**Subject: Need for Safety and Order at Community Meetings**

Hello

I am writing to you not only as a concerned resident but also as an elderly woman who has attended our community meetings for many years. Lately, these meetings have become frightening and unsafe due to the disruptive presence of protestors. Their yelling, name-calling, and racial slurs has made it difficult for me and many others to feel safe, both during the meetings and when it is time to go home.

Community meetings should be a safe space for everyone, especially seniors like myself, to voice our concerns and stay informed. Unfortunately, the hostile environment created by these protestors has turned what used to be a positive and productive experience into something I now dread.

I respectfully ask for your leadership in demanding that these disruptions stop immediately. We need stronger enforcement of rules and possibly security measures to ensure that everyone feels safe to attend and participate without fear.

As a long-time member of this community, I am hopeful that you will take swift action to restore order and make our meetings welcoming to all once again. Thank you for your attention and care.

**Please protect us.**

Thank you.

Lonnie Brown
