Comments for Public Posting: Dear Councilpersons, I am writing to ask you to continue the Senior Meals Program. I am 97 years old and I have dementia. I can't go out shopping and I can't cook anymore. I depend on other family members to shop for me and my caregiver to prepare my meals. The program has provided healthy meals that I can microwave myself when my caregiver is not here or when I don't have healthy food in the house. Please continue the program. It has been a great help to me.
