RE: PCN Application for Case No. ZA 2018-906-CUB-CUX-ZV-CDO

Dear Gerald Gubatan,

This letter is to explain the discrepancy in the initial Public Convenience or Necessity Application associated with Case No. ZA 2018-906-CUB-CUX-ZV-CDO I submitted as the applicant's representative. The Applicant information stated on the initial application was incorrect, which is why the PCN, Letter of Determination, the CUB Application Package and Mailing List did not match.

Enclosed is an updated PCN application with the correct Applicant information stated on the form. The PCN, Letter of Determination, the CUB Application Package and Mailing List should all match now.

We hope the updated PCN application fully addresses the issue with the application and that you are now able to process the application. Please contact my office if a further explanation would be helpful in addressing this matter.

Respectfully,

Elizabeth Peterson Gower
