Name: The dog in Imelda's office

Date Submitted: 08/08/2023 02:24 AM

Council File No: 23-0559-S1

Comments for Public Posting: The only dog imelda should be worry about is the one she hired to be her district director. You know the one who sexually assaulted women at his last government job. Where's the second chances for women who have been victims of assault you backstabber?
