PUBLIC WORKS

The public walkway connecting Brookhaven Avenue with Sepulveda Boulevard has become a public safety hazard for the surrounding community with area residents reporting numerous complaints and issues, including criminal activity. Pursuant to State Vehicle Code Section 21101.4, the City is authorized to temporarily close public streets, alleys, and walkways to mitigate criminal activity.

I THEREFORE MOVE that the City Council direct the Bureau of Engineering to report to the Council within 30 days on the feasibility of temporarily closing the walkway located along Sepulveda Boulevard leading to Brookhaven Avenue, including installing a gate or wall at Brookhaven Avenue entrance to the walkways at no expense to the City and a plan for the long-term maintenance to keep the wall and area clear of debris.
