Subject: Tourism Workers Deserve to Rise! Thank you for your Support (File # 14-1371-S1)

Councilmember Eunisses Hernandez,

Thank you for voting YES on the Olympic Wage for hospitality workers. This would update our current living wage laws to require that airport and hotel workers are paid \$30/hr by the Olympics, and have increased access to family health care and worker protections. It feels really good to have a pro-worker Councilmember. Thanks again!

Councilmember Hugo Soto-Martinez,

Thank you for your support for the Olympic Wage. While the tourism industry is poised to continue to grow as Los Angeles gears up to host the 2026 World Cup, 2028 Olympic and Paralympic Games, and other mega-events, wages remain insufficient for tourism workers to continue to live in Los Angeles and surrounding cities as the region grapples with an unprecedented housing and healthcare affordability crisis.

Thank you for voting for higher wages and benefits for tourism workers!

Councilmember John Lee,

While the tourism industry is poised to continue to grow as Los Angeles gears up to host the 2026 World Cup, 2028 Olympic and Paralympic Games, and other mega-events, wages remain insufficient for tourism workers to continue to live in Los Angeles and surrounding cities as the region grapples with an unprecedented housing and healthcare affordability crisis.

I urge you to vote for higher wages and benefits for tourism workers this time. And I am not alone: the Tourism Workers Rising coalition of over 150 community organizations and 360 small businesses across Los Angeles is urging city leaders to vote yes on this strong policy that will improve the lives of thousands of tourism workers.

Heed their call and this time, vote for the Olympic Wage for hospitality workers.

Honorable Los Angeles City Council President Harris-Dawson,

Thank you for your support for the Olympic Wage, Council President. The whole country is struggling with a high cost of living and wages that are not matching what it takes to simply live. We all are rooting for Los Angeles right now, which is leading the way.

Thank you for standing with workers.
