**Comments for Public Posting:** CD4 Raman 5310 Franklin Avenue, Los Angeles, CA 90027. Because the City of Los Angeles and CD4, failed to regulate this illegal RV rental, a man burned to death in Los Feliz. These rvs should never be allowed to park in front of homes, parks and schools. Despite multiple pleas from the community, to CD4, PRIOR to this incident, we are beyond upset, that this practice continues. Please permanently remove these rvs off our streets. Thank you.
