Public Hearing Scheduled May 13, 2025**

Dear Chair Blumenfield, Vice-Chair Hutt, and Honorable Members of the Committee:

On behalf of Supporters Alliance for Environmental Responsibility ("SAFER"), I am writing regarding the City of Los Angeles' upcoming consideration of the Violet Street Creative Office Campus Project ("Project"). On August 10, 2023, we submitted initial comments regarding the Project, and provided comments and raised initial concerns regarding the Draft Environmental Impact Report ("DEIR").

SAFER has reviewed and considered the Final EIR ("FEIR") and the City's supplemental responses to public comments. This includes but is not limited to the City's specific responses to SAFER's prior comments. This information has fully resolved our questions and concerns regarding the EIR, and SAFER has no further comments on the Project. On behalf of the stakeholders that SAFER represents in Southern California, we are pleased to offer our full support for the City's approval of the Project.

Sincerely,

Richard Drury
