

**MOTION**

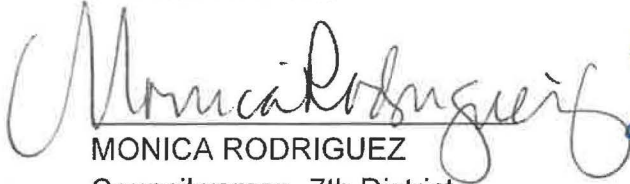

The City continues to address the large number of vehicles in the public right-of-way that are inoperable and present a health and safety risk. A key component of addressing vehicles is recycling those that are impounded once they are eligible for disposal. When a vehicle is authorized for dismantling, LAPD sends the vehicle to its contractor, SA Recycling (SA).

I THEREFORE MOVE that Council APPROVE and TRANSFER appropriations in the amount of \$2,250,000 from the Unappropriated Balance, Fund No. 100/58, Account No. 580422, Citywide Recreational Vehicle Program, to the Los Angeles Police Department (LAPD), Fund No. 100/70, Account No. 003040, Contractual Services, for the recycling of recreational vehicles.

I FURTHER MOVE that Council INSTRUCT the City Administrative Officer (CAO), with assistance from the LAPD, to provide a report to replenish funds for the Citywide Recreational Vehicle Recycling Program to the LAPD, Fund No. 100/70, Account No. 003040, Contractual Services, for the recycling of recreational vehicles once the account reaches \$250,000 for this fiscal year, with an estimated cost to continue funding through the next fiscal year.
