Comments for Public Posting: We oppose this application/appeal. This 6 foot hedge and fence is NOT legal nor inline with the Wilshrie Park HPOZ guidelines, nor was it approved by the City of Los Angeles when the applicant did their home renovations. It is NOT in character with he neighborhood and/or HPOZ. This is NOT considered an accommodation for a handicapped person. This is more for the property owners personal preference to have a more private property. They do not have any mobility restrictions for their family. A 6 foot hedge/fence/gate is NOT a legal reason for an accommodation for a handicapped person. High hedges and gates are NOT a deterrent for crime either, it gives criminals a place to hide, and less visibility of the property from the street. It takes away the sense of community, which is what Wilshire Park strives for! Please do NOT approve and oppose this appeal. Thank you.
