Comments for Public Posting: I object to building the resort on land that is part of the new Pilot Wildlife Ordinance. As a homeowner in this area, the Wildlife Ordinance greatly restricts what I can do with my land with a modest house on a steeper slope. I don't understand why you would even be considering this project because of the Wildlife Ordinance and especially because of the intent of the Wildlife Ordinance. Also, approving this project will enable lawyers to argue against the restrictions of the Wildlife Ordinance regarding all properties.
