

## MOTION

As part of an effort to develop beneficial collaborations between the City of Los Angeles and the philanthropic community, the Office of the Mayor has established an Office of Strategic Partnerships; as was done during the administration of Mayor Antonio Villaraigosa. Operating as a division within the Mayor's Office, the Office of Strategic Partnerships provides a source of leadership in uniting philanthropic partners and community and civic leaders to extend the reach of important social, educational, environmental or other vital public benefit programs that serve our common constituencies.

The Harbor Freight Tools Foundation has donated \$298,044 to help offset the cost to operate the Office of Strategic Partnerships.

I THEREFORE MOVE that the City Council accept the generous donation of \$298,044 from the Harbor Freight Tools Foundations on behalf of the City of Los Angeles for the Mayor's Office of Strategic Partnerships and direct that the funds be deposited to the General Fund and appropriated therefrom to Fund 100/46, Account No. 1010, and that the Office of the Mayor, with the assistance of the City Attorney, be authorized to make any necessary technical corrections to accomplish the intent of this action.
