies in Sections 1 - 4, above. In order to determine compliance with the Accessibility Standards, the Borrower shall submit and the City shall review and approve a CASp Inspection Report of the Housing Development that identifies the necessary and required design elements to make the Housing Units and site accessible for individuals with disabilities. The City shall inspect the construction and/or rehabilitation to verify that the legally required number of Accessible Units have been produced and that the necessary and required design elements have been constructed to

make the Housing Units and site accessible for individuals with disabilities and supported by an independent CASp consultant's report.

The City will utilize the Housing Development's City approved PMP and Fair Housing Policy Related to Disability to monitor ongoing occupancy compliance of the Accessible Units and nondiscrimination of individuals with disabilities. Compliance with the policies shall include, but not be limited to, target marketing, establishing and monitoring a waiting list specific to the Accessible Units, appropriately responding to Reasonable Accommodation requests, implementation of the assistance animal policies, implementation of the policies for re-leasing vacant Accessible Units, and all elements contained in the Fair Housing Policy Related to Disability, as amended.

Section 7. Maintenance of Records. With respect to the Covenants, the Borrower agrees to keep and maintain books, accounts, reports, files, records, and other documents pursuant to the terms of the Note Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications.

Section 8. Notices, Demands, Payments and Communication. Formal notices, demands, payments and communications between the City and the Borrower shall be sufficiently given and shall not be given unless dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally pursuant to the Notice provisions in the Funding Loan Agreement.

Section 9. Term of the Covenants. The Covenants shall be recorded with the Regulatory Agreement upon its execution and shall terminate in accordance with the most restrictive provisions of the Note Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Note.

Section 10. Covenant to Run with the Land. The Borrower hereby subjects the Project to the covenants, reservations, and restrictions set forth in the Covenants. The City and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project. Each and every contract, deed, or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations, and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. In particular, this Covenant is subject to the requirements of HUD's Section 504 regulation at 24 C.F.R. § 8.50(c).

Section 11. Default; Enforcement. As part of ensuring compliance with the Accessibility Covenants, the Accessibility Standards, and the Fair Housing Policy Related to Disability, the City or its agent, will conduct periodic on-site visits inspecting the Housing Development, which inspections may include inspecting the Housing Units and common areas, tenant files, logs and other records. Should the Borrower fail to comply, the City will first issue an Order to Comply ("Order") stating the element of the Housing Development that is out of compliance, and providing a date by which the Borrower must comply. The Order shall give the Borrower not more than

30 days to correct the violation, or such additional time as the City may grant if the Borrower is taking steps to correct the violation (“Compliance Date”), and diligently pursues such action until the default is corrected, which extension is in the City’s sole discretion. The City shall re-inspect the Housing Development within 10 days of the Compliance Date specified in the Order or any extension, however failure to inspect or re-inspect within the time frame does not remove the obligation of the Borrower to comply with the Order.

If the Order is issued and the violation continues to exist after the Compliance Date, then the City shall declare an “Event of Default” and may take any one or more of the following steps:

- a. **Inspection Fee for Non-Compliance.** In the event the Borrower fails to comply with the Order within the Compliance Date, the Borrower shall be liable for subsequent inspection fees in the amount approved by City Council until compliance has been achieved. Failure to pay the assessed inspection fee within 30 days of the date of invoice, will result in a late charge equal to or two times the fees and a collection fee equal to 50 percent of the original fee shall be imposed if any fee imposed is not paid within 30 days of service of notice of the imposition of the fee.

The late fee may be imposed without a hearing but may be appealed to the General Manager of LAHD. The appeal shall be made in writing, and shall specify the grounds for the appeal. The appeal shall be filed with LAHD within ten calendar days of the issuance of the imposition of the late fees and costs. The General Manager or his designee shall issue a decision within ten calendar days of the filing of the appeal. A copy of the decision shall be served on the person or entity subject to the Order or fee by first class United States mail, postage prepaid, or in person. The City shall have the right to bring legal action in any court to enforce the Order and collect the amount of outstanding fees and penalties. City may waive the penalty imposed pursuant to this section if City determines that good causes exist for the Borrower’s failure to pay in a timely manner.

- b. By mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder;
- c. Filing of a complaint or referral to HUD or other appropriate agencies for further enforcement actions;
- d. Have access to and inspect, examine and make copies of all or a portion of the books and records of the Borrower pertaining to the Project, in order to ensure compliance with all provisions of the Covenants, including records relating to the accessibility of the Accessible Units; and

- e. Take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

Section 12. Compliance with Accessibility Requirements. The Borrower hereby certifies that it and its property manager and any agent, contractor and subcontractor will comply with the Accessibility Standards as defined, and the policies described in Sections 2-5. The Borrower and any contractor and subcontractor will provide Reasonable Accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services, and activities in accordance with each of the applicable and stricter of the requirements of the ADA, the 2010 ADA Standards for Accessible Design, the ADAAG, Section 504, UFAS, the FHA, the Fair Housing Act Design and Construction Requirements, federal regulations implementing the ADA, Section 504, and the FHA, California Government Code 11135 *et seq.*, the California Building Code Chapters 11A and 11B, and all subsequent amendments to those laws. The Borrower and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship or association with a person with a disability. Any contract and subcontract entered into by the Borrower, relating to the Covenants and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph.

Section 13. Governing Law. The Covenants shall be governed by the laws of the State of California.

Section 14. Parties Bound. The provisions of the Covenants shall be binding upon and inure to the benefit of the City and the Borrower and their respective successors and assigns.

Section 15. Severability. Every provision of the Covenants is intended to be severable. If any provision of the Covenants shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.

Section 16. Waiver. Any waiver by the City of any obligation in the Covenants shall be in writing; however, the City cannot waive the requirement to comply with federal and state law. No waiver will be implied from any delay or failure by the City to take action on any breach or default of the Borrower or to pursue any remedy allowed under the Covenants or applicable law. Any extension of time granted to the Borrower to perform any obligation under the Covenants shall not operate as a waiver or release from any of its obligations under the Covenants. Consent by the City to any act or omission by the Borrower shall not be construed to be a consent to any other or subsequent act or omission or to waive the requirement for the City's written consent to future waivers.

Section 17. Modifications. There shall be no amendment or modification of the Covenants without the prior written approval of the City. Any amendment or modification of the Covenants shall be by a written instrument executed by the City and the parties to the Covenants and the Regulatory Agreement or their successors in title, and duly recorded in the real property records of the County of Los Angeles, California. Modifications or amendments to the Covenants may occur by operation of law or other agreements binding the City and the parties to the Covenants and the Regulatory Agreement.

Section 18. Conflicts. If the provisions of the Covenants are inconsistent with the provisions of the Regulatory Agreement, the Note Documents, or any other documents which affect the Project, the more restrictive covenants or restrictions shall control.

Section 19. Recording and Filing. The Borrower shall cause the Covenants to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the City may reasonably request. However, failure to record the Covenants by the Borrower shall not relieve Borrower of any of the obligations specified herein.
