Comments for Public Posting: Hello, I am writing in regards to the request to remove the homeless encampment permanently in the vicinity of Lumbini Child Development Center. I have a 4 year old daughter who attend Lumbini and a 2 year old who I plan on enrolling in the coming months. Lumbini is a wonderful school with amazing teachers and staff and we have been so fortunate to have Lumbini in our community. However, homelessness has been a great problem with the school being so close Skid Row. We've been seeing a growing number of homeless population in our community and as a result we have had a growing concern for the safety of everyone, especially our kids who attend Lumbini. On a daily basis we see homeless individuals right where Lumbini is located and it has been disconcerting and alarming for our community. I strongly urge that you please remove the encampment permanently. It would not only bring a peace of mind for the safety of our kids, it could help prevent something truly unfortunate from happening. Please help protect and keep our community safe. Thank you for your time.
