Comments for Public Posting: These illegal short-term rentals are ruining our neighborhoods. There's lots of noise, drug use and other problems. There has been violence at these kinds of short-term rentals and we want to prevent that from happening in our neighborhood. The people running these rentals don't care that they are harming neighborhoods. I have spent too many hours calling the police and nothing happens. The city needs to be tougher and shut these illegal short-term rentals so we can have our neighborhoods back. These people should be punished just like any other person who scams the system.
