**Comments for Public Posting:** I fully SUPPORT this motion. The Whitsett Slope has an amazing visual impact not just for local North Hollywood community members, but also for many Angelenos & city visitors driving along the 170. Please vote YES to investing in the needed maintenance, irrigation repair, security fencing, anti-graffiti treatment, etc for the area. Thank you, Jennifer Clark, speaking as an individual resident of North Hollywood. For identification: I am the VP of the North Hollywood Northeast Neighborhood Council.
