

## Communication from Public

**Name:**

**Date Submitted:** 06/14/2025 09:12 AM

**Council File No:** 25-0002-S44

**Comments for Public Posting:** California taxpayers, local municipalities and the state cannot, and should not have to pay for damages associated with extreme heat, wildfires, drought and floods that are attributable to the largest polluters. If passed, this legislation will require the largest multinational fossil fuel companies to pay their fair share of climate-related damages based on their documented CO2 emissions from 1990-2004. Please vote in support of this legislation.
