

Dear LA City Council,

I am writing this letter as a concerned resident of Los Angeles who has been saddened and discouraged by the language and conduct displayed during the recent LA City Council Meetings. The hate speech that I have witnessed creates a hostile and undesirable environment for these meetings. The Council meeting should be a place for dialogue and problem-solving not a place for disruptive antics.

I am charging Councilmembers to take action by enforcing clear expectations for respectful dialogue and professional conduct. Our community deserves a public forum where everyone feels empowered to contribute. I hope these concerns are taken seriously and something is done immediately.

Best,  
Terrick
